

B2 PM AMINA — CLASS 32 — FIRST DEDICATED Tue/Thu (3 B2 only) — REFRAME ROLE MODEL + Q&A; INTENSIVE + LIVE MICRO-PROTOCOL FOR CI 33 UNITED

Session 32 · 2h (18:30–20:30)

Date: 11/06/2026 · Attending: ___/3

New operating structure (Diana 10/06/2026): Tue/Thu = Amina solo with the 3 B2 (Phase 5 dedicated) · Mon/Wed/Fri = united class with B1 group (the 3 B2 act as role models). Today is the FIRST dedicated Tue/Thu after the structural change. Yesterday CI 31 was the first united class — unprepared, the 3 B2 did not speak.

Virtue: JUSTICE v2 day 2 of 5 (block CI 31-35) — yesterday CI 31 opened JUSTICE v2 day 1 in the united class.

Phrase of the Day: "Justice in a united class is not waiting your turn — it is taking the floor first so the others can hear what B2 sounds like; what you owe the room is your voice, not your silence."

Countdown: ~12h to Final (CI 36 — 30/06/2026)

EVENTS INTEGRATED (Diana 31/05/2026 + 10/06/2026 structural change)

This is the FIRST dedicated Tue/Thu after the cohort restructure. No _MARKER / _COORD_KIT separately. The new format (3 B2 with Amina exclusive Tue/Thu + united class Mon/Wed/Fri) is announced INTEGRATED in block 2 (Why Today) + lived in blocks 7-9-10. Today is not evaluation. Yesterday CI 31 (united) is not evaluation either — it is named honestly in block 1, then reframed in block 2.

1. OPENING + NAMING YESTERDAY CI 31 — 5 min — SIT

> *"Welcome to the first Tuesday/Thursday that is ONLY the three of you with me. No mystery envelope today — we just opened a new operating frame, and the frame itself is what we name first."*

> *"Yesterday CI 31 was the first united class with the B1 group. None of you spoke. That is a fact, not a judgment. Some of it was structural: I was asked to evaluate B1, I entered evaluation mode, you found no opening. Some of it was that we hadn't named WHAT a united class is FOR you. So today fixes both: I name the structure clearly, and you walk out with the exact moves you'll make Friday in CI 33."*

> *"No blame. No apology. Today is forward."*

(Brief — 60 sec each MAX: each of the 3 says ONE sentence about how CI 31 felt — "I felt invisible / I waited for permission / I didn't know if it was my turn / I felt the question wasn't for me." Listen, do NOT correct. This is intake, not coaching.)

2. WHY TODAY — 4 min — SIT

> *"Why today. The structure: Tue/Thu = the three of you with me — Phase 5 work, Final prep, the precision oral. Mon/Wed/Fri = you in the united class with the B1 group — there your job is NOT to be students. Your job is to be ROLE MODELS. Today is the first Tue/Thu of this new frame."*

> *"Phrase of the Day names it: 'Justice in a united class is not waiting your turn — it is taking the floor first so the others can hear what B2 sounds like; what you owe the room is your voice, not your silence.' [Insertion #1]"*

> *"What we do today: block 7 reframes role model with a real role-play — I become a B1 student, I throw a question to the air, you practice entering FIRST without shame. Block 8 = Q&A; intensive — 3 rounds of 3 questions for all 3 of you, no rotation seat — you stay sharp. Block 9 = micro-drill 'who has an example?' — the exact moment in CI 33 where you stay silent because you wait — today we kill the wait. Block 10 closes with a written protocol for Friday CI 33 — we don't leave today with general advice; we leave with the exact words you'll say tomorrow and after tomorrow, the question YOU asked yourself to use, and the name of WHO presents 2 min at close on Friday."*

> *"JUSTICE day 2: yesterday day 1 was 'give each question what it's owed' — today day 2 is 'give the room what it's owed.' What the room is owed from you is your VOICE, not your silence. Silence in a united class with a B1 group is not modesty; it's withdrawal from the role."*

> *"Vocab Set #24: 6 words for TAKING THE FLOOR — the words you don't have on hand to say 'let me jump in' in a B2-clean way. Total 144."*

> *"Final = CI 36 = 30 June. ~12 hours of class away. Three weeks. The next 12 hours are not theoretical — every Tue/Thu with me is a chamber, every Mon/Wed/Fri united is a stage."*

> *Now we begin.**

3. PHRASE OF THE DAY — 4 min — STAND UP

Write on the board (before class):

PHRASE OF THE DAY — CL 32

"Justice in a united class is not waiting your turn —
it is taking the floor first so the others can hear
what B2 sounds like; what you owe the room is
your voice, not your silence."

1. Read 2x with marked intonation (firm decisive descent on *"not waiting your turn"* — the voice drops on *waiting*, refusing the passivity —, forward-leaning energy on *"taking the floor first"* — chest open, voice projects forward —, slow weight on *"what B2 sounds like"* — naming the model role —, anchored close on *"your voice, not your silence"* — *silence* spoken quietly so the contrast lands physically). Chorus 3x. Each student does it ONCE alone — small room, you can hear them now, no hiding.
 2. *"This phrase has two halves. Half one rewrites what justice means in a united class — it is NOT politeness. Politeness in a B1+B2 united class is letting silence colonize the air. Justice is taking the floor first. Half two names the debt — you OWE the room a voice. Silence is not neutral. Silence in a room where you're the most advanced learner is withdrawal."*
 3. *"Sit. I will use this phrase six more times today, including once just before block 7 role-play and once during block 10 when we write the CI 33 protocol."*
-

4. VOCALIZATION DRILL — 6 min — STAND UP

4 new tongue twisters (not CI 6-31) — phonetic focus on PROJECTION into a larger group (volume + clarity at the FRONT of the room, not the back):

1. /p/+b/ explosive opening: "Brave bold patrons pitched
pristine projects past polished podiums; polished
podiums propelled pristine projects properly."
2. /t/+d/ alveolar attack: "Twenty trained tutors taught
determined doctorates daring debate drills; daring
debate drills demanded determined doctorates definitely."
3. /k/+g/ guttural anchor: "Graceful guests greeted gathered
colleagues; gathered colleagues clapped genuine kind
greetings cleanly."
4. /f/+v/ fricative carrying force: "Five fervent voices
ventured forward; forward voices favored frank vivid
feedback forever."

Per twister (~90 sec): slow 2x → chorus slow 3x → fast 2x → chorus fast 3x. *Pristine / determined / colleagues / fervent* are B2 precision lexicon naturally appearing when role-modeling in the united class. Explosives /p/-/b/, /t/-/d/, /k/-/g/ and force fricatives /f/-/v/ are exactly what disappears when you whisper a comment so only Amina hears it instead of THE ROOM. Training them cold removes the technical excuse for under-projection in the united class.

5. VATS — JUSTICE v2 DAY 2 — 5 min — SIT

CI 32 = JUSTICE v2 day 2 of 5 (block CI 31-35). Yesterday CI 31 (united class) opened the block: *"give each question what it's owed."* The block continues into CI 33 (united Friday) where you take the floor + CI 34 (Tue with Amina) + CI 35 (united + rehearsal energy).

Insertion #2: *"Today's phrase is exactly day 2: 'what you owe the room is your voice, not your silence.' Day 1 named the answer in front of one evaluator. Day 2 names the answer in front of a ROOM you're modeling for. The currency is the same — what is OWED — but the audience changed. Justice scales."*

> *Day 2. Setting: united class Friday. 8+ B1 students. One question goes to the air from me. The B1 students hesitate — they're B1, the question is at the edge of their level. The room SHOULD turn to you — the B2 — because the room is waiting for the model. You are the model. The question lands. THREE OPTIONS in the first 2 seconds. Option A: you look at the floor — silence wins. Option B: you wait for me to call you by name — silence wins, you appear obedient but actually withdrawn. Option C: hand up. Three seconds. You take the floor. Voice clean, B2 vocab on, hold ground. The room learns. The B1 learn. That's justice day 2.**

> *Name ONE phrase you will say internally — in the first 2 seconds — when the question lands in united class Friday. (Examples: 'hand up first / room is waiting / voice not silence / B2 in the room / I owe the floor'). Pick ONE phrase. Lock it. Write it on the second page of your notebook. Use it Friday.**

Pairs (90 sec). 2 share + paraphrase their own sentence (90 sec). Confirm — process, NOT grade.

6. ACADEMIC B2 VOCAB SET #24 — 7 min — SIT

Board — write BEFORE class (6 NEW words — TAKING THE FLOOR / volunteering in a united class):

ACADEMIC B2 SET #24 (CL 32) — TAKING THE FLOOR

Use these LIVE in Cl 33 Friday united class.

Different work than Sets #22 (bridge) and #23 (hold).

These OPEN your turn so you take the floor cleanly.

1. JUMP IN /d■mp ■n/ — entrar / intervenir (clean active opening)
"If I may jump in — I'd offer an example here."
2. BUILD ON /b■ld ■n/ — añadir sobre lo que otro dijo (collegial)
"Building on what was just said — I'd add that..."
3. OFFER /■f.■r/ — ofrecer un aporte sin imponer (modest authority)
"Let me offer one example from the B2 angle —"
4. CHIME IN /t■a■m ■n/ — intervenir en una conversación (informal)
"Mind if I chime in? One quick example."
5. STEP UP /st■p ■p/ — tomar el lugar / asumir el rol (volunteer)
"I'll step up on this one — here's the answer."
6. WEIGH IN /we■ ■n/ — opinar con peso (give a serious view)
"Let me weigh in — the issue has two sides."

Per word (~50 sec): pronounce 2x → cohort 2x → definition → example → 1 student AT RANDOM uses the word LIVE to enter the floor on a question you improvise ("Who has an example of a Colombian food they love?" — student picks ONE Set #24 phrase as entry).

Close (1 min): "144 B2 words total. Set #24 is the TAKE-THE-FLOOR set. Sets #22 + #23 work AFTER you have the floor (bridge when answer missing, hold when challenged). Set #24 works BEFORE you have the floor — it is HOW you get the floor cleanly in 3 seconds without saying 'um' or waiting for me. Pick ONE Set #24 phrase as YOUR entry phrase for Friday Cl 33. Drill it once mentally. Use it the first time I throw a question to the air. Discipline same as Sets #21-#23: one chosen, one drilled, one owned."

7. REFRAME ROLE MODEL — WHAT UNITED CLASS IS + ROLE-PLAY REAL — 15 min — STAND UP

Insertion #3 (open block): "Hold your voice — not your silence. The phrase is the instruction."

Stage A — Reframe (~5 min, board + standing semicircle)

> *"What a united class IS for you. Three roles. Not 'student.' Not 'B1 with extra confidence.' Three specific roles:"*

Write on board:

THE 3 ROLES OF B2 IN UNITED CLASS (Mon/Wed/Fri)

1. SPEAK FIRST.

When Amina throws a question to the air, ONE of you takes the floor in the first 3 seconds. Set #24 entry word. No wait.

2. MODEL B2.

When Amina says "who has an example?" — your example comes out first. The B1 hear what B2 sounds like.
Vocab anchored, intonation owned.

3. CLOSE THE DAY.

At end of every united class, ONE of the three of you presents 2-3 min monologue on her Final topic. The B1 ask 2 questions. You answer LIVE — audience real, anti-fraud Q&A; for the Final. Rotation: 1 closes each united class. We schedule that today.

> *"This is not extra work. This is the work that BUILDS the Final. Role-modeling in front of B1 IS rehearsal for Cl 36 (the Final) — except the audience is real, the questions are real, the silence threat is real. Every Mon/Wed/Fri is one Final-prep cycle."*

Stage B — Role-play real (~10 min)

> *"Now we do it once. I become a B1 student. I throw a question into the air. You — the 3 of you — practice entering FIRST. No shame. No turn-taking. The first hand up takes it. The other two BUILD with Set #24 — 'building on what she said, I'd add...' That's how a B2 trio carries a room."*

Round 1 (~3 min): Amina shifts physically (sits to the side, mimics a B1 student). Throws: "I want to talk about Colombian food but I don't know how to start... who has an example?" WAIT 3 seconds. Watch: who raises a hand? Who looks down? If NO ONE raises in 3 sec, name it: "That's the moment. Three seconds passed. In united class Friday, that's the moment a B1 fills it with weak English, or worse — silence holds. Reset. Same question." Re-throw. Repeat until ONE of the 3 enters with Set #24 phrase.

Round 2 (~3 min): different question: "How do you say 'I'm not sure but I think...' in a clean B2 way?" SAME protocol. 3 seconds. Set #24 entry. Then the other 2 BUILD on her answer with "building on what she said" / "let me offer another angle" / "I'd add."

Round 3 (~3 min): challenge mode. Amina now plays a SKEPTICAL B1: "But my teacher said we shouldn't say 'jump in,' it's too informal..." SAME protocol — now ONE B2 takes the floor and HOLDS ground (Set #23: "I'd contend it depends on register..." or "Let me maintain — 'jump in' is collegial B2..."). Other 2 build supportively.

Close stage B (~1 min): "Notice what just happened. Three seconds — hand up — Set #24 entry — answer — build. THAT is what the united class needs from you. The B1 don't learn from your silence. They learn from your voice landing first, cleanly, in a room where they expect the teacher to fill it. You are NOT competing with them. You are setting altitude."

8. Q&A; INTENSIVE — 3 ROUNDS OF 3 QUESTIONS EACH — 25 min — STAND UP / ROTATION

> *"Phase 5 dedicated work. Three of you. 3 rounds. Each round = 3 questions. Each question = ~80 sec answer + ~10 sec teacher follow-up. ~25 min total. No presentations today — pure Q&A; drill. The presentations CI 33 onward will be live in united class."*

Round 1 — Set #22 BRIDGE work (~8 min)

3 questions per student where the answer is NOT obvious — Set #22 bridge required (clarify / address / acknowledge / qualify / elaborate / reframe).

Per student, 3 questions (~30 sec each + teacher 10 sec note):

- "In your Final topic — what's ONE thing you HAVEN'T researched yet and would have to acknowledge live?"
- "If a B1 asked you to explain your topic in 2 sentences for a 5-year-old — how would you reframe it?"
- "What part of your monologue do you feel weakest in — and how would you address that with a Set #22 bridge if I asked you live?"

Watch: did she USE a Set #22 word, or default to "um" / "well" / "I don't know"? Internal notebook ✓ or ✗ per student per question.

Round 2 — Set #23 HOLD GROUND work (~8 min)

3 pushback-style questions per student where the answer requires HOLDING ground (contend / maintain / posit / assert / reaffirm / hold from Set #23).

Per student, 3 challenges (~30 sec each + teacher 10 sec note):

- "Why is your central point actually true? Someone from the B1 group might say it's just opinion — defend it."
- "Pick the weakest part of your argument and CONCEDE it without collapsing the core — Set #23 + concede."
- "If I told you tomorrow that your Final topic isn't strong enough — would you reframe or hold? Why?"

Watch: did she COLLAPSE (apologize, change position) or HOLD (Set #23 + reason)? Internal notebook profile.

Round 3 — Set #24 TAKE THE FLOOR work (~8 min, the new layer)

3 open-air questions thrown to the trio. Whoever raises hand first answers in ≤30 sec using a Set #24 entry; the other 2 BUILD with Set #24.

Open questions (one each round):

- "Who has an example of a Colombian food that surprises foreigners?"
- "Who can describe a region of Colombia in 30 seconds?"
- "Who would say Colombia's best argument to come visit is...?"

Watch: who enters first across the 3 rounds? Is it always the same student or rotation? Internal notebook — informs whom we WAKE UP for Friday CI 33.

Close (~1 min): "Q&A intensive done. You have three sets active now — bridge / hold / take the floor. Friday in united class, all three travel. Today none of you stayed silent. Friday is the test."

9. MICRO-DRILL "WHO HAS AN EXAMPLE?" — FIRST HAND UP IN 3 SEC — 20 min — STAND UP / ROTATION

> *"CI 33 Friday — united class. The single highest-risk moment in any united B1+B2 class is when I — Amina — say 'who has an example?' B1 hesitate. B2 has 3 seconds. If no B2 hand goes up, a B1 fills it weakly OR silence colonizes. Either way you LOST role-model space. Today we kill that moment with drill."*

Format (~20 min, 6 reps):

Each rep = ~3 min. Amina says EXACTLY: "Who has an example?" Wait 3 seconds, no more. Whoever raises hand first takes ~30 sec with Set #24 entry + B2 answer. Then the OTHER TWO build with Set #24 "building on what she said." Each builds ~30 sec.

The 6 prompts (rotate the topic so no one gets a free turn):

- "Who has an example of a sentence using 'jump in' naturally?"
- "Who has an example of an argument for Colombia's coffee that doesn't sound like a tourism brochure?"
- "Who has an example of how to disagree with a teacher politely in B2?"
- "Who has an example of a Colombian custom that foreigners misunderstand?"
- "Who has an example of a hard Q&A; question you fear at the Final?"
- "Who has an example of a phrase from Sets #22-#24 you've actually used outside class?"

Strict rule: 3 seconds. If no hand up, Amina names: "Three seconds gone. Restart." Same prompt. No skipping forward. The whole point is killing the wait reflex.

Tracking (internal notebook): for each rep, write the NAME of the student who raised hand first, AND the names of who built after. Pattern read at the end:

- If one student dominated all 6 first-up: CI 33 Friday strategy is to PRIME the other two pre-class — quick word with them privately to take floor on the first 2 prompts.
- If rotation natural: CI 33 Friday strategy is just to trust the drill held.
- If no one took first across multiple reps: extra reps + explicit assignment of WHO goes first on Friday.

Close (~1 min): "This is the muscle. Friday in united class, when I say 'who has an example?', you don't have to think. The hand goes up in 3 seconds because we drilled it 6 times today. The 'B1 fills with weak English' moment dies because YOU filled first with B2."

10. LIVE OPERATIONAL CLOSE FOR CI 33 (FRIDAY UNITED) — MICRO-PROTOCOL — 15 min — SIT + NOTEBOOK OPEN

Insertion #4 (open block): *"Justice in a united class is not waiting your turn. We do not leave today with general advice. We leave with the protocol written."*

> *"This is the practical close. We decide FOUR things RIGHT NOW for Friday CI 33 — the next united class. Notebook open. You write as we decide. No homework can replace this — Friday is the day after tomorrow."*

Write on board the FOUR decisions header:

CI 33 PROTOCOL — FRIDAY 13/06/2026 UNITED CLASS
(decided live, here, now — by the 3 B2)

Decision 1 — WHO PRESENTS 2-3 MIN AT CLOSE OF CI 33? (~3 min)

> *"At the close of every united class, ONE of you presents 2-3 min monologue on her Final topic + B1 asks 2 questions. Rotation across Mon/Wed/Fri. We decide TODAY who presents Friday CI 33. The other two prepare ONE Q&A; question for the presenter — they will ASK her live in the united class."*

The 3 students discuss live (~2 min) — who feels most ready Friday? Who needs the audience-real practice most urgently? They DECIDE among themselves. Amina facilitates IF stuck (criterion suggestion: whoever has the LEAST Q&A practice from this week's work). They agree:

PRESENTER CI 33 Friday: _____
TOPIC: _____
DURATION: 2-3 min monologue + 2 Q&A;

Decision 2 — THE EXACT ENTRY PHRASE EACH OF YOU WILL SAY WHEN AMINA ASKS "WHO HAS AN EXAMPLE?" CI 33 (~3 min)

> *"Each of you picks ONE entry phrase from Set #24 — write it in your notebook NOW. The first time I throw 'who has an example?' CI 33, you don't think — you say the phrase that's already in the notebook. Three seconds. Hand up. Phrase out. Three different phrases, so if you all want to answer the same prompt, you stack — first goes the one whose phrase fits the prompt most cleanly, the others build with their own phrase."*

Each student writes ON THE PAPER (Amina photographs the page at end of class for coordination archive):

STUDENT 1 — name: _____ entry phrase: _____
STUDENT 2 — name: _____ entry phrase: _____
STUDENT 3 — name: _____ entry phrase: _____

(Examples to bait: *"If I may jump in — I'd offer one example..."* / *"Let me chime in — here's a clean B2 take..."* / *"I'll step up on this one — building on the prompt..."* — DIFFERENT for each.)

Decision 3 — THE ONE Q&A; QUESTION EACH NON-PRESENTER WILL ASK THE PRESENTER LIVE CI 33 (~3 min)

> *"The two of you who don't present Friday — your job is NOT to be audience. Your job is to give the presenter the Q&A; practice she needs. Formulate ONE B2-level question RIGHT NOW about her topic — not a soft question, not a trap — a real question that pushes her to use Set #22 (bridge) or Set #23 (hold). She does not know the question yet. Friday in united class, after her 2-3 min monologue, you ask her live, in front of B1. The B1 hear B2 doing real Q&A.; That's the model."*

Each of the 2 non-presenters writes their question:

NON-PRESENTER A — name: _____
QUESTION FOR PRESENTER: _____

NON-PRESENTER B — name: _____
QUESTION FOR PRESENTER: _____

(Amina reviews questions — if too soft ("what's your favorite..."), redirect: *"Make it harder. The presenter needs Set #23 work, not nice work."*)

Decision 4 — THE OPENING TOPIC FOR CI 33 (AMINA TELLS THEM NOW) (~3 min)

> *"I'm telling you the opening topic for Friday CI 33 NOW — the topic I'll throw to the air to open the united class — so you can pre-load your entry phrase + first example."*

Amina names the topic (suggested options — pick ONE adapted to current B1 unit):

- *"Friday I'll open with: 'foreign customs that surprised you / surprise foreigners about Colombia' — same root, different angles."*
- OR *"Friday I'll open with: 'a difficult conversation you handled in English / Spanish — what made it work?'"*
- OR *"Friday I'll open with: 'who has an example of a phrase you say in your work that no one outside your industry understands?'"*

(Pick ONE — write on the board.)

CI 33 FRIDAY OPENING TOPIC (Amina): _____
B2 entry phrase READY — first 3 sec.

Close block 10 (~1 min): *"We just built the CI 33 protocol. Four decisions. The presenter is named. Your entry phrases are written. Your Q&A questions are written. The opening topic is told. Friday you do not improvise the role-model role — you EXECUTE what's already written. I photograph this page for coordination archive — your protocol is on record."*

Insertion #5 during photograph: *"Justice day 2 is exactly this. We owed the room a voice. We just wrote what the voice will say."*

11. PHRASE CLOSE + PARAPHRASE — 4 min — STAND UP

1. (1 min) "Today's phrase from memory — WITH intonation." — 1 at random.
 2. (1 min) "Now PARAPHRASE." — another. **Insertion #6** during paraphrase confirmation: "That's exactly what tomorrow's reps will demand."
 3. (2 min) Each of the 3 in ONE sentence: "What's the ONE thing about Friday CI 33 you'll remember from today?" Examples: "three seconds, hand up / I'm presenting Friday, my entry word is 'step up' / I'll ask Karen the hard maintain question / I won't let the silence colonize again." Confirm — process, no grade.
-

12. ERROR PAPER LIVE — 4 min — STAND UP

Typical errors from CI 31 united + today's drill:

1. ■ CI 31 united: "I waited for Amina to call me by name."
→ ■ "I owed the floor a voice — Set #24 entry within 3 sec.
Waiting for the name IS the silence. Justice day 2."
2. ■ CI 32 drill: "I raised my hand at 4 seconds."
→ ■ Three seconds. Not four. Drill the threshold today
so Friday it's automatic.
3. ■ Block 7 role-play: "I waited because I didn't want to
take it from the others."
→ ■ "Taking the floor first is the role. The other two
BUILD with Set #24. No one loses turn — turn is
REDEFINED. Stacking, not waiting."
4. ■ Block 8 R2: "I conceded the whole point under pushback."
→ ■ Set #23 hold + partial concede:
"I'd contend the core holds even if X is true."
Don't collapse the position to avoid disagreement.
5. ■ Block 9 micro-drill: "I said 'um, well, maybe' before
my Set #24 phrase."
→ ■ The Set #24 phrase IS the opening. No "um" before it.
"Let me chime in —" is the first sound. Clean entry.
6. ■ Block 10 Q&A; question for presenter: "What's your
favorite Colombian food?" (too soft)
→ ■ "Why is THAT the one you'd defend in front of
a skeptic who said Colombian food is overrated?"
(Set #23 work for the presenter, not nice work.)
7. ■ Saying "I'm not ready to present Friday" out of
modesty even though Diana/Amina need rotation.
→ ■ Honest constraint vs modesty — name it. "I'm
not ready because X." Coordination decides.
Don't decline by reflex.
8. ■ Volume drop when there are 8+ B1 in the room
(united class) — voice dies before reaching back row.
→ ■ Vocalization drill block 4 was for projection.
Voice carries past row 2. B2 sound = projected.

Read paper. Cohort corrects 2x — naming WHICH error (CI 31 silence / 3-sec threshold / waiting-to-not-overtake / collapse vs hold / "um" before Set #24 / soft Q&A question / reflexive declining / volume drop). Today emphasize errors 1 + 2 + 3 — the SILENCE family — because those are exactly what CI 33 Friday will test.

13. STRICT HOMEWORK — 6 min — SIT

HOMEWORK – DUE: BEFORE Cl 33 FRIDAY 13/06/2026, 6:00 PM
TOTAL TIME: 45-60 min – NOT fragmented.

(1) DRILL MONOLOGUE 3 TIMES RECORDED:

Your Final monologue 5-7 min from memory, no paper,
HOOK + 3 PILLARS + CTA, ONE take each.
- Label: B2-AMINA-CL32-FULL-V8-DRILL1, DRILL2, DRILL3
(18-21 min total).

(2) DRILL SET #24 ENTRY PHRASE AUDIO:

Record yourself saying your chosen Set #24 entry phrase
(the one you wrote in Decision 2 today) in 3 different
contexts, ~20 sec each:
- Entry to "who has an example?" prompt
- Entry to "what do you think about X?" prompt
- Entry to "can someone explain Y?" prompt
Label: B2-AMINA-CL32-SET24-ENTRY (single file, ~1 min).
(8 min total).

(3) ■ REFRAME PRÁCTICO – FRIDAY-SPECIFIC COMPONENT:

Write by hand (notebook) the EXACT phrases you will say
Friday Cl 33 in the united class. THESE PHRASES are
the ones you'll deliver tomorrow live – not a draft, not
a rehearsal – the actual words.

IF YOU ARE THE Cl 33 PRESENTER (1 student):

- Open your 2-3 min monologue. EXACT opening sentence.
- Write the 3 anticipated Q&A; mini-answers (30 sec
each) to the 2 questions your peers wrote in Decision 3
+ 1 question you expect from a B1.

IF YOU ARE A Cl 33 NON-PRESENTER (2 students):

- The Q&A; question you wrote for the presenter in
Decision 3 – rewrite it cleaner, harder, B2-tier.
- Your Set #24 entry phrase for the 1st "who has an
example?" moment – written verbatim, with the
~30 sec example that follows.
- The build phrase you'll use after one of the OTHER
B2 takes the floor first ("building on what she
said, I'd add...") – written verbatim with your add.

Bring the page Friday. Amina will photograph for archive.
These phrases are what you'll deliver Cl 33 in the united
class. Today's writing IS tomorrow's voice.
(12-15 min total).

(4) REVIEW 144 WORDS (Sets #1-#24): mark the 20 still
crossing. Focus tonight on Set #24 pronunciation
(jump in, build on, offer, chime in, step up, weigh in).
(7-10 min total).

EXPLICIT: today's unit was the FIRST dedicated Tue/Thu after
the structural change. Friday Cl 33 = the next UNITED class.
Component 3 is NOT a draft – it is the script of what you
will SAY Friday. Without it, Friday repeats Cl 31 silence.
With it, Friday is the first united class where the room
hears B2 within 3 seconds. NO FRAGMENTATION.

Public reminder (close, ~2 min): "4 components by 6 PM Friday. Name read if missing. 2 strikes = coordination. Tonight: monologue drilled 3 times, Set #24 entry phrase recorded, REFRAME PRÁCTICO Friday-specific (presenter or non-presenter, exact phrases written), 144-word review with Set #24 pronunciation. The phrase still holds — justice in a united class is not waiting your turn; it is taking the floor first so the others can hear what B2 sounds like; what you owe the room is your voice, not your silence. Next class Cl 33 Friday = united with B1 + the protocol we wrote today. JUSTICE day 3. ~12h to Final. Saturday + Sunday off — Friday is where this lives."

DELIVERABLES TO COORDINATION

- [] Printed report filled
- [] Photo of the "Cl 33 PROTOCOL" page (Decision 1+2+3+4 written by the 3 B2)
- [] Photo of the board — Phrase + Set #24 (6 take-the-floor words) + the 3 ROLES of B2 in united class + the Cl 33 OPENING TOPIC
- [] Anonymous Error Paper (physical)
- [] Personal notebook: 3 literal errors + NAMES (today, Q&A; intensive + micro-drill silence threshold breaches)
- [] Personal notebook: internal pattern read of micro-drill block 9 — WHO took first across 6 reps + WHO built — informs Cl 33 Friday strategy
- [] Alert: NAME of the Cl 33 Friday presenter (Decision 1) — coordination knows in advance

- [] Alert: students at 2 strikes
 - [] Alert URGENT: if any of the 3 STILL did not enter floor across all 6 reps in block 9 — that student needs 1-on-1 priming pre-CI 33 (escalate to coordination today)
 - [] Alert: how the 3 received the role-model reframe (block 7) — did they push back ("I don't want to take over") or accept the role — coordination uses for Diana ↔ Amina conversation
 - [] Set #24 (jump in / build on / offer / chime in / step up / weigh in) confirmed on the board for CI 33 Friday
 - [] Confirmation JUSTICE V2 DAY 2 OF 5 announced + JUSTICE block runs CI 31-35

NOTAS INTERNAS (no leer en clase)

- **Estructura operativa nueva (Diana 10/06/2026):** CI 32 = primera Ma/Ju EXCLUSIVA con las 3 B2 después del cambio. Mon/Wed/Fri = clase UNIDA con B1 (8+) + las 3 B2 como ROLE MODELS. CI 31 ayer (10/06 miércoles) fue la primera unida — sin preparación, las 3 B2 no hablaron. Hoy CI 32 corrige eso operativamente, no emocionalmente.
- **Cohorte:** 3 estudiantes B2 confirmadas en cohorte actual (Leandra Delgado + Karen J. Acevedo Moreno + 3ra pendiente nombre — Margie A. Acevedo o Angie L. López Capacho; María Alejandra Ortiz fuera temporalmente). NO nombrar en guía — guía es reutilizable. Si Amina necesita nombres usa libreta personal.
- **Virtud:** CI 32 = JUSTICIA v2 día 2 de 5 (bloque CI 31-35). Ayer CI 31 unida abrió día 1 ("give each question what it's owed"). Hoy día 2 = "give the room what it's owed = your voice, not your silence." CI 33 viernes unida = día 3. CI 34 martes con Amina = día 4. CI 35 unida = día 5 cierre + ensayo Final. CI 36 = FORTALEZA v2.
- **Próximas:**
 - CI 33 viernes 13/06 = UNIDA B1+B2 — la presentadora decidida hoy presenta 2-3 min + 2 preguntas Q&A en vivo. Amina abre con tema decidido hoy. Las 3 B2 entran en 3 seg con Set #24.
 - CI 34 martes 16/06 = AMINA SOLO con las 3 — Phase 5 dedicada continúa (otra estudiante presenta 2-3 min para Friday CI 35? confirmar con coordinación).
 - CI 35 viernes 20/06 = UNIDA + ensayo de Final (energía de rehearsal en ambiente united).
 - CI 36 = 30/06 = FINAL OFICIAL.
- **Eventos INTEGRADOS** (Diana 31/05): cambio estructural NO genera _MARKER separado. Va INTEGRADO en bloques 1+2+7+10.
- **Sin GoldList** (retirado 14/05). Solo Frase del Día.
- **Cierre operativo CI 33 (bloque 10):** MICRO-PROTOCOLO concreto en vez de instrucciones genéricas. Las 3 B2 deciden CON Amina ahí mismo: (D1) quién presenta viernes / (D2) qué Set #24 phrase cada una dirá en el primer "who has an example?" / (D3) qué pregunta Q&A; formulan las 2 no-presentadoras para la presentadora / (D4) qué tema abrirá Amina viernes. La página se fotografía y va a coordinación.
- **Role-play real bloque 7:** Amina FÍSICAMENTE se mueve al lado y simula ser estudiante B1, lanza pregunta al aire. Las 3 B2 entran primero. Sin pena. Patrón validado guest observer — Amina nunca juega guest cuando el grupo es 8+, pero en este chamber privado (3 estudiantes + Amina) sí simula B1 para practicar el role-modeling. Memoria feedback-simulacion-guest-observer-pattern: ese patrón aplica cuando hay grupo grande con guest externo. Aquí no hay guest externo, es drill privado.
- **Tarea componente 3 REFRAME PRÁCTICO:** específica para viernes. Las frases que escriben hoy son las que dirán mañana en clase unida. Operacional, no académico.
- **Supuesto (verificar):** orden de rotación de presentadoras CI 33 / CI 35 / CI 37 unidas (3 estudiantes × 3 presentaciones = exactamente 1 ciclo) — Amina y coordinación verifican antes de CI 34.
- **Supuesto (verificar):** Set #24 (jump in / build on / offer / chime in / step up / weigh in) no estaba en Sets #1-#23 (revisar registro de palabras antes de CI 32). Si alguna ya está, sustituir por: cut in / pick up on / contribute / pitch in / dive in / sound off.
- **Supuesto (verificar):** Amina puede ejecutar role-play físico de B1 en bloque 7 sin perder autoridad (algunas profesoras se descomponen rompiendo el frame). Si en práctica no funciona, Amina lo nombra: *"I'm now stepping into a B1 voice — three seconds, prompt — you enter"* manteniendo frame meta-pedagógico.
- **Supuesto (verificar):** countdown ~12h al Final basado en: 30/06 - 11/06 = 19 días calendario, ~13-14 sesiones en el esquema 5d/sem (Lu/Ma/Mi/Ju/Vi), de las cuales solo Ma/Ju son exclusivas con Amina (~6 sesiones × 2h = 12h exclusivas) + Lu/Mi/Vi son unidas (~7-8 sesiones donde las 3 B2 son role models). Las ~12h se refieren a tiempo Amina-exclusivo dedicado Fase 5 pura. Si Diana lee diferente (incluir las unidas), countdown sube a ~25h pero el modo de trabajo cambia.
