

A2 NOCTURNO — CLASS 53 — Teacher

Session 53/55 · 2h · PRESENTATIONS EVENT (5 students × 5 min talk + 2 min Q&A) · IMMERSIVE MODEL — 4 long blocks · ~60% standing

Date: ___/___/2026 · Attending: ___/___

Today's focus: PRESENTATIONS DAY — event integrated in regular guide structure (NO separate marker file). Each student delivers the 5-minute talk prepared on CI 51–52, followed by 2 minutes of Q&A from cohort. Order drawn from envelope at the opener — no volunteers, no swaps. No grades communicated. No criteria announced.

Virtue: JUSTICE v3 day 3 of 5 (CI 51–55); previous class was the rehearsal day.

Phrase of the Day: *"Justice day three — give what you prepared its full five minutes, give the next person their full turn, give the audience your eyes."*

BLOCK MAP — 4 LONG BLOCKS (120 min)

| # | Min | Block | Function |

| ---|---|---|---|

| 1 | 10 | **OPENER** | Welcome + JUSTICE day 3 named + Phrase of the Day + ORDER DRAW from envelope (event briefing) |

| 2 | 15 | **CONTENT OF THE DAY** | Brief setup + last-minute individual coaching (3 min each student in whisper while others wait quietly) + room setup confirmation |

| 3 | 80 | **LIVE APPLICATION — THE PRESENTATIONS** | 5 students × ~14 min each (5 min talk + 2 min Q&A + ~7 min transitions / applause / order call) — no format change |

| 4 | 15 | **CLOSE** | Cohort reflection (30 sec per student: 1 thing heard well + 1 thing to take) + Phrase close + CI 54 announce + NO scores + NO homework |

Bring to class: Phrase of the Day already on the board · ENVELOPE with 5 student-name slips inside for order draw · clean table at front (chair for presenter, water, cohort facing) · room camera (NOT teacher's phone) for ONE photo of envelope with order + ONE photo of board · printed report sheet · personal notebook (errors + NAMES — silent; never read to cohort) · clock with second-hand visible · TIME CARD (printed 5:00 + 5:30 + 2:00 + 2:30 cards to hold up).

> **STRICT EVENT-DAY RULES** (read before class — internal):

> - **NO grades.** Not for the cohort, not in private, not implied. If asked: *"Coordination handles results — not me."*

> - **NO criteria announcement.** Rubric exists in coordination only. Regular teacher does NOT receive a copy. If asked what counts: *"Coordination has the criteria — your job is the talk."*

> - **NO error paper this day.** Errors go ONLY in personal notebook with NAMES for coordination (never on board, never to cohort).

> - **NO content corrections on the spot.** No public ranking. No "the best was ____."

> - **Order is drawn.** No volunteers. No swaps. Order is the order.

> - **Time is sacred.** 5 min talk + 2 min Q&A; + ~7 min transition. If a talk runs to 5:30, let it close; if 6:00, raise the time card. If Q&A; runs to 2:30, you say *"Last question."*

> - **The talking-points card is allowed.** A full script is not — if a student tries to read a script, pause: *"Use the cues. The audience is in front of you."*

BLOCK 1 — OPENER — 10 min

(2 min) Welcome + frame (event briefing)

> *"Welcome to CI 53 of 55 — presentations day. The structure today is one block of presentations: 5 of you, 5 minutes each, 2 minutes of Q&A; after each. Order is drawn from this envelope right now — no volunteers, no swaps. The order is the order. JUSTICE day 3: give what you prepared its full five minutes, give the next person their full turn, give the audience your eyes. No grades from me — coordination handles results. No criteria — coordination has the rubric. Your job is the talk."*

(2 min) Phrase of the Day — on the board (already written)

PHRASE OF THE DAY — CL 53
"Justice day three — give what you prepared its
full five minutes, give the next person their
full turn, give the audience your eyes."

Read once slowly. Cohort echoes 2×. Quick gloss: *"Three fairnesses today. Fair to yourself — take your full five minutes; don't rush to disappear. Fair to the next person — when your time is up, sit down; their five minutes don't shrink because yours grew. Fair to the audience — your eyes earn their attention."*

(3 min) JUSTICE day 3 brief insertion + envelope ORDER DRAW

> *"JUSTICE v3 — day THREE of five. Today the block lives. Two days left after — CI 54 cycle close, CI 55 Final."*

Open the envelope. Take out the 5 slips one by one in front of the cohort. Read each name out loud and write the position on the board:

ORDER — CL 53 PRESENTATIONS

POSITION 1: _____

POSITION 2: _____

POSITION 3: _____

POSITION 4: _____

POSITION 5: _____

Each: 5 min talk + 2 min Q&A; + ~7 min transition.

Take a photo of the board with the order. (Coordination receives this photo as a deliverable.) NO swap requests — if asked: *"The order is the order."*

(3 min) Final brief — last housekeeping before the event

> **Three reminders. ONE — your talking-points card is your ONLY paper at the front; no full script. TWO — when you finish, walk back, sit, applaud the next person. THREE — Q&A: when the audience asks, take 2 seconds, answer in 2 sentences. If you don't know, say so: 'I don't know — I'd check with the team.'*
Audience: write 1 question each on the back of your card during the talk; I'll call 2 of you per Q&A; round. Let's start with POSITION 1. ****

Audience instruction (do not write on board; say once):

> **During each talk: silent listening. Write ONE question on the back of any paper you have. After the talk, I call 2 of you for Q&A; — random pick — so be ready.***

BLOCK 2 — CONTENT OF THE DAY — 15 min — SETUP + LAST-MINUTE COACHING

(3 min) Room setup

- Move presenter chair / table to clear stage spot at front.
- Cohort chairs in a clean row facing front (4 audience seats; presenter walks to the spot).
- Phrase of the Day visible on the board behind the presenter (not next to them — behind them).
- Time card stack on YOUR table.
- Personal notebook open; envelope photo already taken.

(12 min) Last-minute whisper coaching — 3 min per presenter to position 1–4

While room is being arranged, you call each of positions 1–4 to a corner one at a time. 3 min × 4 = 12 min. ONE final note per student, in whisper:

- *"Your hook landed CI 52 — open the same way today."*
- *"Slow the second sentence — you sped up yesterday."*
- *"Eyes on position 3 of the audience first — friendly face."*
- *"Close strong — the close was your weakest moment in rehearsal."*

Position 5 gets the same 3-min coaching DURING position 1's talk (you whisper at the back).

No coaching during the talks themselves except your time card.

Phrase of the Day INSERTION #1: *"Full five minutes. Full turn. Their eyes."*

> *If a student requests to skip / pull out: *You'll do your full 5 minutes. The talking-points card is enough. Position [N] — your slot stands.***

BLOCK 3 — LIVE APPLICATION — 80 min — THE PRESENTATIONS

ONE event, no format change for 80 minutes. 5 presenters × ~14 min each + 10 min total transitions / applause buffer.

Per-presenter cycle (~14 min)

1. **Position called** (5 sec): *"Position [N]: [name]. Five minutes. Begin."*
2. **5 min talk** — stand at the spot, hook + 3 points + close. You watch time. At 4:30 = no card. At 5:00 = raise 5:00 card silently. At 5:30 = raise 5:30 card. At 6:00 = stand and say *"Close it."*
3. **2 min Q&A**; — you call 2 students at random from cohort, one at a time. Each asks the question they wrote during the talk. Presenter answers. If Q&A; runs to 2:30 = *"Last question."*
4. **Transition** (~5–7 min) — presenter sits, applause, you take 1 silent note in personal notebook (1 sentence: voice / structure / Q&A; / eyes; NAMES — never read aloud), call next position.

Time discipline (you only)

- 5:00 card — silent raise, presenter sees it
- 5:30 card — silent raise, last 30 sec, presenter knows to close
- 2:00 card during Q&A; — silent raise to ask the question
- 2:30 — verbal *"Last question."*
- 6:00 talk — verbal *"Close it."*

Between presenters (do NOT do)

- **X** No public ranking ("That was the best so far")
- **X** No content correction ("You should have said X")
- **X** No grade hint ("Excellent" / "Needs work")
- **X** No long comment — applause + position call is enough

Between presenters (DO)

- ✓ *"Position [N+1]. Five minutes. Begin."*
- ✓ Lead the applause (3 claps, brief)
- ✓ Take 1 silent line in notebook

Phrase of the Day INSERTION #2 between position 3 and position 4: *"Full turn — the next person's five minutes are theirs."*

If something goes wrong

- **Frozen after hook:** wait 10 sec in silence; if still frozen: *"Look at position 1 of the audience. Start with your second sentence."* Wait another 10 sec.
 - **Reads from script:** *"Use the cues. The audience is in front of you."* (Once. If they continue reading, let the talk run; note in notebook.)
 - **Audience phone use:** stop the talk silently with a hand gesture to the audience member, then resume.
-

BLOCK 4 — CLOSE — 15 min

(5 min) Cohort reflection — 1 thing heard well + 1 thing to take

Go around the cohort, 30 sec per student max (5 students × 1 min = 5 min, with buffer):

> *"30 seconds. One thing you heard another presenter do WELL — name the moment specifically. One thing you would TAKE from any presenter into your own work. No 'best' — no ranking. Specific moment + take."*

Examples to model (one quick model from you first if cohort hesitates):

- *"What I heard well: the close on position 2 — the recap of three rules landed clean. What I'd take: the way position 4 used a number in point 1 — '50 calls' landed better than 'many calls'."*

You take notes in personal notebook (NAMES, never read aloud).

(3 min) Phrase of the Day close

1. *"Phrase from memory — one student."* Pick one at random.
2. *"In one sentence: which of the three fairnesses (full five / full turn / their eyes) was hardest for you today?"* Pick another at random.
3. *"Justice day 3. Two days of Justice left — tomorrow CI 54 cycle close, day after CI 55 Final."*

(4 min) CI 54 announce + NO scores message + NO homework

> *"CI 54 — next class. Cycle close + pre-Final review. Walk-through of the Final structure (sections + minutes only — coordination owns the criteria), confidence-building mini-mock from the review arc, error paper showcase from the cycle, and a brief retrospective of the cohort's journey to here. CI 55 — the Final. Coordination administers. An external evaluator runs the Final — I am not the proctor. Calendar fact only. NO scores from today's presentations from me at any point — coordination handles results. NO homework today — the rest of today is yours. Get rest. JUSTICE day 4 next class."*

If asked directly about scores / how they did: *"Coordination handles results — not me. Your job today was the talk. You gave the talk."* Do NOT soften, do NOT hint, do NOT pull aside.

(3 min) Applause close + room reset

Lead a final applause for the cohort: *"Five talks, full turns, eyes up. Applause for the cohort."*

Pack the envelope with the order slips (sealed for coordination delivery). Take the cohort photo if scheduled.
