

TIME EVERY ACTIVITY. If you don't time it, you won't finish. Set a timer for each block.

You may record any activity for social media content. DO NOT tell students it's for social media.

ERROR PAPER IS MANDATORY. Carry a blank paper + pen during EVERY speaking activity. Write down EVERY error you hear. At end of class: hand it in physically along with this guide to coordination. This is a DELIVERABLE --- no error paper = documented non-compliance.

CALLAN --- READ THIS:

This is the last big review class before the final exam and final presentation. NO Correct the Teacher today. The focus is: exam practice, The Interview (you grill each student individually), and full-length mock presentations. After today, students should feel confident about BOTH the written exam and the oral presentation. Push them. Correct everything. If they still have the same errors from Class 21, call it out: "We fixed this last class. You said [wrong]. The answer is [right]. I should not have to tell you again." Fewer than 10 errors on your paper = you weren't listening.

■ 00:00--00:05 | VATS: VIRTUE OF THE WEEK — PRUDENCE (5 min)

Virtue of the week: PRUDENCE

Write on the board:

PRUDENCE – "Is it smarter to act fast or wait and analyze? Give an example."

Say: "Daily ritual. PRUDENCE this week. Pairs. English only — give it a try."

V (1 min): Read aloud. Point to board.

A (30 sec): "Think in silence."

T (2 min): "Pairs. Discuss."

S (1.5 min): 2 students share with the class. No correction — celebrate the attempt.

> Daily opening ritual. Virtues rotate weekly: Prudence → Temperance → Justice → Fortitude.

00:00--00:15 | ICEBREAKER: FINISH MY SENTENCE (15 min)

Say: "Welcome. This is our last big review class before the final exam and the final presentation. After today, you should feel ready. But first --- Finish My Sentence."

Write on the board:

FINISH MY SENTENCE

I start a sentence. You finish it.
The catch: your ending MUST be grammatically perfect. If it's not, I correct you and you try again. Speed round. No thinking.

Say: "I start, you finish. Fast. Point at someone --- they answer."

Sentences to start (point at a different student each time):

1. "If I hadn't come to this class today..." (student finishes with a conditional result)
2. "Never in my life have I..." (student continues with an experience)
3. "The person who inspires me the most is..." (student uses a relative clause continuation)
4. "I wish I..." (student completes with wish structure)
5. "By the time I'm 40, I will have..." (student uses future perfect)
6. "Something nobody knows about me is..." (student uses indefinite pronoun)
7. "I've been studying English because..." (student uses present perfect continuous context)
8. "Not only do I want to pass this exam, but I also..." (student continues the inversion)
9. "The best advice I was ever given was..." (student uses passive)
10. "My parents always told me that..." (student uses reported speech)
11. "I recently had my..." (student uses causative)
12. "If only I could..." (student uses wish/if only)

Go around twice if time allows. Fast pace. If someone freezes for more than 5 seconds: "Come on. Say anything. Just make it grammatically correct."

After each answer, if there's an error: "No. Listen." + correct version. They repeat. Move on immediately.

Last 3 min. Say: "Now YOU start a sentence, and I finish it. Give me a challenge. Try to start a sentence I can't finish elegantly." 3 students try. This is fun and builds confidence --- they see that even you have to think sometimes.

> Error paper. Write errors even here. This is diagnostic --- which structures are still shaky?

■ HOMEWORK + CLOSE (5 min)

Write on the board:

DAILY INVESTMENT (15-30 min today):

1. PROFESSIONAL GOLDLIST: 10 new business / academic phrases (idioms, connectors, STAR vocabulary).
Send a photo of your notebook to WhatsApp.
2. WATCH any recording from today (pitch / interview).
Write 3 things you'd improve.
3. CV / LinkedIn / Project: continue your work.
Coordination reviews on schedule.

Say: "Daily investment is non-negotiable for B2. The Goldlist now lives in your daily WhatsApp routine — not in our class. In class we use that time for your portfolio."

00:25--00:55 | EXAM PREP: PRACTICE EXERCISES COVERING ALL 12 MODULES (30 min)

Say: "Final exam review. We are going to do rapid-fire exercises covering all 12 modules. This time, I want you to write your answers first, then we check. This simulates the written exam. You need to get used to writing correct English under pressure."

Check.

24. "Fix the error: 'I don't have nothing to say about it.'" (I don't have ANYTHING to say about it. / I have NOTHING to say about it.)

Check.

Final review (6 min). Say: "How many did you get right out of 24?" Let each student count and say their number.

If anyone got fewer than 18 correct: "You need to study tonight. Review the modules you got wrong."

Go through the 3-4 most commonly missed questions one more time. Say the correct answer. They write it. They repeat it aloud.

Say: "This is the level of the final exam. If you can do this confidently, you will pass. If you struggled, you know which modules to review."

> Track which questions were missed most. Report to coordination.

00:55--01:25 | STRUCTURED CONVERSATION: THE INTERVIEW (30 min)

Say: "Put everything away. No books, no notes, no phones. I am going to interview each of you for 5 minutes. One on one. The rest of the class listens. I will ask you questions on RANDOM topics. You answer. I will correct EVERY error. This is your final speaking check before the exam."

Write on the board:

THE INTERVIEW --- RULES

- Callan interviews one student at a time (5 min each)
- Topics are RANDOM --- you don't know what I'll ask
- You MUST answer in complete, complex sentences
- No "yes" / "no" / "I think so"
- I will correct EVERY error immediately
- Class: listen and write down errors you catch that I miss (I won't miss any, but try)

INTERVIEW QUESTIONS BY STUDENT. Use these or adapt based on what you know about each student. Mix topics. Push them to use complex structures.

Student 1 (5 min):

Say: "Come sit across from me. Ready? Let's go."

- "Tell me about a challenge you faced this year. What happened?" (Listen for: past tenses, narrative structure)
- "If you could change one decision you made in the past 5 years, what would it be and why?" (Listen for: mixed conditional, wish)
- "What is something you've been working on recently --- not just English, anything?" (Listen for: present perfect continuous)
- "Describe someone who has influenced your life, without saying their name. Tell me who they are using only descriptions." (Listen for: relative clauses)
- "Do you think everyone should learn a second language? Why or why not?" (Listen for: indefinite pronouns, passive voice)

Correct every error immediately: "No. Listen. [correct version]." They repeat. Continue.

Student 2 (5 min):

- "What will you have accomplished by the end of this year?" (Listen for: future perfect)
- "Tell me about something that was stolen from you or someone you know." (Listen for: passive voice)
- "If you hadn't started studying English, what would your life look like now?" (Listen for: mixed conditional)
- "What is the best advice anyone has ever given you? Who said it?" (Listen for: reported speech, indefinite pronouns)
- "Describe a time when everything went wrong but it ended up being a positive experience." (Listen for: phrasal verbs, indefinite pronouns)

Student 3 (5 min):

- "I've heard that you [make up something plausible --- e.g., 'enjoy cooking']. Tell me about that." (Listen for: present perfect continuous, vocabulary)
- "What do you wish were different about the education system in your country?" (Listen for: wish + subjunctive)
- "Tell me about a decision that was made for you --- something someone else decided and you had no choice." (Listen for: passive, causative)
- "Not only is English important for work, but it is also important for what else in your life?" (Listen for: inversion structure in their response)
- "If you could have anything in the world done for you right now --- by a professional --- what would it be?" (Listen for: causative, conditional)

Student 4 (5 min):

- "Tell me about someone in your family using only relative clauses. Don't say their name until the end." (Listen for: who, whose, where)
- "What is something nobody in this class knows about you?" (Listen for: indefinite pronouns)
- "How has your life been changing in the last year?" (Listen for: present perfect continuous)
- "Describe a news story you read recently. Use the passive voice." (Listen for: passive)
- "If only you could go back in time, what would you tell your 15-year-old self?" (Listen for: wish/if only, conditional)

Student 5 (5 min):

- "By the time you're 50, what will you have achieved?" (Listen for: future perfect)
- "Tell me about something you had done professionally --- a service you paid for." (Listen for: causative)
- "What do people in your country think about [current topic --- e.g., 'working from home']? Use reported speech." (Listen for: reported speech)
- "Have you ever turned down an opportunity and regretted it?" (Listen for: phrasal verb, wish)
- "If your best friend were sitting here, what would they say about you?" (Listen for: conditional, reported speech)

Student 6 (5 min):

- "Tell me about the most embarrassing thing that has ever happened to you." (Listen for: present perfect, narrative tenses)
- "Never have I understood why people [do something]. Do you agree? Finish the sentence and explain." (Listen for: inversion)
- "What is something that should have been done differently in your education?" (Listen for: passive + modal perfect)
- "If you weren't living in this country, where would you be and what would you be doing?" (Listen for: conditional)
- "Describe someone you know using 3 sentences with indefinite pronouns." (Listen for: everyone, nobody, something, etc.)

After all 6 interviews: Say: "That was intense. How do you feel? That is what the Q&A after your presentation will feel like. You need to be able to answer ANY question fluently and correctly. If you struggled with any topic, practice talking about it at home."

> This is 30 minutes of intense, one-on-one correction. Your error paper should be FULL after this. You are a native speaker --- you hear every error. Use that advantage.

01:25--01:45 | BREAK (20 min)

Students rest. Phones allowed. YOU:

- Review error paper from the first half. Count errors per student.
- Prepare for Mock Presentations Round 2. Have your feedback sheet ready for each student.
- Note which students improved from Class 21 and which still have the same errors.

01:45--02:45 | MOCK PRESENTATIONS ROUND 2: FULL 7-10 MINUTES (60 min)

Say: "This is Mock Presentations Round 2. Last class you did 5 to 7 minutes. Today: full length. 7 to 10 minutes, just like the final. The format is the same as last time."

Write on the board:

MOCK PRESENTATION ROUND 2

1. Present: 7-10 minutes (I stop you at 10)
2. Q&A: 2 minutes (class asks, you answer)
3. Quick feedback: 1 minute (key points only)

Total: 10 min per student. 60 min for 6 students.

WHAT CHANGED SINCE LAST TIME?

- Did you fix the grammar errors I pointed out?
- Did you add the missing module structures?
- Did you adjust your timing?
- Did you reduce filler words?

I AM COMPARING to last time. I want to see IMPROVEMENT.

IMPORTANT: Time is tighter today. 10 minutes per student, not 15. Feedback is brief --- save detailed notes for the sheets you hand to coordination.

FOR EACH STUDENT (repeat 6 times):

Step 1 --- Presentation (7-10 min).

Say: "[Student name], you're up. Full length this time. 7 to 10 minutes. Go."

Start your timer. On a NEW feedback sheet for this student, write:

- Grammar errors (compare to Class 21 --- are the SAME errors appearing?)
- New errors
- Pronunciation issues
- Filler word count
- Timing
- Structure: intro, body, conclusion quality
- Module structures used (aim for 6+)

- Overall improvement from Class 21

If they stop before 7 minutes: "You still have [X] minutes. Keep going. Expand. Add a personal story. Add an example. Don't stop."

At 10 minutes: "Time. One final sentence. Wrap up."

Step 2 --- Q&A (2 min).

Say: "Class --- two quick questions."

If the class is slow: ask one yourself. Make it challenging:

- "You mentioned [X]. But what about [counterargument]? How do you respond?"
- "If someone disagreed with your main point, what would you say?"
- "Can you summarize your entire presentation in two sentences?"

Step 3 --- Quick feedback (1 min).

Keep it to 3 sentences maximum:

1. **Improvement:** "Compared to last time: [what improved]." Be specific: "Last time you said 'if I would have' three times. Today I heard it zero times. That's progress."
2. **One thing to fix:** "For the final: [one specific thing]." Example: "Slow down in your conclusion. You rush the last 30 seconds."
3. **Confidence builder:** "You [are ready / are almost ready / need one more practice session]. [Specific encouragement]."

Student order and timing:

Student 1: 01:45--01:55 (10 min)

Student 2: 01:55--02:05 (10 min)

Student 3: 02:05--02:15 (10 min)

Student 4: 02:15--02:25 (10 min)

Student 5: 02:25--02:35 (10 min)

Student 6: 02:35--02:45 (10 min)

If a student finishes their presentation in under 7 minutes, use the extra time for more Q&A. Do NOT skip to the next student early --- use every minute to push them.

After all 6 presentations (if any time remains):

Say: "Raise your hand if you feel more confident than last class." Count hands. "Raise your hand if you are worried about the final." Count hands. "If you are worried, come talk to me after class. We will figure out what you need to work on."

> *CRITICAL: Keep to 10 minutes per student. You CANNOT go over. If one student takes 12 minutes, someone else loses time. Be strict with the timer.*

02:45--03:10 | FINAL PROJECT POLISH (25 min)

THE PROJECT MATERIALS STAY AT THE ACADEMY. Students do NOT take their project notes home. Collect everything at the end of this block.

Say: "This is your LAST workshop session. After today, your presentation should be DONE. You present for real in approximately 2 weeks. Use these 25 minutes to make FINAL changes. Nothing major --- polish. Fix the last errors. Smooth out your transitions. Practice your opening sentence and your closing sentence until they are perfect."

How this works --- you do NOT sit down and wait:

- You have 6 students. About 4 minutes per student.
- Go to each student WITH their Round 2 feedback sheet. Say:
 - "Here is what I noticed today compared to last class. [Specific comparison]."
 - "Your timing was [X] minutes. For the final it needs to be between 7 and 10. [Are you on track? Do you need to add/cut?]"
 - "The errors you STILL have: [list 1-2 persistent errors]. Fix these right now. Write the correct version on your note card."
 - "Your note cards: are they keywords only? Let me see. If I see full sentences, rewrite them as keywords."
 - "Say your opening sentence to me. Now say your closing sentence. Are they strong? If not, let's rewrite them right now."
- Specific polish suggestions:
 - "Your first sentence should grab attention. Try starting with: 'Have you ever wondered...?' or 'Never in my life had I imagined that...'"
 - "Your conclusion needs to feel final. Try: 'If there is one thing I want you to remember from this presentation, it is that...'"
 - "Between your second and third point, add a transition: 'Not only did this change my perspective, but it also made me realize...'"
 - "You're reading too much from your cards. Put them face down. Tell me your second point from memory. Good. Now you know you can do it without reading."
 - "Anticipate questions. What might someone ask? Prepare a 30-second answer for: 'Why does this matter?'"
- For students who are ready: "You are in good shape. Practice one more time at home tonight. Focus on eye contact and pace. You've got this."
- For students who are behind: "You are not where you need to be. You need to practice at home every day this week. Minimum 3 full run-throughs with a timer. If you want, record yourself and listen back."

Last 3 min. Say: "Note cards up. Show me." Quick visual check. "Materials to me. Everything stays here."

Collect all materials.

Final message: Say: "Your presentation is ready --- or it should be. From now on, it's practice. Practice at home. Practice in front of a mirror. Practice in front of your family. The more you practice, the more confident you will feel. The final exam is coming too --- review your modules. You know what to study. You have everything you need."

> This is the last dedicated workshop. Make every minute count.

■ PORTFOLIO BUILD — DAY 1: MOCK INTERVIEW ROUND (15 min)

■ Use `ANEXO\_PORTFOLIO\_BUILD\_B2\_PROFESOR.pdf` (Day 1 section) and `ANEXO\_BANCO\_PREGUNTAS\_STAR.pdf`.

Today is **Day 1 of Portfolio Build Cycle 5**. Students practice STAR-format interview answers.

Setup (1 min): Today's questions (Cycle 5):

- **Pairs question: #3** "Tell me about a time you faced a difficult challenge at work and how you handled it."
- **Volunteer recording question: #5** "Describe a situation where you had to meet a tight deadline. How did you handle it?"

Write the STAR reminder on the board:

S – Situation: When? Where? What was happening?
T – Task: What was your specific responsibility?
A – Action: What did YOU specifically do?
R – Result: Outcome (numbers / change if possible)

Pairs round (8 min): "Pairs. Person A answers using STAR. 90 sec. Person B times. Switch." 2 rounds of 90 sec each per person → 6 min speaking + 2 min switching.

Volunteer recording (4 min): "Who wants to record their answer for coordination feedback?" Pick 1. 60 seconds. Press record on YOUR phone. Send to coordination via WhatsApp same day.

Group reflection (2 min): "What was hardest about using STAR?" 2 students share.

Your feedback during activity: Pronunciation only. Filler words ("like", "you know") signaled by hand gesture. **Don't critique content.**

> See `ANEXO\_PORTFOLIO\_BUILD\_B2\_PROFESOR.pdf` Day 1 for the full script.

03:10--03:20 | SELF-CHECK + HOMEWORK + CLOSE (10 min)

Self-check (5 min):

Hand out self-check sheet. Students fill ALL fields. COLLECT. CHECK EVERY ONE: blank field = hand it back, fill it NOW. No incomplete sheets accepted. Send to coordination TODAY.

Homework (5 min):

Say: "Three homework assignments. Write these down."

Write on the board:

HOMEWORK --- DUE NEXT CLASS

1. Practice your final presentation at home.
Minimum 3 full run-throughs with a timer.
Record yourself on your phone at least once.
Watch it. Check for:
- Timing (7-10 minutes)
- Filler words (reduce to zero)
- Grammar accuracy
- Eye contact (practice looking up, not at your notes)

2. Review ALL 12 modules for the written exam.
For each module, write 2 example sentences from memory. That is 24 sentences total.
If you cannot write 2 correct sentences for a module, you need to study that module more.

3. Write 5 questions you think the class might ask you after your presentation. Write your answers. Practice saying them out loud.

Say: "This is the final stretch. You have about 2 weeks. If you prepare, you will do well. If you don't prepare, it will show. Any questions? See you next class."

> **AFTER DISMISSING STUDENTS:**

- > 1. Collect all Final Project materials. Store at the academy. Students do NOT take these home.
- > 2. Send the homework as a text message in the WhatsApp group. Copy the homework assignment EXACTLY from above.
- > 3. Hand in your error paper PHYSICALLY along with this printed guide to coordination. Do not photograph it. Hand in the paper.
- > 4. ALSO hand in the 6 individual presentation feedback sheets from Round 2. Include comparison notes to Round 1 (Class 21). These go to coordination TODAY.
