

A2 · CI 22 — HOJA DE RUTA

Virtud: PRUDENCIA (v2, día 2 de 5) · **Modulo:** M26 I'm as Big as My Dad — Equal Comparatives, Libro A2 p.241-246 (Module 25 no existe en el libro; se salta)

Frase del Día: *"This choice is as good as that one, but it is not as new — a prudent person compares before deciding."*

BLOQUE 1 (22') — Apertura

• **Recuperacion espaciada (10'), oral y DE PIE, en cadena, sin cuaderno:**

- De CI 19 (M22 doble verbo, infinitivo/gerundio): *"One goal with an infinitive verb and one with a gerund verb: 'I want to travel. I stopped smoking.'" — 4-5 estudiantes; el grupo caza want/need/decide → to + verbo vs start/stop/like/love → verbo-ING.*

- De CI 15 (M17 present perfect vs past simple): *"One thing you DID last week (closed period) and one you HAVE DONE this week (open period)." — 3-4 estudiantes.*

- Errores oídos → tablero anónimos → 1 min de re-produccion correcta en coro. NO lo conviertas en explicacion.

• **Chequeo publico de portafolio (3'):** *"Who did their daily audio/video?"* — pregunta y ANOTA (no revisas contenido).

• **Frase del Día en tablero** (escrita ANTES). 2 lecturas + coro 2x. Insertala natural 3+ veces hoy.

• **Revisión de tarea CI 21** (My Opening & Closing Routine, phrasal verbs separables): recoge papeles; 2 estudiantes leen 1 frase. Anota en libreta, no corrigas aquí.

BLOQUE 2 (43') — M26: comparaciones IGUALES (as ... as)

Vocabulario del modulo (tablero, p.242): Nice (bonito de objeto / amable de persona) · New (nuevo) · Old (viejo) · Good (bueno) · Bad (malo) · Smart / Intelligent (inteligente). Pronunciacion coral + individual.

Tablero verbatim del libro (M26, Guía 1, p.243):

1. El comparativo IGUAL: *X es tan (descriptor) como Y → as ... as. "I am as tall as Carlos."*

2. Se puede modificar la frase basica:

- Negativo (no tan como): *"I am NOT as tall as Carlos."*

- Casi (almost as ... as): *"I am ALMOST as tall as Carlos."*

Ejemplos del libro (p.243): *I'm as nice as Ana. · My car isn't as new as your car. · Your father is almost as old as my father. · Jack is as good as Sam. · Dan isn't as bad as Vern. · Pedro is almost as nice as Cecilia. · My house isn't as new as your house.*

Actividad (meta en 1 linea): *"By the end of this block, each of you will have compared two real things — a job, a place, two people — using AS...AS, NOT AS...AS and ALMOST AS...AS."*

1. Preparacion en parejas (6'): cada uno arma 5 comparaciones reales (dos trabajos, dos barrios, dos telefonos, dos personas) con los 6 descriptores del modulo; minimo 1 negativa (*not as ... as*) y 1 con *almost*.

2. Ejecucion: se las dicen; la pareja verifica la estructura [A] + is/are + (not/almost) + as + descriptor + as + [B], y responde si esta de acuerdo.

3. Producto: 4-5 estudiantes dicen al grupo su comparacion mas util (*"This phone is almost as good as that one, but it isn't as expensive."* — expensive ya conocido del nivel).

4. Feedback: logro primero, forma despues.

Errores tipicos (tachalos, coro 2x): ~as tall than~~ → as tall AS · ~~I am as good like Sam~~ → as good AS Sam · ~~is not as new that~~ → is not as new AS.

BLOQUE 3 (37') — Simulacion: PURCHASING DECISION — TWO SUPPLIERS

Escenario (solo tablero y sala): una reunion de compras para decidir entre dos productos o dos proveedores. Tablero: "PURCHASING — Option A vs Option B" + 2 columnas con 3-4 rasgos cada una (price, quality, age, service — inventadas por el grupo).

• Al frente: 1 estudiante presenta OPTION A (guest) + 1 estudiante presenta OPTION B; ambos comparan con as ... as (*"Option A is as good as Option B, but it isn't as new. The service is almost as fast."*). Un tercero puede hacer de gerente que pregunta (*"Is A as cheap as B?"*).

• El RESTO son observers ACTIVOS con tarea concreta en papel propio: anotar 2 errores, 1 acierto, 1 pregunta.

• TU eres coach desde afuera: NUNCA juegas ningun rol. Congelados 15+ segundos → UN prompt (*"Is A as good as B?"*) y te retiras.

• Minimos por ronda: 5 comparaciones con as ... as · 1 negativa (*not as ... as*) · 1 con *almost*.

• Rotacion cada 4-5 min (nuevas opciones: dos carros → dos apartamentos → dos candidatos) hasta que todos pasen al menos 1 vez.

• Debrief (5'): observers reportan (anonimo); correcciones al tablero, coro 2x.

BLOQUE 4 (18') — Cierre

• **Ticket de salida (5'):** cada estudiante escribe 3-5 comparaciones con as ... as (minimo 1 negativa y 1 con *almost*). Se recogen TODOS (no evaluas ni comentarios).

• **Tarea (tablero):**

HOMEWORK CL 22 — DUE: CL 23 before 7:00 PM · TIME: 20-30 min. NOT fragmented.
(1) WRITING "TWO OPTIONS I COMPARED" — 8 sentences on paper comparing two real things (two phones, two jobs, two places) with the module words (nice, new, old, good, bad, smart): 5 with AS...AS + 2 with NOT AS...AS + 1 with ALMOST AS...AS. Hand in next class.
(2) DAILY PORTFOLIO — 1-3 min audio/video, in English, EVERY day.
Today's topic: "Two things in my life that are almost equal — and how I compare them."

- **Error paper:** anonimo en clase; libreta privada con nombres para coordinacion.

- **VATS (1 pregunta, 2 respuestas max):** *"When did comparing carefully save you from a mistake?"* — **Anuncio:** *"Next class: I'm smarter than Steve — comparing two things that are NOT equal, 'more ... than'."*

ANEXO — M26 verbatim + Plan B (no leer en clase)

Libro A2, Module 26 — "I'm as Big as My Dad" — Equal Comparatives (p.241-246). Habilidades objetivas del libro: "Sin dudar, aprender el vocabulario del modulo. Sin dudar, formar comparaciones iguales entre dos elementos."

Guia 1 (p.243), reglas tal cual:

1. Usamos tres formas para comparar los grados o niveles de un descriptor. El comparativo IGUAL: *X es tan (descriptor) como Y*. El "tan...como" → "as...as". Se puede modificar la frase basica.

- Yo soy *tan alto como Carlos*. = *I am as tall as Carlos*.
- Yo **NO** soy *tan alto como Carlos*. = *I am NOT as tall as Carlos*.
- Yo soy **CASI** *tan alto como Carlos*. = *I am ALMOST as tall as Carlos*.

Vocabulario (p.242): nice (bonito de objeto / amable de persona o animal) · new (nuevo) · old (viejo) · good (bueno) · bad (malo) · smart / intelligent (inteligente).

Ejemplos completos (p.243): Yo soy *tan amable como Ana*. = *I'm as nice as Ana*. · Mi carro no es *tan nuevo como tu carro*. = *My car isn't as new as your car*. · Tu padre es *casi tan viejo como mi padre*. = *Your father is almost as old as my father*. · Jack es *tan bueno como Sam*. = *Jack is as good as Sam*. · Dan no es *tan malo como Vern*. = *Dan isn't as bad as Vern*. · Pedro es *casi tan amable como Cecilia*. = *Pedro is almost as nice as Cecilia*. · Mi casa no es *tan nueva como tu casa*. = *My house isn't as new as your house*.

Practica del libro (Practica Verbal 1, p.245): *Alex isn't as smart as Sara*. · *The school isn't as new as the restaurant*. · *The dog is as old as the elephant*. · *The doctors are as happy as the nurses*. · *The engineer is as good as the maid*. · *The hamburger is as expensive as the sandwich*. · *The woman isn't as bad as the man*. · *Spanish isn't as easy as English*. · *The teacher is as sick as the student*.

Plan B:

- Si el Bloque 2 se atasca: fija la plantilla fisica de 5 cajas en tablero — [A] [is/are] [as] [descriptor] [as B] — y rueda SOLO afirmativas con nice/new/old/good. La negativa (*not*) y *almost* entran despues.
- Si la simulacion no arranca: comparacion en cadena de pie — tu escribes dos cosas en tablero (dos ciudades, dos comidas), cada estudiante da 1 comparacion con as ... as y nombra el siguiente par. Tu sigues fuera del rol.
- Si sobra tiempo: "true or false" — un estudiante da una comparacion ("*Bogota is as big as Bucaramanga*") y el grupo responde *True / False* — *it isn't as big as...*

NOTA INTERNA:

- Module 25 NO existe en el libro: tras Module 24 (p.240) el libro pasa directo a Module 26 (p.241), paginas consecutivas. Se salta el numero sin comentarlo en clase; la numeracion de CLASE sigue consecutiva (esta es CI 22).
- Arco de comparativos: HOY M26 (iguales, as...as) → CI 23 = Module 27 "I'm Smarter than Steve" (desiguales, -er/more...than), p.247+ → CI 24 = Module 28 "You're the Best!" (superlativo). Los 6 descriptores de hoy (nice/new/old/good/bad/smart) se reusan las tres clases.
- El libro trae una inconsistencia en p.243 ("tan inteligente" traducido con "almost"); se ensena la regla limpia (as ... as = igual, *almost as* ... as = casi), no se replica el error.
- Continuidad: recuperacion trae CI 19 (M22 doble verbo) y CI 15 (M17 perfect vs past); revision de tarea recoge My Opening & Closing Routine de CI 21.
- Virtud: PRUDENCIA v2 (CI 21-25), hoy dia 2. La Frase del Dia une comparar (as good as / not as new) con prudencia (comparar antes de decidir).
- NO comunicar nada de presentaciones/midterm/final; coordinacion maneja.
