- FRASE DEL DÍA con superlativos ("THE strongest", "THE bravest")
- Hot Topic "The Best, The Worst, The Most ..." + Simulación "The Award Briefing" (superlativos, profesional)
- Project Page 18 THE PEAK / THE STRONGEST POINT Draft 1 (escritura en clase)
- PASE a Juan Diego (errores frescos para su M28 The Superlative)

• A2 M28 The Superlative "You're the Best!" (módulo pág 253; Guía 1 pág 254; Ejemplos pág 255; Ejercicios pág 255; Práctica Verbal 1 pág 257; Respuestas pág 258; Práctica Verbal 2 Mezclado pág 259; Respuestas pág 260) — formalizado desde el libro, ~85% de pie (M25 NO existe — el libro salta de M24 a M26 a M27 a M28)

- **FRASE DEL DÍA** (continúa el ritual — hoy con preguntas de medida "how strong / how tall / how long / how much")
- **NO hay texto Heiiu nuevo hoy** — el contenido de Grammar esta tarde (M29 "How + adjective" + intensificadores) es gramática estructural, NO narrativa. Se sigue el precedente CI 14-19: clase SIN texto, aplicación oral pura. (Ver nota "HOY NO HAY TEXTO HEIIU" abajo.)
- **CIERRE del cluster M28 (superlativos) + INTRO oral del M29 (preguntas con "How + adjective")** — el cohorte aplica brevemente el TOP del trimestre (sostenido de ayer) y abre la pregunta "how + adjetivo" para medir cualidades de forma subjetiva ("How reliable is the new tool? — It's very reliable." / "How busy was Monday? — It was kinda busy.")
- **HOT TOPIC profesional — "How + Adjective? Measuring What Matters at Work"** — el cohorte pregunta y responde sobre el tamaño/grado de cualidades reales en su trabajo ("How important is that deadline? — It's really important." / "How complicated is that report? — It's not very complicated, but it takes time.")
- **SIMULACIÓN — "The Product Specs Interview"** — un comprador entrevista a un vendedor/proveedor sobre las características de un producto/servicio real usando preguntas "How + adjective" + intensificadores ("How new is the model?" — "It's pretty new, 2024." / "How reliable is

the system?" — "It's very reliable, we have 99% uptime.")

- **Project Workshop Page 19 — MY MEASURABLE PROGRESS / WHERE I STAND NOW (Draft 1)** (nueva sección: medir el avance real del programa hasta hoy — "I learned X new words", "I gave Y presentations", "I am pretty confident now / not very nervous anymore" — escritura en clase, alimenta midterm jueves CI 22)
- PASE a Juan Diego al cierre (errores frescos para su bloque M29 "How Tall Are You?")

> **NOTA:** Conv NO enseña gramática nueva. Hoy el cohorte PRODUCE oralmente lo que Juan Diego va a formalizar técnicamente esta tarde (M29: "How + adjective" + intensificadores really/very/kinda/sorta/pretty/not very). El cohorte llega a Grammar con la pregunta y la respuesta ya en la boca.

**VIRTUD HOY:** FORTALEZA día 5 (v1) — **ÚLTIMO día del bloque FORTALEZA** (CI 16–20). Mañana miércoles CI 21 inicia **PRUDENCIA v2 día 1**.

**CRONOGRAMA:** CI 22 (jueves 28/05) = MIDTERM PRESENTATION (5 min cada uno) — CI 20 hoy está construyendo hacia él (Page 19 alimenta el proyecto "MY STORY, MY GOALS" — la parte de medida del progreso). Anuncia el midterm SOLO como hecho de cronograma en el cierre — sin nota, sin resultado, sin comunicación de criterios (eso es coordinación).

**1. MYSTERY HOMEWORK CHECK (00:00–00:05, 5 min) — DE PIE**

Sobre cerrado:

HOMEWORK MYSTERY CHECK — B1 CL 20 CONV

In 60 seconds, give me 3 sentences:  
- 1 with a SUPERLATIVE from yesterday's Page 18 (M28:  
"That was the hardest week of the year." /  
"Excel is the best tool of the office.")  
- 1 with "THE MOST ..." (2+ syll. — M28:  
"Carlos is the most reliable supplier we have.")  
- 1 ASKING about a quality of something at your work,  
starting with "HOW + adjective" (today's M29 preview:  
"How busy is Monday?" / "How reliable is the new  
system?" / "How hard is your shift?")

Example: "Yesterday was the hardest day of the week,  
Monday is the busiest day of the schedule, and how  
reliable is your new supplier?"

GO!

**En clase (5 min):** STAND UP → envelope → 1 min silencio → 3 estudiantes AL AZAR.

> El sobre verifica la tarea de ayer lunes (Page 18 THE PEAK / THE STRONGEST POINT polish + grabo + listening). Anota quién NO trae la tarea — va en libreta personal con NOMBRE para coordinación.

---

**2. EL POR QUÉ DE HOY (00:05–00:07, 2 min) — SENTADAS**

#### WHY TODAY'S ACTIVITIES MATTER:

→ MYSTERY CHECK: visible practice from yesterday.

→ PHRASE OF THE DAY: today's phrase asks about the measure ("how strong", "how tall", "how long", "how much") – about strength: today you measure honestly how strong you really are, how tall your goals stand, how long you've worked, how much you've grown. Day FIVE of FORTALEZA – the last day of the block.

→ PEER TEACHER: errors from yesterday's Grammar – from Juan Diego's pase, from this room.

→ HOT TOPIC "How + Adjective? Measuring What Matters": professional talk. To ask the SIZE of a quality – how big, how busy, how important, how reliable – English puts "how" in front of the adjective ("how busy is Monday?"). You will use it before you name it.

→ "THE PRODUCT SPECS INTERVIEW" simulation: a buyer interviews a vendor about a real product or service using "How + adjective" – "How new is the model? How reliable is the system? How expensive is the plan?". That is exactly when "How + adjective" appears.

→ SHADOWING: rhythm and intonation.

→ PROJECT PAGE 19: My Measurable Progress / Where I Stand Now Draft 1 – the part of your narrative where you measure your real progress in the program so far ("I am pretty confident now", "I am not very nervous anymore"). Real B1 writing in class, in front of me.

→ MINI-PITCH + Q&A.;

→ PASE TO GRAMMAR: at the end I send Juan Diego fresh errors for his M29 "How Tall Are You?" block. You will have already used "How + adjective" with me this morning.

Now we begin.

### 3. FRASE DEL DÍA — PRESENTACIÓN (00:07–00:11, 4 min) — DE PIE

Tablero:

PHRASE OF THE DAY – CL 20 CONV

"Today I measure how strong I really am – how tall my goals stand, how long I have worked, and how much I have grown."

#### Procedimiento

1. (30 seg) "STAND UP. Today's phrase."
2. (1 min) Lee 2x lento. Cohorte repite coro 3x.
3. (1 min) Explica: "Yesterday one thing was at THE TOP — 'the best', 'the busiest'. Today we ask the MEASURE of a quality: 'HOW strong', 'HOW tall', 'HOW long', 'HOW much'. We put 'how' in front of the adjective to ask the size of that quality. Juan Diego gives this its technical name this afternoon. And that is FORTALEZA on day FIVE — the last day of the block: today you measure honestly how strong you really are, how tall your goals stand, how long you've worked, how much you've grown."
4. (1 min) "Sit. Notice when I use this phrase or parts of it during class."

### 4. VATS FORTALEZA DÍA 5 — ÚLTIMO DÍA (00:11–00:18, 7 min) — SENTADAS

> Hoy es el **QUINTO Y ÚLTIMO día del bloque FORTALEZA** (Cl 16–20). Día 1 abrimos (no rendirse cuando se acumula el trabajo). Día 2 medimos el miedo y la fuerza. Día 3 nombramos honestamente la dirección. Día 4 nombramos el TOP honesto. Hoy día 5: **medir honestamente el TAMAÑO real de lo construido este bloque** — sin inflar el progreso, sin minimizarlo. Mañana (Cl 21) abre PRUDENCIA v2.

#### Pregunta del día:

> \*Day FIVE of FORTALEZA — the last day of the block. Yesterday: the honest #1, the peak. Today: the honest measure of what you really built in these five days. 'How strong are you now compared to five days ago? — I am pretty stronger. I am not very nervous anymore.' 'How much harder is the work you can do now? — Really harder.' Don't inflate the progress, don't shrink it. Use 'how + adjective' to ask, and a real intensifier ('really', 'pretty', 'kinda', 'not very') to

answer."\*

Pairs (3 min). 2 estudiantes comparten (3 min). Reflexión 1 min.

> **Inserción #1 Frase del Día:** *"As today's phrase says — 'today I measure how strong I really am, how tall my goals stand, how long I have worked, how much I have grown.' That honest measure IS what FORTALEZA looks like on day FIVE: the size of the work is what the size of the work is, no more and no less. Tomorrow we open PRUDENCIA — different virtue, same honesty."*

---

## 5. PEER TEACHER SLOT (00:18–00:25, 7 min) — DE PIE

**Pre-clase:** 2-3 errores del PASE de Juan Diego (CI 19 Grammar de ayer lunes — él lo dejó escrito para ti). Asignar peer teacher.

**En clase (7 min):**

- (30 seg) *"Today's peer teacher is [name]. Errors Juan Diego observed yesterday in Grammar — from his pase (M28 superlatives: 'good' is irregular — 'the best', not 'the more good'; short adjectives take 'the -est', not 'the most'; 'the' is never missing; with the superlative use 'of/in', not 'than'/that')." "*
  - (5 min) Estudiante explica + corrige + coro 2x.
  - (1 min) Aplauso + *"Wednesday [next name]."*
  - (30 seg) Anota.
- 

## 6. HOT TOPIC — "HOW + ADJECTIVE? MEASURING WHAT MATTERS AT WORK" (00:25–00:42, 17 min) — PAREJAS

**OBJETIVO PARA LA ESTUDIANTE:**

> *"A professional talk about the SIZE of qualities at your work — how busy, how reliable, how important, how complicated. English uses 'How + adjective' to ask, and an intensifier ('really', 'very', 'pretty', 'kinda', 'sorta', 'not very') to answer. You will use it before Juan Diego names it this afternoon."*

**Setup (2 min)**

> *"No text today — today's Grammar topic is structural (M29 'How + adjective'), not a narrative. So today is pure speaking. The topic: ASK each other about the SIZE of qualities at your work — 'How busy is Monday? How reliable is the new system? How hard is your shift?' — and ANSWER honestly with 'really / very / pretty / kinda / sorta / not very + adjective'. Yesterday one thing was THE TOP. Today we measure how big a quality really is."*

**Hot Topic debate (12 min)**

**Tablero:**

HOT TOPIC — "HOW + ADJECTIVE? MEASURING WHAT MATTERS AT WORK"

Discuss with your partner. ASK and ANSWER:

ASK with "How + adjective":

- "How busy is Monday at your work?"
- "How reliable is your new tool/system?"
- "How important is that deadline?"
- "How complicated is the new process?"
- "How long is your shift today?"

ANSWER honestly with an intensifier + adjective:

- "It is REALLY busy. It is the worst day."
- "It is VERY reliable, we have no problems."
- "It is PRETTY important, but not urgent."
- "It is KINDA complicated, I am still learning."
- "It is NOT VERY long, only six hours."

Requirements (12 min discussion):

- 6+ "HOW + adjective" QUESTIONS
- 6+ ANSWERS with an intensifier (really / very / pretty / kinda / sorta / not very) + adjective
- 1 question that reuses YESTERDAY's superlative: "What is THE busiest day of the week — and HOW busy is it really?"
- HONESTY: measure the real size of the quality, don't inflate, don't shrink (FORTALEZA day 5)

Parejas. ENGLISH ONLY. 12 min.

**Plenary (3 min)**

2 estudiantes comparten 2 preguntas profesionales reales con "How + adjective" y sus respuestas honestas con intensificador.

> **Inserción #2 Frase del Día:** *"As today's phrase echoes — 'how strong, how tall, how long, how much'. Listen to how you said it: 'HOW busy is Monday?', 'HOW reliable is the system?', 'HOW important is the deadline?'. That structure has a name. Juan Diego gives it the name this afternoon — M29."*

---

## 7. SIMULACIÓN — "THE PRODUCT SPECS INTERVIEW" (00:42–01:02, 20 min) — DE PIE

**OBJETIVO PARA LA ESTUDIANTE:**

> *“Stand up. You are a buyer interviewing a vendor (or a manager interviewing a supplier) about the features of a real product or service. You ask with 'How + adjective' and they answer with an intensifier — really / very / pretty / kinda / sorta / not very + adjective.”*

**Setup (3 min)**

**Estructura sugerida (Tablero):**

"THE PRODUCT SPECS INTERVIEW" – 4-5 min each pair

BUYER (you): ask 6 questions with "How + adjective"  
VENDOR (your partner): answer 6 with an intensifier + adjective

POINT 1: "How new is the model?"  
-> "It is pretty new. It is the 2024 version."  
POINT 2: "How reliable is the system?"  
-> "It is very reliable. 99% uptime last year."  
POINT 3: "How expensive is the premium plan?"  
-> "It is kinda expensive, but worth it."  
POINT 4: "How complicated is the installation?"  
-> "It is not very complicated. Forty minutes."  
POINT 5: "How fast is the support response?"  
-> "It is really fast. Under one hour."  
POINT 6: "How important is the warranty?"  
-> "It is very important. Five years included."

USE: 6+ "How + adjective" questions / 6+ intensifier answers / professional context ONLY / honest measure (don't oversell, don't undersell)

**Modela (3 min)**

> *“Let me interview the vendor. How new is the model? — Pretty new, the 2024 version. How reliable is the system? — Very reliable, we have 99% uptime. How expensive is the maintenance plan? — It is kinda expensive, around four hundred a month. How complicated is the installation? — It is not very complicated, about forty minutes if you follow the manual. How long is the warranty? — It is pretty long, five years included. One thing: if a teacher asks anything about evaluations, midterms or finals, you do not handle that — it goes only to coordination, never to us. Back to the interview: I won't oversell or undersell. The honest measure of a quality is what makes a buyer trust the answer — that's the strength on day five of FORTALEZA.”*

**Round 1 — Parejas (10 min)**

Cada pareja: 5 min cada una. Persona A es el buyer (6 preguntas "How + adjective"), B es el venedor (6 respuestas con intensificador + adjective) — luego invierten. Ambos cuentan cuántas preguntas/respuestas usaron correctamente y si la respuesta fue honesta (¿exageró? ¿escondió un problema real?).

**Cierre (4 min)**

2 voluntarias hacen su interview frente al grupo. Cohorte cuenta preguntas "How + adjective" e intensificadores correctamente usados.

> *Anota errores con NOMBRE en libreta personal.*

**8. SHADOWING (01:02–01:17, 15 min) — DE PIE**

■ Verificar link en WhatsApp + día del ciclo.

**Setup (2 min):** Play. Listen.

**Round 1 (5 min):** Frase por frase. Repiten 2x.

**Round 2 (6 min):** Play completo. Shadowing.

**Cierre (2 min):** 1 voluntaria reproduce.

**9. PROJECT WORKSHOP — PAGE 19: MY MEASURABLE PROGRESS / WHERE I STAND NOW DRAFT 1 (01:17–01:35, 18 min) — SENTADAS**

**OBJETIVO PARA LA ESTUDIANTE:**

> *“Yesterday you wrote Page 18 — The Peak. Today Page 19: MY MEASURABLE PROGRESS / WHERE I STAND NOW — measure honestly your real progress in the program so far, using 'how + adjective' + intensifiers. Anti-fraud: this writing happens in class, on paper, in front of me. This piece feeds your midterm presentation on Thursday.”*

**Setup (2 min)**

> *“Take out your Page 18 from yesterday. Today you write Page 19 — a NEW section: where you actually stand NOW, measured honestly. How confident are you now? How nervous are you now? How long have you really worked? How much have you really learned? Use intensifiers: 'really / very / pretty / kinda / sorta / not very'. Build 3 things.”*

Write an honest measurement of your progress  
(120-160 words handwritten):

1. THE NUMBERS YOU CAN COUNT: things you can measure with numbers — words learned, presentations given, weeks completed, minutes you can now speak without stopping. ("I learned around 200 new words. I gave 2 presentations. I can speak for 4 minutes without stopping.")

2. THE QUALITIES YOU CAN MEASURE WITH "HOW + ADJECTIVE": ask yourself and answer with intensifiers — "How confident am I now? — I am pretty confident now." / "How nervous am I now? — I am not very nervous anymore." / "How hard is the work I can do now? — Really hard, compared to week one." (3+ self-questions + intensifier answers)

3. THE BRIDGE: one sentence connecting today's measure to yesterday's PEAK (Page 18) — this is the honest size of what you built (FORTALEZA day 5 — last day of the block).

Length: 120-160 words handwritten.  
Hand it in at the end of class.

### Escritura silenciosa (13 min)

Cada estudiante escribe su Page 19 MY MEASURABLE PROGRESS / WHERE I STAND NOW Draft 1.

### Cierre (3 min)

2 estudiantes leen su frase de "THE QUALITIES YOU CAN MEASURE" del Draft 1 (con sus "How + adj?" + intensifier). Aplauso.

> **Inserción #3 Frase del Día:** *"As Phrase of the Day says — 'today I measure how strong I really am, how tall my goals stand, how long I have worked, how much I have grown.' You just wrote exactly that, here, in front of me. That's fortitude in writing on day five: real measure, honest, not inflated, not shrunk."*

## 10. MINI-PITCH 90 SEG + Q&A; EN VIVO (01:35–01:43, 8 min) — DE PIE

### Setup (1 min)

> *"3 volunteers. Topic: 'Ask yourself three 'How + adjective' questions about YOUR progress in this program — and answer them honestly with intensifiers (really / pretty / kinda / not very + adj).' 90 sec pitch. 30 sec Q&A; from audience — audience asks more 'How + adjective' questions."*

### Round (7 min)

3 estudiantes × ~2.5 min. Audiencia escucha y cuenta preguntas "How + adjective" + respuestas con intensificador.

## 11. ERROR PAPER + FRASE DEL DÍA CIERRE + PASE + TAREA + ANUNCIO MIDTERM + CAMBIO VIRTUD (01:43–01:50, 7 min) — DE PIE

### Error Paper Live (2 min)

4 errores típicos (anónimos en tablero; nombres SOLO en tu libreta):

1. ■ "How much busy is Monday?" → ■ "How busy is Monday?" ("how + adjective" directo, NO "how much" + adjetivo)
2. ■ "How is reliable the system?" → ■ "How reliable is the system?" (orden: "How + adj + verb + subject", NO "How + verb + adj + subject")
3. ■ "It is really very busy." → ■ "It is really busy." / "It is very busy." (UN intensificador, no dos juntos)
4. ■ "It is not too important." → ■ "It is not very important." (negación cortés con "not very", NO "not too")

### Frase del Día CIERRE (1.5 min)

1. "Today's phrase from memory." — 1 estudiante AL AZAR.
2. "Use it in a NEW sentence about YOUR work — keep at least two 'How + adjective' questions + intensifier answers." — otra AL AZAR.

### PASE ESCRITO a Juan Diego (1 min)

Hoja "PASE A JUAN DIEGO — CL 20 GRAMMAR":

PASE Conv → Grammar – Cl 20 – Martes 26/05/2026

3 errores frescos en Conv:

1. [error literal] – estudiante: [nombre]
2. [error literal] – estudiante: [nombre]
3. [error literal] – estudiante: [nombre]

Nota para Juan Diego: hoy NO usamos texto Heiiu (el contenido de hoy es gramática estructural – M29 "How + adjective" + intensificadores –, no narrativa – mismo criterio que Cl 14/15/16/17/18/19). El cohorte YA produjo preguntas con "How + adjective" (how busy / how reliable / how important / how complicated / how long / how new / how expensive) oralmente en Hot Topic + simulación "The Product Specs Interview", y respuestas con intensificadores (really, very, pretty, kinda, sorta, not very + adj). Llegan a tu M29 "How Tall Are You?" con la estructura YA en la boca – tu la formalizas técnicamente desde el libro (Guía 1 pag 262; Ejemplos pag 263; Ejercicios 1 pag 264; Práctica Verbal 1 pag 265; Respuestas pag 266): la pregunta usa "How + descriptor + to be + sujeto?"; la respuesta usa un intensificador antes del descriptor (really, very, kinda, sorta, pretty, not very). Cierre del cluster: ayer M28 superlativos (the best / the busiest). Hoy M29 medir grados ("how busy" / "how reliable"). Recordatorio cronograma: Cl 22 jueves = midterm (lo anunciamos al cierre como hecho, sin nota ni criterios – eso es coordinación). Aviso: hoy es el ÚLTIMO día de FORTALEZA – mañana Cl 21 abre PRUDENCIA v2 día 1.

Firmado: Danna

**Entregar físicamente a Juan Diego antes de su clase.**

### Tarea (1.5 min)

TAREA – DUE: MIÉRCOLES 27 MAYO ANTES DE LAS 7:00 PM  
TIEMPO: 30-45 minutos

(1) PROJECT (15 min): Polish Page 19 MY MEASURABLE PROGRESS / WHERE I STAND NOW Draft 1 – feeds Thursday's midterm presentation. Asegúrate de incluir:

- 3+ "HOW + ADJECTIVE" self-questions ("How confident am I? How nervous am I? How hard is the work I can do now?")
- 3+ INTENSIFIER answers (really / very / pretty / kinda / sorta / not very + adj)
- 1+ SUPERLATIVE del lunes – "the strongest week so far", "the hardest task of the month" – no la pierdas
- 1+ UNEQUAL COMPARATIVE del viernes pasado – "harder than week one", "more confident than a month ago"

Lo entregas el miércoles (Cl 21).

(2) GRABO OJOS CERRADOS 2 MIN (10 min):

"Interview a vendor about a product. Ask 5 questions with 'How + adjective' – how new, how reliable, how expensive, how fast, how complicated. Use a calm professional voice."  
Etiquetar TAREA B1-CONV-20.

(3) LISTENING (10 min): TED talk corto sobre PRODUCT REVIEW, FEATURES or CONSUMER CHOICE (5-7 min).

Apuntar:

- 5 "how + adjective" questions or equivalents ("how big", "how fast", "how reliable", "how expensive", "how important")
- 1 frase robable para tu Page 19

> Due date explícita (miércoles 27/05 antes de las 7:00 PM — próxima clase es Cl 21 miércoles). Tiempo dentro del rango B1 (30-45 min). NO se fragmenta. La excusa "no me da tiempo" NO se acepta — el por qué ya está explicado arriba.

**Anuncio Midterm + Cambio de Virtud + Cierre**

> *"See you tomorrow Wednesday, CI 21. Today you measured the size of qualities at your work with 'How + adjective' + intensifiers — honestly, before anyone named the structure. That's not luck. That's grammar arriving through your own mouth. This was day FIVE of FORTALEZA — the LAST day of the block: today you measured how strong you really are, how tall your goals stand, how long you've worked, how much you've grown. Tomorrow CI 21 opens a NEW virtue block: PRUDENCIA day 1 — same honesty, different focus. And cronograma reminder: midterm presentation is on Thursday this week (CI 22) — your Pages 16, 17, 18 and 19 are the material. Tomorrow CI 21 we keep building. (And remember: any question about evaluations or the midterm itself goes to coordination — not to me, not to Juan Diego.)"*

---

## ENTREGABLES PARA COORDINACIÓN

- ☐ Reporte impreso lleno
- ☐ Foto del SOBRE Mystery
- ☐ Foto del tablero — Frase del Día + Hot Topic requirements
- ☐ Foto/video PEER TEACHER (usando PASE de Juan Diego)
- ☐ PASE recibido de Juan Diego (archivado)
- ☐ Foto/video "The Product Specs Interview" simulación
- ☐ Foto/video Mini-Pitch
- ☐ N Páginas 19 MY MEASURABLE PROGRESS / WHERE I STAND NOW DRAFT 1 (foto — escritura en clase)
- ☐ PASE ESCRITO a Juan Diego (foto antes de entregar)
- ☐ Papel errores físico (anónimo)
- ☐ Libreta personal con 3 errores literales + NOMBRE
- ☐ Lista de quienes NO entregaron tarea CI 19 (con NOMBRE)
- ☐ Notas individuales sobre estudiantes en riesgo (libreta aparte — NO en la guía)
- ☐ Cuántas veces lograste insertar la Frase del Día naturalmente
- ☐ Confirmaste anuncio de Midterm CI 22 jueves como hecho de cronograma (sin nota/criterios)
- ☐ Confirmaste anuncio de cambio de virtud CI 21 (PRUDENCIA v2 día 1)

---

> **REGLA DE ORO:** Hoy es el día que el cohorte ASKEA en inglés sobre el tamaño real de las cualidades del trabajo con "How busy?", "How reliable?", "How important?" y RESPONDE con intensificadores honestos ("really", "pretty", "not very") — SIN saber todavía que se llama M29 "How Tall Are You? / Degrees of Adjectives". Quien salga preguntando *"How busy is Monday?"* y respondiendo *"It is really busy — the busiest day of the week"* sin pensar, ganamos. Esta tarde Juan Diego le pone el nombre técnico. Es el día CINCO y ÚLTIMO de FORTALEZA: hoy mides honestamente cuán fuerte eres realmente — y mañana abrimos PRUDENCIA v2, y el jueves presentas en el midterm.
