

B1 MASTERY — CLASS 34 CONV — Conversational Teacher

Session 34/44 · 1h50min · Block 1 (Conv goes FIRST in this session) · IMMERSIVE MODEL — 4 long blocks

Date: ___/___/2026 · Attending: ___/___

Today's focus: oral application of B1 Book M1 — *Question Tags / Confirming and Maintaining Conversation*. Positive statement + negative tag; negative statement + positive tag; rising intonation = real question; falling intonation = expecting confirmation. The Grammar Teacher formalizes the form in the second block of this session.

Virtue: JUSTICE day 4 of 5 (block stays open, CI 31–35)

Phrase of the Day: "On day four of justice we confirm before we decide — 'You sent it, didn't you?' — same auxiliary, opposite sign, fast and fair."

BLOCK MAP — 4 LONG BLOCKS (110 min)

| # | Min | Block | Function |

|---|---|---|---|

| 1 | 10 | **OPENER** | Welcome + JUSTICE day 4 named + Phrase of the Day + 60-sec mystery + standing warm-up + bridge to M1 |

| 2 | 40 | **CONTENT OF THE DAY** | M1 Question Tags ORAL: mini-talk (5–7 min) + guided pair practice (15 min) + free pair derivation (15 min) + cohort share (5 min) |

| 3 | 45 | **LIVE APPLICATION** | ONE immersive simulation — "PROJECT STATUS CONFIRMATION CALL" — rotating triads, no format change |

| 4 | 15 | **CLOSE** | Error paper recap + Frase close + Tarea + PASE A GRAMMAR — CL 34 |

Bring to class: Phrase of the Day already written on the board · "PASE A GRAMMAR — CL 34" blank sheet · the pase received from the Grammar block of the previous class (M44 closure) · 12 statement prompt cards for guided pair practice · printed observer grid for the triads · Error Paper sheet · personal notebook (errors + NAMES, never shared aloud) · clock.

BLOCK 1 — OPENER — 10 min

(1 min) Welcome + frame

> *"Welcome to CI 34 of 44. Today opens the B1 Book — Module 1 Question Tags. Previous class closed the A2 Book at M44. From today the source is the B1 Book. Virtue: JUSTICE — day FOUR of five. Block stays open one more day."*

(2 min) Phrase of the Day — on the board (already written)

PHRASE OF THE DAY — CL 34 CONV
"On day four of justice we confirm before we
decide — 'You sent it, didn't you?' — same
auxiliary, opposite sign, fast and fair."

Read once slowly. Cohort echoes 2×. Quick gloss: "'You sent it, didn't you?' — affirmative statement, negative tag, same auxiliary pulled from 'sent' (past simple → 'didn't'), same subject 'you'. Justice day 4: a tag is the fastest fair verification — you confirm before you decide, before you accuse, before you assume."

(2 min) 60-sec mystery — fast diagnostic

> *"60 seconds. Each of you names ONE thing the Grammar Teacher's pase from the previous class flagged for fixing today — a verb shape, a missing TO, a wrong subject. Go."*

Pick 3 students at random. If any asks about Final results: "Coordination handles results. Focus on what comes next." Note who did not bring homework.

(3 min) Warm-up — standing speed round on tags

Everyone stands in a circle. Call a flat statement; the next student adds a tag with the right auxiliary and the right polarity. Move fast — 8 prompts in 3 minutes.

"You came to work today, ___?" → "didn't you?"
"She isn't on the call, ___?" → "is she?"
"They have approved the budget, ___?" → "haven't they?"
"We can ship by Friday, ___?" → "can't we?"
"Mark makes breakfast, ___?" → "doesn't he?"
"I am ready, ___?" → "aren't I?" (SPECIAL — book p.3)
"You won't be late, ___?" → "will you?"
"The dev team is testing version 3, ___?" → "aren't they?"

No corrections yet — just temperature. Note in your head who hesitated.

(2 min) Bridge to today's content

> *"Today's content is M1 Question Tags — only the speaking side. The Grammar Teacher formalizes the form in the next block. My job: get the tags out of your mouth, at speed, with the right intonation, in a real professional exchange. The simulation today is a project status confirmation call — eight rounds, rotating triads. Let's start."*

BLOCK 2 — CONTENT OF THE DAY — 40 min

(5 min) Mini-talk — tags in real workplace dialogue

Talk standing, board behind you. Model EACH pattern out loud.

> *"Question tags in real work dialogue — three things to land. ONE: same auxiliary as the principal statement. If the statement says 'sent' (past simple) the tag pulls 'didn't' — 'You sent the email, didn't you?'. If the statement says 'isn't' (to be negative) the tag stays in to be positive — 'She isn't coming, is she?'. TWO: opposite sign. Affirmative statement → negative tag. Negative statement → affirmative tag. THREE — and this is the speaking layer the form alone misses — INTONATION. Rising intonation = genuine question, I don't actually know — 'You sent the email, didn't you?■'. Falling intonation = I expect confirmation, I already know — 'You sent the email, didn't you?■': Watch my hand. Up = real ask. Down = expected confirm. The same words, two completely different professional moves."*

Demo both intonations on the same sentence twice. Mark with your hand visibly. Then:

> *"Most workplace tags are falling — you're confirming alignment, not interrogating. Rising tags are for when you genuinely need information. Justice day 4: don't load a falling tag with blame — 'you messed up, didn't you?■' is not a confirmation, that's accusation disguised. Fair confirmation only."*

(15 min) Guided practice in pairs — 12 prompt cards

Hand each pair the deck of 12 statement cards. They take turns: one reads the statement, the other adds the correct tag with the correct intonation (■ or ■). Then swap roles. Walk between pairs and physically mark intonation with your hand — up or down — so the cohort sees it from across the room.

Card deck (statement on each card):

1. "You confirmed the budget."
2. "The client signed yesterday."
3. "Maria sent the deck Monday."
4. "We can ship by Friday."
5. "The QA team isn't done with the audit."
6. "She is leading the standup."
7. "They haven't reviewed the mockups."
8. "You won't push to production tonight."
9. "I am presenting third in the rehearsal."
10. "The dev team deploys on Fridays."
11. "Andres played soccer in college."
12. "Edith will take the new role."

Coach softly while you walk: wrong auxiliary, wrong polarity, flat intonation, "isn't it?" misused. Note errors with NAMES in your notebook.

(15 min) Free pair derivation — "office confirmation" exchanges

Same pairs, no cards. Build 5 short exchanges each. Pattern: statement + falling tag (expecting confirmation) → partner confirms or disconfirms in one sentence.

Board (write before class):

FREE PAIR DERIVATION — 5 EXCHANGES (15 min)

Pattern:

A: [statement + FALLING tag (■ expecting confirm)]

B: [confirm or disconfirm in one sentence]

Examples:

A: "You sent the audit Thursday, didn't you?■"

B: "Yes, I sent it Thursday afternoon."

A: "The client isn't on holiday next week, is he?■"

B: "No, he's back Monday — we're clear."

Requirements:

- 5 exchanges total per pair
- 3 with falling tag (confirmation) + 2 with rising tag (real question)
- At least 1 with a modal (can / will / should)
- At least 1 with past simple (pull-out did)
- At least 1 negative statement + positive tag
- JUSTICE day 4: no loaded blame tags

Rotate partners twice during this 15 min so each student speaks to at least 3 different people. Walk and coach. Phrase of the Day INSERTION #2: *"Same auxiliary, opposite sign — fast and fair. Justice day 4 — confirm before deciding."*

(5 min) Whole-cohort share + 1 live correction

Two strong pairs perform 1 full exchange in front of the group (90 sec each). After the second pair, pick ONE error you heard during the 30-min pair work and correct it live with the cohort echoing 2×. Then: *"Stand up — we move to the simulation."*

BLOCK 3 — LIVE APPLICATION — 45 min — "PROJECT STATUS CONFIRMATION CALL"

ONE activity, no format change for 45 minutes. Rotating triads. Every student plays every role.

(3 min) Setup

> **"Stand. You're project managers running a status confirmation call. You'll work in triads — three roles, rotating. PROJECT MANAGER opens the call and runs 8 question tags to confirm status with the SUBORDINATE — past simple, modals, to be, perfect, negative + positive tag, at least one SPECIAL (I am / let's / imperative). SUBORDINATE answers honestly — confirms or disconfirms in one sentence each time. OBSERVER tracks 3 things on the grid I'm handing out: how many tags land with the right auxiliary, how many land with the right intonation, and whether the FALLING tag actually expected the confirmation it got (or was it accusation in disguise — that fails). Three rounds. Each round 12 minutes. Every student plays every role exactly once. Justice day 4: confirm before deciding — fair tags, not trap tags."**

Hand out printed observer grid (prepared before class):

OBSERVER GRID — CL 34 CONV — PROJECT STATUS CONFIRMATION CALL

PM name (this round): _____

Mark each PM tag below as:

✓ = right aux + right polarity + right intonation
✗ aux = wrong auxiliary
✗ pol = wrong polarity / same sign
✗ int = flat or wrong intonation
! blame = falling tag loaded with accusation (Justice day 4 fail)

Tag 1: _____ → ✓ / ✗ aux / ✗ pol / ✗ int / ! blame
Tag 2: _____ → ✓ / ✗ aux / ✗ pol / ✗ int / ! blame
Tag 3: _____ → ✓ / ✗ aux / ✗ pol / ✗ int / ! blame
Tag 4: _____ → ✓ / ✗ aux / ✗ pol / ✗ int / ! blame
Tag 5: _____ → ✓ / ✗ aux / ✗ pol / ✗ int / ! blame
Tag 6: _____ → ✓ / ✗ aux / ✗ pol / ✗ int / ! blame
Tag 7: _____ → ✓ / ✗ aux / ✗ pol / ✗ int / ! blame
Tag 8: _____ → ✓ / ✗ aux / ✗ pol / ✗ int / ! blame

One sentence to the PM at the end:

(~40 min) 3 rounds × ~12 min — rotating triads

Round 1 (12 min): Triads form. Roles assigned. PM opens, runs 8 tag-checks, closes with a status statement. Subordinate answers each. Observer marks the grid. You circulate triad by triad — coach the PM on intonation with your hand (up / down), flag wrong auxiliary on the spot, flag any loaded blame tag immediately ("Justice day 4 — fair confirmation, not accusation").

Round 2 (12 min): Rotate. New PM, new subordinate, new observer. Same 8-tag structure. By now the cohort knows the rhythm — push for SPEED. Tags should land in 2 seconds, not 6.

Round 3 (12 min): Final rotation. Every student has now played every role. Push for SPECIAL CASES — at least one PM in each triad must use "I am → aren't I", or "let's → shall we", or an imperative tag.

Phrase of the Day INSERTION #3 during round 2 transition: *"Listen to your own falling tag — is that a fair confirmation, or is it blame? Justice day 4 — fair only."*

(2 min) Cohort close

One strong triad demos 90 sec in front of the group — full PM open, 3 tag-checks, subordinate confirms, observer reports back. Applause.

Phrase of the Day INSERTION #4: *"You just confirmed eight things in twelve minutes — that's day four of justice in real working speed."*

BLOCK 4 — CLOSE — 15 min

(4 min) Error paper recap — 3 most common errors today

Write on the board (anonymous; NAMES only in your personal notebook):

ERROR PAPER — CL 34 CONV

1. ■ "Maria sent the deck, isn't she?" → ■ "Maria sent the deck, DIDN'T she?" (past simple → pull-out did, not is)
2. ■ "You went to the meeting, did you?" → ■ "You went to the meeting, DIDN'T you?" (affirmative → NEGATIVE tag, opposite sign)
3. ■ "I am ready, amn't I?" → ■ "I am ready, AREN'T I?" (book p.3 SPECIAL — amn't doesn't exist)
4. ■ "You messed up the audit, didn't you?■" → ■ remove the blame OR ask openly (Justice day 4: tags confirm, do not accuse)

Cohort echoes the 4 corrections in chorus 1×. Note the named version in your notebook for the audit report — do NOT say names aloud.

(3 min) Phrase of the Day close

1. *"Phrase from memory — one student."* Pick one at random.
2. *"Now paraphrase what JUSTICE DAY 4 means for one real verification you will run before next class."* Pick another at random.

(4 min) Homework — explained out loud

HOMEWORK CL 34 CONV – DUE: BEFORE NEXT CLASS CL 35, 7:00 AM
TIME: 30-45 min – NOT fragmented.

(1) WRITING – 10 min – 10 statement + tag pairs
about REAL office life this week. 5 POSITIVE
statement + NEGATIVE tag, 5 NEGATIVE statement
+ POSITIVE tag. Examples:

"You sent the proposal Monday, didn't you?"

"She is leading the kickoff, isn't she?"

"We can ship by Friday, can't we?"

"The PM isn't expecting a Monday demo, is he?"

"You haven't moved the deadline, have you?"

RULE: same auxiliary, opposite sign, same
subject. Never "amn't I" → use "aren't I".

Hand in on paper next class.

(2) AUDIO eyes closed – 3 min – Record a status
call describing your week to a colleague using
6 different question tags. Mark intonation as
you speak: RISING (real question) or FALLING
(expecting confirmation). Justice day 4: no
loaded blame tags. Label: B1-CONV-34.

(3) LISTENING – 10 min – Find a YouTube clip of a
workplace dialogue (any source – TED, podcast,
interview). Note 5 question tags you hear and
mark the intonation (■ or ■) and whether the
speaker is genuinely asking or just confirming.
Bring the notes on paper.

RULE: Not fragmented. No "I didn't have time."

(4 min) PASE A GRAMMAR — CL 34 — fill + deliver

Fill the sheet titled "PASE A GRAMMAR — CL 34" in front of the cohort so they see the handoff is real:

PASE Conv → Grammar – Cl 34

3 form gaps observed in Conv today (literal):

1. [literal error] – student: [name]

2. [literal error] – student: [name]

3. [literal error] – student: [name]

Most common patterns today:

- Wrong auxiliary on past simple (saying "isn't she?" instead of "didn't she?")
- Wrong polarity / same sign ("You went, did you?" instead of "didn't you?")
- "isn't it?" used as a universal tag regardless of subject
- "amn't I?" still appearing in fast speech
- Falling tag loaded with blame (Justice day 4 fail – confirm, do not accuse)

Note: Today opened the B1 Book – M1 is the FIRST
module of the B1 Book. Cohort arrives at your
block with the tag shape already in their mouth
orally. Formalize the form from the book (B1 Book
M1 p.3-5: Guide 1 p.3 verbatim rule "same auxiliary
as the principal statement"; Examples p.4 verbatim
~23 pairs; Exercises p.5).

Schedule: Cl 35 = M2 Either/Neither/Both (B1 Book
p.9+). JUSTICE day 5 – block CLOSES. Cl 44 = Final
(last 2h), calendar fact only.

Signed: Conversational Teacher

Hand it physically to the Grammar Teacher before the second block of this session begins.

Close (verbatim)

> *"See you next class Cl 35. Today the B1 Book opened — M1 Question Tags is the first module of the book we will use through to Cl 43. Same auxiliary, opposite sign, same subject — and the right intonation for the move you're actually making. Today was day FOUR of JUSTICE — the block stays open. Next class is day FIVE — the block closes. Homework due before next class, 7 AM. Any question about evaluations or the Final goes to coordination — not to me, not to the Grammar Teacher."*

DELIVERABLES TO COORDINATION

- [] Printed report filled
 - [] Photo of board (Phrase of the Day + free pair derivation requirements + Error Paper recap)
 - [] Photo/video: warm-up speed round · one triad mid-simulation · cohort close demo
 - [] Stack of completed observer grids from the 45-min simulation
 - [] PASE from Grammar block previous class (archived) + PASE to Grammar CI 34 (photo before delivery)
 - [] Anonymous Error Paper (physical)
 - [] List of students who did NOT bring homework (with NAMES)
 - [] Personal notebook page: 3 literal errors + NAMES
 - [] Count of Phrase of the Day natural insertions (target 4)
 - [] Confirmed: B1 Book opened CI 34 + JUSTICE day 5 next class announced as calendar fact
-

NOTAS INTERNAS (no leer en clase)

- **MODELO INMERSIVO (Diana 2026-06-18):** 4 bloques largos, no 12 fragmentados. Estudiantes reportaron que el modelo viejo se sentía "robótico, pausa cada 15-20 min". Inmersión profunda, profesor coachea desde el lado.
- **B1 BOOK ABRE HOY:** M1 *Question Tags / Confirming and Maintaining Conversation* es el PRIMER módulo del B1 Book — el libro queda abierto desde hoy. CI 33 cerró A2 Book M44.
- **Próximo (CI 35):** M2 *Either, Neither, Both* (B1 Book p.9+). JUSTICIA día 5 — CIERRA el bloque. CI 36 abre FORTALEZA v2.
- **Virtud:** CI 31-35 = JUSTICIA v2. Hoy día 4. Mañana CI 35 día 5 (cierra).
- **Cronograma:** CI 44 = FINAL PRESENTATION (últimas 2h del nivel — confirmado Diana 22/05). Anunciar SOLO como hecho de calendario.
- **GoldList ELIMINADO** desde 14/05. Solo Frase del Día.
- **Conv sin texto Heiiu nuevo** — M1 es estructural (no narrativo). Aplicación oral pura + simulación de 45 min.
- **Cohorte:** B1 Mastery. El cambio de Grammar Teacher (2026-06-15) no se menciona en clase — guías genéricas.
- **Frase del Día insertions target: 4** (board + después de Block 2 derivation + transición round 2 simulación + cohort close).
- **Supuestos cargados:** El libro reordena el mapeo: CI 34 M1 (book p.3); CI 35 M2 *Either/Neither/Both* (book p.9). Aplicada regla "sigue libro, salta huecos, NUNCA inventa". M2 Advanced Adjectives del brief original NO EXISTE en el B1 Book.
