

A1 NIGHT — CLASS 45 — FINAL EXAM (LAST CLASS OF THE LEVEL) — Christian

Session 45/45 · 2h (120 min) · FINAL CLASS — Final Exam in this 2h block · ~25% standing

Date: ___/___/2026 · Attending: ___/6

Focus: A1 FINAL EXAM (written + oral) integrated in regular guide — emotional close of the level.

Virtue: SYNTHESIS day 5 of 5 — LAST (block CI 41–45 — the four virtues integrated, level ends today)

Phrase of the Day: "Today I close 90 hours of choosing to come back — Prudence to plan my words, Temperance to breathe, Justice to listen, Fortitude to finish. The Final is not the test of who I was — it is the celebration of who I am becoming."

EXAM-DAY FIRM RULES (read before class)

> - **The Final is INTEGRATED in this guide** (Diana decision 31/05) — it is not a separate session and does not consume an extra class number. Coordination supplies content, rubric and results.

> - **The teacher NEVER communicates grades, criteria, what counts more, what is in/out of the exam, partial or final results, or "good/bad".** If asked: *"Thank you. Archived for coordination."* Only allowed close: *"Coordination handles the exam — content, criteria and results. My job today is to run it cleanly."*

> - **ANTI-FRAUD:** written part BY HAND in pen on physical sheets; no phones, tablets, smartwatches, dictionaries or notes; phones collected at the front before E1; oral live, 1 student at a time with the rest in silent waiting; notebook closed; eyes on your own paper.

> - **Exam times are SACRED.** 60 written + 25 oral + 10 close = 95 min. The exam is NEVER extended and NEVER shortened. Late arrival = enters until time runs out (no extra time).

> - **GoldList retired since 14/05.** Today = last day of Phrase of the Day for this A1 night level. If asked: *"The method evolved. Your old notebooks stay yours."*

> - **No homework after today.** A1 night closes here. Next cohort / CI 1 = coordination decision, NOT announced in class.

CONTEXT FOR TODAY

CI 41–44 covered — Synthesis arc: CI 41 written mock 1 + CI 42 written mock 2 + CI 43 miniprojects (polished oral close) + CI 44 pre-Final review (3 stations + mock Final format + voice rest). The four virtues already integrated — today the level closes.

A1 Book ended at M35. CI 34–44 = consolidation. **CI 45 today = FINAL EXAM** (last 2h of the level — firm rule Diana 22/05/2026). No new module. No re-teaching. Today = administration of the Final + clean close of the level.

1. WELCOME + ATTENDANCE + EXAM-DAY FIRM RULES — 5 min — STAND UP

1. Greet at the door. Attendance fast (visible mark, no chat).

2. Cohort standing in semicircle. Read aloud (slow, calm — NOT dramatic):

> *"Today is CI 45 — the Final Exam of the level. Two hours. Twenty minutes warm-up, then the exam. Three rules now:**

> **(1) Silence during the written part. Eyes on your own paper. Phones in the bag at the front of the room — not on the desk, not in your pocket.**

> **(2) Time is sacred. Sixty minutes for writing, twenty-five for the oral. I will NOT extend it. I will NOT shorten it.**

> **(3) Coordination handles results. I do not announce grades, I do not say 'good' or 'bad', I do not give criteria. My job today is to run this cleanly.**

> **If you have a procedure question — only about HOW, not about content — raise your hand at exam prep. Sit.**

3. Phones go in the front bag NOW (before warm-up). Pens out. Water bottle ok.

Note: If anyone arrives late during this block — they sit, no scolding, no chat. Late arrival to the written = enters until time runs out (no extension).

2. PHRASE OF THE DAY — LEVEL CLOSING — 5 min — STAND UP

Write on the board (before class):

PHRASE OF THE DAY — CL 45 (LAST DAY A1 NIGHT)

"Today I close 90 hours of choosing
to come back —
Prudence to plan my words,
Temperance to breathe,
Justice to listen,
Fortitude to finish.
The Final is not the test of who I was —
it is the CELEBRATION of who I am becoming."

1. Read twice slowly. Cohort echoes 3×.

2. Say (calm, factual — no drama):

> *"Notice the verbs. CLOSE — not pass, not survive. CLOSE 90 hours. PLAN. BREATHE. LISTEN. FINISH. Four verbs, four virtues — the four we worked one block at a time and integrated last week. Last line: CELEBRATION of who I am BECOMING. Not who I was on day one. Not who I will be in B1. Who I AM BECOMING — present continuous. Today's exam is a photo of that."*

3. "Sit. This is the last Phrase of the Day for A1 night. I will use it ONE more time — at the close, after the exam."

Insertion #1 of Phrase of the Day (closing this block): "Plan. Breathe. Listen. Finish."

3. VATS — SYNTHESIS DAY 5 (LAST) — 5 min — SIT

> *"Synthesis day 5 — the last day. The four virtues are already integrated in you. No new question today. Just one sentence in your head, eyes closed if you want: in the next two hours, which virtue do YOU need to call on the most — Prudence to plan, Temperance to breathe, Justice to listen to the question, Fortitude to finish even if you stumble? One word in your head. Don't say it out loud. Hold it."*

90 sec silence (eyes closed if cohort prefers).

Then: "Open eyes. That word is yours for the next two hours. You don't have to share it. It travels with you to the exam."

No pair share, no public turn. This is internal preparation — coordination data not needed today. Note in personal notebook only if a student visibly breaks (for coordination, NOT for public processing).

Insertion #2 of Phrase of the Day: "The Final is not the test of who I was — it is the celebration of who I am becoming."

4. LAST WORDS BEFORE EXAM — 5 min — STAND UP

> *"Stand. Look at me. Three things, then we set up the room."*

> **(1) Nine weeks ago none of you could say 'Hello, my name is...' in English without a long pause. Today each of you will write a Final and present 3 to 4 minutes in English to me. That is a fact, not a compliment.**

> **(2) Coordination will read your work. They handle grades. I do not. If you finish the written early — you sit and review your own paper. If you stumble in the oral — you breathe, you continue. The rule is FINISH, not PERFECT.**

> **(3) After the oral we close with the Growth Card. Three lines you fill in by hand — about you, not about the exam. Then you leave the room with your card. That is how the level ends."*

(Factual. No "I'm proud". No "you're going to do great". No criteria. No "what counts". The motivation is data: 9 weeks ago / today / fact, not luck.)

> *"Take 30 seconds — water, breath, settle. Then I set up the room and we start."*

> **TRANSITION TO HALF 2 — A1 FINAL EXAM.** Teacher only APPLIES and COLLECTS. Coordination owns content and results.

E1. EXAM PREP — 5 min — SIT

Room setup (~3 min)

1. Desks separated as much as the room allows (anti-fraud).
2. One written-exam sheet face down on each desk (from coord pack).
3. Phones / tablets / smartwatches confirmed at the front in the collection bag.
4. Board CLEAN — only the Phrase of the Day visible at the top (everything else erased).
5. Visible clock / stopwatch ready.
6. Pen on each desk (spare pens at the front in case one fails).

Administrative instructions (~2 min — simple English only)

> *"Final exam — A1. Two parts: 60 minutes WRITTEN, then about 25 minutes ORAL. The written exam is in front of you, face down — do not turn it over yet. You write BY HAND, in pen — no pencil for final answers. No phones, no dictionaries, no notes, no talking. If you have a question, raise your hand and I come to you. You will hear me announce the time at 30 minutes, at 50 minutes, and at the last 5 minutes. When 60 minutes are up, pens down, papers face up. ONE question now about the PROCEDURE — one, not about content. Procedure questions only. Go."*

60 sec for 1 procedure question per person (max 5–6). Any content / criteria / weight / "what counts" question → "Coordination handles that — focus on the work." Then clean close: "Pens ready. Turn your paper over. 60 minutes. Begin."

E2. WRITTEN EXAM A1 — 60 min — SIT

> **CONTENT AND RUBRIC = COORDINATION.** The guide describes *ONLY* the structure. Do NOT fabricate questions or criteria. Do NOT communicate criteria. Same format that students saw 3× in CI 41 / 42 / 44 mock simulations — they know the shape.

Launch

> *60 minutes. Silence. Begin. *

Written exam structure (coordination reference — same family as CI 41/42/44 mocks)

| # | Section | Notes |

|---|---|---|

| 1 | Grammar | tense contrast (past simple · present simple · present continuous · going to · can / should) |

| 2 | Cumulative A1 vocabulary | M1–M35 lexicon (family · body/health · city · routine · time · numbers) |

| 3 | Translation ES→EN | short sentences; spelling + precision |

| 4 | Short writing | 1 sentence about YESTERDAY (past simple) + 1 sentence about NEXT WEEK (going to) + brief routine line |

| 5 | Reading comprehension | short A1 text + 2 questions in English |

(Indicative ~15–20 items / Final format. Coordination owns the exact item count, weights and KEY.)

Timing announcements

- **30 min in:** "Thirty minutes — you should be past Section 2."
- **50 min in:** "Fifty minutes — ten left. Move to writing and reading if you have not."
- **55 min in:** "Five minutes — finish your last answer."
- **60 min:** "Pens down. Papers face up. Stay seated."

During the exam — silent observation

- Teacher circulates every ~10 min to verify anti-fraud.
- If hidden phone, notes, copying or peeking detected: note in personal notebook with NAME and hand to coordination. **Do NOT confront in public.**
- Teacher does NOT help with vocabulary or grammar. "Coordination set the questions — I can't help with content."
- If anyone finishes early: they sit silent and review their own paper. NO talking. NO leaving the room.
- Bathroom only in emergency — 1 student at a time, clock keeps running, no extension.

Collection (~2–3 min, in transition to oral)

Teacher collects each sheet in row order. Counts. Stacks in the coordination envelope/folder in roster order. **Count of students who took the written = note in report.** Sheets handed PHYSICALLY to coordination at end of day (NOT photographed).

E3. ORAL EXAM A1 — 25 min — YES (presenter) / SIT (waiting)

> **CONTENT = COORDINATION.** Per-student order assigned by coordination (list received before class). Each student presents their cohort miniproject close (~3 min) + answers 1 coord question (~1 min). Guide describes *ONLY* the structure.

Setup (1 min)

- Cohort waits at desks in silence — eyes on own paper or hands on lap. NO phones (still at front). NO whispering.
- Teacher calls in order of coordination's list.
- Each student goes to the front (~4 min per student × 6 = 24 min — 1 min buffer).

Per-student structure (~4 min)

| Time | Block | Notes |

|---|---|---|

| 0:00–0:15 | Student stands at front | brief pause to breathe (the "Temperance to breathe" line from the Phrase) |

| 0:15–3:00 | Free production | ~3 min on the miniproject close prepared since CI 43; teacher listens, does NOT interrupt |

| 3:00–3:45 | 1 teacher question | from coord list (simple A1 English: past / present / future / opinion) |

| 3:45–4:00 | Brief close | "Thank you. Archived for coordination. Next student." |

During the oral — teacher

- SILENT annotations on coordination sheet (say nothing to the student during their turn).
- Do NOT comment performance. NO feedback. NO "good / better / nice / that was wrong / try again". Only "Thank you. Archived for coordination. Next."
- If the student stumbles or pauses: ONE soft cue — "Take a breath. Continue when you're ready." — then silence. NO rescuing. NO finishing the sentence.
- If the student blanks completely: "That's enough. Thank you. Archived for coordination. Next." — no shame, no extension.
- No-show in cohort (absent today): mark NOT PRESENTED, hand to coordination. Do NOT reassign time. Do NOT comment in class.
- If minutes free because cohort is < 6: waiting students sit silent with no material; teacher reviews list / annotations.

Timing by cohort size (6 expected)

# students	Minutes per student
6	~4 min each (target)
5	~5 min each
4	~6 min each
3	~7 min each (save extra for close)

Count of students who took the oral = note in report. NO-SHOW list separated.

E4. LEVEL CLOSE — GROWTH CARD + GROUP RECOGNITION + HANDOVER — 10 min — SIT→STAND UP

A1 Character Growth Card — 4 min — SIT

Physical handout, 1 per student. Brief card (1 page) with the 4 virtues worked at A1 night (Prudence · Temperance · Justice · Fortitude) and space for the student to write BY HAND on the spot:

A1 CHARACTER GROWTH CARD — LEVEL CLOSE

The three most important things I take from this level:

1. _____
2. _____
3. _____

One area I want to keep working on (next level / next cohort):

My final A1 phrase:

Teacher reads aloud (calm, factual):

> *“This card stays with you. Coordination keeps a copy as part of your portfolio. Three lines about you — three things you take, one thing to keep working on, one final phrase. Three minutes. In silence. By hand.”*

Cohort writes in silence (~3 min). At the end: each student keeps the card OR hands it to teacher per coordination instruction. **NO sharing aloud, NO pair share, NO “who wants to read”** — this is internal, not group processing.

Group recognition close — 4 min — STAND UP

Cohort stands in semicircle. Teacher reads aloud (slow, level voice — NO drama, NO individual names, NO “I’ll miss you”, NO “I’m proud”, NO promises about B1):

> *“Stand. Nine weeks ago — CI 1 — none of you could say ‘Hello, my name is...’ in English without stopping. Today each of you completed a written exam in silence and a four-minute oral presentation in English. That is not luck. That is 90 hours of you choosing to come back, class after class. Thank you.”*

Pause 3 sec.

> *“The level closes here. Coordination handles results — content, rubric, grades. I do not. If you want to know your result, ask coordination. If you want to know what is next — same: coordination announces when, with whom, and how. My part ends today.”*

Pause 3 sec.

> *“One last time — Phrase of the Day. Together.”*

Cohort says (chorus, slow):

> *“Today I close 90 hours of choosing to come back — Prudence to plan my words, Temperance to breathe, Justice to listen, Fortitude to finish. The Final is the celebration of who I am becoming.”*

Short applause. *“Thank you. The level is closed. Take your Growth Card. Leave clean.”*

Physical handover to coordination — 2 min — SIT/STAND

Teacher collects and stacks in the coordination folder/envelope:

- [] WRITTEN exams (in roster order, counted)
- [] ORAL annotation sheet (with names + private notes for coordination)
- [] Character Growth Cards (if coordination collects instead of student)
- [] NO-SHOW list (written + oral, separated)
- [] Personal notebook page with literal errors + emotional observations from today
- [] Printed report signed by Christian
- [] One group photo (only if coordination requested — NOT teacher’s personal phone)

> *If asked at this moment about grades: “Coordination handles results — not me. You did the work, they handle the numbers.” Clean close.*

DELIVERABLES TO COORDINATION

- [] Printed report filled (with FINAL applied checklist + counts)
- [] Photo of the board — Phrase of the Day (BEFORE erasing for exam)
- [] Physical WRITTEN exams (in roster order, counted, in coord envelope)

- [] ORAL annotation sheet (names + private notes, sealed for coord)
 - [] A1 Character Growth Cards (per coord instruction — collected or kept by student)
 - [] NO-SHOW list (written + oral, separated)
 - [] List of any anti-fraud observations from the written part (NAMES + literal observation, sealed for coord)
 - [] Personal notebook page: literal errors observed in oral + emotional state observations
 - [] (Optional) Group close photo, if coordination requested

NOTAS INTERNAS (no leer en clase)

- **Cierre del nivel A1 noche.** CI 45 = ÚLTIMA CLASE = EXAMEN FINAL (últimas 2h del nivel — regla firme Diana 22/05/2026). A1 = horas fijas 90 / Final ocupa CI 45. A1 Book cerró en M35; CI 34–44 = consolidación integrada; hoy se cierra. NO existe CI 46.
- **Próxima cohorte / CI 1:** decisión de coordinación cuándo arranca la siguiente cohorte A1 noche o pasar estos estudiantes a A2 noche. NO anunciar en clase. NO especular con los estudiantes. Christian recibe instrucción de coordinación aparte.
- **Virtud:** SÍNTESIS día 5 de 5 — ÚLTIMO (CI 41–45 = SÍNTESIS las 4 virtudes integradas — CI 41 día 1, CI 42 día 2, CI 43 día 3, CI 44 día 4, CI 45 día 5). Verificado contra `recursos/calendarios/CALENDARIO\_VIRTUDES\_2026.md` tabla "A1 NOCTURNO 2H". Calendario absoluto: la virtud NO se desplaza por festivos.
- **Decisión Diana 31/05/2026:** Final INTEGRADO en guía regular del día (NO _MARKER / _COORD_KIT / _RUBRICA separados). Razón: profes no ejecutan ni las guías regulares completas — agregar artifacts los satura. Coordinación entrega EXAM PACK (sheets + KEY + oral list) separado, profesor solo administra.
- **GoldList retirado** desde 14/05/2026 por decisión Diana. Hoy último día de Frase del Día en este nivel A1 noche. Si preguntan: *"The method evolved. Your old notebooks stay yours."*
- **Profesor NO comunica resultados / criterios / rúbrica / puntaje / formato / peso / "bien / mal" / "felicitaciones" individuales** — exclusivo coordinación. Frase única en caso de presión: *"Thank you. Archived for coordination."* o *"Coordination handles results — not me."*
- **NO hay tarea post-CI 45.** El nivel cierra hoy. NO se asigna nada para "el próximo nivel" desde la clase — eso lo hace coordinación cuando arranque B1 / nueva cohorte.
- **Reconocimiento grupal sin paternalismo:** prohibido "estoy orgulloso / los voy a extrañar / fueron los mejores / van a ser bilingües". Solo datos: "9 semanas atrás / hoy / hecho, no suerte". Decisión Diana feedback histórico — no psicología.
- **Tiempos sagrados:** 60 escrito + 25 oral + 10 cierre = 95 min sobre la mitad 2 (00:20–02:00 = 100 min, con 5 min de buffer para prep E1). Si la mitad 1 (warm-up 20 min) se desfasa, lo primero que se sacrifica es el bloque 4 (Last words). El EXAMEN nunca se acorta ni se extiende.
- **Anti-fraude:** celulares al frente ANTES del warm-up cierre (bloque 4), no antes del bloque 1 (en bloque 1 se anuncia y se recogen). Eyes closed en VATS = ok (es pre-examen, no examen). Durante escrito: cero contacto visual con compañeros, libreta cerrada, agua sí, todo lo demás no.
- **Supuestos operativos a confirmar con coordinación 24h antes:**
 - Cohorte presente: ¿6 estudiantes confirmados o hay no-show anticipado?
 - EXAM PACK físico entregado a Christian (sheets escritos + KEY archivo + lista oral + envelope de entrega).
 - Christian confirmó: NO comunica resultados ni en grupo ni en privado post-clase. Si un estudiante lo aborda al salir → *"Coordination handles results."*
 - ¿Coordinación quiere foto grupal de cierre? Si sí: confirmar cámara del salón (no teléfono personal de Christian).
 - Growth Cards impresas (6 ejemplares + 1 buffer) listas para entregar en E4.
