

B1 MASTERY — CI 33/44 — CONV (va PRIMERO) — HOJA DE RUTA

Sesion 33/44 · 110 min · Bloques: B1 20' + B2 40' + B3 35' + B4 15' = 110

Focus (1 line): Judge the right level at work — strong enough, not too much, so good it's fair — give each task exactly the weight it needs.

Virtud: JUSTICIA v2 — día 3 de 5

Frase del Día: "Justice keeps things at the right level: strong enough, not too much, so good it's fair — giving each task exactly the weight it needs, no more, no less."

BLOQUE 1 — APERTURA (20')

Objective: reactivate equal comparison and gerunds-after-prepositions, then aim at required levels.

1. **Recuperacion (10', oral, DE PIE, cadena, sin cuaderno).** Disparadores (CI 30 y CI 26); errores anonimos al board; 1 min re-produccion:

- "One 'as ... as' and one 'not as ... as' about two options at work." (CI 30)
- "Fix it: 'This tool is as good as the old one.'" (CI 30)
- "Gerund after a preposition: 'good AT ___ing', 'before ___ing', 'without ___ing.'" (CI 26)
- "Fix it: 'I am good at organize meetings.'" (CI 26)
- "One 'after ___ing' about your workday." (CI 26)

2. **Chequeo publico de portafolio (3'):** conteo en voz alta del audio de ayer; no-envios a tu cuaderno.

3. **Frase del Día (4').** Board antes; 2 lecturas + coro + 1 solo; 3+ inserciones. Señala: "strong ENOUGH, TOO much, SO good — three small words that judge the level. 'Enough' means it's just right; 'too' warns of excess. That fair level is today."

4. **Revision tarea (3'):** "The best and the honest truth" (8 lineas superlativo + intensificador, de CI 32) sobre la mesa; recoge. **PASE de Grammar (CI 32)** leído: hoy giramos de rankear a JUZGAR el nivel justo (enough / too / so).

> [VIRTUD] Board: "JUSTICE — DAY 3". **Justice gives each thing its right measure. 'Enough' is the just level; 'too' is the excess; 'so' is high but fair. To judge the level honestly is to be just.**

BLOQUE 2 — THE RIGHT LEVEL (40')

Objective: everyone judges one real work situation using so / too / enough — fairly, without exaggeration.

- Meta en 1 linea (arriba). **Avance de proyecto hoy: una linea para MY STORY — "I'm strong enough now: I was too ___ before, but not anymore."**
- Board — el molde oral (Grammar lo formaliza hoy mismo con M30; aqui NO se enseña la regla):

JUDGING THE LEVEL FAIRLY

"The plan is good enough to start — we don't need more."

"This deadline is too tight. It's not realistic."

"She is so organized! Everything is ready."

"The report isn't clear enough yet — one more pass."

"I love this client, but they're too demanding sometimes."

(descriptor + ENOUGH / not ... ENOUGH ; SO = high & good ;

TOO = excessive / not wanted)

- Modela 45 seg juzgando una situacion real tuya: algo que esta "good enough", algo "too much", algo "so good".
- Preparacion en parejas (7'): cada uno elige 2 situaciones reales de su trabajo — una que esta al nivel justo (enough) y una excesiva (too).
- Ejecucion (15'): mini-evaluaciones en parejas: A juzga ("This process is efficient enough"); B matiza con justicia ("Maybe, but the last step is too slow"). Se busca el nivel JUSTO, no la queja. Cambio de pareja a mitad.
- Producto verificable (10'): vuelta completa — cada estudiante juzga al grupo UNA situacion real con so/too/enough (20 seg). Tu cuentas moldes limpios en el board.
- Feedback: logro primero (¿el juicio es justo?), forma despues. Errores 2+ parejas -> board anonimo. Nombres a tu cuaderno.

BLOQUE 3 — THE WORKLOAD REVIEW (35')

Objective: hold a realistic workload/quality review, judging each item's level fairly before deciding.

- Board: "WORKLOAD / QUALITY REVIEW — "IS IT ENOUGH? IS IT TOO MUCH?" — 3 ROTATIONS"
- Escenario profesional realista (solo tablero y sala): reunion para revisar si una carga o entrega esta al nivel justo. **1 guest = quien reporta** con el molde ("The design is good enough to ship. The timeline is too tight, though — we're not fast enough for the deadline. The team is so committed, but they're too tired to add more."); otro estudiante rota como el lider que pregunta ("Is it ready enough? Is the workload too heavy?"); el resto = **OBSERVERS ACTIVOS** (2 errores, 1 acierto, 1 pregunta). Tu = COACH desde afuera — NUNCA juegas guest.
- 3 rotaciones (~9'). Debrief por TIPOS (anonimo): moldes limpios vs "enough good" / "too much tight" / "so much organized" / "very enough".
- Cierre JUSTICIA (3'):** "Justice day three — name one thing at work that is 'too much' and one that is 'good enough' as it is." — 2 respuestas maximo.

BLOQUE 4 — CIERRE (15')

- Ticket de salida (5', sentados):** 3-5 frases sobre SU vida real: minimo 1 con "enough", 1 con "too", 1 con "so". Nombre en el papel. Se recogen TODOS; sin evaluar; viajan con el error paper.
- Tarea (board):**

HOMEWORK CL 33 CONV – DUE Cl 34, BEFORE 7:00 PM

TIME: 30-45 min (B1). NOT fragmented.

(1) WRITE "The right level at work" – 8 lines judging real situations: 3 with "enough" (incl. 1 "not ... enough"), 3 with "too", 2 with "so". Honest, not complaining.

(2) PORTFOLIO audio (daily) – 2 min, eyes closed: judge 3 real things at your work – what's good enough, what's too much, what's so good. Label: B1-CONV-33. WhatsApp group.

(3) Bring the paper to next class.

3. **Error paper** anonimo cerrado; nombres/citas al reporte.

4. **Proxima clase:** "Cl 34: counting fairly — 'How many people are there? Many, a few, a lot of.' Justice continues, day 4. Evaluation questions go to coordination."

5. **PASE a Grammar HOY** (fisico, antes del cambio de bloque):

PASE Conv -> Grammar – Cl 33 (mismo dia)

3 gaps frescos de hoy (literal, sin nombre aqui):

1. _____ 2. _____ 3. _____

Patrones orales de hoy: (a) "enough" antes del adjetivo ("enough good"); (b) "too" + sustantivo por "too much/many"; (c) "so much + adjetivo" ("so much organized"); (d) "very enough".

Hoy juzgaron niveles reales con so/too/enough. Tu bloque

formaliza M30 (p.267-269): "enough" va DESPUES del descriptor;

"so" = nivel alto y bueno; "too" = excesivo / no deseado. Los

gaps (a)-(c) son tus blancos.

Checklist salida: ■ Reporte firmado ■ Error paper recogido ■ Tickets recogidos (TODOS) ■ Fotos/videos (board + workload review) ■ PASE entregado ■ Cuento portafolio anotado

ANEXO — molde verbatim + Plan B (no leer literal en clase)

M30 So / Too / Enough (A2 Book p.267-269) — pares del libro:

"She is so nice!" vs "She is too nice." (can't fight)
"It is so new!" vs "Your car is too new." (I like classic cars)
"He is so smart!" vs "He is too smart." (can't teach kids)
"You are so early." vs "It is too early." (class at 5:00)
"I am not tall enough." "I am tall enough."
Regla: "enough" va DESPUES del descriptor. "so" = alto pero bueno. "too" = excesivo, hasta un punto no deseable.

Plan B (cero material impreso): si no traen situaciones de trabajo, juzgan cosas del salon/rutina ("is the board big enough?", "is this task too long?"). Todo vive en tablero + papel del estudiante.

NOTA INTERNA (no leer en clase)

- Modulo ancla de hoy: A2 Book **M30 "Too Much or Just Enough? — Required Levels" (Guia 1 p.268; Ejemplos 1 p.269)**. Conv lo APLICA oralmente (juzgar niveles); Grammar lo formaliza hoy mismo. NO enseñar la regla en Conv.
- Recuperacion N-3 = CI 30 (M26 equal comparatives); N-7 = CI 26 (M21 gerunds after prepositions). Verificado.
- Virtud: JUSTICIA v2 dia 3 (calendario absoluto).
- MY STORY vivo rumbo al Final CI 44 (evaluador externo; ese día no se genera guia). Avance hoy: "I'm strong enough now".
- Profe sin material preparado: todo en tablero + papel del estudiante.
- **Siguiente sesion:** CI 34 = **M32 "How Many People Are There? — Countable Quantities" (p.273-275)** (M31 NO existe — el libro salta 30->32). JUSTICIA v2 dia 4.
