

B2 PM AMINA — CLASS 26 — Phase 4 chunked practice (day 6/8 — week 2 day 1 — chain HOOK + PILLAR 1)

Session 26/36 · 2h (18:45–20:45) · ~85% standing

Date: ___/___/2026 · Attending: ___/5

Phase 4 — chunked practice (CI 21-28) — day 6/8 — week 2 day 1 — SEAM #1

Virtue: TEMPERANCE v2 day 1 of 5 (block CI 26-30 opens)

Phrase of the Day: *"Temperance lives between two ideas — the breath that joins them holds them both up."*

Countdown: ~14 classes / ~20h to Final (CI 36)

BLOCK MAP (120 min)

| # | Min | Block | Stand? |

|---|---|---|---|

| 1 | 5 | Mystery + public reading (no-deliveries CI 25) | YES |

| 2 | 4 | Why today (Phase 4 d6, week 2 opens, chain HOOK+P1) | sit |

| 3 | 4 | Phrase of the Day | YES |

| 4 | 6 | Vocalization — 4 new tongue twisters (transitions focus) | YES |

| 5 | 5 | VATS — TEMPERANCE v2 day 1 | sit |

| 6 | 5 | Recap express — architecture + 6 layers as SEAM substrate | sit + chorus |

| 7 | 7 | B2 Vocab SET #19 (transition/bridges, total 114) | sit |

| 8 | 2 | Mental refresh — HOOK individual + PILLAR 1 individual | YES |

| 9 | 5 | Chaining practice plan + SEAM rule | sit |

| 10 | 3 | Peer Teacher slot (CI 25 error → pivot to transitions) | YES |

| 11 | 45 | **CHAINING HOOK → PILLAR 1 NO PAPER — alone 10 + pairs 15 + mini-audience 20** | YES |

| 12 | 9 | Full recap — each student recites HOOK+SEAM#1+P1 from memory once | YES |

| 13 | 5 | Phrase close + paraphrase + SEAM self-observation | YES |

| 14 | 5 | Error paper live (transition errors) | YES |

| 15 | 10 | Week 2 opens + TEMPERANCE v2 + STRICT homework | sit |

Bring to class: Mystery envelope · Error Paper sheet · stopwatch · personal notebook (3 literal errors + NAMES, never shared aloud) · physical script CI 19 per student (HOOK + PILLAR 1 sections) · blank sheet per student for "seam planning line."

1. MYSTERY HOMEWORK + PUBLIC READING — 5 min — STAND UP

Sealed envelope:

HOMEWORK MYSTERY — CL 26

In 60 seconds, recite your HOOK from MEMORY, no paper.
Then PAUSE one beat, then say the FIRST sentence of your PILLAR 1, also from memory.
- Clean start (no "um, so")
- HOOK ends with a real closing marker (not "yeah")
- One full second of silence (count it)
- PILLAR 1 first sentence enters CASUAL (bridge)

GO!

Envelope → 1 min silence → 2-3 at random (+15 EP if clean from memory; +10 EP if the second of silence was felt). Then **1 min public nominal reading** of who did NOT submit the 4 CI 25 components (intensive between-classes practice: full monologue from memory + audios FULL-V1/V2 + 3 improvements + 108-word review). Note strike. Accountability — not evaluation.

2. WHY TODAY — 4 min — SIT

> *"Mystery checks accountability — ~14 classes to Final."*

> *"Phrase of the Day names today's work: 'Temperance lives between two ideas — the breath that joins them holds them both up.' [Insertion #1]"*

> *"Vocalization — 4 new tongue twisters, not random: clusters that LINK and BRIDGE — the same phonetic move your transition needs in fifteen minutes."*

> *"CI 21-25 memorized the five chunks one by one: HOOK, three PILLARS, CTA. END of week 1. Your monologue lives as five separate blocks."*

> *"Week 2 opens TODAY. We chain them — one link at a time. First link: HOOK to PILLAR 1."*

> *"One big move today: practice HOOK + PILLAR 1 chained, without paper, 45 minutes — memorize the seam alone, drill in pairs, mini-audience. Unit is no longer one chunk. Unit is two chunks plus the seam."*

> *"SEAM is the work of today: closing marker of HOOK, one second of REAL breath, opening marker of PILLAR 1, in bridge formal→casual. NOT 'and now I want to talk about.' That is dead."*

> *"Set #19: 6 transition words. Total 114. They belong INSIDE your seam."*

> *"TEMPERANCE v2 day 1 — new virtue block. Chaining without temperance turns into rushing — and rushing erases the memorization of week 1."*

> *"CI 27: + PILLAR 2 chained. CI 28: full monologue from memory + Checkpoint C4."*

> *"Now we begin."*

3. PHRASE OF THE DAY — 4 min — STAND UP

Write on the board (before class):

PHRASE OF THE DAY — CL 26
"Temperance lives between two ideas —
the breath that joins them holds them both up."

1. Read 2x with marked intonation (emphasis on *"temperance lives"*, contemplative pause after *"between two ideas"*, precise emphasis on *"the breath that joins them"*, firm close on *"holds them both up"*). Chorus 3x imitating intonation.
2. *"Temperance lives' names TODAY'S virtue. 'Between two ideas' is the geography — temperance does not live INSIDE the hook, not INSIDE pillar 1, it lives BETWEEN. The technique is the BREATH — one full second. The close says what the breath does: HOLDS THEM BOTH UP. If the breath collapses, both pieces collapse with it."*
3. *"Sit. I will use this phrase three more times today."*

4. VOCALIZATION DRILL — 6 min — STAND UP

4 new tongue twisters (not Cl 6-25) — phonetic focus on TRANSITIONS:

1. /br/+pr/: "Bridge-builders pair pristine pivots precisely;
precise pivots prompt pristine bridges."
2. /tr/+st/: "Transitions truly trust strong stems;
strong stems steady stretching trust."
3. /sp/+sl/: "Speakers splice sleek sequences slowly,
so sleek sequences seldom slip sideways."
4. /θ/+sm/: "Through thoughtful, thinning thresholds
the theme smoothly smooths the seam."

Per twister (~90 sec): slow 2x → chorus slow 3x → fast 2x → chorus fast 3x. *Bridge / pivot / transition / splice / sequence / threshold / seam* are phonetic-semantic echo of Set #19 and SEAM focus.

5. VATS — TEMPERANCE v2 DAY 1 — 5 min — SIT

Cl 26 = TEMPERANCE v2 day 1 (NEW BLOCK Cl 26-30; standard B2 cohort rotation). Cl 25 closed PRUDENCE v2.

Temperance = moderation, not rushing, holding rhythm when the natural move is to rush — here, holding ONE REAL SECOND of breath between HOOK and PILLAR 1, when the instinct is to jump into the next piece.

Insertion #2: *"That is exactly today's phrase: 'temperance lives BETWEEN two ideas.' Not inside, between. The seam is where temperance happens."*

> *"This is the FIRST temperance day. Name ONE moment in the next 45 minutes where you predict your impulse will be to RUSH the seam (not breathe, jump straight into PILLAR 1). What will the temperate version look like for YOU? One second of breath, eye contact lifted, then PILLAR 1 opens fresh."*

Pairs 2 min. 2 share + paraphrase their own sentence 3 min.

6. RECAP EXPRESS — 5 min — SIT + CHORUS

Board — 6 layers visible: Anchors (Cl 6) / Connectors (Cl 7) / Q&A 5 patterns (Cl 8) / Topic chunks (Cl 9) / Discourse Markers + Intonation (Cl 10) / Repetition + Paraphrasing (Cl 11).

Board — full architecture (PILLAR 1 marked TODAY = first link with HOOK):

MONOLOGUE ARCHITECTURE — 5 blocks, 4 seams

HOOK (1 min) — memorized Cl 21 ■
↓ SEAM #1 ■ TODAY (1 sec real breath + closing/opening markers + bridge formal→casual)
PILLAR 1 of BODY (1-1.7 min) — memorized Cl 22 ■
↓ SEAM #2 (Cl 27)
PILLAR 2 of BODY (1-1.7 min) — memorized Cl 23 ■
↓ SEAM #3 (Cl 28 inside FULL)
PILLAR 3 of BODY (1-1.7 min) — memorized Cl 24 ■
↓ SEAM #4 (Cl 28 inside FULL)
CALL TO ACTION (30-60 sec) — memorized Cl 25 ■

THE 6 LAYERS sustain SEAM #1 today:
HOOK ends with CLOSING discourse marker
PILLAR 1 begins with OPENING discourse marker
Bridge formal→casual lives IN the seam
Intonation DROPS firm at HOOK close, LIFTS fresh
(not high — fresh) at PILLAR 1 open
Anchor from HOOK is briefly RE-NAMED (1-2 words)
as PILLAR 1 opens, to thread continuity
Repetition: 1 deliberate echo word carries across

Chorus drill (3 min): teacher says *"Closing marker on the HOOK?"* — cohort chorus responds 3 B2 examples (*"that, in short, is the situation," / "and here is where I want to land that thought," / "so the picture is set —"*). Teacher: *"Opening marker on PILLAR 1?"* — 3 B2 examples (*"let me start*

where it matters most —" / "so — first thing —" / "to bring this down to earth,"). Teacher: "Anchor walking across?" — "the same image you set in the hook, said once more in two words as pillar 1 opens."

7. ACADEMIC B2 VOCAB SET #19 — 7 min — SIT

Board — write BEFORE class (6 NEW words — transition / bridge / signposting):

ACADEMIC B2 SET #19 (CL 26) — TRANSITION / BRIDGE
USE these INSIDE your seam HOOK → PILLAR 1.

1. BRIDGE /brɪdʒ/ — puente / verb: to bridge
"Let me bridge what I just said to where I am going next."
2. PIVOT /pɪvɒt/ — pivotar / cambiar de eje sin perder centro
"Here is where I pivot — same story, sharper angle."
3. SEGUE /sɪˈweɪ/ — transición fluida
"That image is my segue into the first reason."
4. LINK /lɪŋk/ — vincular / atar dos ideas
"Let me link the picture I just drew to one practical truth."
5. TRANSITION /trænˈzɪʃən/ — transición (sust. formal) / verb
"The transition is where the audience either stays with you or drifts."
6. CONNECT /kəˈnekt/ — conectar (verb cotidiano)
"So let me connect that to the first reason —"

Per word (~50 sec): pronounce 2x → cohort 2x → definition → example → 1 student AT RANDOM uses the word in 1 sentence as POSSIBLE SEAM between THEIR HOOK and THEIR PILLAR 1.

Close (1 min): "114 B2 words total. Set #19 is the TRANSITION set. As you practice the seam in the next 45 minutes, you may choose ONE of these to anchor your seam — DRILL THAT ONE. Pick once, drill it, own it. Discipline today is one seam owned, not five seams sampled."

8. MENTAL REFRESH — HOOK + PILLAR 1 individual — 2 min — STAND UP

Not rehearsal. Mental check — confirm both pieces live before linking with seam.

1. (15 sec) "Stand up. Eyes soft. No paper."
2. (90 sec) "In your head — silent, not out loud — run HOOK. End it. Reset. Run PILLAR 1. End it. Two separate pieces, no seam yet. If a piece slips, breathe and keep going. This is a check, not a performance."
3. (15 sec) "Open eyes. If HOOK or PILLAR 1 felt loose, you know what to repair tonight. Today's work is the SEAM — sit."

Not evaluated, not reported. Metacognition — student herself knows which piece is weakest entering the chain.

9. CHAINING PRACTICE PLAN + SEAM RULE — 5 min — SIT

> *Day 6 — first chained link. HOOK plus PILLAR 1, with a real seam between them, without paper. You memorized HOOK in CI 21 and PILLAR 1 in CI 22 — those versions, not new ones. Forty-five minutes split three ways: ten minutes alone with paper, drilling the seam; fifteen minutes in pairs without paper, partner flags ONE seam issue; twenty minutes mini-audience, each says HOOK + seam + PILLAR 1 from memory once, group flags ONE seam observation.*

Insertion #3: "'Temperance lives between two ideas — the breath that joins them holds them both up.' That phrase IS the technique. One real second of breath, and both pieces stand tall."

Board — RULES:

CHAINING PRACTICE — NO PAPER — CL 26

UNIT: HOOK + SEAM + PILLAR 1

PHASE A — ALONE (10 min):

Paper out. Look at END of HOOK and START of PILLAR 1.

Write ONE planning line:

"MY SEAM: closing marker = ____

breath = 1 full second

opening marker = ____

bridge formal→casual = yes

anchor word walking across = ____"

Cover paper. Say HOOK+SEAM+PILLAR 1 from memory 3 times.

Each slip: glance, recover, no penalty.

Goal: 3 clean chained attempts.

PHASE B — PAIRS (15 min):

Paper DOWN. A stands, says HOOK + SEAM + PILLAR 1.

B listens ONLY for the seam and flags ONE:

(1) seam atropellado / no real breath?

(2) closing + opening markers present?

(3) bridge formal→casual landed?

Swap. Each does 3-4 times. Coaching on SEAM ONLY.

PHASE C — MINI-AUDIENCE (20 min):

Each student STANDS, says HOOK + SEAM + PILLAR 1

once from memory (~2-2.7 min).

Group flags ONE seam observation (no advice).

Teacher times silently, private notes.

5 × ~4 min = 20 min.

SEAM RULE:

ONE real second of breath between closing marker

(HOOK) and opening marker (PILLAR 1), bridge

formal→casual.

NOT "and now I want to talk about..." NOT silence-

too-long. ONE second, then PILLAR 1 enters fresh.

KAREN: HOOK 40-50 sec + seam + PILLAR 1 45-60 sec — same standard.

NO IMPROVISATION:

Pick ONE seam (one closing marker + one opening marker + one anchor + one Set #19 word optional).

Drill THAT one. Improvising every time = never own any of them.

NO PAPER:

Once Phase B starts, paper face down on floor.

Comes up ONLY if you freeze for 5 full seconds.

One glance, one breath, back to memory.

10. PEER TEACHER SLOT — 3 min — STAND UP

Pre-class: 1 oral error from CI 25 (typically: CTA ended with vague close — "so yeah *that's basically my point thanks for listening*"). Pivot to today: "A CTA that deflates is the SAME as a seam that rushes — the glue between close and next move is what fails. We correct it THERE so it lands clean HERE."

1. (15 sec) "Today's peer teacher is [name]."

2. (2.5 min) Explain + correct + chorus 2x.

3. (15 sec) Applause.

11. CHAINING HOOK → PILLAR 1 NO PAPER — 45 min — STAND UP

PHASE A — ALONE (10 min)

Setup (~30 sec): each student with CI 19 script in hand (HOOK + PILLAR 1 visible). Visible countdown. Blank sheet for seam planning line.

Instructions (30 sec): "On a blank line, write: MY SEAM — closing marker (last beat of HOOK), one second of breath, opening marker (first beat of PILLAR 1), anchor word walking across, optional Set #19 word. ONE line, not a rewrite. Cover paper. Say HOOK + SEAM + PILLAR 1 from memory three times. If you slip, glance, recover, no penalty. Goal: three clean attempts. Silence except whispered drilling. Go."

Teacher during 10 min: walk silent. DO NOT interrupt. Note in personal notebook (NOT communicated) who takes longest to write the planning line (signal: seam not clear, will be improvised). Note who covers paper fast and drills (signal: HOOK and PILLAR 1 individuals are solid).

PHASE B — PAIRS (15 min)

Setup (~1 min): 2 pairs + 1 trio. Paper DOWN on floor.

Instructions (1 min): "Paper face down. Partner A stands, says HOOK + SEAM + PILLAR 1 from memory. Partner B listens ONLY for the seam — flag ONE of three: breath real or rushed; closing/opening markers present; bridge formal→casual landed. Swap. Each does 3-4 times. Honest coaching on SEAM ONLY — do not touch HOOK or PILLAR 1 content."

Teacher during 13 min: rotate silent between pairs (2-3 min each). Intervene ONLY if a pair drifts (correcting HOOK/PILLAR 1 content → "Content closed since CI 19. Today is the seam. Focus B's ear on closing marker, breath, opening marker. Go again."). Note 3 errors with NAME per student.

PHASE C — MINI-AUDIENCE (20 min)

Setup (~1 min): chair/space at front. Other 4 in semicircle.

Per student (~3.5-4 min):

~15 sec : speaker settles, breathes, "go"
~2-2.7 min : HOOK + SEAM + PILLAR 1 from memory
~30 sec : group gives ONE seam observation (no advice)
e.g. "the breath was real, opening marker too academic"
~30 sec : speaker says if she wants 1 more attempt or pass
~15 sec : applause, next settles

Insertion #4 — at close of student where breath felt REAL: "That breath right there — that is the phrase made visible. 'The breath that joins them holds them both up.' Both your HOOK and your PILLAR 1 stood taller because of that second."

Teacher private notebook per student:

STUDENT: _____
TIME real HOOK+SEAM+PILLAR 1: ____ min ____ sec
HOOK solid from memory: yes / glance / pieces loose
SEAM:
- closing marker on HOOK: present / vague / absent
- breath real ~1 sec / rushed / awkward >2 sec
- opening marker on PILLAR 1: present / abrupt / academic
- bridge formal→casual: yes / stayed academic
- anchor word walking across: yes / not felt
- Set #19 word used? which?
- improvisation: planned seam or improvised?
PILLAR 1 solid: yes / glance / pieces loose
INTONATION: HOOK closes firm + PILLAR 1 opens fresh / HOOK closes up (question) / PILLAR 1 opens high-tense
FILLERS IN SEAM: which (um/like/you know/basically/yeah so)
SCRIPT on floor intact? yes / no

No grade. No "pass/fail." Raw observation. NOT communicated. Feeds next adjustment; 2 strikes → coordination.

Close block (after 5th): "Five first-link chained sets from memory. SEAM #1 has a face. Hold that. Now a quick full-round recap before phrase, errors, and tonight's tarea."

12. FULL RECAP — each recites chained HOOK + SEAM + PILLAR 1 — 9 min — STAND UP

Consolidate once more, no coaching — confirms the 45 min set.

Per student (~1.5 min): teacher calls "[name], HOOK + SEAM + PILLAR 1, from memory." — chained recital (~70-80 sec) — teacher: "Thank you. Next." No quality comment.

5 × ~1.5 min = 7.5 min + 30 sec setup = ~9 min.

Karen: HOOK 40-50 sec + seam + PILLAR 1 45-60 sec, same "from memory" standard.

Close: "All five first-link chained sets from memory, second pass, no coaching. SEAM #1 owned. Next class we add SEAM #2 — PILLAR 1 to PILLAR 2."

13. PHRASE CLOSE + PARAPHRASE + SEAM SELF-OBSERVATION — 5 min — STAND UP

1. (1 min) "Today's phrase from memory — WITH intonation." — 1 at random.

2. (1 min) "Now PARAPHRASE — same idea, said a second way." — another at random. **Insertion #5.**

3. (3 min) Each student in 1 sentence: which part of HER seam was most solid today and which needed precision (e.g. "el breath real me salió en parejas pero en mini-audiencia volvió a apurarse" / "elegí 'bridge' del Set #19 y aterrizó" / "el closing marker del HOOK todavía me sale vago").

Teacher confirms — process, NOT grade.

14. ERROR PAPER LIVE — 5 min — STAND UP

Typical errors from chaining practice today:

1. ■ "[HOOK ends] and now I want to talk about my first reason which is..."
(dead seam, filler language, no breath, no casual bridge)
→ ■ "[HOOK closing marker: '...and that is the picture I want you to hold.']
(1 sec breath) Let me start where it matters most – the first reason is..."
2. ■ "[HOOK] um, like, basically, yeah, so, [PILLAR 1 abrupt-academic]"
(multiple fillers as seam substitute + PILLAR 1 enters rigid)
→ ■ "[HOOK closing marker], (breath), so – let me bridge that – [PILLAR 1 casual]"
(explicit bridge + casual + Set #19 'bridge' used)
3. ■ HOOK closes with rising intonation (sounds like a question) → unstable seam → PILLAR 1 enters defensive
→ ■ HOOK last sentence falling firm (declaration) → stable breath → PILLAR 1 fresh (not high, not low: new)
4. ■ Inventing a new transition each attempt ("y ahora", "entonces", "ok pues", "right then") → 5 attempts = 5 different seams, none owned
→ ■ One seam chosen in Phase A planning line + drilled in Phase B + delivered in Phase C (same one, refined)
5. ■ Silence too long >2 sec that feels like "I forgot" (not temperance, freeze)
→ ■ ONE second of breath, counted mentally, eye contact held (no audience lost)

Read paper (anonymous). Cohort corrects 2x — naming which LAYER failed (closing marker / opening marker / bridge / repetition of anchor / intonation) and which Set #19 word would tighten it (bridge / pivot / segue / link / transition / connect).

15. WEEK 2 OPENS + TEMPERANCE v2 + STRICT HOMEWORK — 10 min — SIT

WEEK 2 OF PHASE 4 OPENS – DAY 1 OF 4

- Week 1 (Cl 21-25): 5 chunks memorized one by one ■
- Week 2 (Cl 26-28) chains them:
 - Cl 26 TODAY: HOOK + PILLAR 1 chained, SEAM #1 ■
 - Cl 27: + PILLAR 2 chained = HOOK + P1 + P2 (SEAMS #1+#2)
 - Cl 28: full monologue (5 blocks + 4 seams) + Checkpoint C4
(3-min memorized video to coordination)
- TEMPERANCE block opens. Chaining without temperance turns into rushing – and rushing erases week 1.
- Set #19 = SEAM vocabulary. 114 B2 words total.
- Week 2 is shorter than week 1 (3 sessions vs 5) but denser.
- By Cl 28 close: full monologue + C4.

> **This is what B2 requires. 45-60 min between classes. Final in ~14 classes. We don't lower the bar. Strict protocol: Mystery verifies 4 components → public nominal reading → no exceptions → 2 strikes = coordination.**

TAREA STRICT — 4 components

HOMEWORK — DUE: BEFORE NEXT CLASS Cl 27, 6:00 PM
TOTAL TIME: 45-60 min — NOT fragmented.

(1) DRILL CHAINING HOOK + PILLAR 1 RECORDED 5 TIMES:
your voice, HOOK + SEAM + PILLAR 1 from memory,
no paper. ONE take each (if you trip, restart audio).
ONE seam chosen, drilled 5 times.
- Label: B2-AMINA-CL26-LINK1-DRILL1 ... DRILL5
(15-20 min total).

(2) RECORD 1 AUDIO FULL-V3 of the WHOLE monologue from
memory (HOOK + P1 + P2 + P3 + CTA, 5-7 min, no paper).
This is MAINTENANCE — so the monologue does not
deflate while we drill seams.
- Label: B2-AMINA-CL26-FULL-V3
(8-10 min).

(3) LISTEN to your BEST drill of the seam + 3 HANDWRITTEN
improvements: hear once the cleanest of the 5. Write
on PAPER, BY HAND, 3 concrete things to improve IN THE
SEAM (e.g. "the breath lasted half a second / I said
'and now' instead of my chosen closing marker / my
opening marker sounded academic-rigid"). Bring sheet
next class. (8-10 min).

(4) REVIEW 114 WORDS (Sets #1-#19): mark the 15 still
crossing. Chorus next class opening. (10 min).

EXPLICIT: Today's unit is 2 chunks chained. Tomorrow's
is 3. Wednesday's is 5 + C4. If today's seam does not
enter your mouth TONIGHT, tomorrow seam #2 will stack on
a cold one. THIS DRILL DOES NOT GET SKIPPED. No
fragmentation — 5 drills + FULL-V3 + 3 improvements +
review are ONE compact session.

Public reminder (2 min): "4 components by 6 PM next class. Name read if missing. 2 strikes = coordination. Tonight's job is the FIRST seam, drilled five times audio, plus one FULL-V3 of the whole monologue so the weekend's work stays alive, plus three handwritten improvements ON THE SEAM, plus 114-word review. The phrase still holds — temperance lives between two ideas, the breath that joins them holds them both up. Next class Cl 27 opens with chaining PILLAR 2 in — HOOK + P1 + P2, two seams. Cl 28 is the full monologue plus C4."

DELIVERABLES TO COORDINATION

- [] Printed report filled
- [] Photo of Mystery envelope
- [] Nominal list of no-deliveries Cl 25
- [] Photo of the board — Phrase + Set #19 + Architecture (SEAM #1 marked) + Chaining rules + Week 2 message
- [] Anonymous Error Paper (physical)
- [] Personal notebook page: 3 literal errors + NAMES (transition errors: seam rushed / closing marker absent / opening marker abrupt / bridge lost / improvising every time)
- [] Alert: students at 2 strikes
- [] Alert: anyone who did NOT achieve HOOK + SEAM + PILLAR 1 chained from memory in Phase C
- [] Count of Phrase of the Day natural insertions (target: 5 marked + close paraphrase)

NOTAS INTERNAS (no leer en clase)

- **Fase del Roadmap:** Cl 26 = Fase 4 día 6/8 — apertura semana 2 — encadenamiento HOOK + PILLAR 1 (SEAM #1). Roadmap 72h líneas 120-129.
- **Virtud:** Cl 26-30 = TEMPLANZA v2 (regla cohorte B2 confirmada Diana 22/05). Hoy día 1; bloque cierra Cl 30.
- **Próximas:** Cl 27 = SEAM #2 (HOOK+P1+P2) + TEMPLANZA v2 día 2. Cl 28 = monólogo completo + C4 + TEMPLANZA v2 día 3. Cl 29 abre Fase 5 (Q&A; simulado, Roadmap líneas 131-139).
- **C4 (Cl 28):** integrado en guía regular como bloque pedagógico, NO _MARKER separado (Diana 31/05).
- **GoldList ELIMINADO** desde 14/05. Solo Frase del Día.
- **Supuesto (verificar):** Set #19 con 6 transition words (bridge/pivot/segue/link/transition/connect) llena hueco lexical para los 4 seams. Si alguna ya está en Sets previos, sustituir por: weave / thread / dovetail / hinge.
- **Supuesto (verificar):** "planning line" SEAM en Phase A es formato Heiiu interno para forzar elección deliberada del seam ANTES de drillarlo. Replica el patrón 3 fases (alone/pairs/mini-audiencia) validado Cl 21-25.
