1. MYSTERY HOMEWORK CHECK — 5 min — STAND UP

Open the envelope. Read aloud:

> **"In 60 seconds, give me 2 sentences from last class's homework (CI 26)."*

> **— 1 with a TIME preposition (in/on/at) AND a PLACE preposition ('I have a meeting AT 9 ON Monday IN the main office.').*

> **— 1 with an ARTICLE (a/an/the) AND a QUANTIFIER ('There are MANY emails and A few important ones today.').*

> **Example: 'AT 9 ON Monday I check THE inbox — there are MANY new messages but only A few need an answer.'*

> **Go!"*

1 min silence → 3–4 students at random. If anyone asks about exam results: "Coordination handles results — not me." Note who did not bring homework.

2. WHY TODAY — 2 min — SIT

> **"Mystery: visible practice from the previous class — prepositions and articles/quantifiers still alive."*

> **Phrase of the Day: temperance for grammar — match the verb to the subject. One subject, one rule; many subjects, another. Not too much, not too little: the right form for the right number."*

> **Peer Teacher: a typical error from CI 26 — corrected by one of you."*

> **Today = REVIEW ARC, CLASS 6 of 7. The A2 book finished at M44. Today's cluster is the LAST one before next class's integrated mastery: AGREEMENT / 3rd PERSON -S + THERE IS/ARE + CAUSATIVE."*

> **A) 3rd person -s — He / she / it / a singular noun / everybody → verb + S ('He GOES', 'She HAS', 'It COSTS', 'Everybody HAS'). Negative → DOESN'T + base. Question → DOES + base. Never 'He go', never 'She don't', never 'Does he plays'."*

> **B) There is / There are — Singular → IS. Plural → ARE. Past singular → WAS. Past plural → WERE. Never 'There is many people', never 'It have three rooms'."*

> **C) Causative — WANT / TELL / ASK + object + TO + verb ('I want YOU TO go'). MAKE / LET + object + verb BASE without 'to' ('I made him WORK', 'I let him GO'). HAVE / GET + object + V3 for passive causative ('I had my hair CUT', 'I get my car WASHED'). Never 'I want THAT you go', never 'I made him TO work'."*

> **The Team Briefing + The Office Tour simulations force the corrected forms. Shadowing Day 2 = same cycle, no video, from memory. Limit: next class CI 28 = LAST class. First 2h = mastery; last 2h = FINAL EXAM. Today is about getting the last cluster automatic."*

3. PHRASE OF THE DAY — 4 min — STAND UP

Write on the board (before class):

PHRASE OF THE DAY — CL 27

"Match the verb to the subject —

one subject, one rule;

many subjects, another.

Temperance is not too much, not too little —

the right form for the right number."

1. Read twice slowly. Cohort echoes 3×.
2. "This is **TEMPERANCE** for your English. *Temperance is the right amount — not too much, not too little. Before you say a verb, MATCH it to its subject. One subject in 3rd person? Add the -S, use HAS, use GOES, use DOESN'T. Many subjects? Verb in base, use HAVE, use GO, use DON'T. Existence of one thing? THERE IS. Many things? THERE ARE. Causative? WANT / TELL / ASK take TO; MAKE / LET take NO 'to'; HAVE / GET + V3 for the passive. Don't add what isn't there, don't drop what is. The right form for the right number.*"
3. "Sit. Every time today I hear 'He go', 'She don't', 'There is many', 'I want that you go' or 'I made him to work', I will say this phrase — and you fix it."

4. VATS — TEMPERANCE v2 DAY 2 — 5 min — SIT

> **"Temperance is the right amount — not too much, not too little. Answer using one 3rd-person-singular sentence AND one there-is/are sentence AND one causative sentence: (1) Name one person who does something at work or at home — say it in 3rd person with the -S in the right place ('My sister WORKS at a hospital. My brother HAS two kids. My boss GOES to the office at 7.'). (2) Then describe your home or workplace using THERE IS / THERE ARE correctly ('There ARE three meeting rooms. There IS one printer. There WERE 5 people in the call.'). (3) Then say one thing you have someone do or get done for you ('I have my hair CUT every month. I get my car WASHED on Saturdays. I want my team TO finish by Friday.'). Temperance here is not adding the -s where it doesn't go, not dropping it where it does, not saying 'is' when there are many, not adding 'to' after 'make' or 'let'."*

Pairs 2 min. 2 students share 3 min. Note errors with NAMES.

5. PEER TEACHER — 7 min — STAND UP

Pre-class typical errors (CL 26 reinforcement — prepositions + articles/quantifiers, NO names): "in Monday" → "on Monday" / "on the morning" → "in the morning" / "I need a information" → "I need information" / "much books" → "many books" / "good in math" → "good AT math" / "a hour" → "an hour".

1. "Today's peer teacher is [name]. Last class's cluster — prepositions and articles/quantifiers — must stay strong before we move on to the last cluster."
 2. (5 min) Explains why → corrects → cohort echoes 2×.
 3. Applause + "Next class: [next name]."
-

6. HOMEWORK CHECK CL 26 — 5 min — SIT

1. "Stand if you completed last class's homework."
 2. Count. Note who did NOT.
 3. 2 students at random read sentences (prepositions + articles/quantifiers).
 4. If few brought it: "This is your level. You decide."
-

7. SYSTEMATIC A — 3rd PERSON -S — 20 min — SIT

Objective: "Not a new module — the A2 book is done. We CORRECT the 3rd person -s errors that block B1: when to add -s/-es, when to use DOES/DOESN'T, and when the auxiliary already has the -s so the verb goes back to base."

Concept (12 min)

Write on the board (before class):

BLOCK A — 3RD PERSON -S [review/fix] (A2 Book M2/M4)

SUBJECT VERB IN PRESENT SIMPLE

I / You / We / They -> verb BASE ("I work", "they go")

He / She / It / sg -> verb + S / ES ("He WORKS", "She GOES")

SPECIAL VERBS in 3rd person singular:

have -> HAS do -> DOES go -> GOES

watch -> WATCHES cost -> COSTS study -> STUDIES

AUXILIARIES carry the -S:

negative: he / she / it + DOESN'T + verb BASE

("She DOESN'T like coffee.")

question: DOES + he / she / it + verb BASE + ?

("DOES he PLAY soccer?")

NEVER "Does he plays?" — the -s is in DOES already.

INDEFINITE singular pronouns are 3RD PERSON SINGULAR:

everybody / nobody / somebody / someone / everyone

-> "Everybody HAS an opinion." (not "have")

SINGULAR NOUNS treated as singular (one unit):

my family / the team / the company -> usually + S

("My family LIVES in Cali.")

Canonical typical errors (from A2 Book M2/M4, NO names):

- "He go to work every day." → ■ "He GOES to work every day." (3rd singular → -s)
- "She don't like coffee." → ■ "She DOESN'T like coffee." (doesn't in 3rd singular)
- "My brother work at a bank." → ■ "My brother WORKS at a bank." (singular noun → -s)
- "Does he plays soccer?" → ■ "Does he PLAY soccer?" (DOES has the -s; verb BASE)
- "He have a car." → ■ "He HAS a car." (have → has)
- "She watch TV every night." → ■ "She WATCHES TV every night." (watch + es)
- "It cost too much." → ■ "It COSTS too much." (it = 3rd singular)
- "Everybody have a different opinion." → ■ "Everybody HAS a different opinion." (everybody = singular)

> **Insertion #1 of Phrase of the Day:** *"As today's phrase says — match the verb to the subject. One subject, one rule. The right form for the right number."*

Guided practice (5 min)

Board: give subject + verb ("he / go" / "she / have" / "it / cost" / "my brother / work" / "everybody / want" / "they / play" (plural contrast) / "she / watch" / "does he / play?"); cohort produces the correct form in chorus. 8–10 items mixing 3rd singular vs plural vs questions.

Close A (3 min)

5 students at random transform: give a 1st/2nd/plural sentence; they shift to 3rd singular adjusting verb and auxiliary. "They work here → She WORKS here." / "I don't like it → He DOESN'T like it." / "Do you play? → Does she PLAY?" Note errors with NAMES.

8. SPEED DRILL A — 3rd PERSON -S — 15 min — SIT→STAND UP

Objective: "Speed. I give a subject + a verb, you give the sentence with the right -s (or no -s) instantly. It must be automatic before B1."

Drill 1 — Chorus, seated (7 min)

"he / go to work" -> "He goes to work."
"she / have a car" -> "She has a car."
"it / cost ten dollars" -> "It costs ten dollars."
"my brother / work" -> "My brother works."
"they / work" (contrast) -> "They work."
"everybody / want coffee" -> "Everybody wants coffee."
"does he / play?" -> "Does he play?"
"she / not like coffee" -> "She doesn't like coffee."
"my sister / watch TV" -> "My sister watches TV."
"we / not have time" -> "We don't have time." (plural contrast)
(6 more mixing singular/plural/negatives/questions)

Drill 2 — Pairs, STANDING (8 min)

"Stand. Face your partner." Each pair builds 6 sentences, one per category:

- 1 affirmative 3rd singular + regular verb (+S): "My boss STARTS at 8."
- 1 affirmative 3rd singular + has / goes / watches: "My sister HAS three kids."
- 1 negative 3rd singular (DOESN'T + base): "He DOESN'T eat meat."
- 1 question 3rd singular (DOES + base): "DOES she WORK on Saturdays?"
- 1 plural subject contrast (verb BASE): "My parents LIVE in Bogotá."

- 1 indefinite singular (everybody / nobody → HAS / DOESN'T): "Nobody HAS the answer."

1–2 pairs share. Note errors with NAMES.

> **BREAK** (end of first half ≈ 2h). Resume with **SYSTEMATIC B**.

9. SYSTEMATIC B — THERE IS / THERE ARE — 17 min — SIT

Objective: "The second block: when we describe what EXISTS in a place, we use *THERE IS* for one and *THERE ARE* for many. Past: *THERE WAS* / *THERE WERE*. Never 'It have', never 'Have many people'."

Concept (8 min)

Write on the board (before class):

BLOCK B — THERE IS / THERE ARE [review/fix] (A2 Book M14)

EXISTENCE in a place / situation → THERE + BE

NUMBER PRESENT PAST

singular THERE IS THERE WAS

plural THERE ARE THERE WERE

"There IS a problem with the printer." (one)

"There ARE many people in the office." (many)

"There WAS a meeting yesterday." (one, past)

"There WERE 5 people in the call." (many, past)

QUESTIONS:

"IS there a meeting today?" (one)

"ARE there any questions?" (many)

NEVER use "It have / It has" for existence:

■ "It have three rooms." ■ "There ARE three rooms."

■ "Have many cars here." ■ "There ARE many cars here."

(don't forget THERE)

Canonical typical errors (from A2 Book M14, NO names):

- ■ "There is many people in the office." → ■ "There ARE many people in the office." (plural → are)
- ■ "There are a problem with the printer." → ■ "There IS a problem with the printer." (singular → is)
- ■ "It have three rooms in my house." → ■ "There ARE three rooms in my house." (no "it have")
- ■ "Have many cars in the parking." → ■ "There ARE many cars in the parking." (missing there)
- ■ "There was 5 people in the meeting." → ■ "There WERE 5 people in the meeting." (past plural → were)
- ■ "There is some chairs here." → ■ "There ARE some chairs here." (plural → are)
- ■ "Is there any questions?" → ■ "Are there any questions?" (plural → are)

Guided practice (5 min)

5–6 students at random: give a noun + number ("problem / singular present" / "people / plural present" / "rooms / plural present" / "meeting / singular past" / "5 cars / plural past" / "questions / plural present, question"); they build the sentence with there + correct be.

Close B (4 min)

Pairs STANDING: each pair describes the room using 4 sentences (2 with THERE IS, 2 with THERE ARE, including at least 1 in past or 1 as question). 1 pair shares. Note errors with NAMES.

> **Insertion #2 of Phrase of the Day:** *"One thing or many? Match the verb to the subject — the right form for the right number."*

10. SYSTEMATIC C — CAUSATIVE — 20 min — SIT

Objective: "The third block: when you don't do something yourself, but someone else does it for you, or you ask/tell someone to do it. Three families: WANT/TELL/ASK + TO, MAKE/LET WITHOUT 'to', HAVE/GET + V3 for the passive."

Concept (10 min)

Write on the board (before class):

BLOCK C – CAUSATIVE [review/fix] (A2 Book M44)

FAMILY 1: want / tell / ask / would like + OBJECT + TO + verb

"I WANT YOU TO GO."

"She TOLD HIM TO BRING the report."

"She ASKS ME TO COME early."

■ "I want THAT you go." (no "that" -- Spanish calque)

■ "She told him THAT bring..." (no "that")

FAMILY 2: make / let + OBJECT + verb BASE (NO "to"!)

"I MADE HIM WORK hard."

"I LET HIM GO."

■ "I made him TO work." (no "to" after make)

■ "I let him TO go." (no "to" after let)

FAMILY 3: have / get + OBJECT + V3 (causative PASSIVE)

Someone does something FOR me / TO my object:

"I HAD my hair CUT." (the barber cut it)

"I GET my car WASHED on Saturdays."

"She HAS her nails DONE every month."

Active version (someone specific):

"I HAD HIM CUT my hair." (have + person + base verb)

■ "I had he cut my hair." (need object pronoun: him)

■ "I get my car wash." (need V3: WASHED)

TRANSLATION TRAP:

Spanish "quiero que tu vayas" -> "I WANT YOU TO GO."

NOT "I want that you go."

Canonical typical errors (from A2 Book M44 + Spanish interference, NO names):

- ■ "I want that you go." → ■ "I WANT YOU TO GO." (want + object + to + verb)
- ■ "She told him that bring the report." → ■ "She TOLD HIM TO BRING the report." (tell + object + to + verb)
- ■ "I made him to work hard." → ■ "I MADE HIM WORK hard." (make + object + verb BASE)
- ■ "I let him to go." → ■ "I LET HIM GO." (let + object + verb BASE)
- ■ "I had he cut my hair." → ■ "I HAD HIM CUT my hair." (need object pronoun + base verb)
- ■ "I get my car wash every Saturday." → ■ "I GET my car WASHED every Saturday." (get + object + V3)
- ■ "She asks me come early." → ■ "She ASKS ME TO COME early." (ask + object + to + verb)

Guided practice (5 min)

6 students at random: give a situation + family ("want + your team + finish on time" / "tell + him + bring the report" / "make + your kids + study" / "let + me + help you" / "have + your hair + cut" / "get + your car + washed"); they build the sentence with the correct family structure.

Close C (5 min)

Pairs STANDING: each pair builds 4 sentences — 1 per family + 1 contrast (have someone do vs have something done: "I had HIM CUT my hair" vs "I had my hair CUT"). 1 pair shares. Note errors with NAMES.

> Insertion #3 of Phrase of the Day: *"The right form for the right verb family — match the structure, not too much, not too little."*

11. INTERACTIVE STORY — "THE DAY THE BOSS HAD EVERYTHING DONE" — 12 min — STAND UP

Objective: "A short story we build together. I narrate an absurd workday where the boss has everything done by someone, where there are too many people in the office, and where the new employee does everything wrong with the -s. You repeat. You add the correct form out loud."

You narrate an everyday workplace situation (a boss who has everything done by others, an office full of people, a new employee who makes 3rd person errors) mixing the 3 blocks. Cohort echoes in chorus. You pause; cohort adds out loud with correct form.

Model:

> *You: "It was Thursday morning. There [pause]..."*

> *Cohort: "...There WERE 20 people in the office!" (plural past → were)*

>

> *You: "The new employee arrived. He always [pause]... arrives late. He never [pause]..."*

> *Cohort: "...He never CHECKS his email!" (3rd singular → checks)*

>

> *You: "The boss looked at him and said: 'I want [pause]...'..."*

> *Cohort: "...I WANT YOU TO START on time!" (want + object + to + verb)*

>

> *You: "But the boss never works herself. She has her coffee [pause]..."*

> *Cohort: "...She has her coffee MADE by the assistant!" (have + V3 = passive causative)*

>

> *You: "She gets her car [pause]... every Friday..."*

> *Cohort: "...She gets her car WASHED every Friday!" (get + V3 = passive causative)*

>

> *You: "And there [pause]... in the meeting room. Everybody [pause]..."*

> *Cohort: "...There ARE three printers in the meeting room. Everybody HAS a complaint!" (plural → are; everybody = singular → has)*

>

> *You: "Finally the boss said: 'I let [pause]... go early today.'"

> *Cohort: "...I let YOU GO early today!" (let + object + verb BASE, no to)*

8–9 min interactive narration. Keep everyday absurdity, NEVER fantasy. Note errors with NAMES.

12. SIMULATION — "THE TEAM BRIEFING" — 25 min — STAND UP

Objective: "A real team briefing. A team leader assigns tasks for the week. The instructions FORCE 3rd person -s (describing who does what) AND causative structures (assigning: 'I need you to...', 'I want her to...', 'I'll have IT done by Friday')."

Setup (3 min)

Scenario: Brief team meeting (any everyday role: store, office, support, restaurant, reception). Leader assigns tasks for the week; members confirm what each will do.

- 3rd -s: "Maria HANDLES the morning shift. The new employee STARTS at 9. Carlos GOES to the warehouse on Wednesdays."
- Causative: "I need YOU TO finish the report by Thursday. I'll have the contracts SIGNED today. I want HER TO call the client."
- There is/are: "There ARE three pending orders. There IS one urgent ticket. There WERE 5 complaints last week."

Roles:

- A = team leader (assigns tasks, describes who does what — forces 3rd -s + causative)
- B = team member (confirms assignments, asks, describes what's done — forces there is/are + 3rd -s)

Model (3 min)

> *You (leader): "Good morning. There ARE three urgent items this week. First, I need YOU TO finish the inventory by Thursday. Maria HANDLES the morning shift and SHE HAS the keys, so check with her. Second, I'll have the new printer INSTALLED on Wednesday — the technician COMES at 10. Third, I want Carlos TO train the new employee. He STARTS Monday. Questions?"*

> *Peer teacher (member): "Yes — there ARE three pending orders from last week. Should I have them DELIVERED this week, or do you want me TO wait?"*

> *You: "Have them DELIVERED. And let HIM HELP you — he LEARNS fast."*

Round 1 — Pairs (10 min)

Each pair: ~5 min each as leader. Leader assigns min. 6 tasks covering the 3 blocks (2 with 3rd -s describing a colleague, 2 with causative assigning, 2 with there is/are describing the state). Member confirms using: 1 sentence in 3rd -s, 1 with causative, 1 with there is/are — correctly.

Round 2 — Roles swap + new scenario (6 min)

Swap roles and scenario (office → store, → restaurant, → support). New briefing.

Close (3 min)

1 pair performs in front of the group. Cohort counts correct forms by category. Note errors with NAMES.

> **Insertion #4 of Phrase of the Day:** **A good team briefing sounds like the phrase — match the verb to the subject, the right form for the right number.**

13. INTEGRATED SIMULATION — "THE OFFICE TOUR" — 20 min — STAND UP

Objective: "Integration. You give a tour of your workplace to a new employee. You describe what EXISTS (there is/are), what each person DOES (3rd person -s), and what is DONE FOR you (passive causative: 'we have the coffee delivered', 'we get the office cleaned')."

Setup (3 min)

Scenario: Brief office/workplace tour to a new employee on first day (office, store, hotel, restaurant, hospital). Tour forces the 3 blocks:

- There is/are: "There ARE three meeting rooms on this floor. There IS one kitchen. There WERE two printers before, now there IS only one."
- 3rd person -s: "Maria HANDLES reception. She GOES home at 5. Our director WORKS from home on Fridays."
- Causative: "We have the office CLEANED every night. We get the coffee DELIVERED on Mondays. The director wants you TO start at 9."

Forced vocabulary

- Min. 3 sentences in there is/are (at least 1 singular + 1 plural + 1 in past)
- Min. 3 sentences in 3rd person singular (at least 1 with has/goes/watches/does and 1 negative with doesn't)
- Min. 2 causative sentences (1 with have/get + V3 + 1 with want/tell/ask + to)

Model (3 min)

> **Welcome. There ARE four floors in this building. THERE IS one main entrance on the right. Reception HANDLES all visitors — Maria GOES home at 5, then Carlos COVERS the evening shift. We have the office CLEANED every night at 9, and we get the coffee DELIVERED every Monday morning. The director DOESN'T come on Fridays — he WORKS from home. He WANTS YOU TO meet him next week. There WAS one printer here last year, but now there ARE two — if one IS broken, we ASK the technician TO fix it. Any questions?"*

Round 1 — Trios (9 min)

Trios. One gives the tour 3 min (the other 2 are new employees and ask 1 thing forcing a form: "How many meeting rooms ARE there?" / "Who HANDLES the inventory?" / "Do you get the printers FIXED here or sent out?"). Rotate.

Round 2 — Groups rotate (4 min)

New trios, new scenario.

Close (1 min)

1 trio performs in front of the group. Cohort votes: did correct 3rd -s + correct there is/are + correct causative appear? Note errors with NAMES.

14. SHADOWING — DAY 2: SAME CYCLE, NO VIDEO — 18 min — STAND UP

Objective: "Day 2 of the cycle. SAME video as last class, but TODAY without screen — from memory. Rhythm, sound, intonation — recover what your ear and mouth learned on Day 1."

Verify cycle day + link BEFORE class. The cycle opened in CI 26 (Day 1, with video). CI 28 will be Day 3 (mini-competition, cycle close, before final exam).

Day 2 structure (no video, from memory)

Choral recovery (3 min): Cohort standing, attempts to reproduce the full segment 1× WITHOUT video, from memory, in chorus. Only what they remember from CI 26 — rhythm, intonation.

Phrase-by-phrase reconstruction (12 min): You give the first word or start of each phrase; cohort completes the phrase in chorus STANDING, recovering rhythm and pronunciation. For forgotten phrases, you give the phrase once and the cohort repeats 2–3×. Memory-recovery + pronunciation practice, NOT evaluation.

Day 2 close (3 min): Cohort does the full segment 1× in chorus, from memory. "This is Day 2 — from memory. Day 3 is the mini-competition next class, in the first half before the final exam. Same video all cycle — coordination confirms the link."

15. FREE PRODUCTION — 3rd -S + THERE IS/ARE + CAUSATIVE — 12 min — STAND UP

Objective: "Free production. No prompt from me. You and your partner walk to a point and talk — using 3rd person -s, there is/are, and causative correctly."

Setup (1 min)

Board with 5 prompts hung at different points:

1. Describe one coworker or family member -- what he/she DOES on a typical day (3rd person -s, 4 sentences, at least 1 with doesn't and 1 with has/goes/watches)
2. Describe your workplace using THERE IS / THERE ARE -- present AND past (at least 1 singular, 1 plural, 1 in past)
3. Describe 3 things you have done FOR you (passive causative -- "I have my hair cut", "I get my car washed", "I have the apartment cleaned") + 1 thing you tell/ask someone to do
4. Describe a typical week of someone in your family -- 3 actions in 3rd person -s + 1 thing he/she has done for them + 1 there is/are about their house or job
5. Tour your home in 30 seconds: 3 there is/are sentences + 2 things that are done there (causative)

Procedure (10 min)

Each pair approaches 1 prompt. Talk ~2 min. Rotate. ~3 prompts per pair in 10 min.

Close (1 min)

> *"Free production proves you don't need me. The arc is about ACCURACY: the right -s for the right subject, the right is/are for the right number, the right structure for the right verb family. Next class we integrate everything."*

16. ERROR PAPER EXPANDED (6) + PHRASE CLOSE + HOMEWORK + CI 28 ANNOUNCE — 13 min — STAND UP → SIT

> Review arc → Error Paper is the EXPANDED CENTRAL piece — 6 errors today (2 3rd -s + 2 there is/are + 2 causative).

Error Paper Live (4 min) — STAND UP

Double protocol: in class anonymous on physical paper (delivered with guide, NOT photographed); in personal notebook with NAME + literal quote for coordination.

6 canonical typical errors (EXPANDED — NO names):

- A) ■ "He go to work every day." -> ■ "He GOES to work every day." (3rd singular: -s)
 A) ■ "She don't like coffee." -> ■ "She DOESN'T like coffee." (doesn't in 3rd singular)
 B) ■ "There is many people." -> ■ "There ARE many people." (plural -> are)
 B) ■ "It have three rooms." -> ■ "There ARE three rooms." (no "it have" for existence)
 C) ■ "I want that you go." -> ■ "I WANT YOU TO GO." (want + object + to + verb)
 C) ■ "I made him to work hard." -> ■ "I MADE HIM WORK hard." (make + object + verb BASE)

Read. Students correct 2× in chorus.

Phrase of the Day close (3 min) — STAND UP

1. "Today's phrase from memory." — 1 at random.
2. "Use the same idea — match the verb to the subject, the right form for the right number — in a NEW sentence." — another at random.
3. "Temperance is the right amount — not adding the -s where it doesn't go, not dropping it where it does, not saying 'is' when there are many, not adding 'to' after 'make' or 'let'."

HOMEWORK — DUE: BEFORE NEXT CLASS Cl 28, 7:00 AM

(1) WRITING — 12 min — 8 sentences, 3rd -s + there is/are + causative:

 "Describe one person in your family or at work in 3rd person -s (3 sentences, include has/goes/doesn't). Then describe your workplace or home with 2 there is/are sentences (1 singular, 1 plural). Then say 2 things you have done for you (passive causative). Use the forms correctly." Label: A2-4HR-27.

(3) SHADOWING: today was Day 2 (no video, from memory). Listen to the cycle video 1× at home (the one coordination confirmed).
 Next class Cl 28 = Day 3 = mini-competition (cycle close, in the first half of the class before the final exam).

RULE: Not fragmented. No "I didn't have time" — you have the time between classes.

> *"The REVIEW ARC closes today's cluster. The A2 book finished in Module 44 — from here to Cl 28 we fix the errors that block B1. Today: 3rd person -s, there is/are, and causative — no 'He go', no 'There is many', no 'I want that you go', no 'I made him to work'. Next class Cl 28 is the LAST class of A2. First two hours: INTEGRATED MASTERY of all six clusters from this arc. Last two hours: FINAL EXAM. I won't talk about the exam itself — coordination handles details, criteria, content and results. Today closes with: 'Match the verb to the subject — the right form for the right number.' See you next class — bring the homework on paper, bring rest, bring focus."*

> REMINDER: the teacher NEVER communicates grades, midterm, final or evaluation results. That is exclusive to coordination. If asked: *"Coordination handles results — not me. Focus on the work."* If asked about final exam content: *"Coordination handles the exam — I don't have those details. Next class morning we close the arc, then coordination runs the exam."*
