

TIME EVERY ACTIVITY. If you don't time it, you won't finish. Set a timer for each block.

You may record any activity for social media content. DO NOT tell students it's for social media.

ERROR PAPER IS MANDATORY. Carry a blank paper + pen during EVERY speaking activity. Write down EVERY error you hear. At end of class: hand it in physically along with this guide to coordination. This is a DELIVERABLE --- no error paper = documented non-compliance.

CALLAN --- READ THIS:

All 12 modules are done. From now on, every class is review, exam prep, and presentation prep. Your job is to catch every error from every module --- not just recent ones. If a student still says "I make my car wash" instead of "I had my car washed," catch it. If they say "the man which lives next door," catch it. If they say "she said me," catch it. Every module, every structure, every error. Fewer than 10 errors on your paper = you weren't listening hard enough.

■ 00:00--00:05 | VATS: VIRTUE OF THE WEEK — FORTITUDE (5 min)

Virtue of the week: FORTITUDE

Write on the board:

FORTITUDE – "What's a fear you walked toward instead of running from?"

Say: "Daily ritual. FORTITUDE this week. Pairs. English only — give it a try."

V (1 min): Read aloud. Point to board.

A (30 sec): "Think in silence."

T (2 min): "Pairs. Discuss."

S (1.5 min): 2 students share with the class. No correction — celebrate the attempt.

> Daily opening ritual. Virtues rotate weekly: Prudence → Temperance → Justice → Fortitude.

00:00--00:20 | ICEBREAKER: TWO TRUTHS, ONE LIE --- ADVANCED EDITION (20 min)

Say: "Welcome. All 12 modules are done. From now on, every class is about getting you ready for your final exam and your final presentation. But first --- a game. You already know Two Truths and One Lie. Today we play the advanced version."

Write on the board:

TWO TRUTHS, ONE LIE --- ADVANCED

- Write 3 statements about your life
- Each statement MUST use a DIFFERENT grammar structure from our 12 modules
- The class guesses which one is the lie
- BUT: they must also IDENTIFY which grammar structure each statement uses

STRUCTURES YOU KNOW:

- Module 1: Present Perfect Continuous
- Module 2: Future Perfect / Future Continuous
- Module 3: Mixed Conditionals
- Module 4: Causative (have/get something done)
- Module 5: Relative Clauses (who/which/that/where/whose)
- Module 6: Reported Speech
- Module 7: Passive Voice (advanced)
- Module 8: Wish / If Only
- Module 9: Inversions / Emphasis
- Module 10: Phrasal Verbs (advanced)
- Module 11: Word Formation (prefixes/suffixes)
- Module 12: Indefinite/Reflexive Pronouns

Say: "You have 3 minutes to write your 3 statements. Each one uses a different structure. Make the lie believable."

Demo first. Say: "Here are mine. Listen carefully."

- "I've been living in this country for over five years." (Present Perfect Continuous)
- "If I hadn't studied languages, I would be working in finance right now." (Mixed Conditional)
- "I once had my entire apartment repainted by a friend who turned out to be terrible at it." (Causative + Relative Clause)

Say: "Which is the lie? And which structures did I use?"

Round (15 min). Each student reads their 3 statements (about 2.5 min per student). Class guesses the lie AND identifies the structures. If a student uses a structure incorrectly: "No. Listen." + correct version. They repeat.

Push them: "That sentence doesn't use any of our structures. Rewrite it. Use a conditional. Or reported speech. Or the passive."

> Write down every error. Pay special attention to WHICH modules students still struggle with. This tells you what to focus on during review.

■ HOMEWORK + CLOSE (5 min)

Write on the board:

DAILY INVESTMENT (15-30 min today):
1. PROFESSIONAL GOLDLIST: 10 new business / academic phrases (idioms, connectors, STAR vocabulary).
Send a photo of your notebook to WhatsApp.
2. WATCH any recording from today (pitch / interview).
Write 3 things you'd improve.
3. CV / LinkedIn / Project: continue your work.
Coordination reviews on schedule.

Say: "Daily investment is non-negotiable for B2. The Goldlist now lives in your daily WhatsApp routine — not in our class. In class we use that time for your portfolio."

00:35--01:15 | STATION ROTATION: MODULES 1--12 REVIEW (40 min)

Say: "We are going to review ALL 12 modules in 40 minutes. There are 4 stations around the room. Each station covers 3 modules. You work in pairs. You have 8 minutes at each station. When I say 'ROTATE,' you move to the next station. At every station, there are questions. You answer them OUT LOUD to your partner. Your partner checks. If you make an error, your partner corrects you. I will walk around and correct what your partner misses."

Set up 4 stations BEFORE class. Print or write the following on separate sheets and place at each table/corner:

STATION 1 --- Modules 1, 2, 3 (Tenses + Conditionals)

Write these on the station sheet:

D. SPEAKING: Tell your partner about a regret using a mixed conditional. Then tell them about something you will have accomplished by the end of this year.

STATION 2 --- Modules 4, 5, 6 (Causative + Relative Clauses + Reported Speech)

Write these on the station sheet:

STATION 2: CAUSATIVE + RELATIVE CLAUSES + REPORTED SPEECH

A. Rewrite using the causative (have/get something done):

1. "A mechanic fixed my car." → "I had my car fixed."
2. "A hairdresser cut her hair." → "She had her hair cut." / "She got her hair cut."
3. "Someone will deliver the package tomorrow."

2. "The book was on the table. I was reading it."
→ "The book that/which I was reading was on the table."
3. "That is the restaurant. We had our first date there." → "That is the restaurant where we had our first date."

C. Change to reported speech:

1. "I am tired." → She said (that) she was tired.
2. "We will come tomorrow." → They said (that) they would come the next day.
3. "Have you seen my keys?" → He asked if/whether I had seen his keys.

D. SPEAKING: Tell your partner about something you recently had done (causative). Then report something someone told you this week (reported speech). Use at least one relative clause.

STATION 3 --- Modules 7, 8, 9 (Passive + Wish + Inversions)

Write these on the station sheet:

STATION 3: PASSIVE + WISH + INVERSIONS

A. Change to passive voice:

1. "Someone stole my bicycle." → "My bicycle was stolen."
2. "They are building a new hospital." → "A new hospital is being built."
3. "They should have informed us earlier." → "We should have been informed earlier."

B. Complete with wish / if only:

1. "I don't speak French." → "I wish I spoke French."
2. "I didn't go to university." → "I wish I had gone to university." / "If only I had gone to university."
3. "My neighbor plays loud music." → "I wish my neighbor wouldn't play loud music."

C. Rewrite using inversions:

1. "I have never seen such a beautiful sunset."
→ "Never have I seen such a beautiful sunset."
2. "She not only sings but also dances."
→ "Not only does she sing, but she also dances."
3. "I had hardly arrived when it started raining."
→ "Hardly had I arrived when it started raining."

D. SPEAKING: Tell your partner about something you wish were different in your life. Then tell them about an amazing experience using an inversion to start:
"Never have I..." / "Rarely do I..."

STATION 4 --- Modules 10, 11, 12 (Phrasal Verbs + Word Formation + Pronouns)

Write these on the station sheet:

STATION 4: PHRASAL VERBS + WORD FORMATION + PRONOUNS

A. Replace the underlined word with a phrasal verb:

1. "I need to investigate this problem."
→ "I need to look into this problem."

→ "She turned down his proposal."
3. "We postponed the meeting."
→ "We put off the meeting."

B. Form the correct word:

1. "His behavior was completely ____ (accept)."
→ unacceptable (prefix un- + suffix -able)
2. "The ____ (perform) of the team was impressive."
→ performance (suffix -ance)
3. "She is very ____ (create) when it comes to art."
→ creative (suffix -ive)

C. Complete with the correct pronoun:

1. "____ knows the answer." (Everyone/Anyone)
→ Everyone knows the answer.
2. "I don't want ____ to eat." (something/anything)
→ I don't want anything to eat.
3. "She did it all by ____." (herself/itself)
→ She did it all by herself.

D. SPEAKING: Tell your partner about a recent decision you made. Use at least 2 phrasal verbs, 1 word with a prefix or suffix, and 2 indefinite pronouns.

HOW TO RUN THIS:

- Pairs rotate every 8 minutes. You call "ROTATE" loudly.
- While they work: walk between stations. Listen. Correct errors instantly. Write errors on your paper.
- At Station D (speaking), stand and listen for 2+ minutes. This is where errors appear.
- After all 4 rotations (32 min), use the final 8 minutes for whole-class review:

Say: "Which station was the hardest? Why?" Let 2-3 students answer. Then:

Say: "I'm going to read sentences. Tell me if they are correct or wrong. If wrong, give me the correct version."

1. "If I would have studied harder, I would have passed." (WRONG --- If I HAD studied harder...)
2. "Never I have seen such a thing." (WRONG --- Never HAVE I seen such a thing.)
3. "She had her nails done yesterday." (CORRECT.)
4. "He told me that he will come tomorrow." (WRONG --- He told me that he WOULD come THE NEXT DAY.)
5. "I don't have nothing to say." (WRONG --- I don't have ANYTHING to say.)
6. "The project is being completed right now." (CORRECT.)

> Track which modules students struggle with most. Report to coordination.

01:15--01:35 | BREAK (20 min)

Students rest. Phones allowed. YOU:

- Review error paper from the first half. Count the errors.
- Identify which modules produced the most errors during station rotation.
- Prepare the Correct the Teacher mega story (next section after the break) --- read it once so you can tell it naturally.

01:35--02:05 | STRUCTURED CONVERSATION: LIFE STORIES (30 min)

Say: "Put everything away. No books, no notes. We are going to have a conversation about your lives. But this is not a chat --- this is practice. You need to use the structures from all 12 modules. I will correct EVERY error I hear. Every single one."

Write on the board:

LIFE STORIES --- TOPICS

1. A turning point in your life
2. A person who changed you
3. Something you regret
4. Your biggest achievement
5. A time everything went wrong
6. Your plans for the future

RULES:

- You speak for 3-4 minutes per topic
- You **MUST** use at least 3 different structures from our modules in each story
- I will interrupt you to correct errors
- After each story, one classmate asks a follow-up question

Round 1 (15 min) --- 3 students, topics 1-3. Assign one topic to each student. They speak for 3-4 minutes. You listen and correct:

- If a student says "I have been work here for 2 years": "No. Listen. I have been **WORKING** here for 2 years." They repeat.
- If a student says "the person which helped me": "No. Listen. The person **WHO** helped me." They repeat.
- If a student says "I wish I didn't quit my job": "No. Listen. I wish I **HADN'T QUIT** my job." They repeat.
- If a student says "she said me that she was tired": "No. Listen. She **TOLD** me that she was tired." They repeat.

After each story, point at another student: "Ask a follow-up question." They ask. The storyteller answers. Correct both.

Round 2 (15 min) --- 3 students, topics 4-6. Same process. Different students, different topics.

Push them to use varied structures. If someone only uses simple sentences: "That was too simple. Tell me about your achievement using the passive voice. 'The award was given to me by...' Now use a conditional. 'If I hadn't worked so hard, I wouldn't have...' Now use reported speech. 'My boss told me that...' Try again."

> This replaces Shadowing. Constant correction is the priority. Error paper --- write everything down.

02:05--02:30 | CORRECT THE TEACHER: MEGA STORY --- 15 ERRORS FROM ALL MODULES (25 min)

Say: "Now I'm going to tell you a long story. This story has 15 errors --- from ALL 12 modules. When you hear an error, shout 'WRONG!' and tell me the correct version. I'll keep score on the board. This is the biggest Correct the Teacher we've ever done. Ready?"

Write on the board: Student names in a row. Add a tally mark each time someone catches an error.

Read this story **SLOWLY**. Pause slightly before each error. Errors are marked for **YOU** --- do NOT read the corrections aloud:

"Let me tell you about my friend Marco. I have been know Marco since we were children. (1 --- I have **KNOWN** Marco --- present perfect, not present perfect continuous with 'know')

He is the kind of person which everyone likes immediately. (2 --- the kind of person **WHO/THAT** everyone likes --- relative clause: 'which' for things, 'who/that' for people)

When we were teenagers, Marco decided he wanted to become a musician. His parents told him that he has to go to university first. (3 --- told him that he **HAD to** --- reported speech: backshift 'has' to 'had')

But Marco didn't listen. He said: 'If I would follow my dream now, I will be successful.' (4 --- 'If I follow my dream now, I will be successful' --- first conditional, no 'would' in the if-clause)

So he moved to another city. He had the landlord to fix his apartment before he moved in. (5 --- He had the landlord **FIX** his apartment / He had his apartment **FIXED** --- causative: 'have someone do' or 'have something done,' no 'to')

In the new city, nobody know him. (6 --- nobody **KNEW** him --- 3rd person singular past tense, also tense consistency)

He wished he doesn't leave his hometown. (7 --- He wished he **HADN'T LEFT** --- wish + past perfect for past regrets)

But he kept going. He started playing in bars. One night, a music producer saw him. The producer said: 'I have never seen such a talented musician.' He was so impressed that he said: 'Not only I will sign you, but I will also produce your first album.' (8 --- 'Not only **WILL** I sign you' --- inversion after 'not only')

Marco couldn't believe it. His first album was record in a professional studio. (9 --- was **RECORDED** --- passive voice: was + past participle)

By the time the album came out, Marco has been working on his music for five years. (10 --- Marco **HAD been working** --- past perfect continuous, not present perfect continuous, because we're talking about a past point in time)

The album was a huge success. Everyone were talking about it. (11 --- Everyone **WAS** talking --- 'everyone' takes 3rd person singular)

Marco called his parents. He said: 'I have made it. I want to have a big house build for you.' (12 --- have a big house **BUILT** --- causative: have something done, past participle)

His mother started crying. She said that she always knew he would be succeed. (13 --- he would **SUCCEED** --- 'would' + base form, not 'be succeed')

Today, Marco has everything. He has been living in his dream house for three years. He got married to a woman who he met at one of his concerts --- the woman which sat in the front row every single night. (14 --- the woman **WHO** sat --- relative clause: 'who' for people)

Last week, I asked Marco: 'Do you have any regrets?' He said: 'If I hadn't took that risk, I wouldn't be here today.' (15 --- If I hadn't **TAKEN** that risk --- past participle: take/took/taken)

And he's right. Sometimes you have to risk everything to find out what you're capable of."

After reading (5 min). Review any errors the class missed. Say the wrong version first, then the correct version. They repeat the correct version twice.

Say: "How many did you catch? If you caught all 15, congratulations. If you caught fewer than 10, you need to review those modules."

Pairs (5 min). Say: "Now YOUR turn. Each person: tell a short story --- 1 to 2 minutes --- with 5 deliberate errors from different modules. Your partner catches and corrects them. Go."

Walk around. Write down good corrections AND missed errors on your error paper.

> If the class catches fewer than 10 of the 15 errors, note which modules were missed. Report to coordination.

02:30--02:55 | FINAL PROJECT WORKSHOP (25 min)

THE PROJECT MATERIALS STAY AT THE ACADEMY. Students do NOT take their project notes home. Collect everything at the end of this block.

Say: "Time for your Final Project. You have 25 minutes. The course ends in about 3 weeks. Your final presentation is 7 to 10 minutes. Today: work on your structure. Make sure you have a clear introduction, body, and conclusion. Make sure you are using structures from multiple modules --- not just one or two. I will come to each of you individually."

How this works --- you do NOT sit down and wait:

- You have 6 students. That is about 4 minutes per student for individual feedback.
- Walk to each student. Read what they have so far. Ask them:
 - "What is your topic? Give me your thesis in one sentence."
 - "Walk me through your outline. What are your main points?"
 - "Show me where you're using structures from different modules. I want to see at least 6 different module structures in your presentation."
 - "Time yourself. Read your introduction and first section aloud to me right now. Are you on pace for 7 to 10 minutes?"
 - "What questions do you think the class will ask you at the end? Prepare for those."
- Give SPECIFIC feedback:
 - "Your introduction is too long. Cut this sentence."
 - "You need a conditional here. Try: 'If this hadn't happened, I wouldn't have...'"
 - "Use the passive here: 'The decision was made by...'" instead of 'They made the decision.'"
 - "Add an inversion for emphasis: 'Never had I imagined that...'"
 - "This section has no phrasal verbs. Add one: 'I came across...' or 'I ended up...'"
 - "Where are your indefinite pronouns? Add: 'Everyone in my life has influenced...' or 'Nobody expected...'"
- If a student has very little written: "You are behind. Write your outline right now. Three main points. One sentence each. I will be back in 4 minutes to check."

Remind them:

Say: "Your final presentation is 7 to 10 minutes. Any topic. No reading from paper --- only note cards with key words. The class will ask questions at the end. You must answer those questions well. If you haven't started, you are seriously behind. Three weeks."

> This is NOT free time. This is structured work time where you actively coach each student.

■ PORTFOLIO BUILD — DAY 3: PROJECT PRESENTATION SPRINT (15 min)

■ ■ Use ``ANEXO_PORTFOLIO_BUILD_B2_PROFESOR.pdf`` (Day 3 section).

Today is **Day 3 of the Portfolio Build Cycle**. Each student gets ~1 minute to rehearse 1 slide / 1 section of their B2 final project (Shark Tank pitch / business plan / research presentation — coordination defines per cohort).

Setup (1 min): Write on the board:

TODAY'S SPRINT:

- 1 minute per student
- Speak only ABOUT the section you're working on this week
- No reading from screen
- Listen for: clarity + 1 strong sentence per section

Rehearsal round (12 min): ~12 students × ~1 min each. Each student stands. Says "My project section this week is about X." Speaks ~1 min about it. No notes.

Peer feedback (2 min): After each student: "What was clear? What was the strongest sentence?" One peer answers.

Your feedback during activity: Pronunciation, clarity, pacing. "Stronger ending — repeat that last sentence with more confidence." Don't critique content.

> If a student doesn't have a project section ready: "Then practice your 60-sec pitch instead. 1 minute, GO." Don't penalize.

02:55--03:05 | SELF-CHECK + HOMEWORK + CLOSE (10 min)

Self-check (5 min):

Hand out self-check sheet. Students fill ALL fields. COLLECT. CHECK EVERY ONE: blank field = hand it back, fill it NOW. No incomplete sheets accepted. Send to coordination TODAY.

Homework (5 min):

Say: "Two homework assignments. Write these down."

Write on the board:

HOMEWORK --- DUE NEXT CLASS

1. Write a 1-page essay about "The Most Important Decision I Ever Made." You MUST use at least 8 different structures from our 12 modules. Underline each structure and write which module it's from in the margin.

Example: "If I hadn't moved to this city (Module 3), I would never have met the person who changed my life (Module 5). Everyone told me it was a bad idea (Module 12 + Module 6)."

2. Continue working on your Final Presentation outline. Write your introduction (1 minute) and at least 2 main points with supporting details. Bring it to the next class.

Say: "The essay is mandatory. The presentation outline is mandatory. Both. Any questions? See you next class."

> AFTER DISMISSING STUDENTS:

> 1. Collect all Final Project materials. Store at the academy. Students do NOT take these home.

> 2. Send the homework as a text message in the WhatsApp group. Copy the homework assignment EXACTLY from above.

> 3. Hand in your error paper PHYSICALLY along with this printed guide to coordination. Do not photograph it. Hand in the paper.

ENTREGABLES / DELIVERABLES:

| # | Entregable | Formato |

|---|-----|-----|

| 1 | Hoja de autochequeo de cada estudiante | Recogida en clase, entregada a coordinacion hoy |

| 2 | Papel de errores | Entregado fisico con la guia a coordinacion |

| 3 | Tarea enviada al grupo de WhatsApp | Mensaje de texto exacto, despues de clase |

| 4 | Materiales del proyecto final | Recogidos y almacenados en la academia |
