Hi Sara! I just moved to Medellín two weeks ago and I love it here. The city is big, very green, and full of things to do. The weather is perfect, not too hot, not too cold. I got a job at a graphic design studio in the city center. The people there are really friendly, and my boss is super patient and supportive. I'm learning a lot! I live with two roommates in a small but cozy apartment near a park. Every morning we walk to work together, and in the evenings we sometimes cook or watch movies. On weekends, we go out to cafés, visit museums, or go hiking. I really enjoy this new life and I'm happy I made this decision. Hope to talk soon!
