

B1 MASTERY — CLASE 18 CONV — Conversational Teacher

Sesion 18/44 · 1h50min · Bloque 1 (Conv goes FIRST) FORMATO RECETA ACCIONABLE

Date: ____/____/2026 · Attending: ____/____

Today's focus: NARRATIVE INTEGRATION — oral application of the WHOLE past system in ONE coherent story. CI 13-14 gave past simple (completed events) + time expressions. CI 15 gave past continuous (background / ongoing). CI 16 gave when/while interruption. CI 17 gave used to / would (past habits and states). Today we WEAVE them: set the scene (used to / was -ing), hit the turning point (when + past simple), and sequence the resolution (first, then, after that, finally). No new rule — we choose the RIGHT past form for each clause and tell a real professional story start to finish. Grammar Teacher formalizes the integrated machine in Block 2 same morning.

Virtud: FORTALEZA v1 dia 3 de 5 (bloque CI 16-20)

Phrase of the Day: *"Fortitude tells the whole story — I used to struggle, I was failing when the chance came, I pushed through, and then I won. Weave every past form and the story of courage stands."*

=====
[VIRTUD] HOY = FORTALEZA v1 dia 3 de 5
=====

3 MOMENTOS donde la virtud se ACTIVA hoy:

(1) OPENER: ESCRIBES "FORTITUDE" en board grande
+ DI: "Day 3 – Fortitude is the story you tell after you endure. A challenge has a scene, a turning point, a struggle, and a push through. Today every one of you tells one – start to finish – in the past."

(2) BLOQUE 2 practica: si alguien narre saltando del pasado al presente a mitad de historia,
DI suave: "Fortitude. Stay in the past.
Hold the timeline – used to, was -ing, then it happened."

(3) CIERRE: PREGUNTA (rota): "What is something difficult you started over?" – 2 respuestas maximo, en pasado, rapido, sin discusion.

=====
[FRASE DEL DIA] (escribela en board ANTES de empezar)
=====

"Fortitude tells the whole story – I used to struggle, I was failing when the chance came, I pushed through, and then I won. Weave every past form and the story of courage stands."

INSERTA 4 veces hoy:

- (1) OPENER (apenas escribas el board)
- (2) BLOCK 2 (cuando enseñes a elegir la forma por clausula + el orden secuencial)
- (3) BLOCK 3 (cuando empiece el Storytelling Interview)
- (4) CIERRE (un estudiante la repite de memoria y la parafrasea con su propia historia de trabajo)

=====
QUE TRAES (NADA MAS):
- Reloj
- 2-3 marcadores
- Tu cuaderno personal (errores + nombres)
- La hoja "PASE A CONV – CL 18" recibida del Grammar Teacher al final de CI 17 (3 gaps + bridge) – la lees en el opener
=====

BLOCK MAP — 4 BLOQUES (110 min)

| # | Min | Bloque | Que pasa |

|---|---|---|---|

| 1 | ~10 | OPENER | Frase + FORTALEZA dia 3 + "My past story" roundup (Grammar pase CI 17) + bridge a narrative integration |

| 2 | ~50 | CONTENT NARRATIVE INTEGRATION | Choosing the form per clause (used to / was -ing / when + simple) + sequencing connectors + build a story aloud together |

BLOCK 1 — OPENER (~10 min)

1. DI: "Welcome. Class 18 of 44. For five classes you built the past piece by piece – simple events, time expressions, the continuous background, the when/while interruption, used to for old habits. Today we put them in ONE story. No new rule. You choose the right past form for each line and tell a real story start to finish."
2. [VIRTUD] activation: ESCRIBE "FORTITUDE" en board grande. DI: "Day 3 – Fortitude is the story you tell AFTER you endure. Every real challenge has a scene, a turning point, a struggle, and a push through. Today each of you narrates one – in the past, from beginning to end."
3. [FRASE] insertion 1: ESCRIBE la frase en board. LEELA 2 veces en voz alta. COHORTE repite 2 veces. UN estudiante la dice solo.
4. [PROMPT] (roundup – Grammar pase Cl 17):
LEE en voz alta la hoja "PASE A CONV – CL 18" que el Grammar Teacher dejó al cierre de Cl 17. Dispara el "My past story" roundup: cada persona da 3 líneas sobre una experiencia real de la semana pasada – 1 con USED TO o WAS -ING (the scene), 1 con WHEN + past simple (the turning point), 1 con THEN / AFTER THAT (the result). Rapido, vuelta completa.
5. ESCUCHA. NO corrijas todavía. Solo MARCA mentalmente: quien salta al presente, quien pierde el orden, quien dice "used to went". Estos son los blancos de hoy.
6. DI (bridge): "Cl 15 you set the scene – 'I was working late'. Cl 16 you cut it – 'when the client called'. Cl 17 you went back further – 'I used to work in sales'. Cl 14 you ordered time – 'first, then, finally'. Today none of these stands alone. One story uses all of them. The skill is choosing: background gets was -ing, the event gets simple, the old habit gets used to, and connectors keep the order."
7. DI: "If I hear the story jump to the present – 'so I work there and then he calls me' – I say FORTITUDE, and you pull the whole line back into the past."
8. DI: "Sit straight. Marker ready. We go to the board."

[ALERTA] si la hoja PASE de Grammar no llegó, USA un mini-prompt generico: "Tell me three lines about a hard week at work last month — the scene, the moment it changed, and what you did after." NO esperes mas de 90 segundos.

[OK] SEÑAL DE AVANCE: cuando la cohorte produzca las 3 líneas del roundup y registre que UNA historia usa varias formas, PASA a Block 2.

BLOCK 2 — CONTENT NARRATIVE INTEGRATION (~50 min)

1. ESCRIBE en board grande el MAPA DE LA HISTORIA
(4 capas, cada una con su forma):

A PAST STORY – WHICH FORM FOR WHICH LINE

(1) THE SCENE / BACKGROUND

used to + base -> old habit/state

"I used to work in a small office."

was/were + -ing -> what was happening

"One morning I was preparing a report."

(2) THE TURNING POINT / EVENT

when + past simple -> the thing that happened

"...when the manager called me in."

past simple -> completed action

"She gave me a huge new client."

(3) THE STRUGGLE

past simple + past continuous mixed

"I didn't know the system. I was failing

every test while the deadline came closer."

(4) THE RESOLUTION / SEQUENCE

first ... then ... after that ... finally

"First I asked for help. Then I practiced

every night. After that it got easier.

Finally I closed the deal."

*** Background = was -ing. Event = simple. ***

*** Old habit = used to. Order = connectors. ***

2. SEÑALA capa (1). DI: "The scene is the slow part – what was already true or already happening. Old habit = used to. What was in progress = was -ing. This is Module 12: 'I was eating pasta when my brother arrived' – the was -ing is the background."

3. SEÑALA capa (2). DI: "The turning point is fast and finished. Past simple. The classic frame from the book: WAS -ING ... WHEN + PAST SIMPLE. The long action gets cut by the short one."

4. [FRASE] insertion 2: SEÑALA la frase en el board.

DI: "This is what the phrase does – I USED TO struggle (scene), I WAS failing WHEN the chance came (turning point), I PUSHED through, and THEN I won (sequence). Every form, one story."

5. [ERROR TIPICO #1] "I used to worked in sales."

-> TACHA "worked", ESCRIBE "I used to WORK in sales."

DI: "After USED TO = base verb. No -ed." COHORTE repite 2 veces en coro.

6. [ERROR TIPICO #2] "I was prepare a report when she

called." -> ESCRIBE "I was PREPARING a report when

she called." DI: "Background = was + -ing. The event that cuts it = past simple." COHORTE repite 2 veces.

7. ESCRIBE una segunda seccion grande en board:

SEQUENCING CONNECTORS (keep the order clean)

first ... -> the start
then / after that ...-> the next step
while ... -> two things at once
when ... -> the moment one cut another
finally / in the end -> the close

*** Use them to walk the listener through time. ***
*** A story without connectors sounds like a list. ***

8. SEÑALA connectors. DI: "These are the rails. 'First I asked for help. While I practiced, my confidence grew. Then the test came. Finally I passed.' Same facts, but now the listener follows the timeline."

9. [ERROR TIPICO #3] "Then I am winning the client."
-> TACHA "am winning", ESCRIBE "Then I WON the client." DI: "Fortitude – stay in the past. The story does not jump to the present." COHORTE repite 2 veces.

10. MODELA UNA historia completa en voz alta (60 seg), apuntando a cada capa del board mientras la dices:
"I used to work alone. One afternoon I was finishing a report when my boss gave me a difficult client. First I panicked. I didn't know the product and I was losing time. Then I asked a colleague. After that I practiced every night. Finally I closed the deal." DI: "Hear it? Used to – was -ing – when + simple – then – finally. That is integration."

11. PIDELES en parejas: "Each person tells a 5-line past story about a real work or study challenge. Line 1: the scene (used to / was -ing). Line 2: the turning point (when + past simple). Line 3: the struggle. Lines 4-5: the resolution with first / then / finally. Partner listens and names which form you used in each line." 8 minutos.

12. CIRCULA. CORRIGE en board cuando un error aparezca en 2 parejas distintas (sin nombres). Anota errores con NOMBRE en TU cuaderno.

13. [VIRTUD] activation: si alguien salte al presente o use "used to went", DI suave: "Fortitude. Stay in the past. Hold the timeline – used to, was -ing, then it happened."

14. ESCRIBE una tercera seccion grande en board:

STORY OPENERS & CLOSERS (so it sounds whole)

OPEN: "Let me tell you about the time I..."
"A few years ago I used to..."
"One day I was ... when ..."
CLOSE: "...and in the end I learned that..."
"...that's how I pushed through."
"...and finally it worked out."

*** A story needs a door in and a door out. ***

15. SEÑALA openers/closers. DI: "Don't start with the middle. Open with the scene, close with what you learned or how you pushed through. That frame turns five sentences into a story."

16. PIDELES en parejas (nueva): "Retell your story – but now add a real opener and a real closer, and make it 6-8 lines. Partner counts: did you use at least one used to OR was -ing, one when + simple, and two sequencing connectors?" 7 minutos.

17. CIRCULA, CIERRA cuando 80% del grupo encadene scene -> turning point -> resolution sin saltar al presente y con al menos 2 connectors. DI: "Stand up – we go to the interview."

[ALERTA] si llegas a 30 min y la cohorte aun mezcla presente y pasado a mitad de historia, NO agregues openers/closers. Reduce el objetivo a 3 capas (scene + turning point + 1 connector) y deja openers/closers como callback en CI 19. Mejor UNA historia limpia de 4 lineas que 8 lineas con saltos de tiempo.

[OK] SEÑAL DE AVANCE: parejas narrando 6-8 lineas con used to/was -ing + when + past simple + connectors, manteniendose en pasado sin pedir ayuda.

BLOCK 3 — LIVE: JOB-INTERVIEW STORYTELLING — A CHALLENGE I OVERCAME (~45 min)

1. ESCRIBE en board grande: "JOB-INTERVIEW STORYTELLING
– A CHALLENGE I OVERCAME – 3 ROTACIONES"

2. DI las reglas: "In pairs. One is the INTERVIEWER. One is the CANDIDATE. The interviewer asks the classic question: 'Tell me about a difficult situation you faced at work and how you handled it.' The candidate answers with a COMPLETE past story – 6 to 8 sentences: set the scene (used to / was -ing), give the turning point (when + past simple), describe the struggle, and sequence the resolution (first, then, after that, finally). The interviewer asks 2 follow-up questions in past simple. Then you switch roles – new story."

3. [FRASE] insertion 3: DI: "This interview IS the phrase in action – I used to struggle, I was failing when the chance came, I pushed through, and then I won. Weave every past form and the story of courage stands."

4. ESCRIBE en board el ESQUELETO que el candidate sigue (no un guion – un mapa):

SCENE -> "I used to..." / "I was ...-ing..."
TURNING -> "...when ... (past simple)"
STRUGGLE -> "I didn't... / I was ...-ing..."
SEQUENCE -> "First... Then... After that..."
CLOSE -> "...Finally... / and I learned..."

Plus the 2 interviewer follow-ups (examples):

"What did you do first?"

"Why didn't it work the first time?"

"How did you feel while it was happening?"

"What did you learn in the end?"

5. PIDELES round 1 (12 min): pareja escoge roles. Candidate tells the full 6-8 sentence story. Interviewer asks 2 follow-ups in past simple. Then SWITCH roles – different story.

6. CIRCULA. INTERVEN solo si un error aparece 3 veces en la misma pareja -> board -> coro 2x -> vuelven a parejas.

7. [PROMPT] (translanguaging): DI: "If stuck, switch to Spanish, think 5 seconds, come back to English. Don't freeze and don't drop into the present."

8. ROTA parejas. Round 2 (12 min): same format, pero ahora el candidate debe incluir AL MENOS un USED TO (old habit) Y un WAS -ING ... WHEN ... (interruption) in the SAME story. Interviewer adds 2 follow-ups.

9. [VIRTUD] activation durante la entrevista: si alguien narre saltando al presente o diga "used to went" / "when I was call her", DI suave: "Fortitude. Stay in the past. Hold the timeline – used to, was -ing, then it happened."

10. ROTA parejas otra vez. Round 3 (12 min): mismo formato, push para que cada historia tenga AL MENOS 1 used to / was -ing (scene) + 1 when + past simple (turning point) + 2 sequencing connectors + 1 closer. Observer (third person of nearby pair) cuenta las capas presentes y los saltos al presente.

11. CIRCULA, CORRIGE cuando un error aparezca 2 veces en parejas distintas. Anota con NOMBRE en tu cuaderno.

12. CIERRA con UNA pareja modelo: 90 segundos frente al grupo (1 mini-interview completa – pregunta + historia de 6 líneas + 2 follow-ups). Observer voluntario reporta en voz alta: "I counted: scene, turning point, struggle, and X sequencing connectors – all in the past." Aplauso.

[ALERTA] si una pareja se queda en silencio 15+ segundos, DROP UN PROMPT ("What were you doing when it went wrong?" / "What did you do first?" / "How did it end?") y RETIRATE. NO expliques, NO llenes el silencio, NO tomes el rol de interviewer ni candidate.

[OK] SEÑAL DE AVANCE: 3 rotaciones + UNA demo al frente con scene + turning point + struggle + sequence visibles, todo en pasado.

BLOCK 4 — CIERRE (~15 min)

1. ESCRIBE en board: "ERRORS HEARD TODAY"

2. ESCRIBE los 5 errores típicos (anonimos):

X "I used to worked there" -> "I used to WORK there"

X "I was prepare a report" -> "I was PREPARING a report"

X "Then I am winning the deal" -> "Then I WON the deal"

X "When I was call her" -> "When I CALLED her" (event = simple)

X "...and then, after, finally" -> order the connectors: "First... then... finally"

3. COHORTE repite las 5 correcciones 2 veces en coro.

4. [FRASE] close: UN estudiante (al azar) dice la frase de memoria + la PARAFRASEA con su propia historia del trabajo ("Fortitude tells the whole story – I used to fear the phone, I was shaking when the first client called, I pushed through, and then I closed the sale"). Aceptas cualquier parafraseo que encadene used to / was -ing + when + simple + un connector, todo en pasado.

5. [VIRTUD] día 3 cierre del día:

PREGUNTA (rota): "What is something difficult you started over?" – 2 respuestas máximo, en pasado, rápido, sin discusión.

DI: "Day 3 of FORTITUDE. Two more days to close the block."

6. ESCRIBE HOMEWORK en board (mientras la dices):

HOMEWORK CL 18 CONV – DUE BEFORE NEXT CLASS, 7:00 AM
TIME: 30-45 min (B1). NOT fragmented.

(1) WRITING – ONE complete past story, 8-10 sentences, about a real challenge at work or school. It MUST contain, underlined:

- 1 scene with USED TO or WAS -ING

"I used to arrive late every morning."

- 1 turning point with WHEN + past simple

"...when my manager gave me a warning."

- 2 struggle lines (past simple / continuous)

- 3 sequencing connectors (first / then / after that / finally)

- 1 closer ("...and in the end I learned...")

Hand in on paper next class.

(2) AUDIO eyes closed – 2-3 min – "A challenge I overcame" – tell the SAME story out loud, smoothly, no reading. Stay in the past the whole time. Label: B1-CONV-18. Send to WhatsApp group before next class.

(3) LISTENING – 10 min YouTube – search "tell me about a time you overcame a challenge interview answer". Note how the speaker (a) sets the scene, (b) marks the turning point, (c) sequences the resolution. Write 5 past-tense lines you heard. Bring on paper.

RULE: not fragmented. No "I didn't have time."

If pushback: "This is what B1 requires. 30 to 45

minutes is the minimum. We don't lower the bar – we raise your stamina."

7. PASE Conv -> Grammar entregada ANTES de cambiar de bloque (ver siguiente sección).

8. DI: "Next class Cl 19: PAST PERFECT – had + past participle. It lets you put one past event BEFORE another inside a story: 'By the time I arrived, the meeting had already started.' Today you wove the whole past into one story; next class we add depth – a past inside the past. See you next class. Any question about evaluations goes to coordination – not to me."

[ALERTA] si un estudiante no anota la tarea -> DI: "Phone out. Photo of the board now." Nadie se va sin saberla. Si alguien protesta por la longitud: "30-45 min total, not fragmented. That is the rule."

[OK] SEÑAL DE AVANCE: cohorte sale sabiendo la tarea + UN estudiante diciendo la frase de memoria + 5 errores en board + PASE a Grammar entregada antes de cambiar de bloque + CI 19 anunciada.

PASE A GRAMMAR TEACHER — MISMO DIA — antes de cambiar de bloque

Fill la hoja titulada **"PASE A GRAMMAR — CL 18"** y entregala fisicamente al Grammar Teacher ANTES del cambio de bloque:

PASE Conv -> Grammar — Cl 18 (mismo dia)

3 fresh gaps from Conv today (orally, in the room):

1. [literal error] — student: [name]
2. [literal error] — student: [name]
3. [literal error] — student: [name]

Most common patterns today (oral):

(a) Tense-mixing — jumping to present mid-story:
"So I work there and then he calls me" instead of staying in the past.

(b) Wrong form for background vs event:
"I was call her when..." / "When I was finished"
— background should be was -ing, the event simple.

(c) used to + past form:
"I used to worked" / "I used to went" — after
USED TO the verb is bare.

(d) Missing or scrambled sequencing:
story told as a flat list, no first/then/finally,
or connectors out of order.

(e) No opener/closer — story starts in the middle and stops with no resolution.

Cohort produced 3 rotations of Job-Interview Storytelling
— each candidate told a 6-8 sentence past story (scene + turning point + struggle + sequenced resolution). They arrive at your block with the spoken shape in mouth — formalize the integrated machine on paper: which form for which clause, and how connectors carry the timeline.

Focus your drills on:

- Choosing the form per clause (used to / was -ing / when + past simple)
- The was -ing ... when + simple frame (Module 12)
- used to + BASE verb (no -ed, no irregular)
- Sequencing connectors (first / then / after that / finally) holding ONE timeline
- Staying in the past across a whole paragraph

Signed: Conversational Teacher

Hand it physically to the Grammar Teacher.

DELIVERABLES A COORDINACION

- [] FOTO del board final con los 5 errores tipicos + Frase del Dia
 - [] FOTO/video del Job-Interview Storytelling (3 rotaciones + demo)
 - [] ESCRIBE en tu cuaderno: 3 errores literales con NOMBRES
 - [] MARCA en reporte: FORTALEZA v1 dia 3 de 5
 - [] CONFIRMA: 4 inserciones de Frase del Dia hechas (opener / form+sequencing teaching / storytelling interview / cierre paraphrase)
 - [] CONFIRMA: PASE a Grammar Teacher entregada antes del cambio de bloque
 - [] CONFIRMA: PASE "A CONV — CL 18" de Grammar recibida y leida en opener
 - [] CONFIRMA: NO comunicaste notas (coordinacion maneja)
 - [] CUENTA: 3 rotaciones de Storytelling completas + UNA demo al frente
-

NOTAS INTERNAS (no leer en clase)

- Profe NO viene con material preparado. Todo se genera en clase con board y cuaderno. Si suplente cubre con esta sola guia puede ejecutar todo. Cero sobres, cero cards, cero grids impresos.
- Topico CI 18 = NARRATIVE INTEGRATION (SUPUESTO DE PLANEACIÓN — verificar). Clase de consolidacion: NO introduce regla nueva — teje past simple (CI 13-14) + past continuous (CI 15) + when/while interruption (CI 16) + used to/would (CI 17) + time expressions/sequencing (CI 14) en UNA narracion coherente. Si Diana redirige el modulo, reajustar el contenido del bloque 2 — la estructura de 4 bloques se mantiene.

- Anclaje al libro: el frame WAS -ING ... WHEN + PAST SIMPLE y el modelo de narracion multi-clausula salen de A2 Book Module 12 ("I was eating pasta when my brother arrived"; el ejemplo Carlos Vives en la heladeria es una narracion pasada modelo). USED TO / WOULD para habitos pasados es gramatica estandar PERO va MAS ALLA del Module 12 del A2 Book (SUPUESTO DE PLANEACIÓN — verificar fuente exacta si Diana la pide). NUNCA inventar reglas; citar el libro donde aplique.
- Proximo CI 19 = PAST PERFECT (had + past participle) para anidar un evento pasado anterior dentro de la narracion ("By the time I arrived, the meeting had already started") (SUPUESTO DE PLANEACIÓN — verificar). Depende del PASE que devuelva el Grammar Teacher hoy.
- Virtud CI 16-20 = FORTALEZA v1. Hoy día 3 de 5. CI 19 día 4. CI 20 día 5 cierra bloque. Calendario absoluto — no se desplaza por festivos.
- CI 22 = Midterm (integrado en guia CI 1, sin presentaciones separadas). CI 44 = Final aplicado por evaluador externo de coordinacion — NO generar guia pedagogica ese día. Mencionar solo como hecho de calendario si pregunta alguien. NO comunicar notas, midterm, ni criterios — coordinacion.
- PASE bidireccional Conv <-> Grammar: hoy Conv abre el día con la produccion oral (story roundup), Grammar formaliza la maquina integrada en el mismo CI 18 (Bloque 2), y Grammar entrega PASE a Conv CI 19. Patron validado desde CI 7.
- Modelo inmersivo: 4 bloques largos, NO 12-13 cortos. Inmersion 45 min en Block 3 (Job-Interview Storytelling), profesor COACHA desde el lado, no juega rol de interviewer ni candidate. Plan B en cada bloque permite ejecutar incluso si cohorte llega cansada o un suplente cubre sin contexto previo.
