

B1 MASTERY — CLASS 25 CONV — Danna

Session 25/44 · 1h50min · Block 1 (Conv goes FIRST in this session)

Date: ___/___/2026 · Attending: ___/___

Today's focus: oral production of price questions ("how much does X cost?" / "how much is X?") in professional context. Juan Diego formalizes M34 in the second block. Last day of PRUDENCE block.

Virtue: PRUDENCE day 5 of 5 (block CI 21–25) — LAST day; next class opens TEMPERANCE v2 day 1

Phrase of the Day: *"How much does this path COST me — honestly? Prudence on day five is naming the real price, not the discount I wish for."*

BLOCK MAP (110 min)

| # | Min | Block | Stand? |

| --- | --- | --- | --- |

| 1 | 5 | Mystery homework check | YES |

| 2 | 2 | Why today | sit |

| 3 | 4 | Phrase of the Day | YES |

| 7 | 20 | Simulation — The Price Briefing | YES |

| 8 | 15 | Shadowing | YES |

| 9 | 18 | Project Page 23 — My Honest Price Tags Draft 1 | sit |

| 10 | 8 | Mini-Pitch + live Q&A | YES |

| 11 | 7 | Error Paper + Phrase close + Pase + Homework + Virtue change announcement + Close | YES |

Bring to class: Mystery envelope · Error Paper sheet · "PASE A JUAN DIEGO — CL 25 GRAMMAR" blank sheet · Juan Diego's pase from previous class (M33 errors) · clock · personal notebook (errors + NAMES, never shared aloud).

1. MYSTERY HOMEWORK CHECK — 5 min — STAND UP

Open the envelope. Read aloud:

> **"In 60 seconds, give me 3 sentences:**

> **— 1 with 'HOW MUCH + UNCOUNTABLE' (previous class M33): 'How much money do you spend each week?'*

> **— 1 with an UNCOUNTABLE quantity answer: 'I don't have much time today.' / 'We have a lot of work this week.'**

> **— 1 about REAL COST at your work — a tool, a service, an hour — and a price: 'The new software costs around 30 dollars a month.'**

> **Go!"**

1 min silence → 3 students at random. Note in your personal notebook who did not bring homework.

2. WHY TODAY — 2 min — SIT

> **"Mystery: visible practice from previous class — 'how much' + uncountable.**

> **Phrase of the Day carries today's question — 'How much does this path COST me — honestly?'. That's M34 — 'how much' + 'does' + subject + 'cost'. And 'naming the real price' is PRUDENCE on day five, the LAST day of the block.**

> **Peer Teacher: errors from previous Grammar M33 — from Juan Diego's pase.**

> **Hot Topic — REAL price of things at work — the new tool, an overtime hour, training. English uses 'how much does X cost?' or 'how much is X?' + 'it costs ___' / 'it's ___' / 'they're ___ each'.**

> **Price Briefing simulation — brief your team on what the next quarter costs.**

> **Page 23: MY HONEST PRICE TAGS — what this B1 path is really costing you. Written in class.**

> **Mini-Pitch + Q&A.**

> **Pase to Grammar — fresh 'how much does it cost' errors for Juan Diego's M34 this afternoon.**

> **Today is the FIFTH and LAST day of PRUDENCE v2. Next class opens TEMPERANCE v2.**

> **Limit: any question about Final results goes to coordination — not to me."**

3. PHRASE OF THE DAY — 4 min — STAND UP

Write on the board (before class):

PHRASE OF THE DAY — CL 25 CONV
"How much does this path COST me — honestly?
Prudence on day five is naming the real price,
not the discount I wish for."

1. Read twice slowly.

2. Cohort echoes 3×.

3. Say: *"How much does this path COST me?" — that is the EXACT shape of today's M34: 'how much' + 'does' + subject + 'cost'. Juan Diego names the technical structure this afternoon. And 'the real price, not the discount I wish for' — that is PRUDENCE on its fifth and last day. Next class opens a new virtue block. Today we close PRUDENCE by naming the honest cost."*

4. "Sit. Listen — I will use this phrase three more times today."

4. VATS — PRUDENCE DAY 5 (LAST) — 7 min — SIT

> *"Day five — the LAST of PRUDENCE. Next class we start a new block. Today, the honest cost: HOW MUCH does this English path COST you, really? Not in dollars only — in hours of sleep, in time with family, in things you said no to. 'It costs me about five hours a week, and one weekend a month.' Or: 'It's costing me my Saturday mornings — that's the real price, not the discount.' Name the real price."*

Pairs 3 min. 2 students share 3 min. Reflection 1 min.

Insertion #1 of Phrase of the Day: *"That honest price IS what PRUDENCE looks like on its last day: don't sell yourself a discount that doesn't exist."*

5. PEER TEACHER — from Juan Diego's PASE — 7 min — STAND UP

Read aloud the 2–3 errors Juan Diego wrote in his pase (probable M33 patterns: "how much" with countable plural; "how much moneys" with plural -s; "a little" vs "a few" confusion; "much" with countable).

> *"Today's peer teacher is [name]. These errors are from the previous Grammar block M33 — fresh, from this room."*

Student: explains → corrects → cohort echoes 2×.

Applause. "Next class: [next name]."

6. HOT TOPIC — "WHAT DOES IT REALLY COST?" — 17 min — PAIRS

Setup — 2 min

> *"No text today — today's Grammar topic is structural (describing prices). The topic: name the REAL price of three things at your work — a tool, a service, an hour of something. Honest prices, not what you wish they cost. Previous class we asked 'how much money' (uncountable); today we ask 'how much does it cost'."*

Pairs debate — 12 min

Board:

HOT TOPIC — "WHAT DOES IT REALLY COST?"

Discuss with your partner:

1. Pick THREE real things at your work. Give the HONEST PRICE using "how much does ____ cost?" + answer. Mix the two structures:
"How much does the new software cost?"
– It costs about 30 dollars a month."
"How much is one box of supplies?"
– It's 12 dollars."
"How much do the spare parts cost?"
– They cost 5 dollars each."
2. Pick ONE thing that LOOKS cheap but really isn't
– the hidden cost: "The free trial looks free, but it costs about 4 hours of setup time."
3. "Be honest — don't sell a discount that doesn't exist." Why does naming the REAL price matter at work (budgets, decisions, planning)?

Requirements (12 min):

- 6+ price questions ("How much does ____ cost?" / "How much is/are ____?")
- 6+ price answers ("It costs ____" / "It's ____" / "They cost ____ each" / "They're ____ each")
- 3 SPECIFIC items from your real work
- 1 sentence about a HIDDEN cost (PRUDENCE day 5: not the discount you wish for)

Pairs. English only. 12 min.

Plenary — 3 min

2 students share a professional real price question + answer + why honesty matters.

Insertion #2 of Phrase of the Day: *"Listen to your phrases: 'How much DOES the software COST?', 'How much IS the box?', 'How much DO the parts COST?'. That structure has a name. Juan Diego gives it this afternoon."*

7. SIMULATION — "THE PRICE BRIEFING" — 20 min — STAND UP

Setup — 3 min

> *"Stand up. You stand in front of your team and brief them on what next quarter's resources will COST — in dollars, in hours, in real terms. You use price questions and answers the whole time, honestly."*

Board:

"THE PRICE BRIEFING" — 3–4 min each

You brief your team on 5–6 honest prices of next quarter's resources. Use questions and answers:

POINT 1: "How much does the new software cost?

– It costs 30 dollars per user per month."

POINT 2: "How much do the training sessions cost?

– They cost 200 dollars each."

POINT 3: "How much is the transport for the team

retreat? – It's about 450 dollars."

POINT 4: "How much do the spare parts cost?

– They cost 12 dollars each, and we need 8."

POINT 5: "How much does ONE hour of overtime cost

us, really? – It costs about 25 dollars

plus the energy."

POINT 6: "Honest hidden cost: the free trial looks

free, but it costs about 4 hours of setup

time – that's the real price, not the

discount."

USE: 6+ price Qs / 6+ price answers / professional

ONLY / honest (no wished discounts)

Model — 3 min

> *"Let me brief you on the quarter. How much does the new ticketing system cost? It costs 30 dollars per user per month — that's 360 dollars a year for one person. How much do the certification courses cost? They cost 200 dollars each, and we plan to do two — 400 dollars. How much is the team retreat transport? It's about 450 dollars, all in. How much does ONE overtime hour really cost? About 25 dollars, plus the energy of the next morning, which is the hidden price. One thing: if a teammate asks about evaluations, midterm or final, you do not handle that — it goes only to coordination. Back to prices: the free trial looks free, but it costs four setup hours — that's the real price, not the discount."*

Round 1 — Pairs — 10 min

Each pair: 5 min each. Person A presents the price briefing (5–6 real prices); B is team/manager + counts price Qs and As, and whether they were honest.

Close — 4 min

2 volunteers do their price briefing. Cohort counts. Note errors with NAMES in your personal notebook.

8. SHADOWING — 15 min — STAND UP

Verify today's cycle link in WhatsApp before class.

- **Setup — 2 min:** Play. Listen once.
- **Round 1 — 5 min:** Phrase by phrase. Repeat 2×.
- **Round 2 — 6 min:** Full play. Shadowing.
- **Close — 2 min:** 1 volunteer reproduces.

9. PROJECT — PAGE 23: MY HONEST PRICE TAGS DRAFT 1 — 18 min — SIT

Setup — 2 min

> *"Previous class Page 22 — MY HONEST RESOURCES. Today Page 23: THE HONEST PRICE — what this English path is REALLY costing you, in hours, in energy, in things you let go. Anti-fraud: written in class, in front of me. Page 23 feeds the road to the Final on CI 44."*

Board:

Write an honest narrative (120-160 words handwritten):

1. THE REAL PRICES: list 3+ HONEST COSTS of your B1 path — in HOURS, in ENERGY, in MONEY, in things you let go. Use "how much" questions + "it costs" answers honestly:

"How much does this path cost me in hours per week? It costs me about 5 hours a week."

"How much energy does it cost me on Sundays? It costs the morning — that's the real price."

"How much does it cost in money? It costs about 40,000 pesos a month plus transport."

2. THE HIDDEN PRICE: name ONE cost you'd rather not admit — the one that looks like a discount but isn't.

"It looks free on Saturdays, but it actually costs me time with my family."

3. THE BRIDGE: one sentence connecting these honest prices to PRUDENCE day 5 — and to the Final on Cl 44:

"Knowing the real price is how I keep paying it without resentment, all the way to the Final."

120-160 words handwritten. Hand in at end of class.

Silent writing — 13 min

Each student writes Page 23 Draft 1.

Close — 3 min

2 students read THE HIDDEN PRICE. Applause.

Insertion #3 of Phrase of the Day: *"You just wrote that honest price, here, in front of me. That's prudence in writing: the real number, not the wished one. Next class a new virtue begins — but you closed this one with the truth."*

10. MINI-PITCH + LIVE Q&A; — 8 min — STAND UP

Setup — 1 min

> *3 volunteers. Topic: 'Name three honest prices in your week — in dollars, hours, or energy — and one hidden cost. Use price questions and answers.' 90 sec pitch. 30 sec Q&A; from audience.*

Round — 7 min

3 students × ~2.5 min. Audience listens for price Qs / As.

11. ERROR PAPER + PHRASE CLOSE + PASE + HOMEWORK + VIRTUE CHANGE + CLOSE — 7 min — STAND UP

Error Paper Live — 2 min

Write on the board (anonymous; NAMES go ONLY in your personal notebook):

1. ■ "How much it costs?" → ■ "How much DOES it cost?"
2. ■ "It cost 30 dollars." → ■ "It costs 30 dollars." (3rd sing present)
3. ■ "How much costs the software?" → ■ "How much does the software cost?"
4. ■ "They are 5 dollars each ones." → ■ "They are 5 dollars each."

Read. Students correct in chorus 2×.

Phrase of the Day close — 1.5 min

1. "Today's phrase from memory." — 1 student at random.

2. "Use it in a NEW sentence about YOUR work — include one 'how much does ____ cost?' + one honest answer." — another at random.

PASE TO JUAN DIEGO — 1 min

Fill the sheet titled "PASE A JUAN DIEGO — CL 25 GRAMMAR":

PASE Conv → Grammar – Cl 25

3 fresh errors from Conv today:

1. [literal error] – student: [name]
2. [literal error] – student: [name]
3. [literal error] – student: [name]

Note: Cohort produced "how much does ____ cost?" / "how much is ____ ?" + "it costs ____" / "it's ____" / "they're ____ each" orally in Hot Topic + Price Briefing simulation. They arrive at your M34 "How Much Does It Cost? / Describing Prices" (A2 Book p.293; Guide 1 p.294; Verbal Practice 1 p.295; Answers p.296; Verbal Practice 2 p.297; Answers p.298; Verbal Practice 3 p.299; Answers p.300) with the structure already in their mouth – you formalize it from the book: (a) with "cost" verb ("how much DOES + subject + cost?" → "it costs \$X" / "they cost \$X each"; past irregular "cost"); (b) with "be" ("how much IS/ARE + subject?" → "it's \$X" / "they're \$X each"); "each" = per unit.

Schedule: Cl 44 = Final, announced to cohort as calendar fact only (no grade, no criteria – coordination handles that). VIRTUE: today is PRUDENCE day 5 v2 LAST; next class Cl 26 = TEMPERANCE v2 day 1 – I announce the change at close, you confirm at close of your block.

Signed: Danna

Hand it physically to Juan Diego before his block.

Homework — DUE BEFORE NEXT CLASS Cl 26, 7:00 AM — 1.5 min

HOMEWORK CL 25 – DUE: BEFORE NEXT CLASS Cl 26, 7:00 AM
TIME: 30-45 min – NOT fragmented.

(1) PROJECT – 15 min – Polish Page 23 MY HONEST PRICE TAGS. Include:

- 3+ "HOW MUCH DOES ____ COST?" + "IT COSTS ____" (honest, no invented discounts)
 - 1+ use of "how much" + uncountable (previous class M33: time / money / energy)
 - 1+ use of "each" for per unit
 - 1+ recycled SUPERLATIVE ("the most expensive cost is ____")
- Hand in next class.

(2) AUDIO – 10 min – Record 2 min "Brief your team on 5 honest prices of next month at your work."
Label: B1-CONV-25.

(3) LISTENING – 10 min – Short TED talk on PRICING, HONEST BUDGETS or TRUE COST. Note 5 price questions + 1 stealable line for Page 23.

RULE: Not fragmented. No "I didn't have time."

Close + Virtue Change

> *"See you next class Cl 26. Today you asked the most prudent question — 'how much does this path COST me?' — honestly, before anyone named the structure. This was day FIVE — the LAST day of PRUDENCE v2. Next class Cl 26 opens a NEW virtue block: TEMPERANCE v2, day one. Cronograma: Final presentation is on Cl 44 — Pages 16, 17, 18, 19, 20, 21, 22 and now 23 are the road into it. Any question about evaluations or the Final goes to coordination — not to me. Homework due before next class, 7 AM."*

DELIVERABLES TO COORDINATION

- [] Printed report filled
- [] Photo of Mystery envelope + board (Phrase + Hot Topic + errors)
- [] Photo/video: Peer Teacher · Price Briefing · Mini-Pitch
- [] N copies of Page 23 My Honest Price Tags Draft 1 (photo)
