

B1 MASTERY — CLASE 20 GRAMMAR — Grammar Teacher

Sesion 20/44 · 1h50min · Bloque 2 (Grammar, after Conv) FORMATO RECETA ACCIONABLE

Date: ____/____/2026 · Attending: ____/____

Module: PAST SYSTEM MASTERY — lock the WHOLE integrated past machine on paper as ONE system. No new rule. Five forms in one narrative: used to / would (old habit), was -ing (background), when + past simple (the event), had + participle (the earlier event, CI 19), and sequencing connectors (the order). We formalize how they CHAIN in a single multi-layer paragraph, drill a labeling relay, and hunt present-tense leaks. Final consolidation before the midterm. Anchors: A2 Book M12 (was -ing, when + simple), M15/M16 (participle); used to/would and past perfect are the B1 extension. ~86% standing. Today CLOSES the FORTITUDE block (day 5).

Virtud: FORTALEZA v1 dia 5 de 5 (CIERRA bloque CI 16-20)

Phrase of the Day: *"Fortitude finishes clean — five forms locked on one page: used to, was -ing, when it happened, what I had already done, and the order that holds them. One whole past written, no layer dropped, no leak to the present."*

=====
[VIRTUD] HOY = FORTALEZA v1 dia 5 de 5 (CIERRA)
=====

3 MOMENTOS donde la virtud se ACTIVA hoy (mayoria DE PIE):

(1) OPENER (Stand): ESCRIBES "FORTITUDE — DAY 5, CLOSING" en board grande + DI: "Day 5 — the last day of Fortitude. Courage is finishing what you started. For four days you built the past piece by piece; this morning in Conv you SPOKE the whole story. Here we lock all five forms on paper, in one paragraph, and we do not drop a layer."

(2) BLOQUE 2-3 practica (Stand at board): si alguien deje caer una capa o escriba un verbo en presente a mitad de historia, DI suave: "Fortitude. Finish the machine. Five forms, all past — which one is missing?"

(3) CIERRE: PREGUNTA: "Looking back at these five days of Fortitude — which form was hardest to lock, and did you finish it?" — 2 respuestas maximo, rapido, sin discusion.

=====
[FRASE DEL DIA] (escribela en board ANTES de empezar)
=====

"Fortitude finishes clean — five forms locked on one page: used to, was -ing, when it happened, what I had already done, and the order that holds them. One whole past written, no layer dropped, no leak to the present."

INSERTA 4 veces hoy:

- (1) OPENER (apenas escribas el board)
- (2) BLOCK 2 (cuando cierres la cadena de las 5 formas)
- (3) BLOCK 3 (mid-round del Mastery Relay)
- (4) CIERRE (un estudiante la repite + la parafrasea + cierra el bloque FORTALEZA)

=====
QUE TRAES (NADA MAS):
- Reloj
- 2-3 marcadores
- Tu cuaderno personal (errores + nombres)
- La hoja "PASE A GRAMMAR — CL 20" recibida del Conv Teacher esta mañana (3 gaps orales + whole-story bridge) — la lees en el opener
=====

BLOCK MAP — 4 BLOQUES (110 min) — ~86% DE PIE

| # | Min | Bloque | De pie? | Que pasa |

|---|---|---|---|---|

| 1 | ~10 | OPENER | STAND | Frase + FORTALEZA dia 5 (cierra) + 3 gaps (Conv pase, mismo dia) + bridge a maestria |

| 2 | ~50 | CONTENT FIVE-FORM MACHINE ON PAPER | STAND ~90% | Cadena completa de las 5 formas + labeling drill + fix-the-leak transform en pares + podium "name the form" |

| 3 | ~45 | LIVE: MASTERY RELAY | STAND 100% | Historia colaborativa, cada par agrega una clausula ETIQUETADA con su forma, 20+ clausulas, las 5 formas, 3 rounds |

| 4 | ~15 | CIERRE | SEATED | Error paper recap + frase close + virtud dia 5 CIERRA FORTALEZA + tarea + PASE a Conv CI 21 |

> **DE PIE:** Blocks 1-3 entera de pie en/junto al board (~100 min de pie sobre ~115 totales = 86%). Solo el cierre escrito es sentado.

BLOCK 1 — OPENER (~10 min) — STAND

1. (Stand) DI: "Welcome back. Class 20 of 44 – FORTITUDE day 5, the last day. For four classes we built the past one tool at a time: simple events, the was -ing background, used to for old habits, and last class the past perfect. This morning in Conv you told the whole story out loud. Today: NO new rule. Today we lock ALL FIVE on paper, in one paragraph, as one machine – and we make sure not a single layer leaks to the present."

2. [VIRTUD] activation (Stand): ESCRIBE "FORTITUDE – DAY 5, CLOSING" en board grande. DI: "Day 5 – courage is FINISHING what you started. Four days ago the past was in pieces. Today you finish it – one whole written past, every form in place, nothing dropped."

3. [FRASE] insertion 1 (Stand): ESCRIBE la frase en board. LEELA 2 veces. COHORTE repite 2 veces. UN estudiante la dice solo.

4. [PROMPT] (mystery – recibe Conv pase mismo dia): LEE en voz alta los 3 gaps que el Conv Teacher anoto esta mañana (tipico: "used to worked" / "had went" / "then I am closing the deal"). DI: "These three came out of your mouths in Conv this morning. Each one is a different leak – a wrong form, a wrong participle, a jump to the present. We seal all three standing in the next 50 minutes."

5. ESCUCHA reacciones. NO entres en discusion. Solo marca: estos son los blancos de hoy.

6. DI (bridge): "One paragraph, five forms. Used to = the old habit. Was -ing = the background. When + simple = the event. Had + participle = what was already done before. Connectors = the order. Mastery is holding all five on paper without dropping one and without slipping to the present. That is today – and it is the last rehearsal before the midterm."

7. DI: "Stand. Marker ready. We live at the board today – almost nobody sits until the homework."

[ALERTA] si la pase de Conv no llego (Conv Teacher olvido entregarla), USA gaps genericos: "used to worked" / "had went" / "then I am closing the deal". NO esperes. NO pierdas tiempo buscando.

[OK] SEÑAL DE AVANCE: cuando la cohorte registre los 3 gaps y conecte que hoy se ENSAMBLAN las 5 formas en un solo parrafo, PASA a Block 2.

BLOCK 2 — CONTENT FIVE-FORM MACHINE ON PAPER (~50 min) — STAND ~90%

1. (Stand at board) ESCRIBE la CADENA COMPLETA (las 5 formas, una debajo de otra – toma 6 min, vale la pena):

THE WHOLE PAST MACHINE – FIVE FORMS, ONE PARAGRAPH

(1) OLD HABIT / STATE

used to + base "I used to work alone."

would + base "Every morning I would arrive early."

(2) BACKGROUND (in progress)

was/were + -ing "I was finishing a report..."

(3) THE EVENT (it cut the background)

when + past simple "...when my manager called."

past simple "She gave me a hard client."

(4) THE EARLIER EVENT (already done before) [Cl 19]

had + participle "By then she had already chosen me."

"I had never managed an account alone."

(5) THE ORDER

first / then / after that / while / finally

*** Habit = used to. Background = was -ing. ***

*** Event = simple. Earlier = had + participle. ***

*** Order = connectors. The whole thing = PAST. ***

2. (Stand) SEÑALA cada capa con UN ejemplo rapido. DI:

"You own each of these from Cl 15-19. Today we don't re-teach – we CHAIN them and write them clean. Watch one paragraph use all five."

3. [FRASE] insertion 2 (Stand): SEÑALA la frase. DI:

"Five forms locked on one page – used to, was -ing, when it happened, what I had already done, and the order. One whole past written, no leak to the present."

4. (Stand) ESCRIBE el PARRAFO MODELO en board, etiquetando cada cláusula con su numero de forma (60 seg):

"(1) I used to work in a small office. (2) One morning I was finishing a report (3) when my manager called me in. (4) By then she had already chosen me for a difficult client, and I had never managed an account alone. (5) First I panicked, then I asked for help, and finally I closed the deal."

DI: "Count them on the board: 1-used to, 2-was -ing, 3-when + simple, 4-had + participle x2, 5-connectors. Every layer present, everything past. THIS is the shape."

5. [ERROR TIPICO #1] (dropped layer) parrafo sin past perfect cuando hay un evento anterior claro:

"When I arrived, the meeting started" (ya habia empezado). -> ESCRIBE "...the meeting HAD already started." DI: "Don't drop layer 4 – if it was already done, had + participle." COHORTE repite 2 veces.

6. [ERROR TIPICO #2] "I used to worked there."

-> TACHA "worked", ESCRIBE "I used to WORK there."

DI: "After used to = base verb. Not worked – WORK."
COHORTE repite 2 veces.

7. [ERROR TIPICO #3] "I was prepare a report."
-> TACHA "prepare", ESCRIBE "I was PREPARING a report."
DI: "Background = was + -ing. Not the base, not the simple." COHORTE repite 2 veces.

8. [ERROR TIPICO #4] "she had went."
-> TACHA "went", ESCRIBE "she had GONE." DI: "go -> went -> GONE. Participle after HAD, never the past simple." COHORTE repite 2 veces.

9. [ERROR TIPICO #5] (present leak) "...then I am closing the deal." -> TACHA "am closing", ESCRIBE "...then I CLOSED the deal." DI: "Fortitude – the whole machine stays in the past. No jump to the present." COHORTE repite 2 veces.

10. [VIRTUD] activation (Stand): cuando alguien deje caer una capa o escriba un presente, DI suave: "Fortitude. Finish the machine. Five forms, all past – which one is missing?"

11. (Stand) PIDELES LABELING DRILL en parejas DE PIE en el board: "I read a full model paragraph clause by clause; you write the FORM NUMBER (1-5) over each clause and, if it is wrong, fix it." 8 min. DICTA este parrafo (con 3 errores plantados):

"I used to worked in sales. One evening I was drive home when my phone rang. By then the client already sent the contract. First I read it, then I signed, and finally I am celebrating."

Correcciones esperadas: "used to WORK" (1), "was DRIVING" (2), "when my phone rang" (3, OK), "the client HAD already SENT" (4), connectors OK (5), "finally I CELEBRATED" (present leak). CIRCULA. CORRIGE en board cuando un error aparezca 2 veces.

12. PODIUM – "NAME THE FORM" SPRINT (7 min). DOS volunteers al frente DE PIE. Tu lees UNA clausula; ellos dicen que forma es (1-5) y si esta bien o mal la arreglan. Cohorte verifica en coro: "Form X – clean!"

8 clausulas para llamar:
"I used to smoke." -> Form 1 (clean)
"I was cook dinner." -> Form 2 (fix: was COOKING)
"when the lights went out" -> Form 3 (clean)
"she had wrote three emails" -> Form 4 (fix: had WRITTEN)
"then I am leaving the office" -> present leak (fix: then I LEFT)
"by the time I called, he leave" -> Form 4 (fix: he HAD LEFT)
"every summer we would travel" -> Form 1 (clean)
"after that, I fixed it" -> Form 5 + simple (clean)

13. Aplauso al final. (Stand) ESCRIBE la SELF-CHECK CARD (la misma que Conv uso esta mañana – asi la ven en los dos bloques):

BEFORE YOU HAND IN A PAST STORY, CHECK:
1. OLD habit? (used to / would)
2. BACKGROUND? (was -ing)
3. EVENT? (when + past simple)
4. EARLIER event? (had + participle)
5. ORDER? (first / then / finally)
*** And is it PAST the whole way – zero present? ***

14. CIERRA cuando 80% etiqueta las 5 formas y arregle los present leaks sin ayuda. DI: "Stand. Push chairs to the walls. We run the Mastery Relay."

[ALERTA] si llegas a 35 min y la cohorte aun deja caer 2+ capas o escribe presentes, NO corras al podium. Reduce a 4 formas (used to + was -ing + when + simple + had + participle) y deja la cadena completa de connectors como callback en el relay. Mejor un parrafo de 4 capas limpio que 5 capas con fugas.

BLOCK 3 — LIVE: MASTERY RELAY (~45 min) — STAND 100%

1. (Stand) ESCRIBE en board grande: "MASTERY RELAY — ONE STORY, EVERY CLAUSE LABELED WITH ITS FORM — 20+ BUILDS, ALL FIVE FORMS, 3 ROUNDS"

2. DI las reglas: "We build ONE long past story together on the board, standing. Each pair adds ONE clause AND writes the form number (1-5) above it. Say it out loud, then write it, then label it. The next pair must add a DIFFERENT form than the one before — so the story keeps cycling through all five. If a clause leaks to the present, uses the wrong participle, or drops the label, the cohort calls 'Fortitude!' and the pair fixes it before we move on. Goal: every form appears at least three times, and the story stays 100% past."

3. [FRASE] insertion 3 (Stand): DI: "This relay IS the phrase — five forms locked on one page, no layer dropped, no leak to the present. One whole past written."

4. (Stand) ESCRIBE la PRIMERA linea semilla y el banco de formas al lado:

SEED: "(1) I used to work night shifts."

FORM BANK (label every clause with its number):

1 = used to / would 4 = had + participle

2 = was -ing 5 = connector

3 = when + past simple

ROUND 1 (15 min) — HABIT + BACKGROUND + EVENT (forms 1-3 dominant): pairs add clauses 2-8, cycling forms, each labeled. Target shape:

"(1) I used to work night shifts. (2) One night I was closing the store (3) when a customer knocked hard on the glass. (5) At first I hesitated..."

5. CIRCULA. INTERVEN solo si un error aparece 3 veces en la misma pareja -> board -> coro 2x -> sigue la cadena.

6. [VIRTUD] activation (Stand): si una clausula salte al presente o deje caer el label, DI suave: "Fortitude. Finish the machine. Which form is this — and is it past?"

7. ROTA el turno. ROUND 2 (15 min) — DROP THE FLASHBACK LAYER IN (form 4 mandatory): pairs add clauses 9-14, and at least half must be form 4 (had + participle). Target shape:

"(4) By then the manager had already left. (4) I had never handled an emergency alone, (5) so first I called security..."

8. [PROMPT] (translanguaging): DI: "If a pair freezes, plan the clause in Spanish for 5 seconds: which form do we need next, and which event came first? Then write it in English and label it."

9. ROTA el turno otra vez. ROUND 3 (15 min) — CLOSE THE STORY, ALL FIVE VISIBLE: pairs add clauses 15-20+ to

resolve the story, making sure by the end every form number (1-5) appears at least three times on the board.

Target close:

"(5) After that I stayed calm, (3) when help finally arrived, (4) I realized I had grown more in one night than I had expected in a year."
Push: 20+ clausulas, las 5 formas etiquetadas, cero presentes. Observer cuenta present leaks y wrong labels.

10. CIRCULA, CORRIGE cuando un error aparezca 2 veces en parejas distintas. Anota con NOMBRE en tu cuaderno.

11. CIERRA con LECTURA CORAL + FORM COUNT: la cohorte lee la historia completa del board en voz alta, de pie. UN voluntario cuenta en voz alta cuantas veces aparece cada forma: "Form 1 x3, Form 2 x4, Form 3 x4, Form 4 x5, Form 5 x6 – all five locked, all past." Aplauso.

[ALERTA] si una pareja se queda en silencio 15+ segundos, DROP UN PROMPT ("Add a form 4 — what HAD already happened before this?" / "Connect with a form 5 — 'after that'") y RETIRATE. NO expliques, NO llenes el silencio.

[OK] SEÑAL DE AVANCE: 3 rounds completos (20+ clausulas etiquetadas, las 5 formas x3+, cero present leaks) + lectura coral + form count final.

BLOCK 4 — CIERRE (~15 min) — SEATED

1. ESCRIBE en board: "ERRORS HEARD TODAY"

2. ESCRIBE los 5 errores típicos (anonimos):

X "I used to worked there" -> "I used to WORK there"

X "I was prepare a report" -> "I was PREPARING a report"

X "she had went" -> "she had GONE"

X "by the time I arrived it started" -> "...it HAD already started"

X "then I am closing the deal" -> "then I CLOSED the deal"

3. COHORTE repite las 5 correcciones 2 veces en coro.

4. [FRASE] close + CIERRE DEL BLOQUE FORTALEZA: UN estudiante (al azar) dice la frase de memoria + la PARAFRASEA con su propia historia completa, tocando las 5 formas ("Fortitude finishes clean – I used to freeze in meetings, one day I was presenting when the client pushed back, but by then I had already rehearsed twice, so first I paused, then I answered, and finally I won the account – all past, no leak"). Aceptas cualquier parafraseo que encadene las 5 formas en pasado.

5. [VIRTUD] día 5 – CIERRE del bloque FORTALEZA:

PREGUNTA: "Looking back at these five days of Fortitude – which form was hardest to lock, and did you finish it?" – 2 respuestas máximo, rápido, sin discusión.

DI: "This closes FORTITUDE – five days of courage.

Next class we open a NEW virtue: PRUDENCE, day 1 – planning before you act. And we open the present perfect, the language of your midterm: where you WERE against where you ARE now."

6. ESCRIBE HOMEWORK en board (mientras la dices):

HOMEWORK CL 20 GRAMMAR – DUE BEFORE NEXT CLASS, 7:00 AM
TIME: 30-45 min (B1). NOT fragmented.

(1) WRITING – ONE complete past narrative paragraph, 12-14 sentences, "My hardest challenge, start to finish". Label each clause in the margin with its form number (1-5). It MUST contain, at least once each:

- (1) used to / would (old habit)

- (2) was -ing (background)

- (3) when + past simple (the event)

- (4) had + participle (the earlier event) x2

- (5) 3 connectors + 1 closer

RULE: zero present tense. NEVER "used to worked", NEVER "had went", NEVER a present slip. This is your midterm draft – hand in on paper next class.

(2) AUDIO eyes closed – 3 min – "My hardest challenge"

– narrate the SAME paragraph out loud, all five forms, smoothly, no reading, no present slips.

Label: B1-GRAMMAR-20.

(3) LISTENING – 10 min YouTube "fluent past tense personal story English". Note 5 sentences and write the FORM NUMBER (1-5) next to each. Paper.

RULE: Not fragmented. No "I didn't have time." If

pushback: "This is what B1 requires. 30-45 min is the minimum – and this one IS your midterm draft."

7. PASE Grammar -> Conv entregada ANTES de salir del aula (ver siguiente sección).

8. DI: "Next class Cl 21: we open PRESENT PERFECT – have / has + participle: 'I have improved', 'I have learned', 'I have grown'. It is the language of your midterm – where you were against where you are now. We also start the midterm prep: you will rehearse your pitch. PRUDENCE day 1. Any question about evaluations goes to coordination – not to me, not to the Conv Teacher."

[ALERTA] si un estudiante no anota la tarea -> DI: "Phone out. Photo of the board now." Nadie se va sin saberla. Si alguien protesta por la longitud: "30-45 min total, not fragmented. That is the rule."

[OK] SEÑAL DE AVANCE: cohorte sale sabiendo la tarea + UN estudiante diciendo la frase de memoria + 5 errores en board + bloque FORTALEZA cerrado + PASE a Conv Cl 21 entregada + Cl 21 anunciada.

PASE A CONV TEACHER — CL 21 — antes de salir del aula

Fill la hoja titulada **"PASE A CONV — CL 21"** y entregala fisicamente al Conv Teacher:

PASE Grammar -> Conv — Cl 20 -> Cl 21

3 fresh gaps from Grammar today (when accuracy slipped under speed):

1. [literal error] — student: [name]
2. [literal error] — student: [name]
3. [literal error] — student: [name]

Most common patterns under pressure — MASTERY day:

- (a) Dropped layer — paragraph missing a whole form (never used to, or never had + participle).
- (b) used to + past/med: "used to worked".
- (c) Background vs event: "was prepare" / "was drive".
- (d) had + bare verb / had + past simple: "had went", "had start".
- (e) Present leak mid-story: "then I am closing".

Today I locked the whole past machine on paper as one system: the five-form chain, a labeling drill, a "name the form" podium, and a 20-clause Mastery Relay where every clause was tagged 1-5 and every present leak was sealed. They can now WRITE an integrated multi-layer past paragraph with all five forms and no leak.

For your Cl 21 Conv (PRESENT PERFECT — opens PRUDENCIA v2 + midterm prep): the past machine is closed. Cl 21 turns the corner to have/has + participle — where they ARE now versus where they WERE. Open with a bridge roundup: each person gives ONE past line (from their mastered story) and then ONE present-perfect line about what has CHANGED ("I used to freeze in meetings; now I have learned to pause"). The participle is the same one they own from A2 Book M15/M16 — only the auxiliary changes (had -> have/has). This is the natural language of the "My Story, My Goals" midterm pitch they drafted today.

FORTALEZA v1 CLOSED today (dia 5 de 5). Cl 21 opens PRUDENCIA v2 (dia 1). Calendario absoluto.

Signed: Grammar Teacher

Hand it physically to the Conv Teacher.

DELIVERABLES A COORDINACION

- [] FOTO del board final con los 5 errores tipicos + la cadena de 5 formas + Frase del Dia
 - [] FOTO/video del Mastery Relay (historia de 20+ clausulas etiquetadas 1-5) + podium "name the form"
 - [] ESCRIBE en tu cuaderno: 3 errores literales con NOMBRES
 - [] MARCA en reporte: FORTALEZA v1 dia 5 de 5 (CIERRA el bloque)
 - [] CONFIRMA: 4 inserciones de Frase del Dia hechas (opener / five-form chain / mid-relay / cierre paraphrase)
 - [] CONFIRMA: PASE a Conv Teacher Cl 21 entregada
 - [] CONFIRMA: PASE "A GRAMMAR — CL 20" de Conv recibida y leida en opener
 - [] CONFIRMA: NO comunicaste notas (coordinacion maneja)
 - [] CONFIRMA: ~86% de la clase ejecutada DE PIE (Blocks 1-3 en/junto al board)
 - [] CONFIRMA: Anunciaste Cl 21 = PRESENT PERFECT + apertura PRUDENCIA v2 + midterm prep
 - [] CUENTA: 3 rounds (20+ clausulas etiquetadas, las 5 formas x3+) + lectura coral + form count
-

NOTAS INTERNAS (no leer en clase)

- Profe NO viene con material preparado. Todo se genera en clase con board y cuaderno. Si suplente cubre con esta sola guia puede ejecutar todo. Cero sobres, cero cards, cero grids impresos.

- Topico CI 20 = MAESTRIA DEL SISTEMA PASADO (SUPUESTO DE PLANEACIÓN — verificar). Clase de consolidacion: NO introduce regla nueva — ensambla used to/would (CI 17) + was -ing background (CI 15) + when/while + past simple (CI 13-16) + past perfect (CI 19) + sequencing connectors (CI 14/18) en UNA narracion escrita de varias capas. Es el ultimo ensayo del sistema pasado antes del midterm. Si Diana redirige, reajustar Bloque 2 — la estructura de 4 bloques se mantiene.
- Anclaje al libro: las formas pasadas (was -ing, when + simple) vienen de A2 Book M12; el participio de M15/M16; used to/would y past perfect son extension B1 estandar mas alla del A2 Book (SUPUESTO DE PLANEACIÓN — verificar fuente si Diana la pide). NUNCA inventar reglas.
- Proximo CI 21 = PRESENT PERFECT (have/has + participle, experiencias) — ABRE PRUDENCIA v2 e INTEGRA midterm prep (ensayo del pitch) (SUPUESTO DE PLANEACIÓN — verificar). Anclaje A2 Book M15 (regulares) + M16 (irregulares). El PASE entregado hoy a Conv abre ese puente.
- Virtud CI 16-20 = FORTALEZA v1. Hoy día 5 de 5 CIERRA el bloque. CI 21-25 = PRUDENCIA v2 (CI 21 día 1 ABRE). Anunciar la transicion hoy en el cierre. Calendario absoluto — no se desplaza por festivos.
- DE PIE: requerimiento del Grammar Teacher (ansiedad con guias estaticas) — piso 70%, objetivo ~86%. Blocks 1-3 enteros de pie en/junto al board. Solo el cierre escrito es sentado.
- CI 22 = Midterm "My Story, My Goals" (definido desde CI 1; presentaciones integradas, sin marcadores separados). El draft de la historia que se ensayo/escribio hoy ES la base del pitch. CI 44 = Final aplicado por evaluador externo de coordinacion — NO generar guia ese dia. NO comunicar notas, midterm, ni criterios — coordinacion.
- PASE bidireccional Conv <-> Grammar: hoy Conv abrio el dia con produccion oral (whole-story roundup), Grammar locka la maquina integrada en papel en el mismo CI 20 (Bloque 2), y Grammar entrega PASE a Conv CI 21. Patron validado desde CI 7.
- Modelo inmersivo: 4 bloques largos, NO 12-13 cortos. Inmersion 45 min en Block 3 (Mastery Relay), profesor COACHA en voz alta y marca patrones/labels en el tablero, no juega rol. Plan B en cada bloque permite ejecutar incluso si cohorte llega cansada o un suplente cubre sin contexto previo.
