

A2 4H — CLASS 24 — Tomás

Session 24/28 · 4h (235 min) · Review Arc Cluster 3 of 7 · ~50% standing

Date: ___/___/2026 · Attending: ___/___

Module: A2 Book finished at M44 — Review Arc Cluster 3 of 7: Phrasal Verbs + Passive Voice

Virtue: PRUDENCE v2 day 4 of 5 (block CI 21–25)

Phrase of the Day: "Plan the verb — put the pronoun in the middle, and put the action on the subject."

BLOCK MAP (235 min ≈ 4h — two halves ~2h + break)

| # | Min | Block | Stand? |

| ---|---|---|---|

| 1 | 5 | Mystery homework check (CI 23 comparison + ger/inf) | YES |

| 2 | 2 | Why today | sit |

| 3 | 4 | Phrase of the Day | YES |

| 4 | 5 | VATS Prudence day 4 | sit |

| 5 | 7 | Peer Teacher (CI 23 error) | YES |

| 6 | 5 | Homework check CI 23 | sit |

| 7 | 24 | Systematic A — Phrasal Verbs (separable / non-separable) | sit |

| 8 | 15 | Speed Drill A — Phrasal Verbs (pronoun position) | sit→YES |

| — | — | **BREAK** (end of first half ~2h) | — |

| 9 | 24 | Systematic B — Passive Voice (TO BE + V3 + by) | sit |

| 10 | 12 | Interactive Story — "The day everything was turned off and nobody picked it up" | YES |

| 11 | 25 | Simulation — "The Help Desk Call" | YES |

| 12 | 22 | Integrated Simulation — "The Process Briefing" | YES |

| 13 | 18 | Shadowing Day 2 — same cycle, NO video (from memory) | YES |

| 14 | 14 | Free production (phrasal + passive, pairs) | YES |

| 15 | 8 | Error Paper Expanded (6) + Phrase close | YES |

| 16 | 10 | Homework + Close + CI 25 announce | sit |

Bring to class: Mystery envelope · Error Paper sheet (6 slots: 3 phrasal / 3 passive) · clock · personal notebook (errors + NAMES) · Shadowing video confirmed (Day 2 = no video, from memory) · A2 Book M18/M23/M24 for reference.

1. MYSTERY HOMEWORK CHECK — 5 min — STAND UP

Open the envelope. Read aloud:

> **"In 60 seconds, give me 2 sentences from last class's homework (CI 23):"*

> **— 1 with a COMPARATIVE or SUPERLATIVE (include 1 irregular: better/the best or worse/the worst)."*

> **— 1 with GERUND vs INFINITIVE — one with enjoy/avoid/finish + -ING and/or one with want/need/decide + TO + base."*

> **Example: 'This job is BETTER than my last one and the BEST I have had. I decided TO STAY because I enjoy WORKING here, and before STARTING I always check the plan.'"*

> **"Go!"*

1 min silence → 3–4 students at random. Fluent = note positively. Hesitates = "Sit. Thank you." If anyone asks about midterm/final results:

"Coordination handles results — not me." Note in your personal notebook who did not bring the 3 parts (writing + audio + listening).

2. WHY TODAY — 2 min — SIT

> **"Mystery: visible practice from the previous class — comparison + gerund/infinitive."*

> **Phrase of the Day: prudence for grammar — plan the verb. Pronoun in the middle (separable phrasal), action on the subject (passive)."*

> **Peer Teacher: a typical error from CI 23 — corrected by one of you, so the last cluster stays strong."*

> **Today = REVIEW ARC, CLASS 3 of 7. The A2 book finished at M44. Last class we fixed comparison + verb-after-verb. Today we fix the THIRD cluster that blocks B1: PHRASAL VERBS + PASSIVE VOICE."*

> **A) Phrasal verbs — NON-SEPARABLE = pronoun AT THE END ('I look AFTER her', NEVER 'look her after'). SEPARABLE = pronoun IN THE MIDDLE ('pick HER up', NEVER 'pick up her')."*

> **B) Passive voice — TO BE + V3 + (by + agent if needed). 'The report IS WRITTEN every week' / 'The decision WAS MADE by us' — never 'is wrote', never 'was make'."*

> **The Help Desk Call + The Process Briefing simulations force the corrected forms under light pressure. Shadowing Day 2 = same cycle, no video, from memory. Limit: no exam talk — coordination handles that."*

3. PHRASE OF THE DAY — 4 min — STAND UP

Write on the board (before class):

PHRASE OF THE DAY — CL 24

"Plan the verb —
put the pronoun in the middle,
and put the action on the subject."

1. Read twice slowly. Cohort echoes 3x.
2. "This is **PRUDENCE** for your English. Prudence is planning before you act. Before a phrasal verb, plan — separable (pronoun **IN THE MIDDLE**: 'pick **HER** up', 'look **IT** up') or non-separable (pronoun **AT THE END**: 'look after **HER**')? Before a process, decide — if the actor is unknown or irrelevant, put the action **ON THE SUBJECT** in passive: 'The report **IS WRITTEN**.' Don't guess. Plan the verb, then say it."
3. "Sit. Every time today I hear 'look her after', 'pick up her', 'is wrote' or 'was make', I will say this phrase — and you fix it."

4. VATS — PRUDENCE v2 DAY 4 — 5 min — SIT

> *"Prudence is planning your verb before you act. Answer using ONE phrasal verb AND one passive sentence: (1) Name one thing or person at work or at home you LOOK AFTER, LOOK UP, or PICK UP — say it twice: once with the noun, once with a pronoun in the correct position ('I look after my niece. I look after her.' / 'I pick up the kids. I pick them up.'). (2) Then describe one process at work or at home in passive voice — agent omitted or named ('The reports ARE REVIEWED every Monday.' / 'The kitchen IS CLEANED at night.'). Prudence is not rushing the sentence — it's planning the verb and saying it on purpose."*

Pairs 2 min. 2 students share 3 min. Note 1 strong sentence + errors with NAMES in personal notebook.

Insertion #1 of Phrase of the Day: "As today's phrase says — plan the verb. Separable or non-separable? Where does the pronoun go?"

5. PEER TEACHER — 7 min — STAND UP

Pre-class typical errors (CI 23 reinforcement — comparison + ger/inf, NO names): "She is more taller than me" → "She is **TALLER** than me" / "He is the most tallest" → "He is **THE TALLEST**" / "My job is gooder than yours" → "My job is **BETTER** than yours" / "I enjoy to read" → "I enjoy **READING**" / "Before to start, I check it" → "Before **STARTING**, I check it".

1. "Today's peer teacher is [name]. Friday's cluster — comparison and gerund vs infinitive — must stay strong before we move on."
2. (5 min) Explains why → corrects → cohort echoes 2x.
3. Applause + "Next class: [next name]."
4. If they freeze, do NOT rescue — 10 sec silence.

6. HOMEWORK CHECK CL 23 — 5 min — SIT

1. "Stand if you completed Friday's homework."
2. Count. Note who did NOT (personal notebook).
3. 2 students at random read sentences from their homework (comparison + ger/inf).
4. If few brought it: "This is your level. You decide. You also decide the consequence."

7. SYSTEMATIC A — PHRASAL VERBS — 24 min — SIT

Objective: "Not a new module — the A2 book is done. We **CORRECT** the phrasal verb errors that block B1: where the pronoun goes — at the end (non-separable) or in the middle (separable)."

Concept (14 min)

Write on the board (before class):

BLOCK A — PHRASAL VERBS [review/fix]

NON-SEPARABLE (M23): never split / pronoun **AT THE END**
look after / look at / listen to / run into / ask for / go back
"I look after Amy." "I look after HER."
(NEVER "I look her after.")
"Listen to the teacher." "Listen to HIM."
(NEVER "Listen him to.")

SEPARABLE (M24): noun = either side / pronoun **IN THE MIDDLE**
turn on/off · pick up · look up · put on · take off
"I pick up Amy." = "I pick Amy up." <-- noun: either side
"I pick HER up." <-- pronoun: MIDDLE
(NEVER "I pick up her.")
"Turn IT on." / "Look IT up."
(NEVER "Turn on it." / "Look up it.")

CONJUGATION: tense goes on the VERB (first word):
"She picks them up." / "She picked them up." / "She is picking them up."
(NEVER "She is pick them up.")

Canonical typical errors (from A2 Book M23/M24, NO names):

- ■ "I look her after." → ■ "I look **AFTER** her." (non-separable, pronoun **AT THE END**)

- ■ "I picked up her." → ■ "I picked **HER** up." (separable, pronoun IN THE MIDDLE)
- ■ "Look up it in the dictionary." → ■ "Look **IT** up in the dictionary." (separable)
- ■ "Turn on it, please." → ■ "Turn **IT** on, please." (separable)
- ■ "She is looking her sister after." → ■ "She is looking **AFTER** her sister." (non-separable, no split)
- ■ "I run into him yesterday." → ■ "I ran **INTO** him yesterday." (past conjugated on the VERB)
- ■ "Listen him to." → ■ "Listen to **HIM**." (non-separable, pronoun at end)

Guided practice (6 min)

Board: give a phrasal verb + a pronoun ("look after — her" / "pick up — them" / "look up — it" / "listen to — him" / "turn on — it" / "run into — her" / "take off — them" / "ask for — it"); cohort produces the sentence with the pronoun in the correct position in chorus. 8–10 items mixing separable and non-separable.

Close A (4 min)

5 students at random transform: give a sentence with a noun, they replace with a pronoun in the CORRECT position. "I look after my niece" → "I look after her" / "I pick up the kids" → "I pick them up". Note errors with NAMES.

8. SPEED DRILL A — PHRASAL VERBS — 15 min — SIT→STAND UP

Objective: "Speed. I give a phrasal verb + a pronoun, you give the sentence with the pronoun in the correct position instantly. It must be automatic before B1."

Drill 1 — Chorus, seated (7 min)

You give phrasal verb + pronoun + signal. Cohort responds with full sentence:

"look after / her" → "I look after her."
 "pick up / them" → "I pick them up."
 "look up / it" → "I look it up."
 "turn on / it" → "I turn it on."
 "take off / them" → "I take them off."
 "listen to / him" → "I listen to him."
 "run into / her" → "I ran into her."
 "put on / it" → "I put it on."
 "ask for / it" → "I asked for it."
 "go back / there" → "I went back there."
 (6 more, mixing separable/non-separable, different tenses)

Drill 2 — Pairs, STANDING (8 min)

"Stand. Face your partner." Each pair builds 6 sentences, one per category:

- 1 non-separable with pronoun AT THE END: "I look after her every weekend."
- 1 separable with pronoun IN THE MIDDLE: "I picked her up at six."
- 1 separable with noun: "I picked up the kids." / "I picked the kids up."
- 1 "look up" or "turn on/off" with pronoun IN THE MIDDLE: "Look it up in the dictionary."
- 1 in past simple (phrasal conjugated on V): "I ran into him at the supermarket."
- 1 connected to real life/work combining 2 phrasals: "My boss looks after the new staff and picks them up from training."

1–2 pairs share in front of the group. Note errors with NAMES.

> **BREAK** (end of first half ≈ 2h). Resume with **SYSTEMATIC B**.

9. SYSTEMATIC B — PASSIVE VOICE — 24 min — SIT

Objective: "The other big block before B1: when the actor is unknown or unimportant, we put the action ON THE SUBJECT. To be + past participle + (by + actor). 'The report **IS WRITTEN** every week' — never 'is wrote'."

Concept B1 — structure + participle (10 min)

Write on the board (before class):

BLOCK B – PASSIVE VOICE [review/fix] (A2 Book M18)

ACTIVE: Subject (agent) + verb + object (patient)

"They prepare the lunch at 12:00."

PASSIVE: Subject (patient) + TO BE + PAST PARTICIPLE + (by + agent)

"The lunch IS PREPARED at 12:00 (by them)."

KEY: the verb is ALWAYS the PAST PARTICIPLE (V3), never V1 / never V2:

write -> WRITTEN make -> MADE take -> TAKEN

give -> GIVEN do -> DONE see -> SEEN

TO BE matches the TENSE you need:

present: is / are PRESENT: "The report IS WRITTEN."

past: was / were PAST: "The report WAS WRITTEN."

continuous: is/are being "The report IS BEING WRITTEN."

perfect: has/have been "The report HAS BEEN WRITTEN."

Concept B2 — "by + agent" is OPTIONAL (10 min)

Third board section:

BLOCK B – when to USE "by + agent" and when to DROP it

USE "by" when the actor MATTERS / is named:

"The decision was made BY US."

"The book was written BY Garcia Marquez."

DROP "by + agent" when the actor is:

- unknown: "The window WAS BROKEN." (we don't know who)

- unimportant: "The lunch IS PREPARED at 12:00." (the cook is irrelevant)

- obvious: "The cars ARE MADE in Japan." (factory workers, obvious)

DO NOT MIX active and passive in the same transformation:

ACTIVE: "They make the cars in Japan."

PASSIVE: "The cars ARE MADE in Japan."

(NEVER "The cars make in Japan.")

Canonical typical errors (from A2 Book M18 + B1 CI 14 Grammar, NO names):

- "The report is wrote every week." → ■ "The report IS WRITTEN every week." (V3 = written)
- "The decision was make by us." → ■ "The decision WAS MADE by us." (V3 = made)
- "The report is review every week." → ■ "The report IS REVIEWED every week." (participle, not base)
- "The door is broken by the wind every storm." → ■ "The door IS BROKEN every storm." (irrelevant agent → drop "by")
- "The lunch prepares at 12:00." → ■ "The lunch IS PREPARED at 12:00." (missing TO BE)
- "The cars are make in Japan." → ■ "The cars ARE MADE in Japan." (V3 = made)
- "The cars make in Japan." → ■ "The cars ARE MADE in Japan." (don't mix active/passive)

Guided practice (4 min)

5–6 students at random: give an active sentence ("They review the report every week" / "Someone broke the window" / "They make the cars in Japan" / "We made the decision"); they transform to passive and decide whether to keep or drop "by + agent".

> **Insertion #2 of Phrase of the Day:** **"Actor unknown or unimportant? Plan the verb — put the action on the subject."**

10. INTERACTIVE STORY — "THE DAY EVERYTHING WAS TURNED OFF AND NOBODY PICKED IT UP" — 12 min — STAND UP

Objective: "A short story we build together. I narrate an absurd workday with phrasal verbs and passive voice. You repeat. You add the correct form out loud."

You narrate an everyday workplace situation (a day when everything turned off, nobody picked anything up, things did themselves) mixing phrasal verbs and passive voice. Cohort echoes in chorus. You pause; cohort adds a sentence OUT LOUD with the correct form. NEVER blank-fills in silence.

Model:

> *You: "It was Monday morning. The lights were not on. The computers were not on. I had to turn [pause]..."*

> *Cohort: "...I had to turn THEM on!" (separable: pronoun IN THE MIDDLE)*

>

> *You: "Then the phone rang. The boss said: 'Pick the kids up at school'. So I had to pick [pause]..."*

> *Cohort: "...I had to pick THEM up!" (separable: pronoun IN THE MIDDLE)*

>

> *You: "On the way I ran [pause]... I ran into a former coworker. I ran [pause]..."*

> *Cohort: "...I ran INTO her!" (non-separable: pronoun AT THE END)*

>

> *You: "She told me everything. The decision had already been [pause]..."*

> *Cohort: "...the decision had already been MADE!" (passive perfect: V3)*

>

> *You: "The report was being [pause]... by whom? Nobody knew."*

> *Cohort: "...the report was being WRITTEN!" (passive continuous, no agent)*

>

> *You: "And honestly, that whole day — everything was [pause]..."*

> *Cohort: "...everything was DONE without me!" (passive past: V3)*

8–9 min interactive narration. Keep everyday absurdity (a workday spiraling out of control), NEVER fantasy. Note errors with NAMES.

11. SIMULATION — "THE HELP DESK CALL" — 25 min — STAND UP

Objective: "A real help desk call. A customer calls because something is broken / can't be turned on / needs to be picked up. The questions FORCE phrasal verbs AND passive voice correctly."

Setup (3 min)

Scenario: Real help desk / support call (any everyday role: tech support, store customer service, office reception, maintenance). Caller explains a problem; agent asks details and proposes actions. Questions and answers force both blocks:

- Phrasal verbs: "Did you turn it on? When was the package picked up? Who do I ask for? Can you look it up in your system?"
- Passive: "The order was placed yesterday. The system is being updated. The decision was made by my supervisor. The product is not made anymore."

Roles:

- A = customer / caller (describes problems, asks questions forcing both blocks)
- B = support agent / reception (responds using phrasals with pronouns in correct position + passive)

Model (3 min)

> *You (customer): "Hi — the printer in the office is not working. I tried to turn it on, but nothing happened. Was it updated last week?"*

> *Peer teacher (agent): "Let me look it up in the system. Yes — the printer was updated last Friday. The driver was reinstalled by IT. Did you pick up the new cable that was sent?"*

> *You: "No, I didn't pick it up yet. Who should I ask for at reception?"*

> *Agent: "Ask for Maria. She looks after the equipment, and the cables are kept in her office."*

Round 1 — Pairs (10 min)

Each pair: ~5 min each as agent. Caller asks min. 6 questions/comments covering both blocks (3 with phrasal verbs, 3 with passive). Agent must use at least: 1 non-separable phrasal with pronoun at end, 1 separable phrasal with pronoun IN THE MIDDLE, 1 passive in present, 1 in past, 1 with "by" + agent, 1 without "by" — correctly.

Round 2 — Roles swap + new scenario (6 min)

Swap roles and problem (printer → internet, or delivery, or reservation). New support call.

Close (3 min)

1 pair performs in front of the group. Cohort counts correct forms by category. Note errors with NAMES.

> **Insertion #3 of Phrase of the Day:** "A good support call sounds like the phrase — plan the verb, put the pronoun in the middle, and put the action on the subject."*

12. INTEGRATED SIMULATION — "THE PROCESS BRIEFING" — 22 min — STAND UP

Objective: "Integration. You explain a real process at work: what is done, by whom (or no agent), and which phrasal verbs are part of the routine — with the pronouns in the right place."

Setup (3 min)

Scenario: Brief workplace process briefing to a new colleague (store shift, office reception, restaurant, support, maintenance). Each person gives a briefing forcing both blocks:

- Phrasal verbs: "At 8 we turn on the systems. We pick up the deliveries at 9. If a customer asks for something, we look it up in the catalog."
- Passive: "The systems are checked every morning. The deliveries are picked up at 9. The catalog is updated by IT every week. The reports are sent at 5."

Forced vocabulary

- Min. 2 different phrasal verbs (1 non-separable with pronoun AT END + 1 separable with pronoun IN THE MIDDLE)
- Min. 2 passive sentences (1 with "by + agent" + 1 without)
- At least 1 explicit active→passive contrast on the SAME process ("They send the reports at 5 → The reports are sent at 5")

Model (3 min)

> *Process briefing: At 8 we TURN ON the systems and we TURN THEM ON again after lunch. The deliveries ARE PICKED UP at 9 — usually by Maria, but if she's not here, someone else PICKS THEM UP. The catalog IS UPDATED by IT every Monday. If a customer ASKS FOR a discontinued item, we LOOK IT UP in the archive — those items are not MADE anymore. At 5 the reports ARE SENT to coordination.* **

Round 1 — Trios (9 min)

Trios. One gives the briefing 3 min (the other 2 are new colleagues and ask 1 thing forcing a form: "Where do you pick them up?" / "By whom is the report written?" / "Can the catalog be looked up online?"). Rotate: each one presents once.

Round 2 — Groups rotate (5 min)

New trios, new scenario (another everyday workplace). Repeat the pattern.

Close (3 min)

1 trio performs in front of the group. Cohort votes: did correct phrasal verbs (pronoun in correct position) + correct passive (V3 + agent correctly placed or dropped) appear? Note errors with NAMES.

13. SHADOWING — DAY 2: SAME CYCLE, NO VIDEO — 18 min — STAND UP

Objective: "Day 2 of the cycle. SAME video as last class, but TODAY without screen — from memory. Rhythm, sound, intonation — recover what your ear and mouth learned on Day 1."

Verify cycle day + link BEFORE class. The cycle opened last class (Day 1, with video, listen + repeat phrase by phrase). Next class will be Day 3 (mini-competition, cycle close).

Day 2 structure (no video, from memory)

Choral recovery (3 min): Cohort standing, attempts to reproduce the full segment 1× WITHOUT video, from memory, in chorus. Only what they remember from last class — rhythm, intonation.

Phrase-by-phrase reconstruction (12 min): You give the first word or start of each phrase of the segment; cohort completes the phrase in chorus STANDING, recovering rhythm and pronunciation. For forgotten phrases, you give the phrase once and the cohort repeats 2–3×. This is memory-recovery + pronunciation practice, NOT evaluation.

Day 2 close (3 min): Cohort does the full segment 1× in chorus, from memory. "This is Day 2 — from memory. Day 3 is the mini-competition next class. Same video all cycle — coordination confirms the link."

14. FREE PRODUCTION — PHRASAL + PASSIVE — 14 min — STAND UP

Objective: "Free production. No prompt from me. You and your partner walk to a point and talk — using phrasal verbs with the pronoun in the right place and putting the action on the subject in passive."

Setup (1 min)

Board with 5 prompts hung at different points of the room:

1. Describe a routine at your job using 3 phrasal verbs (mix separable + non-separable, use pronouns where it makes sense)
2. Describe a process at work in passive voice – what is done, by whom (or no agent if unknown)
3. Tell a short story using 2 phrasal verbs + 2 passive sentences
4. Compare what is done in your job NOW vs what was done one year ago (passive in present + past)
5. Explain a problem and a solution – "The X was broken / The issue was fixed by..." + "We had to turn it off and pick it up"

Procedure (12 min)

Each pair approaches 1 prompt. Talk ~2.5 min choosing the correct form. Rotate. 5 prompts, ~2–3 prompts per pair in 12 min.

Close (1 min)

> *Free production proves you don't need me. The A2 book is done — now the arc is about ACCURACY: phrasal verbs with the pronoun in the right place, and passive with the action on the subject. That's what gets you into B1.* **

15. ERROR PAPER EXPANDED (6 ERRORS) + PHRASE CLOSE — 8 min — STAND UP

> Review arc → Error Paper is the EXPANDED CENTRAL piece — 6 errors today (3 phrasal + 3 passive).

Error Paper Live (5 min)

Double protocol: in class errors go ANONYMOUS on the physical paper (delivered physically with the guide, NOT photographed); in your personal notebook they go with NAME + literal quote for the coordination report.

6 canonical typical errors (EXPANDED — NO names):

A) ■ "I look her after." → ■ "I look AFTER her." (non-separable: pronoun AT END)
 A) ■ "I picked up her." → ■ "I picked HER up." (separable: pronoun IN MIDDLE)
 A) ■ "Look up it in the dictionary." → ■ "Look IT up in the dictionary." (separable)
 B) ■ "The report is wrote weekly." → ■ "The report IS WRITTEN weekly." (V3 = written)
 B) ■ "The decision was make by us." → ■ "The decision WAS MADE by us." (V3 = made)
 B) ■ "The cars make in Japan." → ■ "The cars ARE MADE in Japan." (missing TO BE + V3)

Read. Students correct 2× in chorus.

Phrase of the Day close (3 min)

1. "Today's phrase from memory." — 1 at random.
2. "Use the same idea — plan the verb, put the pronoun in the middle, and put the action on the subject — in a NEW sentence." — another at random.
3. "Prudence is planning the verb before you act — pronoun position + passive structure are exactly that."

16. HOMEWORK + CLOSE + CI 25 ANNOUNCE — 10 min — SIT

Homework — DUE BEFORE NEXT CLASS CI 25, 7:00 AM — 6 min

HOMEWORK — DUE: BEFORE NEXT CLASS CI 25, 7:00 AM
 TIME: 20-30 minutes (A2). NOT fragmented.

(1) WRITING — 12 min — 8 sentences, phrasal verbs + passive:
 - 2 with NON-SEPARABLE phrasal + pronoun AT END
 ("I look after her" / "I listen to him" / "I ran into them")
 - 2 with SEPARABLE phrasal + pronoun IN THE MIDDLE
 ("I picked them up" / "Look it up" / "Turn it on")
 - 2 in PASSIVE present or past WITH "by + agent"
 ("The report is written by Maria" / "The decision was made by us")
 - 2 in PASSIVE WITHOUT agent (unknown or irrelevant)
 ("The cars are made in Japan" / "The window was broken")
 Hand in on paper next class.

(2) AUDIO (eyes closed, 2 min) — 10 min:
 "Describe one routine at your job using 2 phrasal verbs
 (one separable with pronoun in the middle, one non-separable
 with pronoun at the end). Then describe one process in
 passive voice with no agent. Use the forms correctly."
 Label: A2-4HR-24.

(3) SHADOWING: today was Day 2 (no video, from memory).
 Listen to the cycle video 1× at home (the one coordination
 confirmed). Next class CI 25 = Day 3 = mini-competition.

RULE: Not fragmented. No "I didn't have time" — you have
 the time between classes.

Close + CI 25 announce (3 min)

> *"The REVIEW ARC continues. The A2 book finished in Module 44 — from here to CI 28 we fix the errors that block B1. Today: PHRASAL VERBS + PASSIVE VOICE — no 'look her after', no 'pick up her', no 'is wrote', no 'was make'. The Help Desk Call, The Process Briefing, and Shadowing Day 2 (from memory) closed the day. Real A2 going to B1 sounds like: 'I picked her up at six and looked after her until her mom arrived; the decision was made by my supervisor, and the report is written every Monday.' Next class CI 25 = arc class 4 = questions/negatives/auxiliaries + word order, and Shadowing Day 3 (mini-competition, cycle close). See you next class — strong and accurate."*

Internal notes (1 min)

Note in personal notebook (without exposing names in the guide):

- Block A (phrasal verbs) — did "look her after" / "pick up her" / "look up it" / phrasal split when non-separable appear?
- Block B (passive) — did "is wrote" / "was make" / missing TO BE / mixing active/passive / unnecessary "by" appear?
- Which block needs more reinforcement in CI 25-28?
- Phrase of the Day — natural ritual yet?
- Shadowing Day 2 (no video) — did the cohort recover rhythm and intonation from memory?

DELIVERABLES TO COORDINATION

- [] Printed report filled
- [] Photo of Mystery envelope
- [] Photo of the board — Phrase + Phrasal Verbs + Passive Voice + Errors
- [] Photo/video Peer Teacher, The Help Desk Call, The Process Briefing, Shadowing Day 2
- [] Anonymous Error Paper (physical, 6 errors EXPANDED) — delivered with guide (NOT photographed)
- [] List of students who did NOT bring homework (the 3 parts)

- [] Personal notebook page: 3 literal errors + NAMES
 - [] Count of Phrase of the Day natural insertions
-

NOTAS INTERNAS (no leer en clase)
