

EVALUATOR'S GUIDE — DIAGNOSIS + COMPETITIVE ACTIVATION (EN)

Single document. Serves as your script during the session AND as the report you hand to the commercial advisor afterward. Print it, fill it during the 30-minute session, hand it off at close. **Total filling time after the session: 5 extra minutes.**

SECTION 0 — SESSION DATA (fill at start)

Approx. age	____ years
Profession / occupation	_____
Date	____ / ____ / ____
Start time	____ : ____
End time	____ : ____
Format	☐ In-person ☐ Virtual (Meet)

SECTION 1 — THE ROLE'S PHILOSOPHY (read BEFORE the session — do not fill)

Your job is not to test level. It's to open Heiiu's first door.

Today you do 2 things at once:

1. **DIAGNOSE the level** (ladder A1 → B2 with concrete questions)
2. **ACTIVATE their competitive drive** (specific phrases planted at key moments)

The prospect must leave this session with:

- Clarity about their current level (without anxiety or shame)
- Awareness of the **GAP** between where they are and where they could be
- A self-image as someone **competitive with themselves**
- Genuine desire to commit to a real plan

The profile Heiiu seeks: students who see English as a tool to grow, who are competitive with themselves (not with others), who want to speak the world's language. Your session filters AND activates that profile.

What you are NOT today: an examiner, a teacher, a surface-level motivator. You are a sharp observer + a strategic seed-planter.

SECTION 2 — OPENING (30 SECONDS — literal script)

☐ Warm greeting, smile, use their name.

If the prospect is clearly A1 or unknown (deliver in Spanish):

> **"Hola [name]. Esto no es un examen — es una conversación para ver dónde estás HOY con el inglés. En 3 a 6 meses te vas a reír de este momento. Empezamos relajado y vamos subiendo cuando sienta que puedes más. ¿Listo?"**

If the prospect can start in English (deliver in English):

> **"Hey [name], nice to meet you. This isn't a test — it's a conversation to see where you are today. In 3 to 6 months you'll laugh at this moment. We start relaxed and go up when I see you can. Cool?"**

> **Why the opening works:** the phrase **"in 3 to 6 months you'll laugh"* plants growth from second 1. It's NOT anxiety ("let's see how bad you are") — it's trajectory ("this is your starting point, not your destination").

SECTION 3A — LEVEL A1 (Minutes 0-5)

Goal: Can they handle present simple, basic modals (can/should/will), and simple WH-questions?

> Ask the questions IN ENGLISH. Mark while they answer.

12 A1 questions — mark the result:

| # | Question (in English to prospect) | Structure tested | PASS | FAIL |
|---|---|---|---|
| 1 | "So, what do you do? Do you work or study?" | Present simple do/does | ☐ | ☐ |

Total A1 structures correct: ____ / 12

A1 ACTIVATOR — phrases to plant during the ladder

If they pass a key question (5+ correct in a row):

> *"You're doing great. Let's keep going."* / ES: *"Vas bien. Sigamos."*

If they fail a structure (DO NOT say "wrong"):

> *"That structure is one we work on a lot here. In 30 days that error disappears — that's exactly the gap we close."*

>

> ES: *"Esa estructura es de las que se trabajan a cada rato aquí. En 30 días desaparece como error — ese es exactamente el gap que cerramos."*

If they show an unexpected strength:

> *"What you just said has solid base. Let's see how far you go."*

>

> ES: *"Lo que acabas de decir tiene base sólida. Vamos a ver hasta dónde llegas."*

A1 DECISION

• ☐ **PASS** (6+/12 correct) → continue to A2. Say: *"You just passed A1. There are 3 more levels. Most people stay at A2. Let's see."* / ES: *"Acabas de pasar A1. Hay 3 niveles más. La mayoría se queda en A2. Veamos."*

• ☐ **NOT PASS** (<6/12) → STOP. Place A1. Say: *"Awesome, thanks for chatting, I've got what I need."* / ES: *"Excelente, gracias por la conversación, ya tengo lo que necesito."*

SECTION 3B — LEVEL A2 (Minutes 5-12)

Goal: Future forms, conditionals, past continuous, present perfect?

Total A2 structures correct: ____ / 11

A2 ACTIVATOR

If they pass A2 (7+/11):

> *"You're at B1 territory. Few people get here without school. Where did you learn what you know?"* — the question opens conversation + validates without flattering.

>

> ES: *"Estás en territorio B1. Pocos llegan acá sin escuela. ¿De dónde sacaste lo que sabes?"*

If they fail a B1-bridge structure (e.g. conditionals):

> *"That's already B1 level. You have the base, you need focused practice. In 6-8 weeks here you'd be building that structure without thinking."*

>

> ES: *"Eso ya es B1. Tienes la base, te falta la práctica enfocada. Aquí en 6-8 semanas estarías construyendo esa estructura sin pensarlo."*

A2 DECISION

• ☐ **PASS** (7+/11) → continue to B1

• ☐ **NOT PASS** (<7/11) → STOP. Place A2.

SECTION 3C — LEVEL B1 (Minutes 12-20)

Goal: Sustains conversation, tells stories, gives detailed opinions, blends tenses?

Total B1 tasks correct: ____ / 9

B1 ACTIVATOR

If they pass B1 (6+/9):

> *"You're going to B2. Honestly — when you get here you have job options, travel, life decisions you wouldn't have otherwise. What's holding you back?"*

>

> *ES: "Vas a B2. Honestamente — cuando llegues acá tienes opciones laborales, viajes, decisiones de vida que no tendrías sin esto. ¿Qué te frena?"*

> **Key question:** *"What's holding you back?"* opens the real objection (time / money / fear). Report it to the advisor.

B1 DECISION

• ☐ **PASS** (6+/9 + can sustain conversation) → continue to B2

• ☐ **NOT PASS** → STOP. Place B1.

SECTION 3D — LEVEL B2 (Minutes 20-28)

Goal: Advanced grammar, argues a point, fluent on complex topics?

10 B2 questions — mark the result:

| # | Question | Structure | PASS | FAIL |

| 10 | "Describe a situation that went wrong but turned out a blessing in disguise." | Complex narrative | [] | [] |

Total B2 tasks correct: ____ / 10

B2 ACTIVATOR

If they pass B2 (7+/10) and argue the debate fluently:

> *"You're close to C1. That means: study abroad, IELTS without panic, real international jobs. Did you know you were this close?"*

>

> *ES: "Estás cerca de C1. Eso significa: estudios afuera, IELTS sin terror, trabajos internacionales reales. ¿Sabías que estabas tan cerca?"*

> **Important with B2+ prospects:** they know they're advanced. DON'T inflate them, but PLANT the next-level image. Someone who wants to move to C1 is a premium commitment.

B2 DECISION

• ☐ **B2+** (7+/10 + fluent extended)

• ☐ **B2** (<7 or not extended fluent)

SECTION 4 — ACTIVATOR CLOSING (3 min at end — literal script)

What you say to the prospect when you finish the ladder. Adapt to THEIR detected level:

EN version (recommended for English-comfortable prospects):

> *"Here's what I see. Your level TODAY is [X]. The distance to [next level] is roughly [Y concrete structures — mention 2-3 they failed]. I'll be honest: the students who close that gap are the ones who come with real discipline. They're competitive with themselves, not with others. They speak the global language because they work it daily, not because they're gifted."*

>

> *Are you one of those?*

PAUSE. Listen.

ES version (recommended with Spanish-speaking prospects):

> *"Esto es lo que veo. Tu nivel HOY es [X]. La distancia hasta [siguiente nivel] son aproximadamente [Y estructuras concretas]. Te voy a ser honesta: los estudiantes que cierran ese gap son los que vienen con disciplina real, son competitivos consigo mismos, no con otros. Hablan el mismo idioma del mundo porque lo trabajan diariamente, no porque sean superdotados.*

>

> *¿Eres de esos?*

Reading their response:

- **Energy / yes / "absolutely"** → HOT → Mark below + write what they said literally.
- **Doubt / "I think so" / "depends"** → WARM → Ask "What's your doubt?" → Write the doubt.
- **Apathy / "I don't know" / long silence** → COLD → Close warmly without pressure. Mark COLD.

SECTION 5 — COMPETITIVENESS READING (you mark)

How did they react to the "gap" + "competitive with yourself" frame?

- ☐ **MEDIUM** — interested but no self-driving impulse (advisor needs to push to ignite)
- ☐ **LOW** — apathetic or resistant to gap/growth frame

Hook that resonated most during the session (specific phrase that shifted their tone or posture):

> *'' _____ ''*

SECTION 6 — FINAL DIAGNOSIS (placement)

Why your emotional reading (1-2 sentences):

SECTION 11 — TIME COMMITMENT MADE TO PROSPECT

SECTION 15 — URGENCY RECOMMENDATION

How fast should the advisor contact?

- ☐ **IMMEDIATE** (<30 min) — hot, high momentum, HIGH competitiveness
- ☐ **TODAY** (same day) — real interest, not urgent
- ☐ **24 HOURS** — warm, let them process
- ☐ **48 HOURS+** — cold, re-engage with added value

If you recommended >24h, why?

SECTION 16 — FREE NOTES

ERRORS TO AVOID (reminder before closing)

- ☒ **DO NOT** tell the prospect their exact level (coordination handles that)
 - ☒ **DO NOT** discuss prices
 - ☒ **DO NOT** compare with other students ("Pedro from Cali got to B2 in 2 months")
 - ☒ **DO NOT** promise specific timeframes ("you'll get to B2 in 6 months")
 - ☒ **DO NOT** create anxiety ("you're really low")
 - ☒ **DO NOT** correct errors during the test (your job is to OBSERVE, not teach)
-
