

B1 MASTERY — CLASS 30 CONV — Danna

Session 30/44 · 1h50min · Block 1 (Conv goes FIRST in this session)

Date: ___/___/2026 · Attending: ___/___

Today's focus: oral application of M41 — Participle Adjectives (-ING for the cause / -ED for the feeler). Juan Diego formalizes the table in the second block.

Virtue: TEMPERANCE day 5 of 5 (close of block CI 26–30)

Phrase of the Day: "A calm professional says 'This work is ENGAGING and I am ENGAGED' — not 'this work is engaged'; on the last day of temperance we close the block by naming the cause with -ING and the feeling with -ED, owning each shape with quiet honesty."

BLOCK MAP (110 min)

| # | Min | Block | Stand? |

|---|---|---|---|

| 1 | 5 | Mystery homework check | YES |

| 2 | 2 | Why today | sit |

| 3 | 4 | Phrase of the Day | YES |

| 4 | 7 | VATS Temperance day 5 — close of block | sit |

| 5 | 7 | Peer Teacher (from Juan Diego's pase CI 29 M39) | YES |

| 6 | 17 | Hot Topic — "What is ENGAGING vs DRAINING in my work week?" | pairs |

| 7 | 20 | Simulation — "The Engagement Survey" (Guest Observer) | YES |

| 8 | 15 | Shadowing | YES |

| 9 | 18 | Project Page 28 — What Engages Me / What Drains Me Draft 1 | sit |

| 10 | 8 | Mini-Pitch + live Q&A | YES |

| 11 | 7 | Error Paper + Phrase close + Pase + Homework + Close | YES |

Bring to class: Mystery envelope · Error Paper sheet · "PASE A JUAN DIEGO — CL 30 GRAMMAR" blank sheet · Juan Diego's pase from previous class (M39 errors) · large cards "ENGAGING" / "DRAINING" / "EXCITING" / "TIRING" / "BORING" / "CONFUSING" for board reference + Engagement Survey · clipboard for the consultant role · clock · personal notebook (errors + NAMES, never shared aloud).

1. MYSTERY HOMEWORK CHECK — 5 min — STAND UP

Open the envelope. Read aloud:

> **In 60 seconds, give me 3 things from previous class's homework:**

> **— 1 sentence from your polished Page 27 What Is Mine: 'The opening hook of slide 2 is mine — I wrote it alone on Sunday morning.'**

> **— 1 sentence with WHOSE + possessive pronoun as object (M39): 'Whose is the closing image on slide 5? — It's hers — she designed it last week.'**

> **— 1 phrase you stole from the TED talk on ownership / authorship / collaboration.**

> **Go!**

1 min silence → 3 students at random. If any asks about Final results: "Coordination handles results — not me. Focus on what comes next." Note in your personal notebook who did not bring homework.

2. WHY TODAY — 2 min — SIT

> **"Mystery: visible practice from previous class."*

> **Phrase of the Day carries today's theme — '-ING' for the cause, '-ED' for the feeler. Temperance day 5: closing the block clean.**

> **Peer Teacher: errors from last class's Grammar M39 — possessive adjective in object position — from Juan Diego's pase, from this room.**

> **Hot Topic and Engagement Survey: what is engaging vs draining in your work week — in clean professional pairs -ING/-ED.**

> **Shadowing.**

> **Page 28: an honest energy map of your project — what engages, what drains — written in class, in front of me.**

> **Mini-Pitch + Q&A.**

> **Pase to Grammar at the end — fresh -ING/-ED errors for Juan Diego.**

> **Today closes TEMPERANCE day 5 (last of block). Next class CI 31 opens JUSTICE day 1 — clean.**

> **Limit: any question about Final results goes to coordination — not to me.**

3. PHRASE OF THE DAY — 4 min — STAND UP

Write on the board (before class):

PHRASE OF THE DAY — CL 30 CONV

"A calm professional says 'This work is ENGAGING and I am ENGAGED' — not 'this work is engaged'; on the last day of temperance we close the block by naming the cause with -ING and the feeling with -ED, owning each shape with quiet honesty."

1. Read twice slowly.
2. Cohort echoes 3×.

3. Say: "Look at the front — 'this work is ENGAGING and I am ENGAGED'. Two adjectives, two shapes. The -ING shape names the CAUSE — the work that creates the effect. The -ED shape names the PERSON who FEELS the effect. Juan Diego names the technical table this morning in the second block: M41 Participle Adjectives. End of phrase — 'on the last day of temperance we close the block'. Day 5 is the close itself: clean, on time, no inflation."

4. "Sit. Listen — I will use this phrase three more times today."

(Same phrase Juan Diego will use in his Grammar block — coherence between blocks.)

4. VATS — TEMPERANCE DAY 5 — CLOSE OF BLOCK — 7 min — SIT

> *"*Day FIVE of temperance — the LAST of this block. Pick ONE thing from your work this past week. Use BOTH shapes: '___ was ENGAGING / EXCITING / INTERESTING / TIRING / DRAINING' (cause -ING) and 'I was ENGAGED / EXCITED / INTERESTED / TIRED / DRAINED' (person -ED). For example: 'The Wednesday sprint was exciting. I was excited.' 'The Friday status meeting was tiring. I was tired.'* Close the week's experience cleanly — cause and feeling, named honestly. Don't say 'I am exciting' (you'd be claiming you cause excitement). Don't say 'the meeting was tired' (a meeting can't feel)."

Pairs 3 min. 2 students share 3 min. Reflection 1 min.

Insertion #1 of Phrase of the Day: "*As today's phrase says — right shape, right side. -ING for the cause, -ED for the person. Closing the block clean.*"

5. PEER TEACHER — from Juan Diego's PASE — 7 min — STAND UP

Read aloud the 2–3 errors Juan Diego wrote in his pase from previous class (probable M39 patterns: "*It is my*" in object position, "*It's her*" for "hers", "*The printer is our*" for "ours", "*Is the my*" incomplete, some tried "*hims*" from "*his*").

> *"*Today's peer teacher is [name]. These errors are from last class's Grammar block M39 — fresh, from this room.*"

Student: explains → corrects → cohort echoes 2×. Quick reminder of the M39 table: my→mine, your→yours, his→his (same shape — careful!), her→hers, our→ours, their→theirs.

Applause. "*Next class: [next name].*"

6. HOT TOPIC — "WHAT IS ENGAGING vs DRAINING IN MY WORK WEEK?" — 17 min — PAIRS

Setup — 2 min

> *"*No text today — today's Grammar topic is structural (-ING vs -ED), not narrative. So today is pure speaking. Your work week — what energizes you, what drains you. Juan Diego names the technical table this morning in the second block — boring/bored, exciting/excited, tiring/tired, interesting/interested, confusing/confused, frustrating/frustrated, relaxing/relaxed, surprising/surprised, amazing/amazed, annoying/annoyed, embarrassing/embarrassed, depressing/depressed, distracting/distracted, worrying/worried. Today you produce it in clean professional speech.*"

Sample patterns to model briefly:

- "*The Monday status meeting is boring. I am bored.*"
- "*The new dashboard project is exciting. I am excited.*"
- "*Ten hours of email is tiring. I am tired.*"
- "*The new compliance rules are confusing. I am confused.*"
- "*Working from Barichara is relaxing. I am relaxed.*"

Pairs debate — 12 min

Write on the board:

HOT TOPIC – "ENGAGING vs DRAINING IN MY WORK WEEK"

Discuss with your partner – describe YOUR last work week using PARTICIPLE ADJECTIVES (-ING for the cause, -ED for the person):

1. Pick TWO things from your week that are ENGAGING / EXCITING / INTERESTING – and say how YOU FELT:
"The Wednesday client demo was exciting. I was excited the whole afternoon."

2. Pick TWO things that are DRAINING / TIRING / BORING / FRUSTRATING – and say how YOU FELT:
"Ten hours of back-to-back meetings is tiring. I was tired by 6 PM."

3. Pick ONE thing that is CONFUSING or SURPRISING – and say who is CONFUSED or SURPRISED:
"The new pricing policy is confusing. The whole team is confused."

Requirements (12 min):

- 6+ pairs -ING / -ED used correctly (cause with -ING, person with -ED – never reversed)
- 2+ work-specific things (meetings, projects, tasks, rituals – NOT generic "life")
- 1 honest TEMPERANCE closure: "this is what was ENGAGING and this is what was DRAINING – no more, no less"

Pairs. English only. 12 min.

Plenary — 3 min

2 students share 2 engaging + 2 draining + 1 honest temperance closure.

Insertion #2 of Phrase of the Day: "Listen to your phrases: 'the meeting is boring, I am bored' / 'the project is exciting, I am excited'. Cause and feeling. That structure has a name — Juan Diego gives it this morning."

7. SIMULATION — "THE ENGAGEMENT SURVEY" — 20 min — STAND UP

Setup — 3 min

> *"Stand up. A consultant from outside (Guest Observer pattern — 1 guest interviewer, group observer, professor coach) interviews the cohort about engagement. You answer using PARTICIPLE ADJECTIVES: 'what is ENGAGING for you?' / 'what is DRAINING?' / 'when do you feel EXCITED?' / 'when are you BORED?'. Right shape every time — -ING for the cause, -ED for the person.'"*

Board:

"THE ENGAGEMENT SURVEY" – 3-4 min per round

PATTERN VALIDATED (Guest Observer):

- 1 GUEST (the consultant – rotates each round)
- GROUP OBSERVER (cohort listens + counts pairs)
- PROFESSOR (coach, never plays guest)

CONSULTANT (script – adapt to interviewee):

Q1: "What part of your work this week was most

ENGAGING? – were you ENGAGED?"

Q2: "What was DRAINING or TIRING? – were you TIRED?"

Q3: "What was CONFUSING or FRUSTRATING? – was the team CONFUSED?"

Q4: "What was the most EXCITING moment? – were you EXCITED?"

Q5: "What SURPRISED you? – were you SURPRISED?"

Q6 (TEMPERANCE close): "Name the week honestly – was it more ENGAGING or more DRAINING? Choose ONE word – no inflation."

INTERVIEWEE (you):

- Right shape: -ING for the cause, -ED for the person
- 6+ pairs minimum
- Professional context only
- Temperance day 5 closure: name the week as it was

OBSERVER GROUP:

- Count -ING / -ED pairs used correctly
- Flag any reversed shape ("I am exciting" / "the meeting was tired") for the cohort to correct

Model — 3 min

> *"Let me model the cohort answer: 'The new analytics dashboard project is exciting. I am excited about it — every morning I open the file first. The Tuesday all-hands meeting is tiring. I am tired by the end. The new pricing policy is confusing. The whole sales team is confused. The Wednesday sprint was the most engaging part of my week. I was fully engaged. Honestly — naming the week — it was more engaging than draining. That is the truth, no inflation.' If a colleague asks about evaluations, midterms or finals — that goes only to coordination."*

Round 1 — Guest Observer — 10 min

3 rounds (3–4 min each). Each round: 1 student = consultant (guest), 1 student = interviewee, rest = observer group counting -ING/-ED pairs. Professor coaches from the side, NEVER plays guest. Rotate.

Close — 4 min

2 volunteers do their Engagement Survey in front of the group. Cohort counts correct pairs + flags reversals ("I am exciting" → "I am excited" / "the meeting was tired" → "was tiring"). Note errors with NAMES in personal notebook.

8. SHADOWING — 15 min — STAND UP

Verify today's cycle link in WhatsApp before class.

- **Setup — 2 min:** Play. Listen once.
- **Round 1 — 5 min:** Phrase by phrase. Repeat 2×.
- **Round 2 — 6 min:** Full play. Shadowing.
- **Close — 2 min:** 1 volunteer reproduces.

9. PROJECT — PAGE 28: WHAT ENGAGES ME / WHAT DRAINS ME (DRAFT 1) — 18 min — SIT

Setup — 2 min

> *"Take out your Page 27 from previous class. Today you write Page 28 — a NEW section: WHAT ENGAGES ME / WHAT DRAINS ME. Don't write 'I love research' — write 'Research is engaging. I am engaged when I open a fresh source.' Don't write 'I hate slide design' — write 'Slide design is draining. I am drained after 90 minutes of it.' Then connect to your project: which parts will engage you? Which parts will drain you? How do you plan around it? Temperance day 5: name the energy honestly — no inflation, no martyrdom."*

Board:

Write an honest, energy-mapping narrative (130-170 words handwritten):

1. WHAT ENGAGES ME: name 2-3 specific parts of YOUR work / project that ENGAGE you. -ING for the cause and -ED for you:

"Researching new sources is engaging. I am engaged when I open a fresh paper at 7 AM."

"Talking with a real client about a real problem is interesting. I am interested for hours."

2. WHAT DRAINS ME: name 2-3 specific parts that DRAIN you. -ING for the cause and -ED for you:

"Designing slides for 90 minutes straight is tiring. I am tired and unfocused after."

"Sitting through a 2-hour status meeting is draining. I am drained by the end."

3. WHAT THIS MEANS FOR MY PROJECT (TEMPERANCE bridge): one short paragraph (3-4 sentences) connecting energy to plan:

"Because research engages me, I will start every project session with 20 minutes of research. Because designing slides drains me, I will batch it on Friday afternoons. Day 5 closure: I name the energy honestly and plan around it — no inflation, no martyrdom."

Use -ING / -ED PAIRS correctly. At least 6 pairs total. 130-170 words handwritten. Hand in at end of class.

Silent writing — 13 min

Each student writes Page 28 Draft 1.

Close — 3 min

2 students read "WHAT ENGAGES ME" + their "TEMPERANCE bridge". Applause.

Insertion #3 of Phrase of the Day: *"You just wrote that energy map, here, in front of me. That's day 5 on paper: honest, paired, real — a clean close before the next block opens."*

10. MINI-PITCH + LIVE Q&A; — 8 min — STAND UP

Setup — 1 min

> *3 volunteers. Topic: 'Name ONE thing in your work this week that ENGAGED you and ONE thing that DRAINED you — and explain how you will plan around each for the next two weeks of your project.' 90 sec pitch. 30 sec Q&A; from audience.*

Round — 7 min

3 students × ~2.5 min. Audience listens for correct -ING/-ED pairs (NO "I am exciting" / "the meeting was tired") + temperance honesty.

11. ERROR PAPER + PHRASE CLOSE + PASE + HOMEWORK + CLOSE — 7 min — STAND UP

Error Paper Live — 2 min

Write on the board (anonymous; NAMES go ONLY in your personal notebook):

1. ■ "I am exciting about the project." → ■ "I am excited about the project." (-ed = feeler)
2. ■ "The meeting was tired." → ■ "The meeting was tiring." (-ing = cause)
3. ■ "The class is bored today." → ■ "The class is boring today." (if "class causes boredom")
4. ■ "I am interesting in the new project." → ■ "I am interested in the new project." (-ed = feeler)

Read. Students correct in chorus 2x.

Phrase of the Day close — 1.5 min

1. *"Today's phrase from memory."* — 1 student at random.
2. *"Now use it in a NEW sentence about YOUR work — one -ING for the cause, one -ED for you."* — another at random.

PASE TO JUAN DIEGO — 1 min

Fill the sheet titled **"PASE A JUAN DIEGO — CL 30 GRAMMAR"**:

PASE Conv → Grammar – Cl 30

3 fresh errors from Conv today:

1. [literal error] – student: [name]
2. [literal error] – student: [name]
3. [literal error] – student: [name]

Note: Cohort produced -ING/-ED pairs ("the meeting is boring / I am bored", "the project is exciting / I am excited", "ten hours of email is tiring / I am tired", "the new policy is confusing / the team is confused") orally in Hot Topic "Engaging vs Draining" + Engagement Survey simulation (Guest Observer Pattern) + Page 28 Draft 1. They arrive at your M41 with the pairs already in their mouth – you formalize from the book (A2 Book M41 p.326+; Vocabulary p.327 with 15 pairs verbatim boring/bored, depressing/depressed, disappointing/disappointed, exciting/excited, interesting/interested, surprising/surprised, tiring/tired, amazing/amazed, annoying/annoyed, confusing/confused, distracting/distracted, embarrassing/embarrassed, frustrating/frustrated, relaxing/relaxed, worrying/worried; Guide 1 p.328 canonical rule: -ing for the cause, -ed for the feeler; Examples 1 p.329; Practice Guide p.331-332).

Most common pattern today: reversing shapes – "I am exciting" / "the meeting was tired" / "I am interesting in" / "the class is bored" when meaning "boring". Reinforce with your physical sorting (cards into CAUSE / FEELING zones).

Schedule: Cl 44 = Final, announced as calendar fact only (no grade, no criteria – coordination handles that).

Signed: Danna

Hand it physically to Juan Diego before his block.

Homework — DUE BEFORE NEXT CLASS Cl 31, 7:00 AM — 1.5 min

HOMEWORK CL 30 – DUE: BEFORE NEXT CLASS Cl 31, 7:00 AM
TIME: 30-45 min – NOT fragmented.

(1) WRITING – 15 min – 12 sentences about your professional life using PARTICIPLE ADJECTIVES with the right shape (-ING for cause, -ED for person):

- 2 with BORING / BORED
- 2 with EXCITING / EXCITED
- 2 with TIRING / TIRED
- 2 with INTERESTING / INTERESTED
- 2 with CONFUSING / CONFUSED
- 2 with FRUSTRATING / FRUSTRATED or DRAINING / DRAINED

Hand in on paper next class.

RULE: never "I am boring" when you mean "I am bored"; never "the meeting was tired" when you mean "tiring".

(2) AUDIO – 10 min – Record 2-3 min: "What engages me and what drains me at work – describe your last work week with 6+ pairs -ING/-ED correctly."
Label: B1-CONV-30.

(3) READING – 10 min – Find 5 real English sentences (article, review, social post, signage) with participle adjectives -ING or -ED. Copy, underline, note cause (-ING) or person (-ED). Bring on paper.

(4) LISTENING – 10 min – Short TED talk on WORK ENGAGEMENT, BURNOUT, FLOW or ENERGY MANAGEMENT.
Note 5 -ING/-ED adjectives + 1 full pair from the speaker + 1 stealable phrase for your Page 28.

RULE: Not fragmented. No "I didn't have time."

Close

> **"See you next class CI 31. Juan Diego goes to the next existing module — M42 'Getting Crazy!' / Changes of State (verified verbatim, line 23529). Today you named the week's energy cleanly — engaging and engaged, tiring and tired — right shape every time. And today closed the **TEMPERANCE block — day 5, the last. Next class CI 31 opens JUSTICE day 1: a NEW block, new virtue.** Cronograma reminder: Final presentation is on CI 44 — your Pages 16-28 are the road into it. Homework due before next class, 7 AM. (Any question about evaluations or the Final goes to coordination — not to me, not to Juan Diego.)"**

DELIVERABLES TO COORDINATION

- ☐ Printed report filled
 - ☐ Photo of Mystery envelope + board (Phrase + Hot Topic + errors)
 - ☐ Photo/video: Peer Teacher · Engagement Survey simulation · Mini-Pitch
 - ☐ N copies of Page 28 Draft 1 (photo — written in class)
 - ☐ PASE from Juan Diego (archived) + PASE to Juan Diego (photo before delivery)
 - ☐ Anonymous Error Paper (physical)
 - ☐ List of students who did NOT bring homework (with NAMES)
 - ☐ Personal notebook page: 3 literal errors + NAMES
 - ☐ Count of Phrase of the Day natural insertions
 - ☐ Confirmed Final CI 44 + next class M42 + JUSTICE day 1 announced as calendar facts
