

B1 MASTERY — CI 3/44 — GRAMMAR (va SEGUNDO) — HOJA DE RUTA

Sesion 3/44 · 110 min · Bloques: B1 20' + B2 40' + B3 35' + B4 15' = 110 · 100% ingles

Modulo: A1 Book M4 "Where Should We Live?" (p.41-44, Should) + A1 Book M5 "Numbers to 100" (p.61-64, numeros/horas/precios)

Focus (1 line): Lock the advice auxiliary on paper — should / shouldn't, treated exactly like can — plus times and prices.

Virtud: PRUDENCIA v1 — dia 3 de 5

Frase del Dia: "A prudent mind counts before it spends: I should save first, and I shouldn't waste what I have."

> DE PIE: Bloques 1-3 completos en/junto al tablero (~86%; piso 70%). Solo el Bloque 4 es sentado. Movimiento SIEMPRE con contenido.

BLOQUE 1 — APERTURA (20') — DE PIE

Objective: reactivate the past hinge and introduce a modal that behaves like can.

1. **Recuperacion (10', oral, DE PIE, en cadena, sin cuaderno).** N-3 aun no existe (3a clase): repasa CI 1-2. Errores al tablero anonimos; 1 min de re-produccion correcta:

- "Closed or open? 'last year' vs 'this year' — one sentence each."
- "Negative: 'I ___ said hello' (never) vs 'I ___ said hello' (not yet)."
- "For or since: '___ 2019 / ___ five years'."
- "Fix: 'He have finished it yesterday.'"

2. **Chequeo publico de portafolio (3'):** "Who sent yesterday's audio?" — pregunta y anota numeros. NO revisas contenido.

3. **Frase del Dia (4').** Board antes de empezar; 2 lecturas, coro 2x, 1 solo. Insertala 3+ veces; cierre 1 de memoria + 1 en oracion nueva.

4. **PASE recibido de Conv (hoy) (3'):** lee los 3 gaps: "We seal them on paper now."

> [VIRTUD] Board: "PRUDENCE — DAY 3". Di: "Prudence is good advice with a plan: 'You should...' and 'You shouldn't...' — the language of a wise decision."*

BLOQUE 2 — SHOULD + NUMBERS EN PAPEL (40') — DE PIE ~90%

Objective: everyone forms affirmative, negative and question with should, and says times and prices right.

1. Board — cita del libro (M4, Guia 1, p.42-43):

"SHOULD" — GIVING RECOMMENDATIONS (A1 Book M4, p.41-44)
"should" = "deberia"; se trata EXACTAMENTE como "can".
(+) Subject + should + verb -> "Juan should play soccer."
(-) should + not = shouldn't -> "Juan shouldn't play soccer."
(?) Should + subject + verb? -> "Should Juan play soccer?"
Short answer: "Yes, he should." / "No, he shouldn't."
WH: "Where should Juan play?" NEVER "should + to": NOT "you should to study."
NUMBERS / TIME / PRICE (A1 Book M5, p.61-64)
Time in two groups, no "and": 2:10 -> "two ten" · 6:00 -> "six o'clock"
2:08 -> "two oh eight" (the "oh" = zero, minutes 01-09)
Price: \$7.35 -> "seven dollars and thirty-five cents" / short "seven thirty-five"
13 "thirteen" vs 30 "thirty" (stress the difference)

2. Señala: "should takes the base verb — no 'to', no '-s'. Same frame as can and will."

3. **Drill en circulo (10', DE PIE):** cadena. Tu lanzas sujeto + verbo ("she / rest more") -> estudiante 1 afirmativa con should, 2 negativa, 3 pregunta, 4 short answer, 5 lanza el siguiente. Intercala numeros: cada 3a ronda, di una hora o precio y el grupo lo pronuncia en coro.

4. **Errores tipicos al board (coro 2x):**

- "You should to study" -> "You should STUDY" (sin to)
- "He should studies" -> "He should STUDY" (verbo base, sin -s)
- "\$7.35 = seven point thirty-five" -> "seven thirty-five" (dos grupos, sin "point")
- "thirty" por "thirteen" -> marca el acento

5. **Zone walk (12', DE PIE):** tablero `GOOD IDEA -> SHOULD | BAD IDEA -> SHOULDN'T`. Dices una accion de trabajo/estudio ("skip breakfast", "plan your week"); las parejas CAMINAN a la zona Y producen la recomendacion completa en voz alta + le agregan un numero (hora o precio).

6. Cierre del bloque: produccion libre de pie — cada uno 1 "you should..." + 1 "you shouldn't..." con un numero verdadero. El uso libre cierra.

BLOQUE 3 — RECOMMENDATIONS BRIEFING (35') — DE PIE 100%

Objective: use should/shouldn't + prices under pressure in a realistic professional consult.

1. Board: `CONSULTANT DESK — "WHAT SHOULD WE DO?" — 3 ROTATIONS`

2. Escenario profesional realista: un cliente pide asesoria (presupuesto, horario, plan). **1 estudiante = guest (client)** que pregunta ("What should we do? How much should we spend? When should we start?"); otro rota como CONSULTANT que responde con should/shouldn't + numeros ("You should start at 8:00. You shouldn't spend more than 50,000."). El resto = **OBSERVERS ACTIVOS:** 2 errores, 1 acierto, 1 pregunta. Tu = COACH — NUNCA juegas guest.

3. 3 rotaciones (~8' c/u). Entre rotaciones, 90 seg de cadena de precios/horas ("6:00 -> six o'clock; \$13.05 -> thirteen oh five").

4. Debrief con lo anotado (tipos, anonimos). Interven solo si un error aparece 3 veces.

BLOQUE 4 — CIERRE (15') — SENTADOS

1. **Ticket de salida (5')**: 3-5 frases con should/shouldn't; mínimo 2 con un número (hora o precio) escrito en palabras. Nombre en el papel. Se recogen TODOS; no se evalúan.

2. **Tarea (board)**:

HOMEWORK CL 3 GRAMMAR — DUE CL 4, BEFORE 7:00 PM
TIME: 30-45 min (B1). NOT fragmented.
(1) WRITE 12 sentences with should: 5 affirmative + 4 shouldn't + 3 questions, all base verb (no "to", no "-s"). In 4 of them include a time or price written in words (e.g. "seven thirty", "forty-five thousand").
(2) PORTFOLIO audio (daily) — 2 min, eyes closed: give 5 pieces of advice with should/shouldn't + 3 prices. Label: B1-GRAMMAR-3. WhatsApp group.
(3) Bring the paper to CL 4.

3. **Error paper** físico anónimo cerrado; nombres + citas en tu reporte.

4. **Proxima clase**: "Cl 4: the future auxiliary 'will' — same frame as should — and putting plans in place with at / on / in. Evaluation questions go to coordination."

5. **PASE a Conv Cl 4** (entregar antes de salir):

PASE Grammar -> Conv — Cl 3 -> Cl 4
3 gaps frescos (SIN nombre aquí):
1. _____ 2. _____ 3. _____
Patrones: (a) "should to"; (b) "should + -s"; (c) precios con "point"; (d) thirteen/thirty. Hoy lockeado should/shouldn't (M4) + numbers/time/price (M5).
Cl 4: will (mismo marco que should/can) + at/on/in.

Checklist salda: ■ Reporte firmado ■ Error paper recogido ■ Tickets recogidos (TODOS) ■ Fotos/videos (board + consult) ■ PASE entregado ■ ~86% DE PIE confirmado

ANEXO — M4 + M5 verbatim + Plan B (no leer en clase)

A1 Book, Module 4 — "Where Should We Live? / Giving Recommendations" (p.41-44), Guía 1 — "Should" (verbatim):

- La auxiliar "should" (pronunciada "shud") indica "debería", y es usada para hacer recomendaciones.
- Esta palabra se trata exactamente como "can". -> "Juan should play soccer." = "Juan debería jugar fútbol."
- En su forma abreviada "should + not" = "shouldn't" (pronunciada "shudunt"). -> "Juan should not play soccer."
- La palabra de pregunta "where" significa "donde". -> "Where should Juan play?"
- Igual a "can", la respuesta corta es simplemente "should" y "shouldn't".

Ejemplos (p.44): "Where should Martin live?" -> "He should live in London." · "Should Freddy live in Colombia?" -> "Yes, he should." / "No, he shouldn't." · "Should the dog live in Bucaramanga?" -> "Yes, it should." / "No, it shouldn't."

A1 Book, Module 5 — "Numbers to 100 / Count 'em!" (p.61-64), Guía 1 (verbatim):

- LA HORA: dos grupos, sin "and". "2:10" -> "two ten"; "4:45" -> "four forty-five". Minutos 01-09 incluyen "oh": "2:08" -> "two oh eight". "o'clock" para hora en punto: "6:00" -> "six o'clock".
- LOS PRECIOS: dos grupos, dolares y centavos. "\$7.35" -> "seven dollars and thirty-five cents"; a menudo se omite y se dice "seven thirty-five"; "\$13.05" -> "thirteen oh five".
- Vocabulario 0-100: 13 thirteen ... 30 thirty, 40 forty, 50 fifty ... 100 one hundred.

Plan B:

- Si el zone walk se atasca: cadena sentada — tu das la acción, el grupo grita "SHOULD" o "SHOULDN'T" y un estudiante la completa + agrega un número.
- Si el consult no arranca: ronda de pie — cada uno 1 recomendación con should + 1 precio.
- Si sobra tiempo: "price bee" — dices un precio en cifras, el grupo lo dice en palabras en coro.

NOTA INTERNA:

- Módulo HOY = A1 Book M4 (p.41-44) + M5 (p.61-64), citados verbatim. Próxima clase Grammar (Cl 4) = **A1 Book M6 "What Time Will You Eat Lunch?" (p.71-74, Will)** + preposiciones de tiempo **IN/ON/AT** (A1 M29 "When Is It?" p.325-328 tabla; A2 M1 "on Monday" p.2; A2 M2 "in" mes/año p.14).
- Miles/millones NO existen en el libro** — no enseñar cantidades grandes; el libro (M5) llega a 100 + horas + precios. El libro manda sobre la guía vieja (que incluía miles/millones).
- Recuperación: N-3 aun no existe (3a clase); repaso reciente Cl 1-2. Sin mapa semanal -> NO citar tickets.
- DE PIE ≥70% (piso 86%). Virtud Cl 1-5 = PRUDENCIA v1, día 3 (calendario absoluto).
- Cl 1-5 = puente de repaso A1/A2. `SUPUESTO DE PLANEACIÓN` — verificar` anclaje modulo-clase.
