

____/____

■■ RITUAL ACTIVO — FRASE DEL DÍA (GoldList eliminado 14/05)

GoldList se cerró por decisión de coordinación. **NO hay depuración de listas.** Continúa "**FRASE DEL DÍA**".

Frase del Día sugerida hoy:

> **"How many people need help? There are many — and a fair person helps a few every day."**

(Frase con el patrón M32: "How many + plural contable + are there" + respuesta con "many" y "a few" — hilada con JUSTICIA: contar a cuántos puedes ayudar y dar a cada quien lo que le corresponde, empezando por unos pocos cada día)

Si los estudiantes preguntan por GoldList: *"The method evolved. We use Phrase of the Day now — simpler, more direct. Your old notebooks stay yours."*

■■ MENSAJE IMPORTANTE PARA EL PROFESOR

Mantienes los **4 ajustes pedagógicos** validados (English only · explicar objetivo de cada bloque · consolidación antes de complejidad · proyectar seguridad).

Reconocimiento por tu iniciativa correctiva sostenida. Sigue auditando el contenido contra el libro antes de ejecutar.

■■ CONTEXTO CRÍTICO — ESTA SEMANA EN A2 PM

| Día | Clase | Lo que pasó |

|---|---|---|

| Lun 18/05 | CI 28 | M28 The Superlative (cerró el trío comparativo) |

| Mar 19/05 | CI 29 | M29 Degrees of Adjectives (How + adj + intensificador) |

| Mié 20/05 | CI 30 | M30 Too Much or Just Enough? (enough/so/too) |

| **Jue 21/05 HOY** | **CI 31** | **M32 How Many People Are There?** |

No comentas notas ni resultados del midterm — eso es exclusivo de coordinación.

■■ NOTA SOBRE EL CONTENIDO — M32 HOW MANY PEOPLE ARE THERE?

M32 oficial (libro pág 273-282): "How Many People Are There?" — Specifying Countable Quantities. Objetivo del libro: sin dudar, formar preguntas usando "**how many**" y responder correctamente, con vocabulario contable. (El libro pasa de Module 30 directo a Module 32 — **no existe Module 31**, ver NOTA INTERNA.)

Vocabulario base (libro pág 274, Vocabulario 1):

M32 VOCABULARY (libro pág 274)
a person → una persona
people → gente / personas (plural IRREGULAR de "person")
many = a lot of = lots of → muchos (objetos contables)
a few → unos / algunos (aprox. 3 - 5)

CONCEPTO – Preguntar y responder CUÁNTOS hay (elementos CONTABLES)

GUÍA 1 "How many?" (libro pág 275, reglas literales):

1. "how many..." significa "¿Cuántos...?"
2. Se usa para elementos CONTABLES (ej. 1 perro, 2 perros).
3. Va ANTES del elemento de interés.

Pregunta con palabra interrogativa:

How many + [elemento plural] + do + [sujeto] + have?

→ "How many dogs do you have?" → "¿Cuántos perros tienes tú?"

4. También con "there are / are there":

→ "How many dogs are there?" → "¿Cuántos perros hay?"

5. "many" / "a lot of" / "lots of" = "muchos" (contables)

→ "I have many friends. / I have a lot of friends."

6. "a few" = "unos / algunos" (aprox. 3 - 5)

→ "I have a few friends." → "Tengo unos amigos."

RESPUESTAS (libro pág 277-282):

- número exacto: "There are 7 nurses." "She has 2 markers."
- irregular: "There are 5 people." ("people", no "persons")
- muchos: "There are many people. / a lot of / lots of"
- unos (3-5): "There are a few sandwiches." "He has a few chairs."

Conexión M30 → M32:

- Cl 29 M29: "How tall is X? — He's pretty tall." (el GRADO de una cualidad)
- Cl 30 M30: "Is X tall enough? — He's too tall." (si la cualidad LLEGA o EXCEDE el nivel)
- HOY M32: "How many X are there? — There are a few." (CANTIDAD exacta de cosas CONTABLES)

> M32 NO es comparación ni grado ni nivel: cuenta CANTIDAD de cosas contables. Si dicen "How many money...?" → corta: "how many" SOLO con contables (el dinero es M33, otra clase). Si dicen "persons" → corta: el plural irregular es **people**. Si dicen "How many friends I have?" → corta: falta el ayudante ("do you have?" / "are there?").

■■ PRE-FLIGHT CHECKLIST

- [] Imprimi y lei esta guía COMPLETA al menos 1 hora antes
- [] Tablero limpio en 3 secciones: FRASE DEL DÍA / M32 how many + vocab / Errores
- [] SOBRE CERRADO Mystery Homework Check preparado (chequea tarea Cl 30 = M30)
- [] Hoja Error Paper físico + lapicero
- [] Cronometro listo
- [] Tu libreta personal (3 errores con NOMBRE)
- [] Estudiante PEER TEACHER hoy: _____
- [] Video Shadowing CONFIRMADO (día del ciclo + link)
- [] VIRTUD verificada: CL 31 = JUSTICIA v2 (clases 31-35, día 1/nuevo bloque, por número de clase)
- [] NO uso GoldList ni menciono listas. NO comento notas del midterm.

■■ REGLA FIRME — TAREAS

> "This is what A2 requires. 20-30 min between classes. We don't lower the bar."

Si dicen "no me dio tiempo" → "This is your level. You decide. You also decide the consequence."

CONTEXTO DE HOY

Cl 30 cubrió: M30 Too Much or Just Enough? (enough después del descriptor / so = alto pero bueno / too = excesivo no deseable — decidir si una cualidad alcanza o excede el nivel requerido)

Hoy CL 31 cubre:

- **M32 — How Many People Are There?** (Specifying Countable Quantities: **how many** + plural contable + ayudante / respuesta con número, **people**, **many** / **a lot of** / **lots of**, **a few**)
- Frase del Día (hilada con Justicia)
- Pasa de medir el NIVEL de una cualidad (M30) a contar la CANTIDAD de cosas contables (M32)

VIRTUD HOY: JUSTICIA (v2) — DÍA 1, NUEVO BLOQUE — equidad, dar a cada quien lo que le corresponde, responsabilidad con el otro, contar a cuántos puedes servir. (Atada al número de clase: Cl 31-35 = Justicia v2; Cl 30 cerró Templanza v2.)

ESTRUCTURA DEL BLOQUE (120 min)

| # | Tiempo | Bloque | Físico | Min |

|---|---|---|---|---|

1	00:00-00:05	**MYSTERY HOMEWORK CHECK** (tarea CI 30 = M30)	DE PIE	5
2	00:05-00:07	**EL POR QUÉ DE HOY**	sentados	2
3	00:07-00:11	**FRASE DEL DÍA — presentación**	DE PIE	4
4	00:11-00:16	VATS (Justicia + M32)	sentados	5
5	00:16-00:23	**PEER TEACHER SLOT** (errores CI 30)	DE PIE	7
6	00:23-00:38	**LIBRO M32** — How many + vocabulario (pág 273-282)	sentados	15
7	00:38-00:53	**SPEED DRILL** — how many + respuesta (número/people/many/a few)	DE PIE + sentados	15
8	00:53-01:18	**SIMULACIÓN PROFESIONAL — "The Inventory Count"**	DE PIE	25
9	01:18-01:33	SHADOWING (verificar día del ciclo)	DE PIE	15
10	01:33-01:42	Error Paper Live + Frase del Día CIERRE	DE PIE	9
11	01:42-01:50	Tarea + Cierre + anuncio M33	sentados	8

1. MYSTERY HOMEWORK CHECK (00:00–00:05, 5 min) — DE PIE

OBJETIVO: "Quick verification of Wednesday's homework — M30 too much or just enough."

Sobre cerrado:

HOMEWORK MYSTERY CHECK — A2 CL 31

In 45 seconds, give me 2 sentences using M30:
one with "___ enough" (AFTER the adjective),
one with "so" or "too" (BEFORE the adjective).

Example: "My job is hard enough. The deadline is too tight."

GO!

En clase (5 min): STAND UP → envelope → 1 min silencio → 3-4 AL AZAR. Fluido = +5 EP. Titubea = "Sí. Thank you." Anota quién NO entregó tarea CI 30.

2. EL POR QUÉ DE HOY (00:05–00:07, 2 min) — SENTADOS

WHY TODAY'S ACTIVITIES MATTER:

→ MYSTERY: verify Wednesday's M30 homework — "enough" after the adjective, "so" / "too" before.

→ PHRASE OF THE DAY: today's phrase has the M32 pattern — "How many ___ are there?" answered with "many" and "a few".

→ PEER TEACHER: a classmate teaches errors from CI 30 — fresh.

→ MODULE 32 — HOW MANY PEOPLE ARE THERE?: M30 measured the LEVEL of a quality ("tall enough"). Today we count QUANTITY of COUNTABLE things: "How many people are there? — There are 5 people / many people / a few people."

→ SPEED DRILL: rapid "how many" + correct answer until reflex.

→ "THE INVENTORY COUNT": a real workplace scene — you ask and report exact counts of staff, tools and supplies.

→ SHADOWING: rhythm and intonation.

Now we begin. (No midterm grades — coordination handles that.)

3. FRASE DEL DÍA — PRESENTACIÓN (00:07–00:11, 4 min) — DE PIE

Tablero:

PHRASE OF THE DAY — CL 31

"How many people need help?
There are many — and a fair person
helps a few every day."

1. (30 seg) "STAND UP. Phrase of the Day."

2. (1 min) Lee 2x lento. Coro 3x.

3. (1.5 min) "'How many people' = the M32 pattern — 'how many' + a countable plural. 'Many' means a lot; 'a few' means about 3 to 5. And it is about Justice — counting how many you can serve and giving each person their due, starting with a few every day."

4. (30 seg) "Sit. Notice when I use this pattern today."

4. VATS — JUSTICIA + M32 (00:11–00:16, 5 min) — SENTADOS

Virtud: JUSTICIA (equidad, dar a cada quien lo suyo, responsabilidad con el otro) — DÍA 1, nuevo bloque.

Pregunta integrando el patrón M32:

> *"How many people do you help in a week? Answer with M32: 'I help a few people' / 'There are many people who need it' / 'I help a lot of people at work.' Justice is giving each person their due — and counting honestly how many you actually reach, not pretending it is more."*

Pairs (2 min). 2 estudiantes comparten (3 min). Anota 1 frase fuerte para el reporte.

5. PEER TEACHER SLOT (00:16–00:23, 7 min) — DE PIE

Pre-clase: 2-3 errores de tu libreta de CI 30. Asignar peer teacher (rotación visible).

1. (30 seg) "Today's peer teacher is [name]. Errors are fresh from CI 30."
 2. (5 min) Explica → corrige → coro 2x.
 3. (1 min) Aplauso + "Tomorrow it's [next name]."
 4. (30 seg) Anota cómo se sintió. Si se traba, NO rescatar — 10 seg silencio.
-

6. LIBRO M32 — HOW MANY + VOCABULARIO (00:23–00:38, 15 min) — SENTADOS

OBJETIVO: "Open Module 32, page 273. How many people are there? We stop measuring levels — now we COUNT countable things: 'How many ___ are there? / do you have?' and answer with a number, 'people', 'many / a lot of / lots of', or 'a few'."

Vocabulario (5 min)

M32 VOCABULARY (libro pág 274)
a person = una persona
people = gente / personas (PLURAL IRREGULAR de "person" — NO "persons")
many = a lot of = lots of = muchos (contables)
a few = unos / algunos (aprox. 3 - 5)

Lee. Repiten 2x. Énfasis: "people" /piːpəl/ (no "persons"), "a lot of" /əˈlɒt ɒv/ (la "t" enlaza), "few" /fjuː/.

Concepto (10 min)

Tablero:

HOW MANY...? = ¿Cuántos...? (only COUNTABLE: 1 dog, 2 dogs)
Goes BEFORE the item. Needs a helper.

How many + [plural] + do + [subject] + have?
"How many dogs do you have?"
How many + [plural] + are there?
"How many dogs are there?"

ANSWERS:
number → "There are 7 nurses." "She has 2 markers."
people → "There are 5 people." (irregular plural, NOT "persons")
many → "There are many people. / a lot of / lots of"
a few → "There are a few sandwiches." (about 3-5)

NO "how much" here (that is uncountable — another module).
M32 is NOT comparison, NOT level — it is COUNT.

Ejemplos modelados (libro pág 277-282, inserción #1 Frase del Día):

- "How many nurses are there? — There are 7 nurses." (número exacto, pág 277)
- "How many people are there? — There are 5 people." (plural irregular, pág 277)
- "How many hamburgers are there? — There are many / a lot of / lots of." (pág 278)
- "How many sandwiches are there? — There are a few sandwiches." (a few = 3-5, pág 278)
- "How many markers does Paula have? — She has 2 markers." (con "have", pág 280)
- "How many people need help? There are many — and a fair person helps a few every day." ← Frase del Día

> Estudiantes te explican a TI: pregunta *"Does 'how many' go before or after the item? What is the plural of 'person'? Is this comparison? Why not? What does 'a few' mean — exactly how many?"*

7. SPEED DRILL — HOW MANY + RESPUESTA (00:38–00:53, 15 min)

Drill 1 — Coro rápido (5 min) — DE PIE

Tú das el elemento + la cantidad-pista (# = número / P = people / M = many / F = a few), el cohorte forma pregunta "how many ___ are there?" + respuesta correcta:

nurses / 7 → "How many nurses are there? – There are 7 nurses."
doctors / 4 → "How many doctors are there? – There are 4 doctors."
secretaries / 1 → "How many secretaries are there? – There is 1 secretary."
pilots / 2 → "How many pilots are there? – There are 2 pilots."
people / 5 → "How many people are there? – There are 5 people."
engineers / 6 → "How many engineers are there? – There are 6 engineers."
people / M → "How many people are there? – There are many people."
hamburgers / 9 → "How many hamburgers are there? – There are 9 hamburgers."
sandwiches / F → "How many sandwiches are there? – There are a few sandwiches."
hot dogs / M → "How many hot dogs are there? – There are a lot of hot dogs."
markers (Paula) / 2 → "How many markers does Paula have? – She has 2 markers."
chairs (John) / F → "How many chairs does John have? – He has a few chairs."
papers (Alice & Bruno) / M → "How many papers do they have? – They have lots of papers."
children (Karol) / 2 → "How many children does Karol have? – She has 2 children."
students (Sergio) / F → "How many students does Sergio have? – He has a few students."

15 ítems, ritmo rápido. Si fallan, repite hasta coro correcto.

Drill 2 — Parejas (10 min) — SENTADOS

Cada pareja escribe **8 pares pregunta+respuesta**: 3 con respuesta de **número exacto**, 2 con **people** (plural irregular), 2 con **many / a lot of / lots of**, 1 con **a few** (3-5). Mínimo 2 deben usar **"do you/they have?"** (no solo "are there"). Temas: jobs / office / city. A los 8 min, swap pairs + check ayudante + plural de "person".

8. SIMULACIÓN PROFESIONAL — "THE INVENTORY COUNT" (00:53–01:18, 25 min) — DE PIE

OBJETIVO: "A real workplace scene. You run a quick inventory and staff count for a manager. For each line you ASK 'how many ____ are there / do we have?' and REPORT honestly: an exact number, 'people', 'many / a lot of', or 'a few'."

Setup (3 min)

Tablero — count checklist + 2 cases:

THE INVENTORY COUNT ASKS (how many + countable):
- How many people are there on the team?
- How many laptops / chairs / desks do we have?
- How many clients are there today?
- Answer: number / people / many · a lot of / a few

CASE 1 – Office "Branch A" CASE 2 – Stockroom "Supplies"
- 5 staff, 2 managers - 9 boxes, 3 printers
- many clients waiting - a few chairs left
- a few laptops free - lots of pens, 4 desks

Modela (3 min)

> *"How many staff are there in Branch A? — There are 5 staff and 2 managers. How many clients are there today? — There are many clients waiting. How many laptops are free? — There are a few laptops free. In the stockroom: how many boxes are there? — There are 9 boxes. How many chairs do we have? — We have a few chairs."*

> *Inserción #2 Frase del Día: "How many people need help at the front desk? There are many — and a fair person helps a few every day, in order, no favorites."*

Round 1 (8 min) — Parejas

Una persona = manager (hace 4+ preguntas "how many ____ are there / do we have?"), la otra = encargado del conteo (responde con número exacto, mínimo 1 "people", 1 "many/a lot of" y 1 "a few"). Cubrir un caso completo.

Round 2 (8 min) — Cambio

Intercambian roles y caso (el manager ahora cuenta el otro inventario; obliga a re-formar "how many" con elementos distintos y respuestas mixtas número/people/many/a few).

Cierre (3 min)

1 pareja frente al grupo: 60 seg inventory count en vivo + 30 seg Q&A. Anota errores con NOMBRE en tu libreta.

9. SHADOWING (01:18–01:33, 15 min) — DE PIE

■ **Verificar día del ciclo + link ANTES de clase.**

Setup (2 min): Play. Listen 1x.

Round 1 (5 min): Frase por frase. Repiten 2x.

Round 2 (6 min): Play completo. Shadowing.

Cierre (2 min): 1 voluntario reproduce.

10. ERROR PAPER LIVE + FRASE DEL DÍA CIERRE (01:33–01:42, 9 min) — DE PIE

Error Paper Live (6 min)

Ejemplos típicos M32:

1. ■ "How many persons are there?" → ■ "How many PEOPLE are there?" (plural irregular)
2. ■ "How much chairs do you have?" → ■ "How MANY chairs do you have?" (contable = how many)
3. ■ "How many friends I have?" → ■ "How many friends do I have?" (falta el ayudante 'do')
4. ■ "There are a few of people." → ■ "There are a few people." ('a few' + sustantivo, sin 'of')
5. ■ "There is many people." → ■ "There ARE many people." (people = plural → are)

Escribe 4-5 errores ANÓNIMOS en tablero (del día). Dos teams compiten corrigiendo. Estudiantes corrigen 2x en coro.

Frase del Día CIERRE (3 min)

1. "Today's phrase from memory." — 1 AL AZAR.
2. "Make a NEW sentence: one 'How many ____ are there?' question + an answer with 'many' or 'a few'." — otro AL AZAR.

11. TAREA + CIERRE + ANUNCIO M33 (01:42–01:50, 8 min) — SENTADOS

Tarea CI 31 (5 min)

TAREA — DUE: VIERNES 22 MAYO ANTES DE LAS 7:00 PM
TIEMPO: 20-30 min

(1) ESCRITURA (10 min): 10 pares pregunta+respuesta M32 — al menos 4 con respuesta de número exacto, 2 con "people" (plural irregular, NO "persons"), 2 con "many / a lot of / lots of", 2 con "a few" (3-5).
Mínimo 3 deben usar "do you/they have?" (no solo "are there?").
Temas: jobs / office / city.

(2) GRABO OJOS CERRADOS 2 MIN (8 min):
"A friend asks: how many people work with you, how many tasks do you have today, how many friends do you really see a week?
Answer using 'how many' + a number / people / many / a few at least 6 times."
Etiquetar TAREA A2-31.

(3) LISTENING (10 min): un video corto de oficina o tour de lugar en YouTube. Apunta 4 frases que usen "how many", "many", "a lot of" o "a few".

> Due date explícita. NO se fragmenta. Push-back NO se acepta.

Cierre + anuncio M33 (3 min)

> *"Today: Mystery, Por Qué, Phrase of the Day, M32 How Many People Are There?, Speed Drill, The Inventory Count, Shadowing. You moved from measuring the LEVEL of a quality ('tall enough') to counting the QUANTITY of countable things: 'How many people are there? — There are 5 people / many people / a few people.' Real A2 sounds like 'How many clients are there? — There are many, and a few are waiting.' This opens the Justice block — counting honestly how many you serve and giving each their due. Viernes CI 32 = M33 'How Much Money Do You Have?' — specifying UNcountable quantities with 'how much'."*

NOTA INTERNA — DESPUÉS DE LA CLASE

Mapa próximas A2 PM:

- CI 32 (viernes 22/05): M33 "How Much Money Do You Have?" — Specifying Uncountable Quantities (libro pág 283: preguntas con "how much" para incontables) — verificar contra A2 Book.md antes (no inferir)

• CI 33 (lunes 25/05): siguiente módulo del libro — **verificar contra A2 Book.md antes (no inferir)**

SALTO DE MÓDULO RE-CONFIRMADO — Module 31 NO existe en el libro. Re-auditado contra `recursos/docs\_estrategia/A2 Book.md`: el libro pasa directo de **Module 30** (pág 266-272, "Too Much or Just Enough? — Required Levels") a **Module 32** (pág 273-282, "How Many People Are There? — Specifying Countable Quantities") y luego a **Module 33** (pág 283, "How Much Money Do You Have? — Specifying Uncountable Quantities"). NO existe ningún Module 31 en el documento. Por la regla "skip non-existent module numbers, use next existing, NEVER invent/infer", CI 31 ejecuta **M32** (ya anunciado así al cierre de CI 30) y CI 32 se anunciará con **M33**. Diana queda informada del salto sostenido M30 → M32 → M33.

Contenido M32 verificado y citado literal del libro: Vocabulario 1 (pág 274: a person / people = plural irregular / many = a lot of = lots of / a few ≈ 3-5); Guía 1 "How many?" reglas 1-6 (pág 275); respuestas modelo de Práctica Verbal 1, 2 y 3 (pág 277-282: "There are 7 nurses", "There are 5 people", "There are many people / a lot of / lots of", "There are a few sandwiches", "She has 2 markers", "He has a few chairs"). No se infirió contenido — todo proviene del libro.

Anota cómo migraron de medir el nivel de una cualidad a contar cantidad de cosas contables (M30 → M32) + cómo va la Frase del Día.

> **REGLA DE ORO:** Hoy dejas de medir el nivel de una cualidad y pasas a contar la cantidad de cosas contables: "How many people are there? — There are 5 people / many people / a few people." Quien salga preguntando *"How many clients are there?"* y respondiendo *"There are many, and a few are waiting"* sin pensar, ganamos. Abre el bloque de JUSTICIA: contar honestamente a cuántos sirves y dar a cada quien lo suyo. Sin GoldList, Frase del Día rodando, sin comentar notas del midterm.
