

## B1 MASTERY — CLASS 34 GRAMMAR — Grammar Teacher

Session 34/44 · 1h50min · Block 2 (after Conv) · IMMERSIVE MODEL — 4 long blocks · ~80% standing

Date: \_\_\_/\_\_\_/2026 · Attending: \_\_\_/\_\_\_

Module: B1 Book M1 — *Question Tags* — *Confirming and Maintaining Conversation* (p.3–5) — **FIRST module of the B1 Book**

Virtue: JUSTICE day 4 of 5 (block stays open, CI 31–35)

Phrase of the Day: "On day four of justice we confirm with the right shape — 'You sent it, didn't you? You aren't worried, are you?' — same auxiliary, opposite polarity, never trapping."

---

### BLOCK MAP — 4 LONG BLOCKS (110 min)

| # | Min | Block | Function |

| --- | --- | --- | --- |

| 1 | 10 | **OPENER** | Welcome + JUSTICE day 4 named + CI 34 of /44 + Phrase of the Day + 60-sec mystery (Conv pase) + standing board-race warm-up + bridge |

| 2 | 40 | **CONTENT OF THE DAY** | M1 FORM: mini-talk (8 min) + walking transformation 4 zones (15 min) + pair drilling with cards + intonation marker (10 min) + podium reinforce specials (7 min) |

| 3 | 45 | **LIVE APPLICATION** | ONE immersive activity — "OFFICE CONFIRMATION INTERROGATIVE" — pair work in rotating triads, observer grid, live board errors |

| 4 | 15 | **CLOSE** | Error paper recap + Frase close + Tarea + PASE A CONV — CL 35 |

**Bring to class:** B1 Book open at p.3-5 · Phrase of the Day already written on the board · "PASE A CONV — CL 35" blank sheet · Conv's pase (received before this block) · the card sets described below · 4 floor labels for walking transformation · printed observer grid for the triads · Error Paper sheet · personal notebook (errors + NAMES, never shared aloud) · clock.

---

### CARDS YOU PREPARE BEFORE CLASS (tight, reusable across cohorts)

Make on letter-size paper, big enough to read across the room (~5cm letters). Keep in a plastic envelope after class — reuse next cohort.

SET A — STATEMENT CARDS (~12 cards):

"You're coming." · "She isn't here."

"We did it." · "He hasn't called."

"I'm ready." · "Let's go."

"Open the door." · "There's a meeting."

"Nothing is broken." · "They won't agree."

"You can do it." · "It's clear."

SET B — AUXILIARY TAG CARDS (~14 cards):

aren't · isn't · wasn't · weren't · haven't ·

hasn't · hadn't · don't · doesn't · didn't ·

won't · can't · shall · will

INTONATION MARKER CARDS (2 cards):

■ (RISING = genuine question)

■ (FALLING = expecting confirmation)

4 FLOOR LABELS for walking transformation:

"REGULAR"

"I AM (→ aren't I)"

"IMPERATIVE (→ will you / can you)"

"LET'S / THERE / NOTHING (→ shall we / isn't

there / is it)"

→ Tape to walls or floor corners.

Total: ~28 cards + 4 floor labels. Prep time ~25 min

first cohort. After that: reuse forever.

### BLOCK 1 — OPENER — 10 min

#### (1 min) Welcome + frame

> *"Welcome to CI 34 of 44. The Conv block just opened the B1 Book — M1 Question Tags. My job now is the FORM. Virtue: JUSTICE — day FOUR of five. Block stays open one more day. Previous class closed the A2 Book at M44. From today through CI 43 the source is the B1 Book."*

#### (2 min) Phrase of the Day — on the board (already written)

PHRASE OF THE DAY — CL 34 GRAMMAR

"On day four of justice we confirm with the right shape — 'You sent it, didn't you? You aren't worried, are you?' — same auxiliary, opposite polarity, never trapping."

Read once slowly. Cohort echoes 2x. Quick gloss: "Two tags on the board. First: 'You sent it, didn't you?' Statement is positive ('sent'), no visible auxiliary, so we pull out 'did' for past simple and make the tag negative → 'didn't you?'. Same subject 'you'. Second: 'You aren't worried, are you?' Statement is negative ('aren't'), so the tag is positive in the same auxiliary → 'are you?'. Same subject. Same auxiliary, opposite polarity — that is the whole rule in four words. End of phrase: 'never trapping' — Justice day 4: a tag confirms a shared fact, it does not load blame."

### (2 min) 60-sec mystery — receive Conv pase from this morning

> *"Read the pase from the Conv block — name 3 form gaps the Conversational Teacher flagged for me to formalize today. 60 seconds."*

Pick 3 students to read the 3 errors verbatim. If any asks about Final results: "Coordination handles results. Focus on what comes next." Note who did not bring homework.

### (3 min) Warm-up — standing board race

Two columns on the board. You call an auxiliary in its positive form; the first student of each row runs to the board and writes the NEGATIVE contraction. Cohort verifies. 8 rounds in 3 minutes.

```
"is" → "isn't"
"are" → "aren't"
"was" → "wasn't"
"were" → "weren't"
"have" → "haven't"
"has" → "hasn't"
"did" → "didn't"
"will" → "won't"
```

Quick note as you erase: "These are the 8 contractions you'll need in 90% of tags today. The other 10% — 'shall' for let's, 'will/can' for imperative, 'aren't I' for I am — we handle in the next block."

### (2 min) Bridge to today's content

> *"Today's content is M1 FORM: the rule (same auxiliary, opposite polarity, same subject), the do/does/did pull-out when there's no visible auxiliary, and the 4 special cases — I AM, IMPERATIVE, LET'S, THERE/NOTHING. Then we drill the form physically — 4 zones around the room — and we land it in a 45-minute office confirmation simulation. Stay standing."*

## BLOCK 2 — CONTENT OF THE DAY — 40 min

### (8 min) Mini-talk — form rules from the book + 4 special cases

Stand at the board. Book p.3-4 open. Write or have pre-written:

M1 — QUESTION TAGS — FORM RULES (B1 Book p.3-4)

ONE RULE — three pieces:

- (1) SAME AUXILIARY as the principal statement
- (2) OPPOSITE POLARITY (affirmative → negative tag; negative → affirmative tag)
- (3) SAME SUBJECT pronoun

When no auxiliary is visible (present simple, past simple), PULL OUT do / does / did:

"Sam plays soccer, doesn't he?"

"You play soccer, don't you?"

"Andres played soccer, didn't he?"

4 SPECIAL CASES (book p.3 + extension):

- I AM → "aren't I?" (book p.3 — amn't does not exist)

"I am very tall, aren't I?"

- IMPERATIVE → "will you? / can you?"

"Open the door, will you?"

- LET'S → "shall we?"

"Let's go, shall we?"

- THERE IS/ARE → "isn't there / aren't there?" "There is a meeting, isn't there?"

- NOTHING → positive tag (negative word

"nothing" counts as a negative statement)

"Nothing's broken, is it?"

INTONATION (book note + workplace reality):

■ RISING = genuine question (I want a real answer)

■ FALLING = expecting confirmation (I already know, I'm confirming aloud)

Talk through it standing, mark each rule with your hand. Book p.3 verbatim quote: "The question tag uses the same auxiliary as the principal statement." Book p.4 verbatim examples drilled out loud: "We can eat lunch, can't we? / We can't eat lunch, can we? / Bella should do her homework, shouldn't she? / Your friend is sick, isn't he? / The boys are playing tennis, aren't they? / You went to school, didn't you? / Mark makes breakfast,

doesn't he? / I am working, aren't I? / Edith will take a cookie, won't she? / We are going to call Mom, aren't we?"

Phrase of the Day INSERTION #1: "Same auxiliary, opposite polarity, same subject. Justice day 4 — never trapping."

### (15 min) Walking transformation — 4 zones

Tape the 4 floor labels in the 4 corners (or 4 walls) of the room:

#### • REGULAR

#### • I AM (→ aren't I)

#### • IMPERATIVE (→ will you / can you)

#### • LET'S / THERE / NOTHING

Stand in the middle. Call a statement out loud. Students physically WALK to the zone that fits + say the full tagged sentence out loud as they arrive. If wrong zone or wrong tag, cohort calls "again" and they re-walk. 16 statements in 15 min, ~1 per minute.

Statement called → Right zone + right tag  
1. "You're coming." → REGULAR — "aren't you?"  
2. "I'm ready." → I AM — "aren't I?"  
3. "Let's go." → LET'S — "shall we?"  
4. "Open the door." → IMPERATIVE — "will you?"  
5. "There's a meeting." → THERE — "isn't there?"  
6. "She isn't here." → REGULAR — "is she?"  
7. "Nothing is broken." → NOTHING — "is it?"  
8. "We did it." → REGULAR — "didn't we?"  
9. "He hasn't called." → REGULAR — "has he?"  
10. "I am late." → I AM — "aren't I?"  
11. "Close the window." → IMPERATIVE — "will you?"  
12. "Let's reschedule." → LET'S — "shall we?"  
13. "There are 5 people." → THERE — "aren't there?"  
14. "They won't agree." → REGULAR — "will they?"  
15. "You can do it." → REGULAR — "can't you?"  
16. "It's clear." → REGULAR — "isn't it?"

Coach: when someone goes to the wrong zone, don't say "wrong" — say "walk it again — listen to the statement first." When the tag is right but the zone is right too, cohort claps once. Note errors with NAMES in your notebook.

### (10 min) Pair drilling with cards + intonation marker

Hand each pair: 6 statement cards (SET A) + 6 auxiliary tag cards (SET B) + 1 intonation marker per pair (■ or ■). Pair work:

1. Student A reads the statement card.
2. Student B picks the right auxiliary tag card + adds the right SUBJECT pronoun + speaks the full tagged sentence with the intonation shown on the marker.
3. Swap roles after every card. After 5 cards each, swap the intonation marker so they practice both ■ and ■.

Walk and coach the FORM (right auxiliary, right polarity, right subject) AND the INTONATION (up or down — make the hand visible from across the room). Phrase of the Day INSERTION #2: "Same auxiliary, opposite polarity, same subject. Falling = confirm; rising = ask. Justice day 4 — fair only."

### (7 min) Podium — reinforce the 4 special cases

Draw a podium on the board (1st, 2nd, 3rd). Pick 3 strong students to come up one at a time. Each gets a SPECIAL-CASE statement; produces the full tagged sentence; cohort confirms in chorus "Confirmed!" If they hesitate or get it wrong, the cohort gives the chorus correction.

1st (I AM): "I am running this kickoff." → "I am running this kickoff, aren't I?"  
2nd (LET'S): "Let's redeploy at lunch." → "Let's redeploy at lunch, shall we?"  
3rd (IMPERATIVE): "Pass me the report." → "Pass me the report, will you?"

Then one final chorus drill — you call all 4 special-case patterns in sequence, cohort responds in unison:

> \*"I am late — \_\_\_\_\_?"\* → "aren't I?"

> \*"Let's go — \_\_\_\_\_?"\* → "shall we?"

> \*"Open the door — \_\_\_\_\_?"\* → "will you?"

> \*"There is a meeting — \_\_\_\_\_?"\* → "isn't there?"

Note: "Stand up — we move to the simulation."

## BLOCK 3 — LIVE APPLICATION — 45 min — "OFFICE CONFIRMATION INTERROGATIVE"

ONE activity, no format change for 45 minutes. Rotating triads. Every student plays every role.

### (3 min) Setup

> \*"You're running an OFFICE CONFIRMATION INTERROGATIVE — pair work in rotating triads. Three roles: STATEMENT-MAKER reads a flat statement (any topic — your real week works fine). TAG-ADDER instantly produces the full statement + correct tag + the right intonation. OBSERVER marks each tag on the grid I'm handing out — right auxiliary, right polarity, right subject, right intonation. Three rounds. Each round 12 minutes. Every student plays every role exactly once. I will WRITE recurring errors on the board live as I hear them — when there are three on the board we stop and correct as a cohort."\*

Hand out printed observer grid (prepared before class):

OBSERVER GRID – CL 34 GRAMMAR – OFFICE CONFIRMATION INTERROGATIVE

Tag-adder name (this round): \_\_\_\_\_

Mark each tag below as:

✓ = right aux + right polarity + right subject + right intonation

X aux = wrong auxiliary (e.g. "isn't she?" after past simple)

X pol = wrong polarity / same sign

X sub = wrong subject pronoun

X int = flat or wrong intonation

X spc = special-case miss (amn't I / no shall / no will-you for imperative)

Round 1 – 8 tags:

1: \_\_\_\_\_ 2: \_\_\_\_\_ 3: \_\_\_\_\_ 4: \_\_\_\_\_

5: \_\_\_\_\_ 6: \_\_\_\_\_ 7: \_\_\_\_\_ 8: \_\_\_\_\_

Round 2 – 8 tags (must include 2 specials):

1: \_\_\_\_\_ 2: \_\_\_\_\_ 3: \_\_\_\_\_ 4: \_\_\_\_\_

5: \_\_\_\_\_ 6: \_\_\_\_\_ 7: \_\_\_\_\_ 8: \_\_\_\_\_

Round 3 – 8 tags (must include 1 negative statement + positive tag):

1: \_\_\_\_\_ 2: \_\_\_\_\_ 3: \_\_\_\_\_ 4: \_\_\_\_\_

5: \_\_\_\_\_ 6: \_\_\_\_\_ 7: \_\_\_\_\_ 8: \_\_\_\_\_

One sentence to the tag-adder at the end:

\_\_\_\_\_

**(~40 min) 3 rounds × ~12 min — rotating triads + live board errors**

**Round 1 (12 min):** Triads form. Each triad runs 8 statement + tag pairs. Statement-maker speaks; tag-adder responds in 2 sec; observer marks. You circulate and WRITE EVERY RECURRING ERROR on the side of the board as you hear it. When 3 errors are on the board, freeze — cohort corrects in chorus 2×, erase, continue.

**Round 2 (12 min):** Rotate roles. Push for the 4 SPECIAL CASES (I am / let's / imperative / there). Each triad must produce at least 2 specials in their 8 tags. Continue live board-error correction. Phrase of the Day INSERTION #3: *"Same auxiliary, opposite polarity, same subject. Special cases obey it too."*

**Round 3 (12 min):** Final rotation. Push for NEGATIVE statements with POSITIVE tags — at least 1 in each triad. By now they should be sharp. Slow down only for the most stubborn pattern you wrote on the board across the previous 2 rounds.

**(2 min) Cohort close**

One strong triad demos 90 sec in front of the group — 3 tags including 1 special. Applause. Phrase of the Day INSERTION #4: *"Same auxiliary, opposite polarity, same subject. Justice day 4 — confirm, never trap."*

**BLOCK 4 — CLOSE — 15 min**

**(4 min) Error paper recap — 3 most common errors today**

Write on the board (anonymous; NAMES only in your personal notebook):

ERROR PAPER – CL 34 GRAMMAR

1. ■ "Mark makes breakfast, isn't he?" → ■ "Mark makes breakfast, DOESN'T he?" (no visible aux → pull-out does, NOT is/isn't)
2. ■ "I am working, amn't I?" → ■ "I am working, AREN'T I?" (book p.3 SPECIAL – amn't doesn't exist)
3. ■ "Let's redeploy, will we?" → ■ "Let's redeploy, SHALL we?" (let's → shall we, not will we)
4. ■ "You can swim, can you?" → ■ "You can swim, CAN'T you?" (positive statement → NEGATIVE tag, opposite polarity)

Cohort echoes the 4 corrections in chorus 1×. Note the named version in your personal notebook for the audit report — do NOT say names aloud.

**(3 min) Phrase of the Day close**

1. *"Phrase from memory — one student."* Pick one at random.

2. *"Now use it about ONE real verification you owe a colleague before next class — one positive + negative tag, one negative + positive tag."* Pick another at random.

**(4 min) Homework — explained out loud**

HOMEWORK CL 34 GRAMMAR — DUE: BEFORE NEXT CLASS CL 35, 7:00 AM  
TIME: 30-45 min — NOT fragmented.

(1) WRITING — 15 min — 10 tagged sentences  
covering ALL the special cases + regulars:  
1 with "I AM" → "aren't I"  
1 with "LET'S" → "shall we"  
1 with "THERE IS / ARE" → "isn't there /  
aren't there"  
1 IMPERATIVE → "will you / can you"  
1 NEGATIVE statement + POSITIVE tag  
5 REGULAR (positive + negative tag, mix of  
past simple, modal, perfect, to be)  
Examples to copy the pattern (not the content):  
"I am leading the standup, aren't I?"  
"Let's reschedule, shall we?"  
"There is a meeting at 4, isn't there?"  
"Close the door, will you?"  
"You haven't sent the report, have you?"  
RULE: never "amn't I"; never wrong subject  
pronoun; never same polarity on both sides;  
pull out do/does/did when no auxiliary is  
visible. Hand in on paper next class.

(2) AUDIO eyes closed — 3 min — Record a  
check-in conversation with a coworker using  
6 different tags. Mark intonation as you  
speak: RISING (real question) or FALLING  
(expecting confirmation). Justice day 4:  
fair confirmation only. Label: B1-GRAMMAR-34.

(3) LISTENING — 10 min — Find a YouTube clip of  
natural English conversation (interview,  
podcast, TED Q&A;). Note 5 question tags you  
hear + mark the auxiliary + mark the  
intonation (■ or ■). Bring on paper.

RULE: Not fragmented. No "I didn't have time."

#### **(4 min) PASE A CONV — CL 35 — fill + deliver**

Fill the sheet titled "**PASE A CONV — CL 35**" in front of the cohort so they see the handoff is real:

PASE Grammar → Conv – Cl 34 → Cl 35

3 conversational gaps observed in Grammar today  
(literal):

1. [literal error] – student: [name]
2. [literal error] – student: [name]
3. [literal error] – student: [name]

Patterns to drill orally next class Cl 35:

- Which intonation pattern students still miss (most often: flat tag instead of falling confirmation; or rising when they should be confirming a known fact)
- Which tag form they avoid out of doubt (most often: pull-out do/does/did when no auxiliary is visible; and the SPECIAL cases – they default to "isn't it?" instead of "shall we / will you / aren't I / isn't there")
- Negative statement + positive tag is still underused – they prefer to keep statements affirmative

Note: Today opened the B1 Book – M1 is the FIRST module. I formalized the form (B1 Book M1 p.3-5): Guide 1 p.3 verbatim "same auxiliary as the principal statement"; Examples p.4 verbatim ~23 pairs; Exercises p.5 21 sentences. 4 special cases drilled physically (I AM / LET'S / IMPERATIVE / THERE-NOTHING).

Schedule: Cl 35 = M2 Either/Neither/Both (B1 Book p.9+). JUSTICE day 5 – block CLOSES. Cl 44 = Final (last 2h), calendar fact only.

Signed: Grammar Teacher

Hand it physically to the Conversational Teacher before the next session.

### Close (verbatim)

> *"See you next class Cl 35. Today the B1 Book opened — M1 Question Tags is the first module. Next class is M2 Either / Neither / Both from the same book. Same auxiliary, opposite polarity, same subject — and the 4 special cases obey the same rule. Today was day FOUR of JUSTICE — block stays open one more day. Next class is day FIVE — the block closes. Final presentation is on Cl 44 — calendar fact only — coordination handles that. Homework due before next class, 7 AM."*

## DELIVERABLES TO COORDINATION

- [ ] Printed report filled
- [ ] Photo of board (Phrase of the Day + form rules + 4 special cases + Error Paper recap)
- [ ] Photo/video: walking transformation 4 zones · podium for specials · one triad mid-simulation · cohort close demo · B1 Book opening moment (book open at p.3)
- [ ] Stack of completed observer grids from the 45-min simulation
- [ ] PASE from Conv (archived) + PASE to Conv Cl 35 (photo before delivery)
- [ ] Anonymous Error Paper (physical)
- [ ] List of students who did NOT bring homework (with NAMES)
- [ ] Personal notebook page: 3 literal errors + NAMES
- [ ] Count of Phrase of the Day natural insertions (target 4)
- [ ] **B1 Book opening photo: book open at p.3 + board with "M1 — B1 BOOK OPENED — Cl 34-43 = M1-M5"**

## NOTAS INTERNAS (no leer en clase)

- **MODELO INMERSIVO (Diana 2026-06-18):** 4 bloques largos, no 12 fragmentados. Estudiantes reportaron que el modelo viejo se sentía "robótico, pausa cada 15-20 min". Inmersión profunda, profesor coachea desde el lado durante actividades largas.
- **B1 BOOK ABRE HOY:** M1 *Question Tags* — *Confirming and Maintaining Conversation* (p.3-5) es el PRIMER módulo del B1 Book. Cl 33 cerró A2 Book M44; hoy Cl 34 abre B1 Book M1. Desde Cl 34 a Cl 43 = 10 clases trabajando desde el B1 Book — M1 a M5.
- **Mapeo del usuario corregido contra el libro real:** El brief inicial pedía M2 = Advanced Adjectives. El B1 Book real NO tiene módulo Advanced Adjectives. Aplica la regla "sigue libro, salta huecos, NUNCA inventa". Orden real: M1=Question Tags (p.3) / M2=Either-Neither-Both (p.9) / M3=Deduction / M4=Third Conditional / M5=Could/Should Have. Cl 35 = M2 Either/Neither/Both.
- **Virtud:** Cl 31-35 = JUSTICIA v2. Hoy día 4. Mañana Cl 35 día 5 (CIERRA).
- **Cronograma:** Cl 44 = FINAL PRESENTATION (últimas 2h del nivel — confirmado Diana 22/05). Anunciar SOLO como hecho de calendario.
- **Frase del Día** activa (GoldList eliminado desde 14/05).

- **Bloque ~80% de pie** — opener, content (walking + pair + podium), simulación entera. Cierre sentado.
- **M1 alcance del libro:** Regla general (mismo auxiliar, polaridad opuesta, mismo sujeto), pull-out do/does/did, 4 especiales (I am → aren't I / let's → shall we / imperativo → will you / there + nothing). Intonación rising vs falling se enseña como nota de uso real.
- **Cita verbatim libro p.3:** "The question tag uses the same auxiliary as the principal statement." + "I am very tall, aren't I? (Amn't does not exist, so we use aren't for I)" — citar literal en clase.
- **Frase del Día insertions target: 4** (board + después de mini-talk + transición round 2 simulación + cohort close).
- **Cohorte:** B1 Mastery. El cambio de Grammar Teacher (2026-06-15) no se menciona en clase — guías genéricas.
