

B1 MASTERY — CI 34/44 — CONV (va PRIMERO) — HOJA DE RUTA

Sesion 34/44 · 110 min · Bloques: B1 20' + B2 40' + B3 35' + B4 15' = 110

Focus (1 line): Count fairly before deciding — how many people, how many hours, a few, a lot of, many.

Virtud: JUSTICIA v2 — día 4 de 5

Frase del Día: "Justice counts fairly before it decides: how many people, how many hours, how many chances — a few for each, a lot for the work, the true number given to all."

BLOQUE 1 — APERTURA (20')

Objective: reactivate the unequal comparative and double verbs, then aim at counting countables.

1. **Recuperacion (10', oral, DE PIE, cadena, sin cuaderno).** Disparadores (CI 31 y CI 27); errores anonimos al board; 1 min re-produccion:

- "One 'er ... than' and one 'more ... than' about your work." (CI 31)
- "Fix it: 'This supplier is more cheaper than the other.'" (CI 31)
- "Double verb: 'I want TO ___, 'I stopped ___ing.'" (CI 27)
- "Fix it: 'I need learn the new system.'" (CI 27)
- "One 'better/worse than' about this month." (CI 31)

2. **Chequeo publico de portafolio (3'):** conteo en voz alta del audio de ayer; no-envios a tu cuaderno.

3. **Frase del Día (4').** Board antes; 2 lecturas + coro + 1 solo; 3+ inserciones. Señala: "how MANY, a FEW, a LOT of — Justice counts the real number before it judges. 'A few' is 3-5; 'many/a lot of' is plenty. To count fairly is today."

4. **Revision tarea (3'):** "The right level at work" (8 lineas so/too/enough, de CI 33) sobre la mesa; recoge. **PASE de Grammar (CI 33)** leído: hoy pasamos de juzgar el nivel a CONTAR con justicia (how many).

> [VIRTUD] Board: "JUSTICE — DAY 4". **Justice counts before it decides: how many people, how many chances, how many hours. A few for one, a lot for another — but always the true count, given to each fairly.**

BLOQUE 2 — COUNTING FAIRLY (40')

Objective: everyone asks and answers "how many?" about real countable things at work — many, a few, a lot of.

- Meta en 1 linea (arriba). **Avance de proyecto hoy: una linea para MY STORY — "how many steps it took: a few big decisions, a lot of small ones."**
- Board — el molde oral (Grammar lo formaliza hoy mismo con M32; aqui NO se enseña la regla):

COUNTING THE COUNTABLE (people, tasks, clients, hours)
"How many people are there in your team? — There are a few."
"How many clients do you have? — I have a lot of clients."
"How many meetings are there today? — There are many."
"We only have a few hours — let's use them fairly."
(how many + countable? ; many / a lot of / lots of ; a few = 3-5)

- Modela 45 seg: pregunta y responde "how many?" sobre cosas reales contables tuyas (people, tasks, hours).
- Preparacion en parejas (7'): cada uno prepara 3 preguntas "How many ___?" reales de su trabajo + su respuesta honesta (many / a few / a lot of / un numero).
- Ejecucion (15'): mini-entrevistas en parejas: A pregunta ("How many people report to you?"); B responde con justicia ("A few — three."); cambian roles. Se busca el conteo REAL, no el impresionante. Cambio de pareja a mitad.
- Producto verificable (10'): vuelta completa — cada estudiante hace al grupo UNA pregunta "How many?" y responde honesto (20 seg). Tu cuentas moldes limpios en el board.
- Feedback: logro primero (¿el conteo es justo y claro?), forma despues. Errores 2+ parejas -> board anonimo. Nombres a tu cuaderno.

BLOQUE 3 — THE STAFFING / INVENTORY MEETING (35')

Objective: hold a realistic count-and-allocate meeting, giving each side its fair number.

- Board: `STAFFING / INVENTORY MEETING — "HOW MANY DO WE HAVE? HOW MANY DO WE NEED?" — 3 ROTATIONS`
- Escenario profesional realista (solo tablero y sala): reunion para contar recursos (personas, turnos, unidades) y repartir con justicia. **1 guest = quien reporta** con el molde ("We have a lot of orders but only a few staff this shift. There are many requests and not many hands. We need a few more people for the morning shift."); otro estudiante rota como quien pregunta ("How many people are available? How many hours do we have?"); el resto = **OBSERVERS ACTIVOS** (2 errores, 1 acierto, 1 pregunta). Tu = COACH desde afuera — NUNCA juegas guest.
- 3 rotaciones (~9'). Debrief por TIPOS (anonimo): moldes limpios vs "how much people" / "many peoples" / "a few of hours" / "a lot people".
- Cierre JUSTICIA (3'):** "Justice day four — name one resource you'll count honestly this week before you promise it: how many, really?" — 2 respuestas maximo.

BLOQUE 4 — CIERRE (15')

- Ticket de salida (5', sentados):** 3-5 frases sobre SU trabajo con "how many?" y las respuestas: minimo 1 "many/a lot of", 1 "a few", 1 numero exacto. Nombre en el papel. Se recogen TODOS; sin evaluar; viajan con el error paper.
- Tarea (board):**

HOMEWORK CL 34 CONV – DUE CL 35, BEFORE 7:00 PM

TIME: 30-45 min (B1). NOT fragmented.

(1) WRITE "Counting my work fairly" – 8 lines with "how many?"

Q&A; about real countable things (people, clients, tasks, hours): 3 "many / a lot of", 3 "a few", 2 exact numbers.

(2) PORTFOLIO audio (daily) – 2 min, eyes closed: answer 5 "how many?" questions about your real work honestly (many / a few / a lot of / a number). Label: B1-CONV-34. WhatsApp group.

(3) Bring the paper to next class.

3. **Error paper** anonimo cerrado; nombres/citas al reporte.

4. **Proxima clase:** "Cl 35: *counting what you can't count* — 'How much money? How much does it cost?' Justice closes, day 5. Evaluation questions go to coordination."

5. **PASE a Grammar HOY** (fisico, antes del cambio de bloque):

PASE Conv -> Grammar – Cl 34 (mismo dia)

3 gaps frescos de hoy (literal, sin nombre aqui):

1. _____ 2. _____ 3. _____

Patrones orales de hoy: (a) "how much" con countables ("how much people"); (b) "peoples" (people ya es plural); (c) "a few of hours" (sobra "of"); (d) "a lot people" (falta "of").

Hoy contaron countables reales (how many / many / a few / a lot of). Tu bloque formaliza M32 (p.273-275): "how many + countable?", many/a lot of/lots of = muchos, "a few" = unos (3-5), "people" = plural irregular, con "there are" y "have". Los gaps (a)-(b) son tus blancos.

Checklist salida: ■ Reporte firmado ■ Error paper recogido ■ Tickets recogidos (TODOS) ■ Fotos/videos (board + staffing meeting) ■ PASE entregado ■ Conteo portafolio anotado

ANEXO — molde verbatim + Plan B (no leer literal en clase)

M32 How Many? (A2 Book p.274-275) — Vocab + Guia:

VOCAB (p.274): a person · people (plural irregular) ·
many / a lot of / lots of = muchos · a few = unos (aprox. 3-5)
GUIA (p.275):
"How many dogs do you have?" = "¿Cuántos perros tienes?"
"How many dogs are there?" = "¿Cuántos perros hay?"
"I have many friends." / "I have a lot of friends."
"I have a few friends." (3-5)
BOOK Q&A; (Practica Verbal, p.278-282):
"How many nurses are there? – There are 7 nurses."
"How many people are there? – There are a lot of people."
"How many sandwiches are there? – There are a few sandwiches."
"How many students does Sergio have? – He has a few students."

Plan B (cero material impreso): si no traen datos, cuentan cosas del salon ("how many chairs are there? how many students have a phone?").
Todo vive en tablero + papel del estudiante.

NOTA INTERNA (no leer en clase)

- Modulo ancla de hoy: A2 Book **M32 "How Many People Are There? — Countable Quantities" (Vocab 1 p.274; Guia 1 p.275)**. Conv lo APLICA oralmente (contar contables); Grammar lo formaliza hoy mismo. NO enseñar la regla en Conv.
- **M31 NO existe** — el libro salta M30 (p.267-272) -> M32 (p.273). Verificado.
- Recuperacion N-3 = CI 31 (M27 unequal comparatives); N-7 = CI 27 (M22 double verb). Verificado.
- Virtud: JUSTICIA v2 dia 4 (calendario absoluto).
- MY STORY vivo rumbo al Final CI 44 (evaluador externo; ese día no se genera guia). Avance hoy: "how many steps it took".
- Profe sin material preparado: todo en tablero + papel del estudiante.
- **Siguiente sesion:** CI 35 = **M33 "How Much Money?" (p.283-284) + M34 "How Much Does It Cost?" (p.293-294)** (pareja: incontables + precios). JUSTICIA v2 dia 5 (CIERRA).
