

A2 · CI 13 — HOJA DE RUTA

Virtud: JUSTICIA (v1, día 3 de 5) · **Modulo:** M15 I Have Visited London — The Present Perfect (Regular Verbs), Libro A2 p.133-146

Frase del Día: "I have worked, I have shared, and I have helped without asking who deserves it — a fair person can name what they have done."

BLOQUE 1 (22') — Apertura

• **Recuperación espaciada (10'), oral y DE PIE, en cadena, sin cuaderno:**

- De CI 10 (past simple vs past continuous): "One TRUE sentence about an interruption: 'I was ____ when ____.'" — 4-5 estudiantes en cadena.
- De CI 6 (modal "might"): "One real, uncertain plan with MIGHT: 'Tonight I might ____.' / 'This weekend I might ____.'" — 3-4 estudiantes.
- Errores que OIGAS → tablero anónimos → 1 min de re-producción correcta en coro. NO lo conviertas en explicación.

• **Chequeo público de portafolio (3'):** "Who did their daily audio/video?" — pregunta uno por uno y ANOTA (NO revisas contenido).

• **Frase del Día en tablero** (escrita ANTES). 2 lecturas + coro 2x. Insertala natural 3+ veces hoy. Nota que ya es el tiempo del día: I HAVE worked / shared / helped.

• **Revisión de tarea CI 12** (A Busy Team Day): recoge papeles; 2 estudiantes leen 1 frase. Anota en libreta, no corrija aquí.

BLOQUE 2 (43') — M15: El present perfect con verbos REGULARES

Tablero verbatim del libro (M15, Guide 1, p.133-134):

1. A diferencia del pasado simple, el **present perfect** se usa para acciones hechas (o no hechas) en un periodo INDEFINIDO / no especificado, o para acciones NO terminadas. (Nota: a pesar de su nombre, es un tiempo PASADO.)
2. Se forma con el verbo "to have" como auxiliar (= "haber") + el PARTICIPIO PASADO del verbo.
3. La mayoría de los participios (los "regulares") agregan "-ed" al verbo — igual que el pasado simple, como el español "-ado / -ido".
4. Se usa "have" normal; **he / she / it usan "HAS"**.

Estructura y formas (escribelas grande):

Subject + HAVE/HAS + participle (+ complement)
"I have played hockey." = Yo he jugado hockey.

I have (not) played. / Have I played?
He has (not) played. / Has he played?
We have (not) played. / Have we played?

ABBREVIATED: I've played / I haven't played · He's played / He hasn't played
SHORT ANSWER: "Have you visited London?" "Yes, I have. / No, I haven't."

Ejemplos del libro (p.135), pasado simple → present perfect: I played soccer yesterday → I've played soccer. · You lived in Madrid last year → You've lived in Madrid. · Jeff showered in the morning → Jeff has showered. · We visited my parents last month → We've visited my parents. · They helped the children → They've helped the children. · I didn't talk to Miguel → I haven't talked to Miguel. · Did you study last week? → Have you studied? · Did Sandra visit the apartment? → Has Sandra visited the apartment?

Actividad (meta en 1 línea, dila al inicio): "By the end of this block, each of you will have told a partner 4 real things you HAVE DONE in your life — no exact date needed."

1. Preparación en parejas (6'): cada uno arma oralmente 4 experiencias reales con verbos regulares (worked / studied / lived / visited / helped / shared) + 1 negativa + 1 pregunta Have you...? Notas mínimas.
2. Ejecución: cada estudiante cuenta sus 4 experiencias y responde 2 preguntas Have you...? con short answer (Yes, I have / No, I haven't).
3. Producto: 4-5 estudiantes dicen al grupo su mejor experiencia + una cosa justa que han hecho por otros. El bloque no termina sin esto.
4. Feedback: primero sobre el LOGRO (nombraron experiencias reales), después sobre la forma.

Errores típicos (tachalos en tablero, coro 2x): ~~I have play hockey~~ → I have PLAYED hockey · ~~He have played~~ → He HAS played · ~~You have visited London?~~ → HAVE you visited London? · ~~Yes, I have visited~~ → Yes, I HAVE (short answer sin repetir el verbo).

BLOQUE 3 (37') — Simulación: JOB INTERVIEW — YOUR EXPERIENCE

Escenario (solo tablero y sala): una entrevista de trabajo real sobre tu experiencia. Escribe en tablero: "JOB INTERVIEW — Your experience".

- Al frente: 1 estudiante es el ENTREVISTADOR (guest) que pregunta "Have you...?" + 1 estudiante es el CANDIDATO que responde con present perfect (verbos regulares) + short answers, y menciona algo justo que ha hecho por un equipo: "Have you worked with clients? — Yes, I have. I have worked in a store. I have helped many customers. I have shared tasks with my team."
- El RESTO son observers ACTIVOS con tarea concreta: anotar 2 errores, 1 acierto, 1 pregunta.
- TU eres coach desde afuera: NUNCA juegas entrevistador ni candidato. Congelados 15+ segundos → UN prompt ("Have you helped a team before?") y te retiras.
- Mínimos por ronda: 4 preguntas Have you...? · 4 respuestas con present perfect regular · 2 short answers (Yes, I have / No, I haven't).
- Rotación cada 4-5 min (nuevo entrevistador + nuevo candidato; cambia el puesto: atención al cliente → asistente → ventas) hasta que TODOS pasen al frente al menos 1 vez.
- Debrief final (5'): observers reportan lo anotado (anónimo); correcciones al tablero, coro 2x.

BLOQUE 4 (18') — Cierre

- **Ticket de salida (5'):** cada estudiante escribe 3-5 frases con present perfect REGULAR (worked / studied / lived / visited / helped / shared); mínimo 1 pregunta Have you...? y 1 short answer. Se recogen TODOS (no evalúas ni comentas — solo recoges y entregas a coordinación).

• **Tarea (escribela en tablero):**

HOMEWORK CL 13 – DUE: Cl 14 before 7:00 PM • TIME: 20-30 min. NOT fragmented.
(1) WRITING "MY EXPERIENCE PROFILE" – 8 sentences on paper for a job, present perfect with REGULAR verbs (worked/studied/lived/visited/helped/shared): 6 affirmative or negative + 2 questions "Have you...?". Include one fair thing you have done for others. Hand in next class.
(2) DAILY PORTFOLIO – 1-3 min audio/video on your phone, in English, EVERY day. Today's topic: "What I have done that is useful at work."

• **Error paper:** anonimo en clase (los del tablero); en tu libreta privada, errores literales CON nombre para coordinacion.

• **VATS (1 pregunta, 2 respuestas max) — JUSTICIA:** *"How do you treat someone who has LESS than you?"* — **Anuncio:** *"Next class: 'I have gone to Paris!' — the present perfect with IRREGULAR verbs: been, gone, eaten, taken, driven."*

ANEXO — M15 verbatim + Plan B (no leer en clase)

Libro A2, Module 15 — "I Have Visited London" — The Present Perfect (Regular Verbs) (p.133-146). Objetivo del libro: "Expresar frases usando el present perfect con verbos regulares."

Guide 1 (p.133-134), reglas tal cual:

1. A diferencia del pasado simple, usamos el present perfect para acciones hechas (o no hechas) en un periodo indefinido o no especificado, o para acciones no terminadas. (A pesar de su nombre, sigue siendo un tiempo del pasado.)
2. Se forma con el verbo "to have" como auxiliar (equivalente a "haber") mas el participio pasado del verbo.
3. La mayoría de los participios (los "regulares") se forman agregando "-ed" al verbo, igual que el pasado simple; como el "-ado / -ido" del español.
4. Estructura: Sujeto + HAVE/HAS + participio (+ complemento). "I have played hockey." → "Yo he jugado hockey."
5. Se usa "have" como auxiliar normal; recuerde que "he", "she" e "it" usan "has".

Formas completas (p.134): I have (not) played. / Have I played? · You have (not) played. / Have you played? · He has (not) played. / Has he played? · We have (not) played. / Have we played? · They have (not) played. / Have they played? — Abreviada: I've played / I haven't played · He's played / He hasn't played.

Ejemplos del libro (p.135), pasado simple → present perfect: *I played soccer yesterday → I've played soccer.* · *You lived in Madrid last year → You've lived in Madrid.* · *Jeff showered in the morning → Jeff has showered.* · *We visited my parents last month → We've visited my parents.* · *They helped the children → They've helped the children.* · *I didn't talk to Miguel → I haven't talked to Miguel.* · *Did you study last week? → Have you studied?* · *Did Sandra visit the apartment? → Has Sandra visited the apartment?*

Short answer (Verbal Practice 5, p.145-146): "Have you played hockey?" "Yes, I have." · "Has Sandra visited the apartment?" "No, she hasn't." · "Have they helped the children?" "Yes, they have."

Plan B:

- Si el Bloque 2 se atasca (olvidan -ed o usan "have" con he/she): NO avances a negativa/pregunta. Quedate en afirmativa con have/has + verbo-ED hasta que salga limpio; la pregunta y el short answer quedan para la simulacion con solo 2 verbos.
- Si la simulacion no arranca: cadena de pie — tu das el verbo regular desde el tablero, cada estudiante hace 1 pregunta *Have you...?* al siguiente, ese responde con short answer + 1 frase y pregunta al proximo. Tu sigues fuera del rol.
- Si sobra tiempo en Bloque 3: ronda "the most useful thing you have done" — cada candidato defiende su experiencia mas util para el puesto.

NOTA INTERNA:

- M15 NO trae seccion de vocabulario propia — no inventar. El present perfect regular es la puerta del arco: M15 (regular, HOY) → M16 (irregular, CI 14) → M17 (present perfect vs past simple, CI 15). Conecta los tres.
- COSTURA CON CI 14 (no negociable): la tarea de HOY es "MY EXPERIENCE PROFILE" (perfil de experiencia, present perfect regular) — es exactamente lo que CI 14 recoge en su Bloque 1. El anuncio de HOY fija CI 14 = M16 "I Have Gone to Paris" (irregulares been/gone/eaten/taken/driven).
- Continuidad: la revision de tarea recoge A Busy Team Day de CI 12; la recuperacion trae CI 10 (M12 past simple vs continuous) y CI 6 (M7 modal "might").
- Virtud por numero de clase (calendario absoluto): CI 11-15 = JUSTICIA v1; hoy dia 3. CI 14 = dia 4, CI 15 = dia 5. CI 16 abre FORTALEZA.
- CI 25 presentaciones / CI 26 midterm / CI 55 final: NO se comunican al grupo; coordinacion maneja.
