

B1 MASTERY — CLASE 18 GRAMMAR — Grammar Teacher

Sesion 18/44 · 1h50min · Bloque 2 (Grammar, after Conv) FORMATO RECETA ACCIONABLE

Date: ____/____/2026 · Attending: ____/____

Module: NARRATIVE INTEGRATION — formalize the WHOLE past machine on paper: choose the form per clause (used to + base for old habit/state / was-were + -ing for background / when + past simple for the event / past simple for completed actions) and chain them with sequencing connectors (first / then / while / when / after that / finally). No new rule — this consolidates CI 13-17. Master move: BACKGROUND = was -ing, EVENT = simple, OLD HABIT = used to, ORDER = connectors, and the whole paragraph STAYS in the past. ~86% standing.

Virtud: FORTALEZA v1 dia 3 de 5 (bloque CI 16-20)

Phrase of the Day: *"Fortitude writes the whole story clean — used to + base sets the scene, was -ing holds the background, when + simple cuts it, then and finally carry the order. One past, one timeline, the integrated machine."*

=====
[VIRTUD] HOY = FORTALEZA v1 dia 3 de 5
=====

3 MOMENTOS donde la virtud se ACTIVA hoy (mayoria DE PIE):

(1) OPENER (Stand): ESCRIBES "FORTITUDE" en board
grande + DI: "Day 3 – Fortitude is the
story you write after you endure. After
Conv this morning you SPOKE the story;
here we write it clean – every clause in
the right past form, the whole paragraph
holding one timeline."

(2) BLOQUE 2-3 practica (Stand at board): si alguien
escriba un salto al presente o "used to
went", DI suave: "Fortitude. Stay in the
past. Background = was -ing, event =
simple, habit = used to."

(3) CIERRE: PREGUNTA: "Which past story did you write
clean today – start to finish?" – 2
respuestas maximo, rapido, sin discusion.

=====
[FRASE DEL DIA] (escribela en board ANTES de empezar)
=====

"Fortitude writes the whole story clean – used to +
base sets the scene, was -ing holds the background,
when + simple cuts it, then and finally carry the
order. One past, one timeline, the integrated machine."

INSERTA 4 veces hoy:

- (1) OPENER (apenas escribas el board)
- (2) BLOCK 2 (cuando cierres el mapa de formas + connectors)
- (3) BLOCK 3 (mid-round del Story-Build Sprint)
- (4) CIERRE (un estudiante la repite + la parafrasea)

=====
QUE TRAES (NADA MAS):
- Reloj
- 2-3 marcadores
- Tu cuaderno personal (errores + nombres)
- La hoja "PASE A GRAMMAR – CL 18" recibida del Conv
Teacher esta mañana (3 gaps orales + bridge) – la
lees en el opener
=====

BLOCK MAP — 4 BLOQUES (110 min) — ~86% DE PIE

| # | Min | Bloque | De pie? | Que pasa |

|---|---|---|---|---|

| 1 | ~10 | OPENER | STAND | Frase + FORTALEZA dia 3 + 3 gaps (Conv pase, mismo dia) + bridge al mapa integrado |

| 2 | ~50 | CONTENT INTEGRATED MAP + CONNECTORS | STAND ~90% | Form-per-clause map + sequencing + transformacion en pares + podium "fix the clause" |

| 3 | ~45 | LIVE: STORY-BUILD SPRINT | STAND 100% | Collaborative board story, each pair adds 1 correct clause, 18+ builds, 3 rounds |

| 4 | ~15 | CIERRE | SEATED | Error paper recap + frase close + virtud dia 3 + tarea + PASE a Conv CI 19 |

> **DE PIE:** Blocks 1-3 entera de pie en/junto al board (~100 min de pie sobre ~115 totales = 86%). Solo el cierre escrito es sentado.

BLOCK 1 — OPENER (~10 min) — STAND

1. (Stand) DI: "Welcome back. Class 18 of 44 – FORTITUDE day 3 of 5. After Conv this morning you spoke whole past stories out loud; here we write the integrated machine cleanly – every clause in the right past form, the whole paragraph on one timeline. No new rule today. We assemble the five you already own."

2. [VIRTUD] activation (Stand): ESCRIBE "FORTITUDE" en board grande. DI: "Day 3 – Fortitude is the story you WRITE after you endure. Scene, turning point, struggle, push through – each one has a form. Today we hold them all in one paragraph without slipping to the present."

3. [FRASE] insertion 1 (Stand): ESCRIBE la frase en board. LEELA 2 veces. COHORTE repite 2 veces. UN estudiante la dice solo.

4. [PROMPT] (mystery – recibe Conv pase mismo día): LEE en voz alta los 3 gaps que el Conv Teacher anota esta mañana (típico: "I used to worked" / "I was call her when..." / "So I work there and then he calls me"). DI: "These three came out of your mouths in Conv this morning – fresh, from this room. They are exactly what we fix standing in the next 50 minutes."

5. ESCUCHA reacciones. NO entres en discusión. Solo marca: estos son los blancos de hoy.

6. DI (bridge): "Five pieces, one machine. ONE – the scene: used to + BASE, or was/were + -ING. TWO – the event that cuts it: WHEN + past simple. THREE – the struggle: past simple and continuous mixed. FOUR – the order: first / then / after that / finally. FIVE – the rule above all rules today: the whole paragraph STAYS in the past. We drill it all standing."

7. DI: "Stand. Marker ready. We live at the board today – almost nobody sits until the homework."

[ALERTA] si la pase de Conv no llego (Conv Teacher olvido entregarla), USA gaps genericos: "I used to worked there" / "I was prepare a report when she called" / "Then I am winning the deal". NO esperes. NO pierdas tiempo buscando.

[OK] SEÑAL DE AVANCE: cuando la cohorte registre los 3 gaps y conecte que hoy se ENSAMBLA lo de CI 13-17, PASA a Block 2.

BLOCK 2 — CONTENT INTEGRATED MAP + CONNECTORS (~50 min) — STAND ~90%

1. (Stand at board) ESCRIBE el MAPA INTEGRADO completo (toma 6 min, vale la pena):

PAST NARRATIVE – ONE FORM PER CLAUSE

SCENE / BACKGROUND

used to + BASE -> old habit/state

"I used to work alone." (not "used to worked")

was/were + -ING -> action in progress

"I was preparing a report." (Module 12)

TURNING POINT / EVENT

when + PAST SIMPLE -> the action that cuts it

"...when the manager called me."

PAST SIMPLE -> completed action

"She gave me a new client."

STRUGGLE

simple + continuous mixed

"I didn't know the system. The deadline was

coming while I was failing every test."

SEQUENCE / CONNECTORS

first -> then -> after that -> finally

"First I asked for help. Then I practiced.

Finally I closed the deal."

*** Background = was -ing. Event = simple. ***

*** Old habit = used to + BASE. Order = connectors. ***

*** The whole paragraph stays in the PAST. ***

2. (Stand) SEÑALA SCENE. DI: "Two ways to open: used to

+ BASE for an old habit – 'I used to work alone' –

and was/were + -ING for what was in progress – 'I was

preparing a report'. The book frame is Module 12:

'I was eating pasta when my brother arrived.'"

3. [FRASE] insertion 2 (Stand): SEÑALA la frase. DI:

"used to + base sets the scene, was -ing holds the

background, when + simple cuts it, then and finally

carry the order. One past, one timeline."

4. (Stand) SEÑALA TURNING POINT. DI: "The cut is fast

and finished – past simple, usually after WHEN. The

long background is was -ing; the short event that

interrupts is simple. WAS -ING ... WHEN + SIMPLE."

5. (Stand) SEÑALA SEQUENCE. DI: "Connectors are the

rails: first, then, after that, finally. They keep

ONE timeline. Without them a story is a flat list."

6. [ERROR TIPICO #1] "I used to worked alone."

-> TACHA "worked", ESCRIBE "I used to WORK alone."

DI: "After USED TO = BASE verb. No -ed, no irregular."

COHORTE repite 2 veces en coro.

7. [ERROR TIPICO #2] "I was call her when it happened."

-> TACHA "was call", ESCRIBE "I was CALLING her when

it happened." DI: "Background = was + -ing." COHORTE

repite 2 veces.

8. [ERROR TIPICO #3] "When I was finished the report, he arrived." -> TACHA "was finished", ESCRIBE "When I FINISHED the report, he arrived." DI: "The event in the WHEN-clause is past simple, not was -ing." COHORTE repite 2 veces.

9. [VIRTUD] activation (Stand): cuando alguien escriba un salto al presente, DI suave: "Fortitude. Stay in the past. Background = was -ing, event = simple, habit = used to."

10. [ERROR TIPICO #4] "So I work there and then he calls me." -> TACHA "work / calls", ESCRIBE "I WORKED there and then he CALLED me." DI: "The whole paragraph stays in the past. No jump to the present." COHORTE repite 2 veces.

11. [ERROR TIPICO #5] "...and then, after, finally, first I asked..." -> REORDENA en board: "First I asked. Then I practiced. Finally I closed it." DI: "Connectors carry order. First opens, finally closes." COHORTE repite 2 veces.

12. (Stand) PIDELES en parejas DE PIE en el board: "Transform 8 mixed clauses into the correct past form. I dictate the source; you write the clause on the board with the RIGHT form and say why." 8 min. DICTA estos 8:

- a. "I (used to) live in a small town" -> "I USED TO LIVE in a small town" (base)
 - b. "She (prepare) a report when I came" -> "She WAS PREPARING a report when I came" (background)
 - c. "...when the manager (call) me" -> "...when the manager CALLED me" (event simple)
 - d. "We (have) no system back then" -> "We USED TO HAVE no system" / "We DIDN'T HAVE" (state)
 - e. "The deadline (come) while I (fail)" -> "The deadline WAS COMING while I WAS FAILING" (two backgrounds)
 - f. "First I (ask) for help" -> "First I ASKED for help" (simple)
 - g. "Then I (practice) every night" -> "Then I PRACTICED every night" (simple)
 - h. "Finally I (close) the deal" -> "Finally I CLOSED the deal" (simple)
- CIRCULA. CORRIGE en board cuando un error aparezca 2 veces.

13. PODIUM – "FIX THE CLAUSE" SPRINT (7 min). DOS volunteers al frente DE PIE. Tu lees una clausula con la forma EQUIVOCADA y ellos la corrigen + nombran la capa (scene / event / sequence). Cohorte verifica en coro: "Confirmed – past, one timeline!"

8 broken clauses para llamar:

- "I used to worked there" -> "used to WORK" (scene)
- "I was call her" -> "was CALLING" (background)
- "When I was finished" -> "When I FINISHED" (event)
- "Then I am winning" -> "Then I WON" (sequence/past)
- "She use to study a lot" -> "She USED TO study" (scene)
- "While I worked, he was call" -> "...he was CALLING" (background)
- "After that I have closed it" -> "After that I CLOSED it" (sequence/simple)
- "Finally we are succeeding" -> "Finally we SUCCEDED" (sequence/past)

14. Aplauso al final. CIERRA cuando 80% elija la forma correcta por capa y mantenga el pasado sin titubear. DI: "Stand. Push chairs to the walls. We build a whole story on the board."

[ALERTA] si llegas a 35 min y aun mezclan presente/pasado o pegan -ed despues de used to, NO AVANCES al podium. Reduce a 3 capas (used to + base / was -ing background / when + simple event) y deja sequencing para CI 19 opener. Mejor LAND 3 formas limpias que rush 5 shaky.

[OK] SEÑAL DE AVANCE: parejas + podium eligiendo la forma correcta por clausula y manteniendo el pasado sin pedir ayuda.

BLOCK 3 — LIVE: STORY-BUILD SPRINT (~45 min) — STAND 100%

1. (Stand) ESCRIBE en board grande: "STORY-BUILD SPRINT
– ONE STORY, EVERY PAIR ADDS A CLAUSE – 18+ BUILDS,
3 ROUNDS"

2. DI las reglas: "We build ONE long past story together on the board, standing. I write the first line. Then each pair, in turn, adds ONE clause that (a) is in the correct past form and (b) moves the story forward. You say it out loud, then write it on the board. The next pair must connect with a sequencing word. If a clause has the wrong form, the cohort calls 'Fortitude!' and the pair fixes it before we move on. Observer of the nearby pair watches for present-tense slips."

3. [FRASE] insertion 3 (Stand): DI: "This sprint IS the phrase – used to + base sets the scene, was -ing holds the background, when + simple cuts it, then and finally carry the order. One past, one timeline."

4. (Stand) ESCRIBE la PRIMERA linea semilla en board y el banco de connectors al lado:

SEED: "A few years ago, I used to work in a small office downtown."

CONNECTOR BANK (each new clause must use one):
then / after that / while / when / one morning / suddenly / first / later / finally / in the end

ROUND 1 (15 min) – BUILD THE SCENE + TURNING POINT:
pairs add, in turn, clauses 2-7. Target shape:
"...One morning I was preparing an important report WHEN my manager CALLED me in. She GAVE me a difficult new client..."
Cada pareja: 1 clausula, forma correcta, conector.

5. CIRCULA. INTERVEN solo si un error aparece 3 veces en la misma pareja -> board -> coro 2x -> sigue la cadena.

6. [VIRTUD] activation (Stand): si una clausula salte al presente o use "used to went", DI suave: "Fortitude. Stay in the past. Background = was -ing, event = simple, habit = used to."

7. ROTA el turno. ROUND 2 (15 min) – BUILD THE STRUGGLE:
pairs add clauses 8-13. Target shape:
"First I PANICKED. I DIDN'T KNOW the product and I WAS LOSING time while the deadline WAS COMING closer. Then I ASKED a colleague for help..."
Cada clausula mezcla simple + continuous correctamente.

8. [PROMPT] (translanguaging): DI: "If a pair freezes, plan the clause in Spanish for 5 seconds, then say it in English – past form, one connector."

9. ROTA el turno otra vez. ROUND 3 (15 min) – BUILD THE RESOLUTION + CLOSE: pairs add clauses 14-18+. Target:
"After that I PRACTICED every night. Slowly it GOT easier. Finally I CLOSED the deal, and in

the end I LEARNED that I was stronger than I thought."

Push: al menos 18 clausulas en total, todas en pasado, con conectores en orden. Observer cuenta slips.

10. CIRCULA, CORRIGE cuando un error aparezca 2 veces en parejas distintas. Anota con NOMBRE en tu cuaderno.

11. CIERRA con LECTURA CORAL: la cohorte lee la historia completa del board en voz alta, de principio a fin, todos de pie. UN voluntario reporta: "X clauses, all past, Y connectors, one timeline." Aplauso.

[ALERTA] si una pareja se queda en silencio 15+ segundos, DROP UN PROMPT ("Add a clause: what were you doing when it changed?" / "Connect with 'then'") y RETIRATE. NO expliques, NO llenes el silencio.

[OK] SEÑAL DE AVANCE: 3 rounds completos (18+ clausulas encadenadas) + lectura coral final con la historia entera en pasado y conectores en orden.

BLOCK 4 — CIERRE (~15 min) — SEATED

1. ESCRIBE en board: "ERRORS HEARD TODAY"

2. ESCRIBE los 5 errores tipicos (anonimos):

X "I used to worked there" -> "I used to WORK there"

X "I was call her when..." -> "I was CALLING her when..."

X "When I was finished it" -> "When I FINISHED it"

X "Then I am winning the deal" -> "Then I WON the deal"

X "After that I have closed it" -> "After that I CLOSED it"

3. COHORTE repite las 5 correcciones 2 veces en coro.

4. [FRASE] close: UN estudiante (al azar) dice la frase de memoria + la PARAFRASEA con su propia historia ("Fortitude writes the whole story clean – I used to fear the phone, I was shaking when the client called, then I pushed through, and finally I closed it – one past, one timeline"). Aceptas cualquier parafraseo que encadene used to/was -ing + when + simple + connector, todo en pasado.

5. [VIRTUD] dia 3 cierre del dia:

PREGUNTA: "Which past story did you write clean today – start to finish?" – 2 respuestas maximo, rapido, sin discusion.

DI: "Day 3 of FORTITUDE. Two more days to close the block. Cl 19 day 4 – same word, new piece."

6. ESCRIBE HOMEWORK en board (mientras la dices):

HOMEWORK CL 18 GRAMMAR – DUE BEFORE NEXT CLASS, 7:00 AM
TIME: 30-45 min (B1). NOT fragmented.

(1) WRITING – ONE complete past narrative paragraph, 10-12 sentences, about a real challenge. Label each required element in the margin:

- 1 SCENE with USED TO + base

"I used to work without a system."

- 1 SCENE with WAS/WERE + -ing

"One day I was finishing a report..."

- 1 TURNING POINT with WHEN + past simple

"...when my manager gave me a new client."

- 2 STRUGGLE lines (simple + continuous mixed)

- 4 SEQUENCING connectors (first / then / after that / while / finally)

- 1 CLOSER ("...and in the end I learned...")

Hand in on paper next class.

RULE: NEVER "used to worked"; NEVER "was call";

NEVER jump to the present. Whole paragraph =

PAST. Background = was -ing; event = simple.

(2) AUDIO eyes closed – 2-3 min – "A challenge I overcame" – narrate the SAME paragraph out loud, smoothly, staying in the past the whole time. Label: B1-GRAMMAR-18.

(3) LISTENING – 10 min YouTube "past narrative storytelling English". Note 8 past-form clauses and mark which layer each is (scene / event / struggle / sequence). Paper.

RULE: Not fragmented. No "I didn't have time."
If pushback: "This is what B1 requires. 30-45 min between classes is the minimum. We don't lower the bar – we raise your stamina."

7. PASE Grammar -> Conv entregada ANTES de salir del aula (ver siguiente seccion).

8. DI: "Next class Cl 19: PAST PERFECT – had + past participle. It lets you place one past event BEFORE another inside a story: 'By the time I arrived, the meeting had already started.' Today we wove the whole past into one timeline; next class we add a layer underneath it – a past before the past. Real B1 sounds like: 'I used to work alone. One morning I was finishing a report when my manager called. By then she had already chosen me for the client.' Any question about evaluations goes to coordination – not to me, not to the Conv Teacher."

[ALERTA] si un estudiante no anota la tarea -> DI: "Phone out. Photo of the board now." Nadie se va sin saberla. Si alguien protesta por la longitud: "30-45 min total, not fragmented. That is the rule."

[OK] SEÑAL DE AVANCE: cohorte sale sabiendo la tarea + UN estudiante diciendo la frase de memoria + 5 errores en board + PASE a Conv Cl 19 entregada + Cl 19 anunciada.

PASE A CONV TEACHER — CL 19 — antes de salir del aula

Fill la hoja titulada **"PASE A CONV — CL 19"** y entregala fisicamente al Conv Teacher:

PASE Grammar -> Conv – Cl 18 -> Cl 19

3 fresh gaps from Grammar today (when accuracy slipped under speed):

1. [literal error] – student: [name]
2. [literal error] – student: [name]
3. [literal error] – student: [name]

Most common patterns under pressure:

(a) used to + past form:

"I used to worked" / "I used to went" – after

USED TO the verb is BASE.

(b) Wrong form for background vs event:

"I was call her when..." / "When I was finished" –

background = was -ing, event = past simple.

(c) Tense-mixing – present leaking into a past story:

"So I work there and then he calls me."

(d) Present perfect creeping in for sequence:

"After that I have closed it" instead of simple

"After that I closed it".

(e) Scrambled or missing connectors – the timeline stops being clear.

Today I formalized the integrated past machine: one form per clause (used to + base / was -ing background / when + past simple event / past simple actions) plus sequencing connectors holding ONE timeline – drilled through 8 transform-the-clause builds, a "fix the clause" podium, and an 18-clause collaborative Story-Build Sprint.

For your Cl 19 Conv: open with a "Before that..." roundup – each person tells a 2-event past story and then adds an EARLIER event using "had already" or "before" ("By the time I arrived, the meeting HAD ALREADY started"). Drill the spoken shape of the past-before-the-past at the moment of natural speech – the integrated narrative is in their mouth from today; what remains is anchoring an earlier event underneath it. Then bridge to PAST PERFECT (had + past participle) – the natural Cl 19 extension.

FORTALEZA v1 dia 4 de 5 mañana – Cl 20 cierra bloque.

Signed: Grammar Teacher

Hand it physically to the Conv Teacher.

DELIVERABLES A COORDINACION

- [] FOTO del board final con los 5 errores típicos + el mapa integrado (form-per-clause) + Frase del Día
 - [] FOTO/video del Story-Build Sprint (historia completa de 18+ cláusulas en el board) + podium "fix the clause"
 - [] ESCRIBE en tu cuaderno: 3 errores literales con NOMBRES
 - [] MARCA en reporte: FORTALEZA v1 día 3 de 5
 - [] CONFIRMA: 4 inserciones de Frase del Día hechas (opener / map close / mid-round / cierre paraphrase)
 - [] CONFIRMA: PASE a Conv Teacher CI 19 entregada
 - [] CONFIRMA: PASE "A GRAMMAR — CL 18" de Conv recibida y leída en opener
 - [] CONFIRMA: NO comunicaste notas (coordinación maneja)
 - [] CONFIRMA: ~86% de la clase ejecutada DE PIE (Blocks 1-3 en/junto al board)
 - [] CUENTA: 3 rounds (18+ cláusulas encadenadas) + lectura coral + podium con 8 cláusulas corregidas
-

NOTAS INTERNAS (no leer en clase)

- Profe NO viene con material preparado. Todo se genera en clase con board y cuaderno. Si suplente cubre con esta sola guía puede ejecutar todo. Cero sobres, cero cards, cero grids impresos.
- Topico CI 18 = NARRATIVE INTEGRATION (SUPUESTO DE PLANEACIÓN — verificar). Clase de consolidación: NO introduce regla nueva — ensambla past simple (CI 13-14) + past continuous (CI 15) + when/while interruption (CI 16) + used to/would (CI 17) + time expressions/sequencing (CI 14). Conv abrió hoy con producción oral (story roundup); aquí se formaliza la máquina integrada. Si Diana redirige el módulo, reajustar Bloque 2 — la estructura de 4 bloques se mantiene.
- Anclaje al libro: el frame WAS -ING ... WHEN + PAST SIMPLE y el modelo de narración multi-cláusula salen de A2 Book Module 12 ("I was eating pasta when my brother arrived"; ejemplo Carlos Vives en la heladería = narración pasada modelo). USED TO / WOULD para hábitos pasados es gramática estándar PERO MAS ALLA del Module 12 del A2 Book (SUPUESTO DE PLANEACIÓN — verificar fuente si Diana la pide). NUNCA inventar reglas; citar el libro donde aplique.
- Próximo CI 19 = PAST PERFECT (had + past participle) para anidar un evento pasado anterior dentro de la narración ("By the time I arrived, the meeting had already started") (SUPUESTO DE PLANEACIÓN — verificar). Mismo bloque virtud.
- Virtud CI 16-20 = FORTALEZA v1. Hoy día 3 de 5. CI 19 día 4. CI 20 día 5 cierra bloque. Calendario absoluto — no se desplaza por festivos.
- DE PIE: requerimiento del Grammar Teacher (ansiedad con guías estáticas) — piso 70%, objetivo ~86%. Blocks 1-3 enteros de pie en/junto al board (~100 de ~115 min). Solo el cierre escrito es sentado. Marcado Stand/board en cada bloque.
- CI 22 = Midterm (integrado en guía CI 1, sin presentaciones separadas). CI 44 = Final aplicado por evaluador externo de coordinación — NO generar guía pedagógica ese día. Mencionar solo como hecho de calendario si pregunta alguien. NO comunicar notas, midterm, ni criterios — coordinación.
- PASE bidireccional Conv <-> Grammar: hoy Conv abrió el día con la producción oral, Grammar formaliza la máquina integrada en el mismo CI 18 (Bloque 2), y Grammar entrega PASE a Conv CI 19. Patrón validado desde CI 7.
- Modelo inmersivo: 4 bloques largos, NO 12-13 cortos. Inmersión 45 min en Block 3 (Story-Build Sprint), profesor COACHA en voz alta y marca patrones en el tablero, no juega rol. Plan B en cada bloque permite ejecutar incluso si cohorte llega cansada o un suplente cubre sin contexto previo.
