Text 1: "Ana and the Cooking Club"

Ana's school recently started a cooking club after classes on Tuesdays. Students can learn to prepare simple and healthy meals. Ana joined because she wants to surprise her family by cooking dinner once a week. The first recipes included pasta with vegetables, fruit salads, and sandwiches. Each week a teacher shows a new recipe, and the students work in small groups.

Ana enjoys tasting the food and says it helps her eat more healthily. Last week, her group made chicken soup, and she wrote the recipe in her notebook to try it at home. She already bought some of the ingredients with her mom. Ana believes the club helps her develop patience and teamwork, and she hopes to continue next year.

1. Why did the school start the cooking club?

For the students can learn to prepare simple and healthy meal

6. Do you think cooking clubs are useful for students? Why or why not?

Yes, because cook is very important and prepare recipes is very comfortable

Text 2: "Mateo and His Music Project"

Mateo has always loved music, especially playing the guitar. This year, his teacher asked him to lead a group project: composing a short song for the school festival. Mateo worked with three classmates. They met twice a week after school to write lyrics and practice chords. Sometimes it was hard to agree on ideas, but they listened to each other and finally finished the song.

When they performed it in front of the class, many students clapped and asked them to play it again. The teacher congratulated the group for their creativity and teamwork. Mateo now dreams of forming a small band in the future and playing at local cafés. He says music gives him confidence and helps him connect with others.

1. What project did Mateo's teacher give him?

Composing a short song for the school festival
