

A2 4H — CLASS 26 — Tomás

Session 26/28 · 4h (235 min) · Review Arc Cluster 5 of 7 · ~50% standing

Date: ___/___/2026 · Attending: ___/___

Module: A2 Book finished at M44 — Review Arc Cluster 5 of 7: Prepositions + Articles/Quantifiers

Virtue: TEMPERANCE v2 day 1 of 3 (block CI 26–28 — VIRTUE CHANGES TODAY)

Phrase of the Day: "Choose the right preposition, the right article, the right amount — not too much, not too little."

BLOCK MAP (235 min ≈ 4h — two halves ~2h + break)

| # | Min | Block | Stand? |

|---|---|---|---|

| 1 | 5 | Mystery homework check (CI 25 questions/aux + word order) | YES |

| 2 | 2 | Why today (virtue change announce) | sit |

| 3 | 4 | Phrase of the Day | YES |

| 4 | 5 | VATS Temperance day 1 (transition from Prudence) | sit |

| 5 | 7 | Peer Teacher (CI 25 error) | YES |

| 6 | 5 | Homework check CI 25 | sit |

| 7 | 24 | Systematic A — Prepositions (in/on/at + fixed dependencies) | sit |

| 8 | 15 | Speed Drill A — Prepositions (speed, automatic) | sit→YES |

| — | — | **BREAK** (end of first half ~2h) | — |

| 9 | 24 | Systematic B — Articles a/an/the/0 + Quantifiers | sit |

| 10 | 12 | Interactive Story — "The Monday morning meeting that had no coffee and too many people" | YES |

| 11 | 25 | Simulation — "The Appointment Booking" | YES |

| 12 | 22 | Integrated Simulation — "The Office Tour & Supply Order" | YES |

| 13 | 18 | Shadowing Day 1 NEW CYCLE — with video, listen + repeat | YES |

| 14 | 14 | Free production (prepositions + articles/quantifiers, pairs) | YES |

| 15 | 8 | Error Paper Expanded (6) + Phrase close | YES |

| 16 | 10 | Homework + Close + CI 27 announce | sit |

Bring to class: Mystery envelope · Error Paper sheet (6 slots: 3 prepositions / 3 articles-quantifiers) · clock · personal notebook (errors + NAMES) · Shadowing NEW video confirmed (Day 1 NEW cycle, with video).

1. MYSTERY HOMEWORK CHECK — 5 min — STAND UP

Open the envelope. Read aloud:

> *In 60 seconds, give me 2 sentences from last class's homework (CI 25):*

> *— 1 QUESTION using DO/DOES/DID + base verb in correct word order ('WHERE do you work?' / 'WHAT did she say?').*

> *— 1 NEGATIVE using DOESN'T / DIDN'T + base verb + a noun phrase with adjective-noun in CORRECT order ('She doesn't drive a RED CAR.' NOT 'a car red').*

> *Example: 'WHERE do you work? She DOESN'T drive a RED CAR because she doesn't have one yet.'*

> *Go!*

1 min silence → 3–4 students at random. If anyone asks about results: "Coordination handles results — not me." Note who did not bring homework.

2. WHY TODAY — 2 min — SIT

> *Mystery: visible practice from the previous class — questions, negatives, auxiliaries and word order.*

> *Phrase of the Day: temperance for grammar — choose the right preposition, the right article, the right amount — not too much, not too little.*

> *VIRTUE CHANGES TODAY. CI 21–25 were PRUDENCE. From today CI 26 to CI 28 (end of level) we work TEMPERANCE.*

> *Peer Teacher: a typical error from CI 25 — corrected by one of you.*

> *Today = REVIEW ARC, CLASS 5 of 7. The A2 book finished at M44. Today's cluster is the next big one: PREPOSITIONS + ARTICLES/QUANTIFIERS.*

> *A) Prepositions — AT + hour, ON + day, IN + month/part of day. AT + specific place, IN + city/country. Fixed: good AT, depend ON, listen TO, worried ABOUT, arrive AT/IN, live IN. Never 'in Monday', never 'at September', never 'good in English'.*

> *B) Articles + quantifiers — 'A new car' (countable singular, new). 'AN hour' / 'A university' (by sound, not letter). MANY for countable, A LOT OF for uncountable in affirmative. ANY in questions and negatives (polite SOME exception for offers). Never 'I bought new car', never 'There is many people', never 'I don't have some money'.*

> *The Appointment Booking + The Office Tour & Supply Order simulations force the corrected forms. Shadowing Day 1 NEW cycle: NEW video confirmed by coordination — listen and repeat phrase by phrase.*

3. PHRASE OF THE DAY — 4 min — STAND UP

Write on the board (before class):

PHRASE OF THE DAY — CL 26
"Choose the right preposition,
the right article,
the right amount —
not too much, not too little."

1. Read twice slowly. Cohort echoes 3×.
2. *"This is TEMPERANCE for your English. Temperance means the right amount — not too much, not too little. In grammar today it means three things. ONE: the right preposition — not 'in Monday', not 'at September', not 'good in English'. It is ON Monday, IN September, good AT English. TWO: the right article — not 'I bought new car', not 'an university'. It is A new car, A university (by sound). THREE: the right amount word — not 'much water' in an affirmative sentence, not 'some money' in a negative one. It is A LOT OF water and ANY money. Right preposition, right article, right amount — the right dose, every time."*
3. *"Sit. Every time today I hear 'in Monday', 'I bought new car', 'There is many people' or 'I don't have some money', I will say this phrase — and you fix it."*

4. VATS — TEMPERANCE v2 DAY 1 (TRANSITION) — 5 min — SIT

Opening (30 sec) — virtue change announce:

> *"Quick note: until last class we worked PRUDENCE — planning before acting. From today and for the last three classes of this level we work TEMPERANCE — the right amount, not too much, not too little. Same arc, new virtue."*

> *"Temperance is doing the right amount — not too much, not too little. In grammar today: not 'much' when it should be 'a lot of', not 'some' when it should be 'any', not 'in Monday' when it should be 'on Monday'. Answer using one preposition AND one quantifier correctly: (1) Tell me one fixed time in your week using the right preposition ('I have a meeting ON Monday AT 8 IN the morning.');* (2) *Tell me one thing you have or don't have in the right amount at work or at home using a/an/the OR many/a lot of/any ('I have A LOT OF emails every morning.' / 'I don't have ANY free time on Tuesdays.' / 'I bought A new laptop last month.'). Temperance here is not adding 'the' where it doesn't belong, not saying 'much' in the affirmative — the right amount, every time."*

Pairs 2 min. 2 students share 2 min. Note errors with NAMES.

5. PEER TEACHER — 7 min — STAND UP

Pre-class typical errors (CI 25 reinforcement — questions/aux + word order, NO names): *"Where you go?" → "WHERE DO you go?" / "I no understand" → "I DON'T understand" / "She doesn't likes coffee" → "She DOESN'T LIKE coffee" / "He buy a car red" → "He BUYS a RED car" / "What time he arrive?" → "What time DOES he arrive?"*

1. *"Today's peer teacher is [name]. Last class's cluster — questions, negatives, auxiliaries and word order — must stay strong before we move on."*
2. (5 min) Explains why → corrects → cohort echoes 2×.
3. Applause + *"Next class: [next name]."*

6. HOMEWORK CHECK CL 25 — 5 min — SIT

1. *"Stand if you completed last class's homework."*
2. Count. Note who did NOT.
3. 2 students at random read sentences (questions/negatives/auxiliaries + word order).
4. If few brought it: *"This is your level. You decide."*

7. SYSTEMATIC A — PREPOSITIONS — 24 min — SIT

Objective: *"Not a new module — the A2 book is done. We CORRECT the preposition errors that block B1: time (at/on/in), place (at/in/on) and the fixed prepositions of verbs and adjectives (good AT, depend ON, listen TO, worried ABOUT)."*

Concept (14 min)

Write on the board (before class):

BLOCK A – PREPOSITIONS [review/fix]

TIME:

AT + HOUR "at 8", "at noon", "at midnight"
ON + DAY/DATE "on Monday", "on May 5", "on my birthday"
IN + MONTH / YEAR / PART OF THE DAY
"in May", "in 2026", "in the morning",
"in the afternoon", "in the evening"
(BUT: "at night" – exception)

PLACE:

AT + specific point "at the office", "at the bus stop",
"at my house" (as a meeting point)
IN + inside / city / country
"in the office" (inside),
"in Bucaramanga", "in Colombia"
ON + surface "on the table", "on the wall"

FIXED with verbs/adjectives:

good AT (English) depend ON (you)
listen TO (me) worried ABOUT (the test)
arrive AT (the office) arrive IN (Bucaramanga / a country)
live IN (a city/country) interested IN (music)

Canonical typical errors (from A2 Book M1/M6/M8 + dependencies, NO names):

- ■ "I work in Monday." → ■ "I work ON Monday." (days → on)
- ■ "She arrives at the morning." → ■ "She arrives IN the morning." (parts of day → in)
- ■ "We meet at September." → ■ "We meet IN September." (months → in)
- ■ "He's good in English." → ■ "He's good AT English." (good AT)
- ■ "I depend of you." → ■ "I depend ON you." (depend ON)
- ■ "Listen me." → ■ "Listen TO me." (listen TO)
- ■ "I'm worried for the test." → ■ "I'm worried ABOUT the test." (worried ABOUT)
- ■ "We arrive to the office at 8." → ■ "We arrive AT the office at 8." (arrive AT places)
- ■ "I live at Bucaramanga." → ■ "I live IN Bucaramanga." (cities/countries → in)

> Insertion #1 of Phrase of the Day: ***As today's phrase says — choose the RIGHT preposition. AT? ON? IN? Not too much, not too little — the exact one.***

Guided practice (6 min)

Board: give a cue ("Monday — work" / "the morning — meeting" / "September — birthday" / "8 o'clock — class" / "the office — arrive" / "Bucaramanga — live" / "English — good" / "you — depend" / "the test — worried"); cohort produces the sentence with the correct preposition in chorus. 8–10 items mixing time, place, dependencies.

Close A (4 min)

5 students at random transform: give an incorrect sentence ("I work in Monday" / "She is good in math" / "Listen me" / "I depend of him"); they correct with the right preposition. Note errors with NAMES.

8. SPEED DRILL A — PREPOSITIONS — 15 min — SIT→STAND UP

Objective: "Speed. I give a clue, you give the preposition + phrase instantly. It must be automatic before B1."

Drill 1 — Chorus, seated (7 min)

You give a noun/verb + a complement. Cohort responds with full phrase with correct preposition:

"Monday / work" -> "I work ON Monday."
"September / meet" -> "We meet IN September."
"the morning / arrive" -> "She arrives IN the morning."
"8 o'clock / class" -> "I have class AT 8 o'clock."
"the office / arrive" -> "We arrive AT the office."
"Bucaramanga / live" -> "I live IN Bucaramanga."
"English / good" -> "She is good AT English."
"you / depend" -> "I depend ON you."
"the test / worried" -> "I'm worried ABOUT the test."
"me / listen" -> "Listen TO me."
"the table / book" -> "The book is ON the table."
"the office / inside" -> "I'm IN the office."
(4 more, mixing time, place, dependencies)

Drill 2 — Pairs, STANDING (8 min)

"Stand. Face your partner." Each pair builds 6 sentences, one per category:

- 1 time AT + hour: "I start AT 8 o'clock."

- 1 time ON + day/date: "I have a meeting **ON** Friday."
 - 1 time IN + month/part of day: "I travel **IN** July, **IN** the morning."
 - 1 place (mix AT/IN/ON): "My laptop is **ON** my desk **AT** the office."
 - 1 verb/adjective dependency: "My boss is worried **ABOUT** the deadline and depends **ON** me."
 - 1 phrase connected to real life/work combining 2+ prepositions: "I arrive **AT** the office **AT** 8 **ON** Monday **IN** the morning."
- 1–2 pairs share. Note errors with NAMES.

> **BREAK** (end of first half ≈ 2h). Resume with **SYSTEMATIC B**.

9. SYSTEMATIC B — ARTICLES + QUANTIFIERS — 24 min — SIT

Objective: "The other big block before B1: choosing a/an/the/nothing and choosing the right amount word — much/many/some/any/a lot of. The right dose, not too much, not too little."

Concept B1 — articles a/an/the / no article (10 min)

Write on the board (before class):

BLOCK B1 – ARTICLES [review/fix] (A2 Book M11)

A / AN = one (singular countable, new / first mention)
 A car · A new car · A meeting
 AN → when the next word starts with a VOWEL SOUND
 AN hour (/a-■-r/, silent h) A university (/j/ sound)
 AN apple A European AN MBA A one-time event

THE = specific / known by both / unique / mentioned before
 THE sun · THE boss · THE meeting we had yesterday
 With cardinal points: "IN THE east", "IN THE south"
 With superlatives: "THE best", "THE most important"

NO ARTICLE = abstract / general / uncountable in general
 "I like music." (NOT "the music" -- in general)
 "I need money." (uncountable -- no a/an)
 "She studies English."

Concept B2 — quantifiers much/many/some/any/a lot of (10 min)

Third board section:

BLOCK B2 – QUANTIFIERS [review/fix] (A2 Book M14, M27)

COUNTABLE plural -- MANY / A LOT OF (any sentence)
 "MANY people", "A LOT OF people"
 "How MANY questions?"

UNCOUNTABLE -- MUCH (only negative / question) / A LOT OF (affirmative)
 "I don't have MUCH time." "How MUCH water?"
 "I drink A LOT OF water." (NOT "I drink much water")

SOME -- affirmative + polite offers/requests
 "I have SOME questions."
 "Would you like SOME coffee?"
 "Can I have SOME water, please?"

ANY -- questions and negatives
 "Do you have ANY questions?"
 "I don't have ANY money."

A / AN -- NEVER with uncountable
 "I need money" or "I need SOME money." (NOT "a money")

Canonical typical errors (from A2 Book M11/M14/M27, NO names):

- ■ "I bought new car." → ■ "I bought A new car." (singular countable new → a/an)
- ■ "I have an university." → ■ "I have A university." (sound /j/ → "a")
- ■ "There is many people." → ■ "There are MANY people." (plural countable → are/many)
- ■ "I drink much water." (affirmative) → ■ "I drink A LOT OF water." (much only neg/question)
- ■ "Do you have some questions?" → ■ "Do you have ANY questions?" (question → any)
- ■ "I don't have some money." → ■ "I don't have ANY money." (negative → any)
- ■ "I need a money." → ■ "I need (SOME) money." (uncountable → no a/an)
- ■ "The sun rises at east." → ■ "The sun rises in THE east." (cardinals with the + IN)
- ■ "I like the music." (in general) → ■ "I like music." (abstract general → no the)

Guided practice (4 min)

5–6 students at random: give an incomplete or incorrect phrase ("I bought ____ new car" / "There is ____ people" / "I drink ____ water (every day)" / "Do you have ____ questions?" / "I don't have ____ money" / "I like ____ music (in general)"); they complete/correct with the right article/quantifier.

> **Insertion #2 of Phrase of the Day:** ***Right amount? Right article? Not too much (no 'much' in affirmative), not too little (no missing 'a' before a new singular countable). ***

10. INTERACTIVE STORY — "THE MONDAY MORNING MEETING THAT HAD NO COFFEE AND TOO MANY PEOPLE" — 12 min — STAND UP

Objective: "A short story we build together. I narrate an absurd Monday morning meeting with prepositions, articles and quantifiers. You repeat. You add the correct form out loud."

You narrate an everyday workplace situation (a Monday meeting with no coffee, too many people, a thousand time/place prepositions). Cohort echoes in chorus. You pause; cohort adds out loud with correct form.

Model:

> *You: "It was Monday. The meeting started [pause]... When? Eight, in the morning."*

> *Cohort: "...The meeting started AT 8 IN the morning ON Monday!" (time prepositions)*

>

> *You: "I arrived [pause]... where? The office."*

> *Cohort: "...I arrived AT the office!" (arrive AT + place)*

>

> *You: "Inside, there were [pause]... 'people' — many or much?"*

> *Cohort: "...there were MANY people!" (countable plural → many)*

>

> *You: "Too many — and we had no coffee. The boss said: 'Bring me [pause]... coffee — much or a lot of?'"*

> *Cohort: "...Bring me A LOT OF coffee!" (uncountable affirmative → a lot of)*

>

> *You: "I went to the kitchen. I asked: 'Do we have [pause]... coffee — some or any?'"*

> *Cohort: "...Do we have ANY coffee?" (question → any)*

>

> *You: "Nobody had bought [pause]... 'new coffee machine' — a, an or nothing?"*

> *Cohort: "...nobody had bought A new coffee machine!" (singular countable new → a)*

>

> *You: "And honestly, that whole Monday — I was worried [pause]... about what?"*

> *Cohort: "...I was worried ABOUT the meeting!" (worried ABOUT)*

>

> *You: "I decided I depend [pause]... on whom for coffee?"*

> *Cohort: "...I depend ON Maria for coffee!" (depend ON)*

8–9 min interactive narration. Keep everyday absurdity, NEVER fantasy. Note errors with NAMES.

11. SIMULATION — "THE APPOINTMENT BOOKING" — 25 min — STAND UP

Objective: "A real appointment booking call. You schedule meetings, deliveries, deadlines, doctor visits — using time prepositions (AT hour, ON day, IN month/part of day) and place prepositions (AT the clinic, IN Bucaramanga). The questions FORCE you to choose the right preposition every time."

Setup (3 min)

Scenario: Call to schedule a real appointment (any everyday role: medical appointment, client meeting, order delivery, technical visit, interview). Caller proposes dates/times/places; receiver confirms or reschedules.

- Time: "AT what time? ON which day? IN what month?"
- Place: "AT which office? IN which city? Inside or outside?"
- Dependencies: "Are you good AT this? Do you depend ON anyone for confirmation?"

Roles:

- A = client / caller (proposes day, hour, place; uses time/place prepositions)
- B = reception / scheduler (confirms or proposes alternative with right preposition)

Model (3 min)

> *You (client): "Hi — I need to schedule a meeting. Can we meet ON Wednesday, AT 10 IN the morning, AT your office IN Bucaramanga?"*

> *Peer teacher (reception): "Let me check. Wednesday AT 10 is not available. Can we move it to Thursday AT 2 IN the afternoon? The meeting will be AT the office, IN the small room ON the second floor."*

> *You: "Thursday AT 2 works. Should I arrive AT the office AT 1:50, or IN the lobby first?"*

> *Reception: "Arrive AT the office AT 1:50. I'm worried ABOUT the parking — depend ON the guard, his name is Carlos. He's good AT finding spots."*

Round 1 — Pairs (10 min)

Each pair: ~5 min each as reception. Caller makes min. 6 proposals/questions (3 with time prepositions, 3 with place prepositions or dependencies). Receiver uses at least: 1 AT + hour, 1 ON + day, 1 IN + month or part of day, 1 AT + specific place, 1 IN + city, 1 dependency (good AT / depend ON / worried ABOUT) — correctly.

Round 2 — Roles swap + new scenario (6 min)

Swap roles and appointment (meeting → delivery, → medical appointment, → interview). New booking.

Close (3 min)

1 pair performs in front of the group. Cohort counts correct prepositions by category. Note errors with NAMES.

> **Insertion #3 of Phrase of the Day:** *"A good appointment sounds like the phrase — choose the right preposition, the right amount, not too much, not too little."*

12. INTEGRATED SIMULATION — "THE OFFICE TOUR & SUPPLY ORDER" — 22 min — STAND UP

Objective: *"Integration. You give a new colleague a quick tour of the office (articles + place prepositions) and then place a supply order at the right amount (quantifiers). Right preposition, right article, right amount."*

Setup (3 min)

Scenario: Brief office tour to a new colleague + supply order to the provider. Forces both blocks:

- Articles + place: *"This is THE meeting room. THE coffee machine is ON the counter, next to A new printer that arrived IN May."*
- Quantifiers: *"We need A LOT OF paper, MANY pens, but NOT MUCH ink. Do you have ANY blue markers? I don't have ANY left."*

Forced vocabulary

- Min. 3 different articles (1 a/an, 1 the, 1 no article in general sense)
- Min. 3 different quantifiers (1 many, 1 a lot of affirmative with uncountable, 1 any in question or negative)
- At least 2 place prepositions and 1 time preposition combined in the tour

Model (3 min)

> *"Office tour: This is THE meeting room — we meet here ON Mondays AT 8 IN the morning. ON the wall you'll see A new whiteboard, and IN the corner there's A coffee machine — THE coffee is free. We have A LOT OF coffee, but NOT MUCH sugar — we ran out. In THE supply room (down THE hall, ON the left), we have MANY notebooks and pens, but we don't have ANY blue markers. So, supply order: I need A box of blue markers, A LOT OF printing paper, MANY sticky notes, and SOME more sugar, please."*

Round 1 — Trios (9 min)

Trios. One gives the tour + order 3 min (the other 2 are new colleague + provider and ask 1 thing forcing a form: *"Where exactly is THE meeting room?"* / *"How MANY pens do you need?"* / *"Do you have ANY paper left?"*). Rotate.

Round 2 — Groups rotate (5 min)

New trios, new scenario (another office, another provider). Repeat the pattern.

Close (3 min)

1 trio performs in front of the group. Cohort votes: did correct prepositions (time + place) + correct articles (a/an/the/0) + correct quantifiers (many/a lot of/any in correct position) appear? Note errors with NAMES.

13. SHADOWING — DAY 1 NEW CYCLE: WITH VIDEO, LISTEN + REPEAT — 18 min — STAND UP

Objective: *"Day 1 of a NEW cycle. NEW video. Listen first, then repeat phrase by phrase with the video. Match the rhythm, the sound, the intonation. Day 2 (no video, from memory) is next class."*

Verify NEW cycle link BEFORE class. The previous cycle closed last class (Day 3, mini-competition). Today opens NEW cycle — Day 1 = listen + repeat with video. CI 27 will be Day 2 (no video, from memory). CI 28 will be Day 3 (mini-competition, close — in first half before final exam).

Day 1 structure (with video, listen + repeat)

Passive listening (3 min): Cohort standing, listens to full segment of NEW video 2× without repeating. Just listen — rhythm, intonation, key words.

Phrase-by-phrase repetition (12 min): Play phrase by phrase (pause video after each one). Cohort STANDING repeats each phrase 2–3× in chorus, matching rhythm and pronunciation. Advance to next phrase when stable. Listening + oral production practice, NOT evaluation.

Day 1 close (3 min): Cohort does the full segment 1× in chorus WITH the video. *"This is Day 1 — with video. Day 2 is next class, same video, no video — from memory. Day 3 is the mini-competition. Same video all cycle — coordination confirms the link."*

14. FREE PRODUCTION — PREPOSITIONS + ARTICLES/QUANTIFIERS — 14 min — STAND UP

Objective: *"Free production. No prompt from me. You and your partner walk to a point and talk — using the right preposition, the right article, the right amount."*

Setup (1 min)

Board with 5 prompts hung at different points:

1. Describe your weekly schedule at work using AT + hour, ON + day, IN + month/part of the day (at least 5 different time prepositions in one minute)
2. Describe your office or home using AT/IN/ON for place (at least 5 different place prepositions in one minute)
3. Order a supply / a meal / a service using a/an/the + many/ a lot of/some/any correctly (no "a money", no "much water" in affirmative)
4. Tell a colleague what you depend ON, what you are good AT, and what you are worried ABOUT this week (fixed prepositions)
5. Compare what you have / don't have at work in the right amount: "I have MANY ____, but I don't have ANY ____, and I need A LOT OF ____"

Procedure (12 min)

Each pair approaches 1 prompt. Talk ~2.5 min. Rotate. 5 prompts, ~2–3 per pair in 12 min.

Close (1 min)

> *"Free production proves you don't need me. The A2 book is done — now the arc is about ACCURACY: the right preposition, the right article, the right amount."*

15. ERROR PAPER EXPANDED (6 ERRORS) + PHRASE CLOSE — 8 min — STAND UP

> Review arc → Error Paper is the EXPANDED CENTRAL piece — 6 errors today (3 prepositions + 3 articles/quantifiers).

Error Paper Live (5 min)

Double protocol: in class anonymous on physical paper (delivered with guide, NOT photographed); in personal notebook with NAME + literal quote for coordination.

6 canonical typical errors (EXPANDED — NO names):

- A) ■ "I work in Monday." → ■ "I work ON Monday." (day → on)
- A) ■ "She arrives at the morning." → ■ "She arrives IN the morning." (part of day → in)
- A) ■ "He's good in English." → ■ "He's good AT English." (good AT)
- B) ■ "I bought new car." → ■ "I bought A new car." (singular countable new → a/an)
- B) ■ "There is many people." → ■ "There are MANY people." (plural countable → are/many)
- B) ■ "I don't have some money." → ■ "I don't have ANY money." (negative → any)

Read. Students correct 2× in chorus.

Phrase of the Day close (3 min)

1. "Today's phrase from memory." — 1 at random.
2. "Use the same idea — choose the right preposition, the right article, the right amount, not too much, not too little — in a NEW sentence." — another at random.
3. "Temperance is the right amount, not too much, not too little — and choosing the right preposition + right article + right quantifier is exactly that. That's today, and it's the whole arc."

16. HOMEWORK + CLOSE + CI 27 ANNOUNCE — 10 min — SIT

Homework — DUE BEFORE NEXT CLASS CI 27, 7:00 AM — 6 min

HOMEWORK — DUE: BEFORE NEXT CLASS Cl 27, 7:00 AM
TIME: 20–30 minutes (A2). NOT fragmented.

(1) WRITING — 12 min — 8 sentences, prepositions + articles/quantifiers:
- 2 with correct TIME preposition (AT hour / ON day / IN month-part)
("I have a meeting ON Friday AT 9 IN the morning.")
- 2 with correct PLACE preposition (AT point / IN inside-city / ON surface)
("I work AT the office IN Bucaramanga.")
- 2 with fixed dependency (good AT / depend ON / listen TO / worried ABOUT)
("My boss is worried ABOUT the deadline and depends ON me.")
- 2 with correct QUANTIFIER (many / a lot of / any / some in correct position)
("There are MANY emails." / "I don't have ANY free time." /
"I drink A LOT OF coffee.")
Hand in on paper next class.

(2) AUDIO (eyes closed, 2 min) — 10 min:
"Describe your weekly schedule using AT + hour, ON + day, IN +
month/part of the day. Then describe your office or home with
a/an/the and many/a lot of/any/some in the right amount."
Label: A2-4HR-26.

(3) SHADOWING: today was Day 1 of the NEW cycle (with video, listen +
repeat). Listen to the NEW cycle video 1× more at home (the one
coordination confirmed). Next class Cl 27 = Day 2 = no video,
from memory.

RULE: Not fragmented. No "I didn't have time" — you have
the time between classes.

Close + Cl 27 announce (3 min)

> **The REVIEW ARC continues. The A2 book finished in Module 44 — from here to Cl 28 we fix the errors that block B1. Today: PREPOSITIONS + ARTICLES/QUANTIFIERS — no 'in Monday', no 'good in English', no 'I bought new car', no 'There is many people', no 'I don't have some money'. The Appointment Booking, The Office Tour & Supply Order, and Shadowing Day 1 (new cycle, with video) closed the day. Real A2 going to B1 sounds like: 'Choose the right preposition, the right article, the right amount — not too much, not too little.' Next class Cl 27 = next cluster: agreement / 3rd person -s + there is/are + causative. See you next class — strong and accurate.**

Internal notes (1 min)

Note in personal notebook:

- Block A (prepositions) — did "in Monday" / "at the morning" / "good in" / "depend of" / "listen me" / "arrive to" / "live at + city" appear?
- Block B (articles/quantifiers) — did "new car" without article / "an university" / "there is many people" / "much water" affirmative / "some/any" inverted / "a money" / "the music" in general appear?
- Which block needs more reinforcement in Cl 27–28?
- Phrase of the Day — natural ritual yet?
- Shadowing Day 1 NEW cycle — did video arrive on time? Did cohort connect with rhythm/intonation from first listen?
- Virtue transition PRUDENCE → TEMPERANCE — did they catch it in VATS or need reinforcement in Cl 27?

DELIVERABLES TO COORDINATION
