

B1 MASTERY — CLASS 42 GRAMMAR — Grammar Teacher

Session 42/44 · 1h50min · Block 2 (after Conv) · IMMERSIVE MODEL — 4 long blocks · ~80% standing

Date: ____/____/2026 · Attending: ____/____

Module: B1 Book M9 + M10 (split ~50/50) — *More About Perfect Tenses* (p.97-116, Guides 1-5) + *The Causative — Active and Passive* (p.117-126, Guides 1-2)

Virtue: PRUDENCE day 2 of 5 (block stays open; CI 41-45)

Phrase of the Day: "On day two of prudence we place actions in time precisely — present perfect (open period), past perfect (before another past), future perfect (done by a deadline) — and we DELEGATE with shape: 'I HAD the report SENT' / 'I GOT the room PAINTED' — subject + have/get + object + PAST PARTICIPLE."

BLOCK MAP — 4 LONG BLOCKS (110 min)

| # | Min | Block | Function |

| --|---|---|---|

| 1 | 10 | **OPENER** | Welcome + PRUDENCE day 2 named + CI 42 of /44 + Phrase of the Day + 60-sec mystery (Conv pase) + standing board-race warm-up + bridge |

| 2 | 40 | **CONTENT OF THE DAY** | M9 ~22 min: mini-talk pres perf vs past simple + past perf + future perf + perfect continuous (8 min) + walking transformation 4 zones (12 min). M10 ~18 min: mini-talk active causative + passive causative (4 min) + pair drilling (8 min) + podium reversal pres↔past↔fut perfect + causative (8 min) |

| 3 | 45 | **LIVE APPLICATION** | ONE immersive activity — "SERVICE LOG REVIEW MEETING" — rotating triads, observer grid, live board errors |

| 4 | 15 | **CLOSE** | Error paper recap + Frase close + Tarea + PASE A CONV — CL 43 |

Bring to class: B1 Book open at p.97-126 · Phrase of the Day already written on the board · "PASE A CONV — CL 43" blank sheet · Conv's pase (received before this block) · the card sets described below · 4 floor labels for walking transformation · printed observer grid for the triads · Error Paper sheet · personal notebook (errors + NAMES, never shared aloud) · clock.

CARDS YOU PREPARE BEFORE CLASS (tight, reusable across cohorts)

Make on letter-size paper, big enough to read across the room (~5cm letters). Keep in a plastic envelope after class — reuse next cohort.

SET A — PERFECT TENSE HEAD CARDS (~12 cards) —
4 colors:

PRES PERF (color 1): HAS / HAVE + been + V-ing

HAS / HAVE + past part.

PAST PERF (color 2): HAD + past part.

HAD + been + V-ing

FUT PERF (color 3): WILL HAVE + past part.

WILL HAVE BEEN + V-ing

MARKER (color 4): FOR / SINCE / ALREADY /

YET / JUST / EVER

SET B — CAUSATIVE FORMULA CARDS (~8 cards):

ACTIVE causative: HAVE + obj + V (no "to")

GET + obj + TO + V

MAKE + obj + V (no "to")

LET + obj + V (no "to")

HELP + obj + (TO) V

ASK / TELL + obj + TO + V

PASSIVE causative: HAVE + obj + PAST PARTICIPLE

GET + obj + PAST PARTICIPLE

4 FLOOR LABELS for walking transformation:

"PRES PERFECT (open/unfinished)"

"PAST PERFECT (before another past)"

"FUT PERFECT (done by a deadline)"

"CAUSATIVE (delegate / have done)"

→ Tape to walls or floor corners.

Total: ~20 cards + 4 floor labels. Prep ~25 min
first cohort. After that: reuse forever.

BLOCK 1 — OPENER — 10 min

(1 min) Welcome + frame

> *Welcome to CI 42 of 44. Conv just opened M9 + M10 orally. My job now is the FORM — when to use each perfect tense, and how to delegate using the active and passive causative. Virtue: PRUDENCE — day TWO of five. Block stays open through CI 45.*

(2 min) Phrase of the Day — on the board (already written)

PHRASE OF THE DAY — CL 42 GRAMMAR

"On day two of prudence we place actions in time precisely — present perfect (open period), past perfect (before another past), future perfect (done by a deadline) — and we DELEGATE with shape: 'I HAD the report SENT' / 'I GOT the room PAINTED' — subject + have/get + object + PAST PARTICIPLE."

Read once slowly. Cohort echoes 2×. Quick gloss: "Two big rules on the board. (1) Perfect tenses anchor an action to a period or a deadline — present perfect for an open or unfinished period, past perfect for what happened BEFORE another past event, future perfect for what will be done BY a deadline. (2) The causative is how we say someone else does the work — 'I had the report sent' = I delegated, someone else sent it. Both halves of the class are about placing actions and ownership precisely. Prudence day 2 — precise placement, no slop."

(2 min) 60-sec mystery — receive Conv pase from this morning

> *"Read the pase from the Conv block — name 3 form gaps the Conversational Teacher flagged for me to formalize today. 60 seconds."*

Pick 3 students to read the 3 errors verbatim. If any asks about Final results: "Coordination handles results. Focus on what comes next." Note who did not bring homework.

(3 min) Warm-up — standing board race

Two columns on the board. You call a base verb; the first student of each row runs to the board and writes the PAST PARTICIPLE form. Cohort verifies. 10 rounds in 3 minutes.

"send" → SENT
"finish" → FINISHED
"do" → DONE
"write" → WRITTEN
"build" → BUILT
"see" → SEEN
"break" → BROKEN
"speak" → SPOKEN
"give" → GIVEN
"take" → TAKEN

Quick note as you erase: "Past participle is the engine of both halves of today — every perfect tense and every passive causative ends in the past participle. If the participle is wrong, the whole form collapses."

(2 min) Bridge to today's content

> *"Today is a double module. First half (~22 min): M9 — four perfect tenses + FOR/SINCE/ALREADY/YET/JUST markers. Second half (~18 min): M10 — active causative (have / get / make / let / help) + passive causative (have / get + object + past participle). Then we land it all in a 45-minute service-log review simulation. Stay standing."*

BLOCK 2 — CONTENT OF THE DAY — 40 min

(8 min) Mini-talk — M9 Perfect Tenses (B1 Book p.97-116, Guides 1-5)

Stand at the board. Book p.99 + p.103 + p.107 + p.111 + p.115 open. Write or have pre-written:

M9 – PERFECT TENSES – FORM RULES (B1 Book p.97-116)

PRES PERFECT – HAS/HAVE + past participle

Open/unfinished period · unspec. time

· very recent (JUST) · with EVER/YET/

ALREADY/SINCE/FOR

"I have lived here SINCE 2014."

"I have JUST finished."

"Have you EVER tried it?"

PAST PERFECT – HAD + past participle

Action before another past action

"When we moved, I had learned Spanish."

"I had already left when she called."

FUT PERFECT – WILL HAVE + past participle

Done BY a deadline

"I will have finished by 5pm."

"By 2030, I will have worked 10 years."

PERFECT CONT – HAS/HAVE/HAD/WILL HAVE + been + V-ing

Duration of an ongoing action

"I have been working all day."

"By tonight, I will have been

watching the film for 3 hours."

ALREADY / YET (Guide 5):

ALREADY → affirmative, before the time referenced

YET → negative or question, at the end

"I haven't finished YET."

"Have you sent it YET?"

Talk through it standing, mark each rule with your hand. Book p.99 verbatim (drilled out loud): *"We use the present perfect for events that occurred in an unknown or unspecified period of time / events that are not complete / events in a period of time that is open / happened very recently."* Book p.103 verbatim: *"We use the past perfect together with the simple past to talk about events that happened before another past event."* Book p.107 verbatim: *"The future perfect describes an event that will be complete by a certain time limit."*

Phrase of the Day INSERTION #1: *"Place actions in time precisely. Prudence day 2 — present perfect for open, past perfect for before-another-past, future perfect for by-a-deadline."*

(12 min) Walking transformation — 4 zones (M9 + M10 integrated)

Tape the 4 floor labels in the 4 corners:

- **PRES PERFECT** (open/unfinished)
- **PAST PERFECT** (before another past)
- **FUT PERFECT** (done by a deadline)
- **CAUSATIVE** (delegate / have done)

Stand in the middle. Call a context out loud. Students physically WALK to the zone that fits + speak the full sentence as they arrive. If wrong zone or wrong form, cohort calls "again" and they re-walk. 14 calls in 12 min.

Context called → Right zone + sample sentence

1. "I started this job in 2024; still here." → PRES PERFECT – "I HAVE WORKED here SINCE 2024."
2. "I finished the report before the meeting." → PAST PERFECT – "I HAD FINISHED the report when the meeting started."
3. "I will be done by Friday." → FUT PERFECT – "I WILL HAVE FINISHED by Friday."
4. "The mechanic fixes my car (not me)." → CAUSATIVE – "I HAVE my car FIXED by the mechanic."
5. "Open period – have you ever been to Cartagena?" → PRES PERFECT – "Have you EVER been to Cartagena?"
6. "Cleaner cleans the office (not me)." → CAUSATIVE – "I GET the office CLEANED every Friday."
7. "Tasks done before client arrived." → PAST PERFECT – "We HAD COMPLETED the tasks before the client arrived."
8. "Tasks done by next quarter." → FUT PERFECT – "We WILL HAVE COMPLETED the tasks by next quarter."
9. "Today is not over – I already sent 5 emails." → PRES PERFECT – "I HAVE already SENT 5 emails TODAY."
10. "Painter paints my house tomorrow." → CAUSATIVE – "I AM GETTING my house PAINTED tomorrow."
11. "I had been working 3 hrs when she arrived." → PAST PERFECT – "I HAD BEEN WORKING for 3 hours when she arrived."
12. "By tonight, 3 hrs of the film." → FUT PERFECT – "By tonight I WILL HAVE BEEN WATCHING the film for 3 hours."
13. "Boss makes me stay late." → CAUSATIVE – "The boss MADE me STAY late." (active causative, no "to")
14. "I helped Sebastian finish." → CAUSATIVE – "I HELPED Sebastian FINISH." (no "to" – book p.119)

Coach: when someone goes to the wrong zone, don't say "wrong" — say "walk it again — what's the time marker?" When the zone is right and the form is right, cohort claps once. Note errors with NAMES in your notebook.

(4 min) Mini-talk — M10 Active + Passive Causative (B1 Book p.117-126)

Stand at the board. Book p.119 + p.123 open. Write or have pre-written:

M10 — CAUSATIVE — FORM RULES (B1 Book p.117-126)

ACTIVE CAUSATIVE — someone causes another to act
Verbs WITH infinitive ("to"): ASK / ALLOW / GET /
TELL / WANT / NEED

"I asked Manuela TO work."

Verbs WITHOUT infinitive (no "to"): HELP / LET /
MAKE / HAVE

"I helped Manuela work."

"I made Manuela work."

"I let Manuela work."

PASSIVE CAUSATIVE — important = action done, not who
Subject + HAVE / GET + object + PAST PARTICIPLE

"I had the car washed."

"I got my hair done."

"I will have the customer called."

HAVE = more formal · GET = more common spoken

Talk through it standing, mark each rule with your hand. Book p.119 verbatim: *"Most verbs use the infinitive. The rule is the same as for gerunds in Level A2. If the verb implies that the main action has not started, then we use the infinitive. If the verb implies that the main action has started, then we do not use the infinitive."* Book p.123 verbatim: *"The passive causative has the form: Subject + Causative verb ('have' or 'get') + Direct Object + Action (In Past Participle). Only 2 causative verbs exist; 'get' and 'have'. 'Get' is more common, while 'have' is more formal."*

(8 min) Pair drilling + Podium — reversal perfect tenses + causative

Pair drilling (4 min): Hand each pair: 3 perfect-tense cards + 2 marker cards (FOR / SINCE / ALREADY / YET) + 1 causative card. Student A reads cards, Student B builds a full sentence. Swap every card. Walk and coach.

Podium (4 min): Draw a podium on the board. Pick 3 strong students. Each reverses a perfect-tense sentence into another perfect tense + a causative variant. Cohort confirms in chorus *"Confirmed!"*

1st: "I have finished the report."
→ PAST PERFECT: "I had finished the report when she called."
→ CAUSATIVE: "I had the report finished by the assistant."

2nd: "By Friday, I will complete the migration."
→ FUT PERFECT: "By Friday, I WILL HAVE COMPLETED the migration."
→ PASSIVE CAUSE: "By Friday, I will have the migration COMPLETED."

3rd: "She fixes the bug herself."
→ ACTIVE CAUSE: "She MAKES the team FIX the bug."
→ PASSIVE CAUSE: "She GETS the bug FIXED by the team."

Phrase of the Day INSERTION #2: *"Place actions in time + delegate with shape. Prudence day 2 — precise placement, no slop."*

Note: *"Stand up — we move to the simulation."*

BLOCK 3 — LIVE APPLICATION — 45 min — "SERVICE LOG REVIEW MEETING"

ONE activity, no format change for 45 minutes. Rotating triads. Every student plays every role.

(3 min) Setup

> *"You're running a SERVICE LOG REVIEW MEETING — pair work in rotating triads. A service desk is reviewing what's been done, what was done before the client called, what'll be done by the deadline, and what tasks were delegated. Three roles: REVIEWER speaks 10 status statements using 6 perfect-tense forms + 4 causative forms. RESPONDER reacts to each with a follow-up question or comment in the same tense family. OBSERVER marks each turn — right perfect tense + right marker (for/since/already/yet) + right causative shape. Three rounds. Each round 12 minutes. Every student plays every role exactly once. I will WRITE recurring errors on the board live as I hear them — when there are three on the board we stop and correct as a cohort."*

Hand out printed observer grid (prepared before class):

OBSERVER GRID – CL 42 GRAMMAR – SERVICE LOG REVIEW MEETING

Reviewer name (this round): _____

Mark each statement below as:

✓ = right perfect tense + right marker

+ right causative shape (when used)

X pt = wrong perfect tense (used past simple when present perfect needed, etc.)

X pp = wrong past participle (broken form)

X mk = wrong marker (FOR with point in time, SINCE with duration, ALREADY in negative, YET in affirmative)

X cv = wrong causative shape (passive form

missed past participle / active form

used "to" with HAVE-MAKE-LET-HELP)

Round 1 – 10 statements (6 perfect + 4 causative):

Perfect: P1: _____ P2: _____ P3: _____

P4: _____ P5: _____ P6: _____

Causative: C1: _____ C2: _____ C3: _____ C4: _____

Round 2 – must include 2 PAST PERFECT + 2

PASSIVE CAUSATIVE:

Perfect: P1: _____ P2: _____ P3: _____

P4: _____ P5: _____ P6: _____

Causative: C1: _____ C2: _____ C3: _____ C4: _____

Round 3 – must include 2 FUT PERFECT + 2 active

causatives (MAKE / LET / HELP / HAVE):

Perfect: P1: _____ P2: _____ P3: _____

P4: _____ P5: _____ P6: _____

Causative: C1: _____ C2: _____ C3: _____ C4: _____

One sentence to the reviewer at the end:

(~40 min) 3 rounds × ~12 min — rotating triads + live board errors

Round 1 (12 min): Triads form. Each triad runs 6 perfect + 4 causative statements. Reviewer speaks; responder reacts in 3 sec keeping tense family; observer marks. You circulate and WRITE EVERY RECURRING ERROR on the side of the board as you hear it. When 3 errors are on the board, freeze — cohort corrects in chorus 2×, erase, continue.

Round 2 (12 min): Rotate roles. Push for PAST PERFECT + PASSIVE CAUSATIVE — at least 2 each per triad. Watch for missing past participle in passive causative. Continue live board-error correction. Phrase of the Day INSERTION #3: *"Place actions in time. Prudence day 2 — past perfect for before-another-past, no exceptions."*

Round 3 (12 min): Final rotation. Push for FUTURE PERFECT + active causatives (MAKE/LET/HELP/HAVE — no "to") — at least 2 each per triad. By now they should be sharp. Slow down only for the most stubborn pattern you wrote on the board across the previous 2 rounds.

(2 min) Cohort close

One strong triad demos 90 sec in front of the group — 1 pres perfect + 1 past perfect + 1 future perfect + 1 passive causative. Applause. Phrase of the Day INSERTION #4: *"Place actions in time + delegate with shape. Prudence day 2 — precise placement, no slop."*

BLOCK 4 — CLOSE — 15 min

(4 min) Error paper recap — 4 most common errors today

Write on the board (anonymous; NAMES only in your personal notebook):

ERROR PAPER – CL 42 GRAMMAR

1. ■ "I have finished the report yesterday." → ■ "I FINISHED the report yesterday." OR "I HAVE FINISHED the report (today)." (yesterday → past simple, not pres perfect)
2. ■ "When she called, I already finished." → ■ "When she called, I HAD already FINISHED." (before-past → past perfect)
3. ■ "I had the car wash by the mechanic." → ■ "I had the car WASHED by the mechanic." (passive causative needs past participle, not base verb)
4. ■ "She made me to stay late." → ■ "She MADE me STAY late." (MAKE / LET / HAVE / HELP – no "to")

Cohort echoes the 4 corrections in chorus 1×. Note the named version in your personal notebook for the audit report — do NOT say names aloud.

(3 min) Phrase of the Day close

1. *"Phrase from memory — one student."* Pick one at random.

2. "Now use it about a real delegation this week — one passive causative (had/got + something done) + one future perfect (by when)." Pick another at random.

(4 min) Homework — explained out loud

HOMEWORK CL 42 GRAMMAR — DUE: BEFORE NEXT CLASS Cl 43, 7:00 AM
TIME: 30-45 min — NOT fragmented.

(1) WRITING — 15 min — 12 sentences about a real work scenario this week:

2 PRES PERFECT (1 with SINCE/FOR, 1 with ALREADY/YET)

2 PAST PERFECT (paired with a simple past)

2 FUT PERFECT (with BY + deadline)

2 PERFECT CONTINUOUS (1 pres, 1 past, with duration marker)

2 PASSIVE CAUSATIVE (1 with HAVE, 1 with GET + object + past participle)

2 ACTIVE CAUSATIVE (1 with MAKE/LET (no "to"), 1 with ASK/TELL ("to" required))

Hand in on paper next class.

(2) AUDIO eyes closed — 3 min — Record yourself speaking 6 sentences about what you HAVE DONE, HAD DONE, WILL HAVE DONE, and what you HAD/GOT done by someone else this week. Prudence day 2: pause and place each verb precisely. Label: B1-GRAMMAR-42.

(3) LISTENING — 10 min — Find a YouTube clip where a professional reviews work done (project review, podcast, executive interview). Note 5 instances + mark perfect tense type OR causative shape used. Bring on paper.

RULE: Not fragmented. No "I didn't have time."

(4 min) PASE A CONV — CL 43 — fill + deliver

Fill the sheet titled "PASE A CONV — CL 43" in front of the cohort so they see the handoff is real:

PASE Grammar → Conv — Cl 42 → Cl 43

3 conversational gaps observed in Grammar today (literal):

1. [literal error] — student: [name]

2. [literal error] — student: [name]

3. [literal error] — student: [name]

Patterns to drill orally next class Cl 43:

- Present perfect vs past simple — most still use past simple with "this week / today / so far" (open period requires pres perfect)

- Past perfect is dropped in narrative — they use plain past for both events ("she called, I already finished")

- Passive causative — past participle dropped, they use base verb after object

- MAKE / LET / HAVE / HELP — students keep adding "to" by analogy with ASK/TELL

adding "to" by analogy with ASK/TELL

Note: Today formalized M9 + M10 FORM (B1 Book p.97-126). Cl 43 = M11 Advanced Adjectives + M12

Advanced Pronouns (B1 Book p.127-155) — CYCLE

CLOSE for Grammar (last regular class with Grammar Teacher; Cl 44 = Final, coordination

evaluates). PRUDENCE day 3.

Signed: Grammar Teacher

Hand it physically to the Conversational Teacher before the next session.

Close (verbatim)

> *"See you next class Cl 43. Today was M9 Perfect Tenses + M10 Causative — double module. Next class is M11 Advanced Adjectives + M12 Advanced Pronouns — the CLOSE of our cycle: it is my last regular class with this cohort, and Cl 44 the next day is the Final, run by coordination. Place actions in time + delegate with shape. Today was day TWO of PRUDENCE — block stays open. Final presentation is on Cl 44 — calendar fact only — coordination handles that.*

DELIVERABLES TO COORDINATION

- [] Printed report filled
 - [] Photo of board (Phrase of the Day + form rules M9 + M10 + 4 zones + Error Paper recap)
 - [] Photo/video: walking transformation 4 zones · podium reversal · one triad mid-simulation · cohort close demo
 - [] Stack of completed observer grids from the 45-min simulation
 - [] PASE from Conv (archived) + PASE to Conv CI 43 (photo before delivery)
 - [] Anonymous Error Paper (physical)
 - [] List of students who did NOT bring homework (with NAMES)
 - [] Personal notebook page: 3 literal errors + NAMES
-

NOTAS INTERNAS (no leer en clase)

- **MODELO INMERSIVO:** 4 bloques largos. Doble módulo M9 + M10 dividido ~50/50 en bloque 2; integrados en una sola simulación de 45 min en bloque 3.
- **B1 Book M9** (p.97-116) y **M10** (p.117-126): M9 Guides 1-5 (pres perf vs past simple, past perf, fut perf, perf cont, already/yet); M10 Guides 1-2 (active + passive causative). Citas verbatim p.99 / p.103 / p.107 / p.119 / p.123 — a la mano.
- **Virtud:** CI 41-45 = PRUDENCIA v3. Hoy día 2.
- **Cronograma:** CI 44 = FINAL (últimas 2h). Anunciar SOLO como hecho de calendario. CI 43 = última clase con profesor regular de Grammar (CYCLE CLOSE el día siguiente).
- **Frase del Día** activa. Insertions target: 4.
- **Trampas principales:** (1) "I have finished yesterday" (yesterday → past simple); (2) past perfect omitido en narrativa; (3) passive causative sin participle ("had the car wash"); (4) "made me to stay" (MAKE/LET/HAVE/HELP sin "to").
