Bring to class: Mystery envelope · Error Paper sheet · stopwatch · 6 printed mock exam sheets + KEY sheet (recycle from CI 41/42 if conserved) · 3 station prompt cards (A grammar / B vocab / C speaking) · Shadowing video link · personal notebook (recurrent doubts + literal errors + post-miniproject state) · board pre-divided in 4 sections (PHRASE / 3 STATIONS / MOCK FORMAT / 3 THINGS).

1. MYSTERY HOMEWORK CHECK — 5 min — STAND UP

Open the envelope. Read aloud:

> **"In 45 seconds, give me 2 sentences:**

> **— 1 about HOW YOU FELT in your miniproject last class ('I felt... The hardest moment was... The best moment was...').**

> **— 1 about HOW YOUR VOICE HAS RESTED since ('My voice feels... I slept... hours. Today I will...').**

> **Example: 'I felt nervous at the start but strong at the end. The best moment was the audience question. My voice feels tired but ok. I slept seven hours. Today I will drink warm water.'**

> **Go!"**

1 min silence → 3 students at random. Fluent + CI 44 task done = +5 EP. Zero delivery → note with NAME in personal notebook.

Note: If someone says they did NOT feel well in the miniproject, do NOT process emotion publicly. ONE phrase: "That is real. Coordination will follow up. Today: rehearse, rest, sleep well." Clean close. The individual goes to your personal notebook with NAME for coordination.

2. WHY TODAY — 3 min — SIT

> **"Mystery: last class is fresh, voice recovery starts now.**

> **Phrase of the Day: Synthesis day 4 — the four virtues already integrated + preparing/resting for the Final.**

> **Peer Teacher: one recurrent error from the whole level — last public fix.**

> **Three stations: grammar (the three tenses), vocabulary M1–M35, short speaking. 8 min each. Head + mouth + memory, no pressure.**

> **Complete mock exam, Final format: 15 items, 18 min silent, self-correct with KEY, one urgent question per person. No grade announced. Rehearsal, not evaluation.**

> **Shadowing: short and soft — voice rest.**

> **Error Paper Live + Phrase closing.**

> **Emotional close: 'Three things I take from this level' in pairs. Three volunteers. Pre-Final homework. CI 45 announcement (calendar fact only). 'See you CI 45 — rest your voice.'**

> **Limit: any question about Final criteria, scores or weight goes to coordination — not to me.'**

3. PHRASE OF THE DAY — 4 min — STAND UP

Write on the board (before class):

PHRASE OF THE DAY — CL 44 (PRE-FINAL DAY)

"On CI 45 I show what 10 weeks of work
made me — Prudence to choose my words,
Temperance to breathe, Justice to listen,
Fortitude to finish.
The Final is the CELEBRATION,
not the test."

1. Read twice slowly.
2. Cohort echoes 3×.
3. Say: *"Notice: I SHOW — not 'I will be tested', not 'I will pass'. I SHOW what 10 weeks made me. And the four virtues — Prudence to choose your words. Temperance to breathe. Justice to listen — to your classmates, to me, to yourself. Fortitude to finish — even if mid-Final you stumble. Last line: the Final is the CELEBRATION, not the test. The Final is the receipt of these 10 weeks. Not the judgment."*
4. *"Sit. I will use this phrase again. You will say it to yourself the night before and the morning of CI 45."*

4. VATS — SYNTHESIS DAY 4 — 6 min — SIT

> *"Synthesis day 4: the four virtues are already integrated in you after last class. Today is the LAST class before CI 45. So the question is no longer 'which virtue do I need' — it's 'how do I PREPARE so all four show up on CI 45?' What ONE concrete action will you take between today and CI 45 morning to make sure Prudence, Temperance, Justice and Fortitude are READY when you sit down for the Final?"*

Pairs 2 min. 2–3 students share 3 min. Vocabulary: prepare, rest, hydrate, sleep, review, breathe, slow down, show up, ready, integrated.

Insertion #1 of Phrase of the Day: *"Whatever your one action is — it's preparing the celebration. The Final is the celebration, not the test."*

5. PEER TEACHER — 1 RECURRENT ERROR — 7 min — STAND UP

Pre-class: pick the ONE most recurrent error from your full personal notebook (CI 41–43) — the one you saw most in the written mocks (CI 41/42) + the miniprojects (CI 43). Last public correction of the level.

1. *"Today's peer teacher is [name]. This is the last public correction of the level — the error we all saw most."*
2. Student: explains → corrects → cohort echoes 2×. Focus: error that appeared most in CI 41–43.
3. Applause. *"Next class is CI 45 — Final. No more peer teaching after today."*

Canonical options (anonymous on board — pick ONE):

1. ■ "I have 25 years." ■ "I am 25 years old." (age = be + old)
2. ■ "Yesterday I go to the park." ■ "Yesterday I went to the park." (irregular past)
3. ■ "I going to study." ■ "I am going to study." (going to without be)
4. ■ "She have a brother." ■ "She has a brother." (3rd person = has)
5. ■ "My city have many places." ■ "My city has many places." (3rd person = has)

6. 3 STATIONS — GRAMMAR / VOCAB / SPEAKING — 25 min — STAND UP

> *"Three stations. Eight minutes each. Grammar, vocabulary, speaking. Rotate. Warm up head, mouth, and memory before the mock exam. No pressure — no grade — just movement."*

Setup — 2 min

Split cohort into 3 small groups (6 → 3 pairs; 4 → 2 pairs + 1 solo; 5 → 1 trio + 1 pair + 1 solo). Each group starts at a different station. Stopwatch: 8 min per station → 1 min transition → next station.

3 STATIONS — ROTATE EVERY 8 MIN

STATION A — GRAMMAR (the 3 tenses)
6 mini-prompts on a card:
"Yesterday I ____ (eat / go / study / wake up / drink / see)"
"Right now I am ____ (speak / read / write / listen / think)"
"Tomorrow I am going to ____ (call / visit / cook / clean / travel)"
Each person says 1 full sentence per prompt OUT LOUD.
Pair checks: thumbs up = ok, thumbs down = retry.
NO writing. Only speaking.

STATION B — VOCABULARY (M1–M35 accumulated)
1 sheet, 12 words grouped in 4 themes:
FAMILY (mother, brother, daughter)
BODY/HEALTH (head, stomach, tired)
CITY (street, market, bus)
ROUTINE (wake up, brush, drive)
Round: 1 person says the word in English → partner says a sentence using it. Rotate.
12 words / 2 people / 8 min = 1.5 words per min. Tight.

STATION C — SHORT SPEAKING (everyday)
4 micro-topics on a card:
1. "Yesterday after class I..." (45 sec)
2. "Right now I feel..." (30 sec)
3. "Tomorrow morning I am going to..." (45 sec)
4. "My best memory of this level is..." (60 sec)
1 speaks, 1 listens silent. Then swap. Then next topic.
Pure speaking — no script, no card, no notes.

Rotation — 24 min

You circulate SILENT. Note literal errors in your personal notebook with NAME — for coordination, NOT for public correction. **NO interruption.** If a station stalls: ONE re-start phrase ("Next prompt. Keep moving.") then move on.

Quick close — 1 min

"Hands up — who felt the *THREE* tenses are alive in their mouth? Who felt vocabulary is there but slow? Who felt speaking is the easiest now?" — visual reading only, no comments. Move to the mock.

Insertion #2 of Phrase of the Day: "You just rotated three stations. That's Prudence + Temperance + Justice + Fortitude in motion. On CI 45 I show what 10 weeks of work made me — and the Final is the celebration, not the test."

7. MOCK EXAM — FINAL FORMAT — 28 min — SIT

> *"This is the last written rehearsal before CI 45. Same format as Final. 15 items. 18 minutes in silence. 5 minutes to self-correct with the KEY. 5 minutes for urgent questions. After today, you've SEEN the format three times. CI 45: no surprises."*

Setup — 2 min

Hand out the printed mock sheet (recycle from CI 41/42 if conserved — SAME format). If not printed, dictate to the board — the first 3 min go to copying but the block still lasts 28 min.

MOCK EXAM – FINAL FORMAT – 15 ITEMS – 18 minutes

PART A – GRAMMAR (5 items, 1 pt each)
Complete with the correct tense (past / present / present continuous / going to / should / can).

PART B – VOCABULARY (3 items, 1 pt each)
Translate the underlined word from English to Spanish (or write a synonym in English).

PART C – TRANSLATION (3 items, 1 pt each)
Spanish to English. Short sentences.

PART D – SHORT WRITING (2 items, 2 pts each)
- 1 sentence about YESTERDAY (past simple).
- 1 sentence about NEXT WEEK (going to).

PART E – READING COMPREHENSION (2 items, 1.5 pts each)
Read the short text + answer 2 questions in English.

TOTAL: 15 items / 18 pts. NO talking. NO looking at your notebook. This is your rehearsal for CI 45.
NO grade announced today. REHEARSAL, not exam.

Silent writing — 18 min

Stopwatch visible. You silent, standing at the back of the room. **NO help. NO translation. NO correction. NO comments.** If anyone finishes early: they review their own paper. The silence of the mock = the silence of the Final.

Self-correction with KEY — 5 min

Hand out the KEY sheet (answers + 1 line of explanation per item). Each student corrects their own. Notes their score in the corner **for themselves only** — NOT handed in, NOT communicated, NOT announced, NOT compared. "Your score is yours. Coordination will see the Final — not today's rehearsal."

Critical doubts — 5 min

"ONE urgent question per person, only if it's still unclear. No discussion of grades. No 'why was this wrong'. Only 'how do I do this correctly on CI 45'." Note recurrent doubts in your personal notebook for coordination — they signal what's loose 3 days before the Final.

Firm rule for this block: NO score announced (individual or group). NO comparison. NO "this counts more on the Final". If pressed: "Coordination handles results — not me. Today you rehearse, you rest your voice, you sleep well."

Insertion #3 of Phrase of the Day: "You just finished 15 items in silence. On CI 45 you do the same — last 2 hours of the level. The Final is the celebration, not the test."

8. SHADOWING — SHORT, SOFT — 10 min — STAND UP

Verify video link in WhatsApp. "Voice rest before the Final. Soft today. No projection. Just rhythm."

Setup (1 min): play.

Round 1 (3 min): line by line. Repeat 2× SOFT.

Round 2 (4 min): full play. Relaxed shadowing, half-volume voice.

Close (2 min): 1 volunteer reproduces SOFT. Short applause. "Your voice is your instrument for CI 45. Protect it."

Do not ask for energy here. One class left (the Final). Shadowing today = rhythm + intonation + protected voice.

9. ERROR PAPER LIVE + PHRASE CLOSE — 8 min — STAND UP

Error Paper Live — 4 min

Write on the board (anonymous; NAMES go ONLY in your personal notebook for coordination):

1. ■ "I going to study on Friday." → ■ "I'm going to study on Friday." (missing be)
2. ■ "Yesterday I eat at home." → ■ "Yesterday I ate at home." (irregular past)
3. ■ "She have two children." → ■ "She has two children." (3rd person = has)
4. ■ "I have 30 years old." → ■ "I am 30 years old." (age = be + old)

Read. Students correct in chorus 2×. **Do NOT attribute the error to who made it in their mock.** Anonymous on board = non-negotiable. **Do NOT use this moment to "warn" about the Final.** Just: read → chorus correct → close.

Phrase close — 4 min

1. *"Today's phrase from memory."* — 1 at random. Hint if needed: *"On CI 45 I show..."* (1.5 min)
2. *"Now adapt it to YOU on CI 45 — what you specifically will do."* — another at random. (1.5 min) Example: *"On CI 45 I show what I learned about my city — Prudence to plan my answer, Temperance to breathe, Justice to listen to the question, Fortitude to finish. The Final is my celebration."*
3. *"That phrase is yours from now to CI 45. Whisper it the night before. Whisper it the morning of."* (1 min)

Insertion #4 of Phrase of the Day (direct close): *"The Final is the celebration, not the test. 10 weeks of work — that's what you show. CI 45."*

10. EMOTIONAL CLOSE + CI 45 HOMEWORK + CI 45 ANNOUNCE + CLOSE — 14 min — SIT / PAIRS

Brief individual recognition — 3 min

> *"Sit. Look at me. Last class each of you stood up 4 minutes in English in front of the group. Today each of you sat through 15 items in silence and self-corrected with the KEY. 10 weeks ago that was impossible. Today: ordinary. That's the level — not luck."*

(Factual. No "I'm proud". No "you were great". Data: last class 4 min in English, today 15 items in silence, 10 weeks, ordinary what was once impossible.)

"Three things I take from this level" in pairs — 3 min

"THREE THINGS I TAKE FROM THIS LEVEL"

In pairs (3 minutes total):

- Each person says THREE things they take from these 10 weeks — in English.
- One thing about LANGUAGE (a structure, a word, a tense that is now yours).
- One thing about YOURSELF (a virtue, a habit, a discovery about how you learn).
- One thing about THE GROUP (a moment, a person, a class that mattered).

Example: "I take past simple — I couldn't use it in week 1. I take Fortitude — I almost quit in week 5 but I came back. I take the day we did the city tourist guide — we laughed a lot."

90 seconds each. NO interruption. Listen fully.

Pairs speak 90 sec each. You circulate SILENT. If someone runs out of words: *"One word is enough. Then the next."*

2–3 volunteers share with the group — 4 min

"Who wants to share ONE of their three things — with the whole group, in English?" — 2–3 volunteers, 1 min each MAX. NO obligation. NO closing with "wow". Just short applause + *"Thank you"* + next.

CI 45 announcement — Final as calendar fact — 1 min

> *"CI 45 — Final Exam. Last 2 hours of the level. That's the calendar. Format, criteria, weight, grade — coordination. Your job: show up rested, voice ready, sleep well the night before."*

(NO criteria. NO format. NO "what counts more". NO "what is evaluated". If asked: *"Coordination handles results — not me. Today you rehearse, you rest your voice, you sleep well."* Clean close.)

Homework CI 45 — DUE BEFORE NEXT CLASS CI 45 (Final), 7:00 PM — 2 min

HOMEWORK PRE-FINAL — DUE: BEFORE NEXT CLASS Cl 45, 7:00 PM
TIME: 15–20 minutes TOTAL MAX (NOT fragmented — NOT extended)

(1) REVIEW YOUR OWN POLISHED MINIPROJECT (10 min):
- Take your 5-keyword card from last class.
- Read your 3 reflection sentences from Cl 44 homework.
- Say your miniproject ONCE OUT LOUD — calm, no recording, no pressure. Mental rehearsal, NOT performance.
- Do NOT rehearse more than 1 time. More = overload.

(2) VOICE REST + HYDRATION (10 min of habits):
- Tonight: warm water + honey + 7–8 hours sleep.
- Between classes: voice at half-volume all day.
- The day before Cl 45: voice = PRIORITY — water, honey, no shouting, no singing, no smoking, sleep before 10 PM.
- Cl 45 morning: full breakfast + water + 5 min of soft voice warm-up before leaving.

NEXT CLASS Cl 45, BRING: rested voice, miniproject card kept in case you need it mentally, 7–8 hours of sleep, full hydration.

RULE: Not fragmented. Not extended. MAX 20 min because voice MUST rest. It is your instrument for Cl 45.

Close — 1 min

> *"Today: Mystery, Phrase of the Day, peer teacher, three stations, complete mock exam, shadowing, error paper, emotional closing. Next class: Final. Last 2 hours. 10 weeks of work — you show what they made you. Phrase: the Final is the celebration, not the test. See you next class — rest your voice."*

(Dry, factual. No drama. No "the level is over". No "it was a pleasure". No "I'll miss you". The level closes on Cl 45 — not today. Today closes the REHEARSAL, not the level.)
