

B1 MASTERY — CLASS 24 GRAMMAR — Juan Diego

Session 24/44 · 1h50min · Block 2 (after Conv) · ~85% standing

Date: ___/___/2026 · Attending: ___/___

Module: A2 Book M33 — *How Much Money Do You Have?* / Specifying Uncountable Quantities (p.283–292)

Virtue: PRUDENCE day 4 of 5 (block CI 21–25)

Phrase of the Day: "HOW MUCH honest money, HOW MUCH honest time, HOW MUCH honest energy do I have? Prudence is the amount I can prove, not the amount that sounds enough."

BLOCK MAP (110 min)

| # | Min | Block | Stand? |

|---|---|---|---|

| 1 | 4 | Mystery homework check | YES |

| 2 | 2 | Why today | sit |

| 3 | 4 | Phrase of the Day | YES |

| 4 | 5 | VATS Prudence day 4 | YES |

| 5 | 7 | Peer Teacher (from Danna's pase) | YES |

| 6 | 12 | Book M33 + Board Race | YES |

| 7 | 16 | Walking Transformation | YES |

| 8 | 12 | Book p.290 + Sorting countable/uncountable + Absurd story | YES |

| 9 | 12 | Human line-up "HOW MUCH" + 3 stations | YES |

| 10 | 10 | Podium "Confirmed — how much indeed!" + Speed Drill | YES |

| 11 | 12 | Error Paper + Phrase close | YES |

| 12 | 14 | Pase to Danna + Homework + Close | sit |

Bring to class: A2 Book open at p.283 · Mystery envelope · Error Paper sheet · "PASE A DANNA — CL 25" blank sheet · Danna's pase (received before this block) · clock · personal notebook (errors + NAMES, never shared aloud) · **the card set described below.**

CARDS YOU PREPARE BEFORE CLASS (one-time, reusable for future cohorts)

Make these on letter-size paper or cardstock, big enough to read from across the room (~5cm letters). Same set is used in three blocks (7 Walking, 8 Sorting, 9 Line-up). Keep them in a plastic envelope after class — reuse next cohort.

SET A — UNCOUNTABLE NOUN cards (12 cards):
money · time · water · coffee · sugar · butter ·
milk · information · energy · attention ·
work-as-effort · email-noise
→ Used in BLOCK 8 (Sorting) and BLOCK 9 (Line-up).

SET B — COUNTABLE PLURAL cards (8 cards, contrast):
emails · meetings · clients · people · reports ·
calls · deliverables · rehearsals
→ Used in BLOCK 8 (Sorting) — go in the "how many"
contrast zone.

SET C — QUANTITY cards (7 cards):
a bit of · a little · a lot of · lots of · not much
· enough · too much
→ Used in BLOCKS 8–10 (answers without number).

SET D — UNIT cards (8 cards):
1 liter of · 3 kilos of · 1 gallon of · 300 pesos ·
1 cup of · 4 liters of · 2 glasses of · 1 kilo of
→ Used in BLOCK 9 Station A and PODIUM.

SET E — "HOW MUCH" tag card (1 large card):
HOW MUCH
→ Held in BLOCK 9 line-up. If no one holds it, the
sentence is not M33.

2 FLOOR LABELS (large, visible):
"COUNTABLE PLURAL → how many (last class M32)"
"UNCOUNTABLE → how much (today M33)"
→ Used in BLOCK 8 for the 2 zones.

Total = ~36 small cards + 2 floor labels. Prep time ~30 min before first cohort. After that: reuse forever. If the class has more than 6 students, use 2 cards per student in the line-up.

1. MYSTERY HOMEWORK CHECK — 4 min — STAND UP

Open the envelope. Read aloud:

> **"In 45 seconds, give me 2 sentences from previous class:**

> **— 1 'HOW MANY ____ ?' + countable plural with answer (last class M32: 'How many real rehearsals did I do? — Three.')**

> **— 1 sentence NAMING an UNCOUNTABLE thing at your work without using 'how much' yet ('There is too much email noise this morning.' / 'I have a lot of information but not much focus.')**

> **Go!!"**

1 min silence → 3 students at random. If any asks about Final results: *"Coordination handles results — not me. Focus on what comes next."* Note in your personal notebook who did not bring homework.

2. WHY TODAY — 2 min — SIT

> **"Mystery: visible weekend prep — last 'how many' from previous class + uncountable nouns named for today.**

> **Phrase of the Day is ALL 'HOW MUCH' with UNCOUNTABLE professional nouns.**

> **Peer Teacher: errors from this morning's Conv — fresh, from Danna's pase ('how much' produced orally).**

> **Module 33 — when the noun cannot be counted in pieces (money, time, water, sugar, coffee, energy), English uses 'how much' — NOT 'how many'. Answer with a UNIT ('1 liter of milk', '3 kilos of pasta', '300 pesos') or qualitative ('a bit of / a little / a lot of / lots of'). 'There IS' + uncountable (singular).**

> **We work standing — board race, walking transformation, sorting countable/uncountable, absurd story, line-up with 'HOW MUCH' card, stations, podium, speed drill.**

> **Limit: any question about Final results goes to coordination — not to me."**

3. PHRASE OF THE DAY — 4 min — STAND UP

Write on the board (before class):

PHRASE OF THE DAY — CL 24
"HOW MUCH honest money, HOW MUCH honest time,
HOW MUCH honest energy do I have? Prudence is
the amount I can prove, not the amount that
sounds enough."

1. Read twice slowly.

2. Cohort echoes 3×.

3. Say: *"Three uncountable nouns — money, time, energy — three 'how much'. Last class was 'how many' + COUNTABLE plural. Today is 'how much' + UNCOUNTABLE. The answer is not a count — it's a UNIT ('1 liter of milk', '300 pesos', '3 kilos of pasta') or a quality ('a bit of', 'a little', 'a lot of', 'lots of'). That's M33. And PRUDENCE on day four sounds like this: the amount you can PROVE, not the amount that sounds enough."*

4. *"Stay standing. Listen — I will use this phrase three more times today."*

4. VATS — PRUDENCE DAY 4 — 5 min — STAND UP

> **"Day four of PRUDENCE. Previous class you counted: 'How many honest steps to the Final? — Five.' Today the harder question: HOW MUCH? How much real time do you have between today and CL 44? How much energy after work? How much money for materials? How much attention without your phone? No numbers — say 'a little / a lot / some / not much / not enough / just enough'. Honestly."**

Pairs 2 min. 2 students share 3 min.

Insertion #1 of Phrase of the Day: *"As today's phrase says — uncountable amounts, named honestly. The amount you can prove."*

5. PEER TEACHER — from Danna's PASE — 7 min — STAND UP

Read aloud the 2–3 errors Danna wrote in her pase (probable patterns: *"how many money", "a few of time", "there are too much information"*, bare number for uncountable).

> **"Today's peer teacher is [name]. These errors are from the Conv block this morning — fresh, from this room."**

Student: explains → corrects → cohort echoes 2×.

Applause. *"Next class: [next name]."*

6. BOOK M33 + BOARD RACE — 12 min — STAND UP

Write on the board (before class):

M33 – HOW MUCH? / SPECIFYING UNCOUNTABLE QUANTITIES
(A2 Book p.283 – Guide 1 p.285)

From the book (Guide 1, p.285):

- "1. 'how much...?' = '¿Cuanto...?'"
- "2. For UNCOUNTABLE substances (liquids, powders, gases, etc.)"
- "3. Measured by UNITS:
'I have 1 liter of milk.'
'I have 1 kilo of butter.'
'I have 300 pesos.' (Money is uncountable; pesos/dollars are the units.)"
- "4. Also with 'there is / is there':
'How much milk is there?' → '¿Cuanta leche hay?'"
- "5. 'a lot of' / 'lots of' = 'mucho' for uncountable.
'I have a lot of money.' → 'Tengo mucha plata.'"
- "6. 'a bit of...' = 'un poco de...'.
'I have a bit of money.' → 'Tengo un poco de plata.'"

QUESTION = "how much" + UNCOUNTABLE noun

ANSWER:

- (a) UNIT: "1 liter of milk", "3 kilos of cheese",
"300 pesos"
- (b) QUALITATIVE: "a bit of" / "a little" /
"a lot of / lots of"
- "there IS" + uncountable; "there ARE" only with a
PLURAL UNIT ("there are 4 liters of milk").
- Previous class (M32) was "how many" + COUNTABLE
plural – different lane.
(M31 does NOT exist – book jumps M30 → M32.)

Say it standing at the board: *"One word, one rule: 'how much' goes with things you CANNOT count one by one — money, time, water, sugar, coffee, energy, attention. Two ways to answer. ONE: a UNIT — '1 liter of milk', '3 kilos of pasta', '300 pesos'. TWO: a quality — 'a bit of', 'a lot of', 'lots of'. And 'there IS' goes with uncountable — never 'there are' alone with uncountable. Previous class we did 'how many' for things we COUNT — today is 'how much' for things we MEASURE."*

BOARD RACE — 2 teams — 7 min

Two columns on the board. Dictate a wrong sentence; first student of each row runs to the board and writes it correctly. Cohort verifies. Rotate.

1. "How many money do you have?" → "How MUCH money do you have?"
2. "How many time is there?" → "How MUCH time is there?"
3. "I have a few of water." → "I have a little water." / "a bit of water."
4. "There are too much information." → "There IS too much information."
5. "How much emails are there?" → "How MANY emails are there?" (CONTRAST)
6. "How much coffee do you have? – 5." → "How much coffee do you have? – I have a bit of coffee." / "1 cup of coffee."

Insertion #2 of Phrase of the Day: *"Three uncountable nouns, three 'how much'. Phrase first, then the rule."*

7. WALKING TRANSFORMATION — 16 min — STAND UP

Two zones in the room (tape labels on opposite walls):

- **WRONG zone (left):** "how many" with uncountable / "a few" with uncountable / "there are" + uncountable / bare number for uncountable
- **RIGHT zone (right):** correct "how much" + uncountable + UNIT or qualitative

Hand each student **ONE slip card** with a wrongly-formed professional sentence.

Round 1 — Walk it — 8 min

Each student:

1. Stands in WRONG zone, reads slip aloud with the wrong form.
2. Walks to RIGHT zone shouting the corrected form.
3. Cohort confirms with thumbs.

Suggested slips:

"How many money do you have for materials?"
 → "How MUCH money do you have for materials? – I have 300 dollars."
 "How many time is there before the meeting?"
 → "How MUCH time is there before the meeting? – There is a bit of time, about 15 minutes."
 "I have a few of coffee in the office."
 → "I have a little coffee in the office." / "a bit of coffee."
 "There are too much email noise today."
 → "There IS too much email noise today."
 "How much meetings do you have today?"
 → "How MANY meetings do you have today? – I have 3 meetings." (CONTRAST – countable plural)
 "How much information do we have? – 5."
 → "How much information do we have? – A lot." / "Not much yet."
 "Coordination handles results – not me."
 → (limit reminder – leave correct as is)

Round 2 — Reverse — 4 min

Swap slips. Each student starts in RIGHT, walks to WRONG saying out loud WHY it's wrong: *"'how many' is wrong with 'money' because 'money' is UNCOUNTABLE — you can't say 'three moneys'; the units are 'dollars', 'pesos'. 'a few' is for COUNTABLE plurals — uncountable uses 'a little' or 'a bit of'. 'there are' with uncountable is wrong — 'there IS' with uncountable. Book p.285."*

Close — 2 min

2 volunteers walk their transformation in front of the group. Cohort counts correct pairs. Note errors with NAMES in your personal notebook.

8. BOOK p.290 + SORTING COUNTABLE/UNCOUNTABLE + ABSURD STORY — 12 min — STAND UP

Book examples — 3 min

Write on the board (before class):

M33 – BOOK ANSWERS (A2 Book Verbal Practice 1 – p.288)

How much milk is there? → There are 4 liters of milk.
 How much cheese is there? → There are 2 kilos of cheese.
 How much water is there? → There are 3 gallons of water.
 How much bread is there? → There is 1 kilo of bread.
 How much coffee is there? → There is a bit of coffee.
 How much whisky is there? → There is 1 glass of whisky.
 How much wine is there? → There are 4 glasses of wine.
 How much soda is there? → There are 3 bottles of soda.
 How much money is there? → There are sixty-seven dollars.
 How much ice cream is there? → There is a lot of ice cream.

VERBAL PRACTICE 2 ANSWERS (p.290):

How much money does Doris have?
 → "She has ninety-five dollars." (NUMBER + UNIT)
 How much pasta does Pablo have?
 → "He has 3 kilos of pasta." (NUMBER + UNIT)
 How much wine do Mary and Jose have?
 → "They have a bit of wine." (a bit of)
 How much pizza does Karol have?
 → "She has a lot of pizza." (a lot of)
 How much broccoli does Diego have?
 → "He has a bit of broccoli." (a bit of)

Read aloud. Cohort echoes 3 examples chosen at random.

Sorting countable plural (M32) vs uncountable (M33) — 4 min — STAND UP

Use the two floor labels. Shuffle Set A (uncountable) + Set B (countable plural — contrast) and hand each student 2–3 cards at random. Each student walks every card to the right zone, saying it aloud:

COUNTABLE PLURAL ("how many ___ ?" – previous class M32):
 emails, meetings, clients, people, reports, calls,
 deliverables, rehearsals

UNCOUNTABLE ("how much ___ ?" – today M33):
 money, time, water, coffee, sugar, butter, milk,
 information, energy, attention, work, email-noise

For each card: *"How much money do you have?" / "How much time is there?"* (uncountable) — for the contrast: *"Emails is countable — 'how many emails', that was last class."*

Absurd professional story — 5 min — STAND UP

Narrate with marked pauses. Cohort answers OUT LOUD with the right "how much" question. No fill-in-blanks — voice in the room.

"Monday morning at the office. The coffee machine has produced 47 liters of coffee overnight. The floor smells of espresso. The manager walks in and asks the team..."
[PAUSE – cohort: "How much coffee is there?!"]

"There are 47 liters of coffee. Then the IT person says the new tool will cost some of the budget. The manager turns and asks..."
[PAUSE – cohort: "How much money do we have for it?"]

"Not much – a little. Then someone mentions a lot of raw data piling up – but not much real insight. The manager asks..."
[PAUSE – cohort: "How much information do we have?" / "How much insight is there?"]

"A lot of information, not much insight. For uncountable resources the manager asks one more question..."
[PAUSE – cohort free: "How much ____ ?" (time / energy / focus / attention / work)]

Insertion #3 of Phrase of the Day: *"That's our phrase, and that's our module: 'how much' + uncountable. UNIT or qualitative — not a number for things that don't break into pieces."*

9. HUMAN LINE-UP + 3 STATIONS — 12 min — STAND UP

Human line-up — 4 min

Use the "HOW MUCH" tag card (Set E) + Set A (uncountable) + Set C (qualitative) + Set D (units). Each student gets ONE card. You call out a target sentence; relevant cards walk to the front and stand in correct word-order. The "HOW MUCH" card MUST be in the line — if no one holds it, no M33. Cohort reads aloud. 2–3 rounds.

Targets to call:

- "How much money do you have?" → "How much" + "money" + "do you have?"
- "How much time is there?" → "How much" + "time" + "is there?"
- "There is a bit of coffee." → "There is" + "a bit of" + "coffee"
- "There are 4 liters of water." → "There are" + "4 liters of" + "water"

3 stations — 8 min — bell every ~2.5 min

STATION A – "How much ____ IS THERE?"
Build 4 questions + answers about your workplace using "there is" + uncountable:
"How much coffee is there in the kitchen? – There is a bit of coffee."
"How much time is there before the meeting? – There are about 15 minutes."
"How much information is there about the new client? – There is a lot of information."
"How much money is there in the project budget? – There are 300 dollars left."

STATION B – "How much ____ DO/DOES (subj) HAVE?"
Build 4 questions + answers about people at work:
"How much energy does the team have? – They have a little energy."
"How much budget do you have for the tool? – I have a lot of budget – about 500 dollars."
"How much attention does she have for the proposal? – She has not much attention this week."
"How much focus do you have after 8 PM? – I have a bit of focus, not much."

STATION C – "How much ____ DO YOU WANT / NEED?"
Build 3 questions + answers (Verbal Practice 3, p.291 book):
"How much milk do you want? – I want a liter of milk."
"How much information do we need for the proposal? – We need a lot of information."
"How much time do you need to finish? – I need just enough – about 2 hours."

You circulate, correct softly, note errors with NAMES.

10. PODIUM + SPEED DRILL — 10 min — STAND UP

Podium "Confirmed — how much indeed!" — 4 min — circle

Each student (chain) names an honest "how much" of their work + answers with UNIT or qualitative. Cohort responds in chorus: "Confirmed — how much indeed!". Cover the 3 answer types (UNIT / a bit of / a lot of) — min 1 student per type.

A: "How much coffee do I have this morning?
– I have 1 cup of coffee." (UNIT)
→ "Confirmed – how much indeed!"
B: "How much real time do I have this week?
– A bit of time – about 3 hours." (a bit of + UNIT)
→ "Confirmed – how much indeed!"
C: "How much information do we have?
– We have a lot of information." (a lot of)
→ "Confirmed – how much indeed!"
D: "How much energy does the team have?
– Not much – a little." (qualitative)
→ "Confirmed – how much indeed!"

Speed drill — 6 min — circle

You say a profession-related uncountable noun; next student responds with an M33 question + answer:

"money" → "How much money do you have? – I have 200 dollars."
"time" → "How much time is there? – A bit, about 15 minutes."
"coffee" → "How much coffee do they have? – They have 2 liters of coffee."
"information" → "How much information do we need? – A lot."
"energy" → "How much energy does she have? – A little."
"water" → "How much water is there? – There are 3 gallons of water."
"sugar" → "How much sugar do you want? – A bit."
"attention" → "How much attention do you have? – Not much right now."

Then chorus contrast: you give a Spanish key, cohort answers in chorus:

"¿cuanto dinero?" → "How much money do you have?"
"¿cuanto tiempo?" → "How much time is there?"
"un poco de cafe" → "a bit of coffee"
"mucho dinero" → "a lot of money / lots of money"
"PERO emails (countable)" → "how many – previous class lane"

11. ERROR PAPER + PHRASE CLOSE — 12 min — STAND UP

Error Paper Live — 5 min

Write on the board (anonymous; NAMES go ONLY in your personal notebook):

1. ■ "How many money do you have?" → ■ "How MUCH money do you have?"
2. ■ "How much emails are there?" → ■ "How MANY emails are there?" (CONTRAST)
3. ■ "I have a few of time." → ■ "I have a little time." / "a bit of time."
4. ■ "There are too much information." → ■ "There IS too much information."

Read. Students correct in chorus 2×.

Phrase of the Day close — 4 min

1. "Today's phrase from memory." — 1 student at random.
2. "Now use it in a NEW professional context — keep three 'How much ____ ?' with uncountable + a real answer (unit or qualitative — no bare numbers for uncountable)." — another at random.
3. "'how much money / how much time / how much energy' — uncountable. UNIT ('300 pesos', '3 kilos of') or qualitative ('a bit of', 'a lot of'). 'There IS' with uncountable."

Block close — 3 min

> *"Today: M33 'how much' + uncountable; answers UNIT or 'a bit of' / 'a lot of' / 'lots of'; 'there is' for existence — board race, walking transformation, sorting countable vs uncountable, absurd story, line-up with 'HOW MUCH' card, stations, podium, speed drill. Real B1 sounds like: 'How much coffee is there? — A bit, about one cup.' Day four of PRUDENCE. Next class: M34 (page 293+)."*

12. PASE TO DANNA + HOMEWORK + CLOSE — 14 min — SIT

PASE TO DANNA — Cl 25 CONV — 3 min

Fill the sheet titled "PASE A DANNA — CL 25 CONV":

PASE Grammar → Conv — Cl 24 → Cl 25

3 fresh errors from Grammar today:

1. [literal error] — student: [name]
2. [literal error] — student: [name]
3. [literal error] — student: [name]

Note: Today I formalized M33 "How Much Money Do You Have?" / Specifying Uncountable Quantities (A2 Book p.283; Vocab 1 p.284; Guide 1 p.285; Verbal Practice 1 p.287; Answers p.288; Verbal Practice 2 p.289; Answers p.290; Verbal Practice 3 p.291; Answers p.292): "how much" + UNCOUNTABLE noun (money, time, water, coffee, sugar, butter, milk, information, energy, attention); answers (a) UNIT ("1 liter of milk / 3 kilos of pasta / 300 pesos") or (b) qualitative ("a bit of / a little / a lot of / lots of"); "there IS" + uncountable.

Cohort did board race, walking transformation, sorting countable/uncountable, absurd professional story, human line-up with "HOW MUCH" card, 3 stations, podium ceremony, speed drill (~85% standing).

CONFIRMED: M31 does NOT exist in the A2 Book.
Pattern consistent with M19/M25 skipped.

Next class Cl 25 Grammar I move to next existing module: M34 "How Much Does It Cost? / Describing Prices" (p.293+) — confirm verbatim before class.

Your Cl 25 Conv can ask the cohort to keep "how much" + uncountable in object position in real workplace scenes. Schedule: Cl 44 = Final, announced to cohort as calendar fact only (no grade, no criteria — coordination handles that). Virtue: today is PRUDENCE day 4; next class = day 5 (last) of PRUDENCE v2.

Signed: Juan Diego

Hand it physically to Danna before her next class.

Homework — DUE BEFORE NEXT CLASS CI 25, 7:00 AM — 4 min

HOMEWORK — DUE: BEFORE NEXT CLASS CI 25, 7:00 AM
TIME: 30-45 min — NOT fragmented.

(1) WRITING — 15 min — 12 sentences about your work,
using M33:

- 4 questions with "How much ____ + is there?"
 - 4 questions with "How much ____ + do/does (subj)
+ have/want/need?"
 - 4 answers covering book types:
1 NUMBER + UNIT ("She has 95 dollars."),
1 "a bit of",
1 "a lot of / lots of",
1 "there IS" + uncountable
 - Min 1 recycling "how many" from previous class
as contrast in the same paragraph
- Hand in on paper next class.

(2) AUDIO — 10 min — Record 2-3 min "The Resource
Audit — Project Edition" with 5+ "how much ____ ?"
with uncountable + unit or qualitative answers.
Label: B1-GRAMMAR-24.

(3) READING — 10 min — Find 5 real English sentences
with "how much ____ ?" or "there is ____ + uncountable".
Copy and mark: "how much" / uncountable noun /
answer type. Bring on paper.

(4) LISTENING — 10 min — Short TED talk on BUDGETING,
TIME MANAGEMENT, INFORMATION OVERLOAD or ATTENTION
ECONOMY. Note 5 "how much" + 2 with "a bit of / a
lot of" + 1 stealable line.

RULE: Not fragmented. No "I didn't have time."

Close — 2 min

> *"Next class CI 25 — M34 'How Much Does It Cost? / Describing Prices' (page 293+). Day five of PRUDENCE next class — closes the block. Today: 'how much' + uncountable, UNIT or qualitative. Final presentation on CI 44 — calendar fact, no grade, no criteria — coordination, not me. See you next class."*

DELIVERABLES TO COORDINATION

- ☐ Printed report filled
