EXAM-DAY FIRM RULES (read before class)

> - *The Final is INTEGRATED in this guide — it is not a separate session and does not consume an extra class number. Coordination supplies content, rubric and results.*

> - *The teacher NEVER communicates grades, criteria, what counts more, what is in/out of the exam, or partial/final results. If asked: "Coordination handles the exam — content, criteria and results. My job today is to run it cleanly."*

> - **ANTI-FRAUD:** written part BY HAND in pen on physical sheets; no phones, tablets, smartwatches, dictionaries or notes; phones collected at the front before E1; oral live, 1 student at a time. Late arrival to the written = enters until time runs out (no extension). No-show to oral = NOT PRESENTED, handed to coordination.

> - **Exam times are sacred.** 75 written + 30 oral + 10 close = 115 min. If Half 1 runs long, the first thing dropped is Shadowing Day 3 (clean drop, announce). The exam is NEVER shortened.

> - **GoldList retired since 14/05.** Today = last day of Phrase of the Day in this A2 4h level. If asked: "The method evolved. Your old notebooks stay yours."

CONTEXT FOR TODAY

CI 27 (Thursday) covered — Arc Cluster 6 of 7: 3rd person -s + there is/are + causative; "The Team Briefing" + "The Office Tour"; Shadowing Day 2 (same cycle, no video); VATS Temperance v2 day 2.

Today CI 28 — LAST CLASS OF THE LEVEL: Half 1 = integrated mastery of all 6 clusters (CI 22–27) + closing professional simulation + Shadowing Day 3 (cycle close) + arc close. Half 2 = A2 FINAL EXAM (written 75 + oral 30 + close 10).

A2 Book ended at M44 (p.352). CI 21 consolidated M43+M44; CI 22–27 ran the 6-cluster review arc; **CI 28 integrates the 6 and closes the level.** No new module. Mastery = fast cluster-by-cluster confirmation, not re-teaching.

1. MYSTERY HOMEWORK CHECK — 5 min — STAND UP

Open the envelope. Read aloud:

> **"In 60 seconds, give me 3 sentences from Thursday's homework (CI 27 = 3rd person -s + there is/are + causative):"*

> **— 1 with 3rd person -s (include has/goes/watches OR doesn't)"*

> *— 1 with THERE IS or THERE ARE (singular or plural, present or past)*
> *— 1 with CAUSATIVE (want/tell/ask + to · make/let WITHOUT to · have/get + V3)*
> *Example: 'My sister WORKS at a hospital and SHE DOESN'T eat meat. There ARE three nurses in her unit. She HAS her uniform WASHED at the laundry.'*
> *Go!""

1 min silence → 3–4 students at random. If anyone asks about final results: "Coordination handles results — not me." Note in your personal notebook who did NOT bring homework (last homework of the level).

2. WHY TODAY — 2 min — SIT

> *"Mystery: visible practice from Thursday — 3rd person -s, there is/are, causative still alive.*
> *Phrase of the Day: one phrase you'll hear me use during today's mastery — and the closing phrase of A2: 'Plan the verb. Match the subject. Place the word. That's A2 ready for B1.*
> *Peer Teacher: a typical error from Thursday — corrected by one of you, so the last cluster stays strong before we integrate everything.*
> *Today = LAST CLASS of A2 4h. The A2 book finished at M44. From CI 22 to CI 27 we corrected the six common errors that block B1. Today, FIRST HALF is the MASTERY of the six clusters together. SECOND HALF is the FINAL EXAM — coordination runs it, I apply it, I don't talk about it.*
> *First half: six clusters in a fast integrated drill, one final professional simulation ('The Handover Briefing'), the closing of the Shadowing cycle (Day 3 mini-competition).*
> *Second half: WRITTEN EXAM (75 min) + ORAL EXAM (~30 min) + closing ceremony with the Character Growth Card of the level and group photo.*
> *A2 ends today. B1 begins later — coordination announces when and how. Today we close clean."*

3. PHRASE OF THE DAY — 4 min — STAND UP

Write on the board (before class):

PHRASE OF THE DAY — CL 28 (LAST DAY A2 4H)
"Plan the verb.
Match the subject.
Place the word.
That's A2 ready for B1."

1. Read twice slowly. Cohort echoes 3×.
 2. "This is the whole arc in one phrase. PLAN THE VERB — tense, phrasal verbs, passive voice, gerund vs infinitive, causative. Think before you say it. MATCH THE SUBJECT — 3rd person -s, there is vs there are, agreement. The right form for the right number. PLACE THE WORD — word order, pronoun in the middle of separable phrasals, adjective before noun, preposition in the right slot, article where it belongs. THAT'S A2 READY FOR B1. Today is temperance day 3: right form, right amount, right pace."
 3. "Sit. Every time during today's mastery I hear an error from any of the six clusters, I will say this phrase — and you fix it. After the exam I will say it ONE more time, as the closing of the level."
-

4. VATS — TEMPERANCE v2 DAY 3 + 6 CLUSTERS — 5 min — SIT

> *"Temperance is the right form for the right number, the right amount of words for the meaning, the right pace. Answer using ONE sentence per cluster, all about your work or routine:*

> *(1) Tense contrast: 'I usually... but right now...'*
> *(2) Comparison + ger/inf: 'My job is BETTER than... and I enjoy ____ ING.*
> *(3) Phrasal + passive: 'I pick HER up... / the report IS REVIEWED weekly.*
> *(4) Question with correct word order: 'Where do you...?'*
> *(5) Preposition + article/quantifier: 'I work IN... ON Mondays.*
> *(6) 3rd -s + there is/are + causative: 'There ARE... in my team. My boss HAS the reports SENT every Friday.*
> *Temperance: the right form, not more, not less — and saying it on purpose."*

Pairs 2 min. 2 students share 3 min. Note errors with NAMES in personal notebook. Do NOT tell the cohort which cluster failed — just note for coordination.

Insertion #1 of Phrase of the Day: "Plan the verb. Match the subject. Place the word."

5. PEER TEACHER — last of the level — 7 min — STAND UP

Pre-class typical CI 27 errors (3rd -s / there is/are / causative — NO names): "He go to work" → "He GOES" / "She don't like coffee" → "She DOESN'T like" / "There is many people" → "There ARE many people" / "It have three rooms" → "There ARE three rooms" / "I want that you go" → "I WANT YOU TO GO" / "I made him to work" → "I MADE HIM WORK".

1. "Today's peer teacher is [name]. Thursday's cluster — 3rd person -s, there is/are, causative — must stay strong before we integrate everything."
 2. (5 min) Student explains why wrong → corrects → cohort echoes 2×.
 3. Applause + "This is the LAST peer teacher slot of A2. Thanks to everyone who took the role this arc."
 4. Note errors with NAMES.
-

6. HOMEWORK CHECK CL 27 — 5 min — SIT

1. "Stand if you completed Thursday's homework."
2. Count. Note who did NOT.

3. 2 students at random read sentences from homework (3rd -s + there is/are + causative).
4. If few brought it: *"This is your level. You decided. Today is the last class — no more chances to fix what you skipped."*
-

7. INTEGRATED MASTERY — THE 6 CLUSTERS — 35 min — SIT→STAND UP

Objective: "Six clusters in one block. Fast drill — one cluster every 5 to 6 minutes. We don't re-teach. We confirm. If a form is automatic, we move; if it's not, we fix it on the spot."

Write on the board (before class — 6 clean sections, plus the Phrase at the top):

MASTERY — THE SIX CLUSTERS (Cl 22-27 in one block)

1. TENSES every Monday / right now / yesterday / since 2020

- "I made him to work" → ■ "I MADE HIM WORK"
- "I have my hair ___ every month" → CUT (passive causative)

Close of mastery — 3–5 min — STAND UP

5 students at random. Each one produces ONE integrated sentence combining 2 different clusters (free choice, work/routine context): "My boss HANDLES the morning shift and HAS the reports SENT by 5" (3rd -s + causative) / "There ARE three urgent items right now, and they ARE BEING REVIEWED" (there is/are + passive continuous) / "I usually pick up the kids at 4, but right now I'm picking THEM UP at 3" (present simple/continuous + phrasal separable + pronoun in the middle). Cohort applauds each correct sentence. Note errors with NAMES.

> **Insertion #3 of Phrase of the Day:** *"Plan the verb. Match the subject. Place the word."*

8. SIMULATION — "THE HANDOVER BRIEFING" — 30 min — STAND UP

Objective: "The closing professional simulation of A2. You hand over your work — your shift, your project, your week — to a colleague. The handover FORCES the six clusters together: tenses (what you did, what is happening, what will be done), comparison (compared to last week), phrasal verbs + passive (what was picked up, what is delivered), questions/word order (the colleague asks), prepositions + articles/quantifiers (where, when, how much), and 3rd -s + there is/are + causative (who does what, what exists, what is arranged)."

Setup (4 min)

Scenario: Shift / project / week handover to a colleague taking over Monday (everyday role: store, office, support, hotel, restaurant, reception, workshop). The deliverer explains the state of things, what was done, what's pending, automatic processes, key people. The receiver asks what's needed to take control on Monday.

The 6 clusters in context:

- Tenses: "This week we FINISHED inventory. Right now we ARE REVIEWING the new system. Next Monday you WILL START with..."
- Comparison + ger/inf: "This month is BUSIER than last month. We decided TO HIRE one more — they enjoy WORKING the night shift."
- Phrasal + passive: "The supplies WERE PICKED UP yesterday. If a client asks for a refund, look IT up in the system. The catalog IS UPDATED by IT every Monday."
- Questions / aux / order: "What time DO YOU OPEN? Who DOES the closing? I don't have ANY pending issues."
- Prepositions + art/quant: "At 8 we open. On Mondays staff meeting. There are MANY suppliers and A FEW priority ones. Keys are IN the drawer."
- 3rd -s + there is/are + causative: "Maria HANDLES reception. She DOESN'T work Fridays. There ARE three pending tickets. We have the office CLEANED every night and get the coffee DELIVERED Mondays."

Roles: A = deliverer · B = receiver.

Model (4 min)

> *You (A): "Welcome. This week WAS BUSIER than last week. We FINISHED the inventory on Wednesday and right now we ARE REVIEWING the report from supplier B. Maria HANDLES reception — she STARTS at 8 and SHE DOESN'T work Fridays. There ARE three pending tickets: two ARE BEING REVIEWED by IT, one IS WAITING for the client. Supplies WERE PICKED UP on Monday — if more come, pick THEM up and put them IN the second storage room. We have the office CLEANED every night at 9, and get the coffee DELIVERED on Mondays. Don't let the new employee TOUCH the cash register alone — let HIM work next to Carlos first. I decided TO PREPARE a short note — look IT up in the shared folder."*

> *Peer teacher (B): "Yes — what time DOES Maria FINISH on Thursdays? IS THERE a backup if she IS sick? AT what time DO YOU CLOSE the supplier review? And HAVE the new printers BEEN INSTALLED?"*

> *You: "Maria finishes AT 5 on Thursdays. If sick, ask Carlos TO cover. Supplier review CLOSES Friday at 4. Printers WERE INSTALLED last week — they ARE WORKING. If they break, we get them FIXED by the technician — he COMES on Tuesdays."*

Round 1 — Pairs (12 min)

Each pair: ~6 min each as A. Minimum required: 2 different tenses, 1 comparison or ger/inf, 1 phrasal with pronoun in correct position, 1 passive (with or without agent), 2 questions or negatives with correct order, 2 prepositions + 1 article + 1 quantifier, 1 sentence with 3rd -s + 1 with there is/are + 1 with causative. Receiver asks minimum 4 questions with correct order.

Round 2 — Swap + new scenario (8 min)

Roles swap, scenario changes. New handover.

Close (2 min)

1 pair performs in front of the group (90 sec each). Cohort votes: did the 6 families appear correctly? Note errors with NAMES.

> **Insertion #4 of Phrase of the Day:** *"A good handover sounds like the phrase — plan the verb, match the subject, place the word. That's A2 ready for B1."*

9. SHADOWING — DAY 3: MINI-COMPETITION (cycle close) — 15 min — STAND UP

Objective: "Day 3 of the cycle — mini-competition. SAME video as CI 26 Day 1 and CI 27 Day 2. Today we close the cycle: small competition between you, rhythm and pronunciation only."

■ **BEFORE CLASS:** verify in WhatsApp/link that the cycle video is the SAME confirmed in CI 26 (Day 1) and CI 27 (Day 2). Today = Day 3 = mini-competition, CYCLE CLOSE. Do NOT invent the video. If link/cycle not confirmed, pause and check with coordination before class.

■■ **TIME-CRITICAL:** this block runs in Half 1. If by 01:33 you have less than 12 real minutes available, **DROP CLEAN** and announce: "We close the Shadowing cycle without the mini-competition today — time goes to the arc close and exam preparation. Same video, cycle complete." Do NOT reassign to another day (no more days).

Day 3 structure (video at start + competition)

Video check (3 min): Cohort standing, watches the video 1× to refresh intonation and rhythm (final day of cycle — video allowed as fair reference before the competition).

Mini-competition in pairs (9 min): Pairs face off in 30–45 sec rounds. Each pair reproduces a fragment of the segment with the best rhythm and intonation possible. You judge in silence (note in personal notebook). **Do NOT communicate results** — this is cycle close practice, not evaluation. *"This is the closing of the cycle — best rhythm wins the round in your head. Coordination handles any formal evaluation."*

Day 3 close + cycle close (3 min): Whole cohort, chorus **STANDING**, reproduces the full segment 1× — cycle closed. *"This was Day 3 — mini-competition. The cycle is closed. Coordination will set the next cycle when it sets it."*

10. ARC CLOSE + ERROR PAPER EXPANDED + PHRASE CLOSE + TRANSITION — 12 min — STAND UP

Error Paper Live EXPANDED — 5 min

Double protocol: anonymous in class on physical paper (delivered with the guide, NOT photographed); personal notebook with NAME + literal quote for coordination.

6 canonical typical errors (1 per cluster — NO names):

1. ■ "I am working here since 2020."
→ ■ "I HAVE BEEN WORKING here since 2020." (tense)
2. ■ "She is more taller than me."
→ ■ "She is TALLER than me." (comparative)
OR "I enjoy to read" → "I enjoy READING" (gerund)
3. ■ "I picked up her."
→ ■ "I picked HER up." (phrasal separable: in the middle)
OR "The report is wrote" → "IS WRITTEN" (passive V3)
4. ■ "Where you live?"
→ ■ "Where DO YOU LIVE?" (aux + S + V base)
5. ■ "In Monday I have a meeting."
→ ■ "ON Monday I have a meeting."
OR "a hour" → "AN hour" (sound)
6. ■ "He go to work and there is many people."
→ ■ "He GOES to work and there ARE many people." (3rd -s + plural)
OR "I want that you go" → "I WANT YOU TO GO" (causative)

Read. Students correct 2× in chorus. **No winners declared — this is a close, not a contest.**

Phrase of the Day — LEVEL CLOSE — 4 min

1. (1 min) *"Today's phrase — and the last phrase of A2 — from memory."* — 1 student at random.
2. (1 min) *"Use the same idea — plan the verb, match the subject, place the word — in a NEW sentence about something you are READY for in B1."* — another at random.
3. (1 min) *"The arc is closed. Six clusters fixed. Six weeks of phrases. Today closes the ritual for this level. B1 will set its own rituals."*
4. (1 min) **Arc close:** *"From Class 21 to 28 we corrected what blocks B1. You proved today, in the mastery, that you can do it. A2 ends here. The next two hours are the final exam — coordination runs it, I administer it. Take five minutes — water, restroom, then we set up for the exam."*

Calm transition to exam — 3 min — STAND UP → SIT

"Take five — water, restroom. Bring NOTHING to your desk except a pen and a pencil. Phones go in the front of the room — leave them in your bag at the front. No notes, no dictionaries, no tablets. We start at the top of the next hour."

> **TRANSITION TO HALF 2 — A2 FINAL EXAM.** Teacher only APPLIES and COLLECTS. Coordination owns content and results.

E1. EXAM PREP — 5 min — SIT

Room setup

1. Desks separated (anti-fraud). One written-exam sheet face down on each desk.
2. Phones / tablets / smartwatches at the front (collected in bags, in order).
3. Board CLEAN — no mastery clues (erase the 6 sections).
4. Visible clock.

Administrative instructions (simple English only)

> *"Final exam — A2. Two parts: 75 minutes WRITTEN, then about 30 minutes ORAL. The written exam is in front of you, face down — do not turn it over yet. You write BY HAND, in pen — no pencil for final answers. No phones, no dictionaries, no notes, no talking. If you have a question, raise your hand and I come to you. You will hear me announce the time at 30 minutes, at 60 minutes, and at the last 5 minutes. When 75 minutes are up, pens down, papers face up. ONE question now about the PROCEDURE — one, not about content. Procedure questions only. Go."*

60 sec for 1 procedure question per person (max 5–6). Any content/criteria/weight question → *"Coordination handles that — focus on the work."*

E2. WRITTEN EXAM A2 — 75 min — SIT

> **CONTENT AND RUBRIC = COORDINATION.** The guide describes ONLY the structure. Do NOT fabricate questions or criteria. Do NOT communicate criteria.

Launch (30 sec)

> **Turn your paper over. 75 minutes. Begin.** <

E4. LEVEL CLOSE — GROWTH CARD + GROUP PHOTO + HANDOVER — 10 min — STAND UP

A2 Character Growth Card — 5 min

Teacher reads aloud:

> *"This card stays with you. Coordination keeps a copy as part of your portfolio. Write three lines — one virtue that grew, one to keep growing in B1, one final phrase. Two minutes."*

- **Decisión Diana 31/05:** el Final se INTEGRA en la guía regular del día (NO _MARKER/_COORD_KIT/_RUBRICA separados). Razón: profes no ejecutan ni las guías regulares completas — agregar artifacts los satura.
- **Supuestos / observaciones operativas:** virtud TEMPLANZA v2 día 3 por número de clase (bloque CI 26–28 termina hoy con el nivel) — verificar calendario absoluto. Tiempos del examen son sagrados: si Mitad 1 se desfasa, lo primero que se sacrifica es Shadowing Día 3 (omitir limpio); el examen NUNCA se acorta. Profesor NO comunica criterios/contenido/resultados — siempre "Coordination handles that."
