SECTION 1 - THE ROLE'S PHILOSOPHY (read BEFORE)

Your job is NOT to test level. It's to open Heiiu's first door. Today you do 2 things: (1) DIAGNOSE the prospect's level, (2) ACTIVATE their competitive drive by planting phrases at key moments. Heiiu seeks students competitive with themselves, who see English as a tool to grow. Your session filters and activates that profile.

SECTION 2 - OPENING (30 sec, literal script)

"Hey [name], this isn't a test - it's a chat to see where you are today. In 3-6 months you'll laugh at this moment. We start relaxed and go up. Cool?"

ES alternative: "Hola [nombre], esto NO es un examen - es una conversacion para ver donde estas HOY. En 3-6 meses te vas a reir. Listo?"
