

B1 MASTERY — CLASS 7 CONV — Conversational Teacher

Session 7/44 · 1h50min · Block 1 (Conv goes FIRST in this session)

Date: ___/___/2026 · Attending: ___/___

Today's focus: oral application of A1 review M5–M9 (Present Simple — daily routines + frequency adverbs + question forms). The Grammar Teacher formalizes the table in the second block.

Virtue: TEMPERANCE day 2 of 5 (block stays open, CI 6–10)

Phrase of the Day: "A temperate professional says 'I always confirm by email, she usually arrives early, they never close on Sundays' — naming the routine with the right verb shape; on day two of temperance we name the steady pattern, not the dramatic exception."

BLOCK MAP (110 min)

| # | Min | Block | Stand? |

|---|---|---|---|

| 1 | 10 | OPENER — Welcome + Phrase + 60-sec mystery + warm-up | YES |

| 2 | 40 | CONTENT — Present Simple for real routines (mini-talk + guided + free pair) | pairs |

| 3 | 45 | LIVE APPLICATION — "Career Fair Workweek Interview" (Guest Observer triads) | YES |

| 4 | 15 | CLOSE — Error Paper + Phrase close + Tarea + PASE to Grammar | YES |

Bring to class: Error Paper sheet · "PASE A GRAMMAR — CL 7" blank sheet · Grammar Teacher's pase from previous class (if any) · clock · personal notebook (errors + NAMES, never shared aloud) · 3 large board-area zones marked "ROUTINE / FREQUENCY / QUESTION".

1. OPENER — 10 min — STAND UP

(1 min) Welcome + virtue named. Stand at the front. Cohort standing.

> *"Welcome. Class 7 of 44 — we are two weeks in. Today TEMPERANCE day 2 of 5 — the block stays open. Temperance is the steady rhythm: not the drama of one big day, the truth of how every day actually runs."*

(2 min) Phrase of the Day on board, read 2× + chorus 2×.

PHRASE OF THE DAY — CL 7 CONV

"A temperate professional says 'I always confirm by email, she usually arrives early, they never close on Sundays' — naming the routine with the right verb shape; on day two of temperance we name the steady pattern, not the dramatic exception."

Read twice slowly, cohort echoes 3×. Brief gloss:

> *"Three sentences. Three subjects. Three frequency adverbs — always / usually / never. All in Present Simple. End of phrase: 'steady pattern, not dramatic exception' — day 2 of temperance. Today we name the work-week pattern, not the one chaotic day."*

(2 min) 60-sec mystery — homework + pase check.

> *"Quick — 60 seconds. From last class's Grammar block, give me ONE sentence about your work day with a verb in third person (he / she / it + verb-S). Anyone."*

2 students at random. If a student dropped the -s ("she work"), note silently — this is exactly what today drills.

If a pase sheet from Grammar Teacher arrived: read the 2–3 gaps aloud, name them as "what we open today."

(3 min) Warm-up — speed-round routine.

> *"Stay standing. Each of you in a circle: ONE sentence about your typical morning — Present Simple, no frequency word yet. 'I wake up at 6, I drink coffee, I take the bus.' One sentence per person, fast — 10 seconds each. Go."*

Walk the circle. If someone hesitates, give a starter ("I wake up at...").

(2 min) Bridge to block 2.

> *"You just named your routine. Now we name HOW OFTEN — always, usually, often, sometimes, never. That's the Present Simple in real conversation. Sit when you find a partner."*

2. CONTENT — PRESENT SIMPLE FOR REAL ROUTINES — 40 min — PAIRS

Mini-talk — 6 min — STAND, then sit with partner

Write on the board (before class):

PRESENT SIMPLE – REAL CONVERSATION

Shape: I / you / we / they + VERB
he / she / it + VERB-S

Examples: "I always check email at 8."
"She usually arrives by 9."
"They never close on Sundays."

Frequency adverbs go:
BEFORE the main verb: "I ALWAYS confirm by email."
AFTER the verb BE: "She IS USUALLY on time."

Common adverbs (most → least often):
always · usually · often · sometimes · rarely · never

Say at the board:

> *"Present Simple is not the verb of 'right now.' It's the verb of YOUR PATTERN. 'I check email at 8' — that's every day, not this morning. Frequency adverbs answer HOW OFTEN. Position rule: BEFORE the main verb ('I ALWAYS confirm'), but AFTER the verb BE ('she IS USUALLY on time'). Third person — he / she / it — adds -s. We will hear that gap a lot today and we will name it cleanly. The Grammar Teacher formalizes the full table this morning — we name the shape orally now, he writes the table later."*

Model 3 sentences yourself, real ones from your week:

- *"I usually check Slack before email."*
- *"My coworker rarely takes the 7 AM bus."*
- *"Our team never schedules meetings on Friday afternoon."*

Guided practice — partner workweek interview — 18 min — pairs sit

> *"Find a partner. One you have not worked with today. Sit knee-to-knee. ENGLISH ONLY for the next 18 minutes."*

Write on the board:

PARTNER WORKWEEK INTERVIEW – 18 min total
(9 min each direction)

Ask your partner about their typical work week.
Use Present Simple. Use 5 different frequency adverbs at least once each across all questions.

Sample question shapes (use any – invent more):
"What time do you usually start work?"
"How often do you check email in the morning?"
"Who do you always talk to before lunch?"
"What do you sometimes forget to do before leaving the office?"
"When do you rarely answer the phone?"

REQUIREMENTS:

- 6+ questions per direction
- Partner answers in FULL sentences with Present Simple + frequency adverb
- Listen for: third-person -s missing / adverb in wrong position / question with "DOES" + verb-S (both is wrong – only ONE gets the -s)

Round 1 — 9 min. Partner A asks; Partner B answers full sentences. Conversational Teacher circulates, listens, coaches one-on-one. Correction technique: *"Listen — 'she USUALLY arrives' — say it."* Cohort says it twice. Note errors in Error Paper anonymously, NAMES in personal notebook.

Round 2 — 9 min. Switch. Partner B asks; Partner A answers.

Insertion #1 of Phrase of the Day: during round 2, walk by the most-confident pair and drop quietly: *"Steady pattern, not dramatic exception — that's exactly what you're naming."*

Free pair derivation — true/false routines — 13 min — pairs sit

> *"Stay with your partner. New task: each of you writes mentally 3 sentences about YOUR routine — 2 TRUE, 1 FALSE. Use 3 different frequency adverbs. 'I always have coffee before 7.' 'I usually walk to work.' 'I never check my phone before bed.' Partner guesses which one is the FALSE. Then partner asks ONE follow-up question. 'Why never?' 'How often is usually?' Then switch."*

Setup — 2 min: model with one student. Show TRUE / TRUE / FALSE rhythm. Show the follow-up question shape (DO / DOES + subject + base verb).

Run — 9 min: 3 full rotations between partners.

Whole-cohort share — 2 min: pull 3 random students; each gives ONE strong sentence from their partner ("She told me she NEVER eats breakfast — that surprised me"). Applause.

Insertion #2 of Phrase of the Day: *"Right subject, right verb shape, right frequency adverb — that's the temperate professional naming their week."*

Whole-group share — 3 min — sit then stand to share

Pull 3 students at random; each gives 2 strong sentences they SAID (not their partner). Listen for 3rd-person -s, adverb position, question form. Note gaps for Block 3 setup. Stand when sharing.

3. LIVE APPLICATION — "CAREER FAIR WORKWEEK INTERVIEW" — 45 min — STAND UP

Setup — 3 min

> *"Stand up. Push chairs to the walls. A career fair scene — a recruiter is screening candidates with workweek questions. Guest Observer pattern (validated): one INTERVIEWER, one INTERVIEWEE (the candidate), one OBSERVER who takes notes. Rotate every ~12 min so each of you plays all three roles. I coach from the side — I never play interviewer."*

Board:

```
"THE CAREER FAIR WORKWEEK INTERVIEW"
3 rounds · ~12 min each · TRIADS of 3

PATTERN VALIDATED (Guest Observer):
- 1 INTERVIEWER (rotates each round – plays
recruiter)
- 1 INTERVIEWEE (the candidate)
- 1 OBSERVER (counts correct Present Simple +
frequency adverbs + 3rd-person -s; flags
missed -s, wrong adverb position, double-
inflection "does she works")
- PROFESSOR (coach, never plays interviewer)

INTERVIEWER SCRIPT (5 questions + 1 follow-up
per round):
Q1 – "Tell me about your typical morning at
work. What time do you usually start?"
Q2 – "How often do you take work home in the
evening?"
Q3 – "Who do you always coordinate with
before a big deadline?"
Q4 – "What do you rarely have time for during
the work week?"
Q5 – "When do you usually feel most focused?"
Follow-up – any question starting with WHY
or HOW that pushes for one more
detail in Present Simple.

INTERVIEWEE TARGET (answering):
- Full sentences in Present Simple
- 5 different frequency adverbs across the
interview (always / usually / often /
sometimes / never)
- Third-person -s when describing a coworker
or team

OBSERVER NOTES (silent):
- Strong: 2 sentences that were specific,
correct shape, clear adverb position
- One specific gap: "missed -s on 'she
arrive'" / "adverb in wrong place – 'she
arrives usually' should be 'she usually
arrives'" / "double inflection – 'does she
works' should be 'does she work'"
```

Model — 3 min — at the front

> *"Let me model the interviewer. 'Tell me about your typical morning. What time do you usually start?' Listen for the interviewee answering 'I usually start at 8.' If they say 'I usually starting' — that's a B1 gap, we name it after. If they say 'she USUALLY arrive' — missed -s. Observer would write that down. I do NOT play interviewer in the actual rounds — you do."*

Pick 2 volunteers, do one 90-second demo at the front.

Round 1 — 12 min

Form triads (5 students would mean 1 triad of 3 + 1 pair → use a pair: interviewer + interviewee, no observer; cohort acts as observer for the pair). Each interviewer asks the 5 questions + follow-up. Interviewee answers full sentences. Observer takes notes. Conversational Teacher circulates and coaches softly — corrects shape, not explains grammar. Take literal errors into the Error Paper (anonymous) and personal notebook (with NAMES).

Round 2 — 12 min

ROTATE roles. Each student now plays a different role. Same script. Different specifics from their own week.

Round 3 — 12 min

ROTATE again so each student plays the third role. Same script.

Cohort close — 3 min

Each triad delivers ONE strong sentence from their interviewee — said aloud. Applause. Note the strongest 3-4 sentences on the board.

Insertion #3 of Phrase of the Day: *"You just spoke that — steady pattern across three roles, not dramatic exception. That is temperance day 2 in the mouth."*

4. CLOSE — Error Paper + Phrase close + Tarea + PASE to Grammar — 15 min — STAND UP

Error Paper Live — 4 min

Write on the board (anonymous; NAMES only in personal notebook):

ERRORS HEARD TODAY:

1. ■ "She arrive at 9 every Monday." → ■ "She ARRIVES at 9 every Monday." (third-person -s)
2. ■ "I go usually to the office at 8." → ■ "I USUALLY go to the office at 8." (adverb BEFORE main verb)
3. ■ "Does she works on Fridays?" → ■ "Does she WORK on Fridays?" (DOES already inflects – verb stays BASE)
4. ■ "He don't check email after 6." → ■ "He DOESN'T check email after 6." (third-person negative = DOESN'T)

Read. Cohort corrects in chorus 2x. NO explanation — just the right shape, repeated.

Phrase of the Day close — 3 min

1. *"Today's phrase from memory."* — 1 student at random says it.
2. *"Now use it in a NEW sentence about YOUR work week — one ALWAYS + one NEVER."* — another student at random.
3. *"Right subject, right verb shape, right frequency adverb. Block stays open — temperance day 3 next class."*

Tarea — DUE BEFORE NEXT CLASS Cl 8, 7:00 AM — 4 min

Write on the board:

HOMEWORK CL 7 CONV — DUE: BEFORE NEXT CLASS Cl 8, 7:00 AM
TIME: 30-45 minutes — NOT fragmented.

(1) WRITING — 12 min — 10 sentences about your
OWN typical work week:

- 5 sentences with YOU as subject (I + verb + frequency adverb)
- 3 sentences with a COWORKER (he / she + verb-S + frequency adverb)
- 2 sentences with YOUR TEAM (they + verb + frequency adverb)

Use 5 different frequency adverbs across the
10 sentences (always / usually / often /
sometimes / never).

Hand in on paper next class.

RULE: NEVER drop the -s on he/she/it. NEVER
put the adverb after the main verb ("I go
usually" is wrong).

(2) AUDIO — 10 min — Record 2-3 min eyes closed
describing a typical workday — start to end —
using Present Simple + 4 different frequency
adverbs minimum. NO script.
Label: B1-CONV-7.

(3) LISTENING — 10 min — Find a short English
YouTube clip about MORNING ROUTINES or A DAY
IN THE LIFE (any profession). Note 5
sentences you hear with a frequency adverb.
Bring on paper.

RULE: Not fragmented. No "I didn't have time."

> **If a student pushes back:** *"This is what B1 requires. 30 to 45 minutes between classes is the minimum. We don't lower the bar — we raise your stamina."*
No negotiation.

PASE A GRAMMAR — CL 7 — 4 min

Fill the sheet titled **"PASE A GRAMMAR — CL 7"** (handed physically to the Grammar Teacher before their block today):

PASE Conv → Grammar – Cl 7

3 fresh gaps from Conv today:

1. [literal error] – student: [name]
2. [literal error] – student: [name]
3. [literal error] – student: [name]

Most common patterns today:

(a) Missing -s on third person: "she work" / "he go" / "it cost"

(b) Adverb position wrong: "I go usually" / "she arrives always" – should be BEFORE the main verb

(c) Double-inflection in questions: "Does she works?" / "Does he goes?" – DOES already carries the inflection

(d) Wrong negative auxiliary: "he don't" → "he DOESN'T"

Cohort produced Present Simple shapes orally across Partner Workweek Interview + Career Fair triads. They arrive at your block with the spoken shape already in mouth – formalize the written table cleanly. Focus your drills on the 3rd-person -s and the adverb position (BEFORE main verb / AFTER be). Spelling table (-s / -es after o/s/sh/ch/x / -ies after consonant + y / HAVE → HAS) only on the board, not memorized.

Signed: Conversational Teacher

Hand it physically to the Grammar Teacher.

Close — under 1 min

> *"Next class Cl 8. Today you named your real workweek pattern — not the chaos, the steady rhythm. **This was day TWO of TEMPERANCE — block stays open. Next class Cl 8 continues day 3.** The Grammar Teacher writes the table this morning. Homework due before next class, 7 AM. (Any question about evaluations goes to coordination — not to me.)"*

DELIVERABLES TO COORDINATION

- [] Printed report filled
- [] Photo of board (Phrase + Partner Interview requirements + Error Paper)
- [] Photo/video: Career Fair Workweek Interview triads (Guest Observer pattern)
- [] Anonymous Error Paper (physical)
- [] List of students who did NOT bring homework (with NAMES)
- [] Personal notebook page: 3 literal errors + NAMES
- [] PASE to Grammar Teacher (photo before delivery)
- [] Count of Phrase of the Day natural insertions

NOTAS INTERNAS (no leer en clase)

- **Supuesto de tópico (confirmar con coordinación):** Cl 7 está en el arco de repaso A1 temprano (~2 semanas en el cohorte). Elegido: M5–M9 agrupado → Present Simple + adverbios de frecuencia + question forms. Si Diana redirige a otro módulo (BE / there is/are / can / Present Continuous), reajustar el contenido del bloque 2 — la estructura de 4 bloques se mantiene.
- **Próximo (Cl 8):** continuar Present Simple en aplicación más ambiciosa (Mini-Pitch "My week at work" 90 seg + Q&A;) o avanzar a Present Continuous para contrastar (depende del PASE que devuelva la Grammar Teacher hoy).
- **Virtud:** Cl 6–10 = TEMPLANZA v1. Hoy día 2. Ayer Cl 6 día 1. Mañana Cl 8 día 3. Block stays open.
- **Modelo nuevo Cl 7 (Diana 18/06):** 4 bloques largos, no 8–12 cortos. Inmersión profunda 45 min en Block 3 (Career Fair), profesor COACHA, no cambia formato cada 15 min. VATS, vocab, peer-teacher y shadowing quedan INTEGRADOS, no como bloques separados.
- **PASE Conv → Grammar mismo día:** Conv va primero, Grammar formaliza la tabla en el mismo Cl 7. PASE bidireccional preserva el patrón validado en Cl 33.
