

B1 MASTERY — CLASE 16 CONV — Conversational Teacher

Sesion 16/44 · 1h50min · Bloque 1 (Conv goes FIRST) FORMATO RECETA ACCIONABLE

Date: ___/___/2026 · Attending: ___/___

Today's focus: oral application of PAST SIMPLE vs PAST CONTINUOUS — the WHEN / WHILE interruption pattern. CI 15 cerro past continuous puro (was/were + -ing para acciones en curso). Hoy combinamos los dos tiempos: la accion LARGA / de fondo va en PAST CONTINUOUS; la accion CORTA que la interrumpe va en PAST SIMPLE. WHEN + past simple (la interrupcion), WHILE + past continuous (lo que estaba pasando). "I was working WHEN the problem hit." / "WHILE I was working, the problem hit." Dos acciones largas a la vez = ambas continuous ("What were you doing WHILE I was studying?"). Anclaje: A2 Book Module 12 ("I was playing when my mom called"). Grammar Teacher formaliza la tabla en Block 2 same morning.

Virtud: FORTALEZA v1 dia 1 de 5 (bloque CI 16-20) — ABRE el bloque. Justicia cerro en CI 15.

Phrase of the Day: *"Fortitude pushes through interruption — I was working WHEN the problem hit, but I kept going. The long action endures; the short one strikes; courage holds the line."*

=====

[VIRTUD] HOY = FORTALEZA v1 dia 1 de 5 (ABRE bloque)

=====

3 MOMENTOS donde la virtud se ACTIVA hoy:

(1) OPENER: ESCRIBES "FORTITUDE" en board grande
+ DI: "Justice closed yesterday. Today we
OPEN Fortitude — day 1 of 5. Fortitude is
the long action that keeps going when
something strikes it. You were working,
the problem hit — and you pushed through.
The grammar lives the virtue: the long
action endures in PAST CONTINUOUS, the
short strike lands in PAST SIMPLE."

(2) BLOQUE 2 practica: si alguien ponga la accion de
fondo en simple ("I worked when the phone
rang"), DI suave: "Fortitude. The long
action that endures goes continuous — I
WAS working WHEN the phone rang."

(3) CIERRE: PREGUNTA (VATS Fortaleza): "When was the
last time you wanted to give up and you
didn't? — say it with 'I was ___ing when
___.'" — 2 respuestas maximo, rapido, sin
discusion.

=====

[FRASE DEL DIA] (escribela en board ANTES de empezar)

=====

"Fortitude pushes through interruption — I was working
WHEN the problem hit, but I kept going. The long
action endures; the short one strikes; courage holds
the line."

INSERTA 4 veces hoy:

- (1) OPENER (apenas escribas el board)
- (2) BLOQUE 2 (cuando enseñes WHEN simple / WHILE cont.)
- (3) BLOQUE 3 (cuando empiece la Behavioral Interview)
- (4) CIERRE (un estudiante la repite de memoria y la parafrasea con su propio ejemplo)

=====

QUE TRAES (NADA MAS):

- Reloj
- 2-3 marcadores
- Tu cuaderno personal (errores + nombres)
- La hoja PASE recibida del Grammar Teacher Cl 15

("PASE A CONV — CL 16", 3 gaps gramaticales bajo
presion) — la lees en el opener

=====

BLOCK MAP — 4 BLOQUES (110 min)

| # | Min | Bloque | Que pasa |

|---|---|---|---

1	~10	OPENER	Frase + FORTALEZA dia 1 + "When the call came" roundup (Grammar pase Cl 15) + bridge a WHEN/WHILE
2	~50	CONTENT WHEN/WHILE	mini-explicacion + long vs short action + WHEN+simple / WHILE+continuous + dos acciones largas + callback Cl 15
3	~45	LIVE: BEHAVIORAL INTERVIEW — "TELL ME ABOUT A TIME"	Pares interviewer + candidate, narran interrupcion + push through, 3 rotaciones
4	~15	CIERRE	Error paper recap + frase close + virtud dia 1 + tarea + PASE a Grammar + Cl 17 anuncio

BLOCK 1 — OPENER (~10 min)

1. DI: "Welcome. Class 16 of 44. Today we combine two pasts. The long action – what was already happening – goes PAST CONTINUOUS: I WAS working. The short action that cuts in – the interruption – goes PAST SIMPLE: the phone RANG. 'I was working when the phone rang.' That is today."
2. [VIRTUD] activation: ESCRIBE "FORTITUDE" en board grande. DI: "Justice closed yesterday. Today we OPEN Fortitude – day 1 of 5. Fortitude is the long action that keeps going when something strikes it. You were working, the problem hit – and you pushed through. The grammar lives the virtue: the long action endures in PAST CONTINUOUS, the short strike lands in PAST SIMPLE."
3. [FRASE] insertion 1: ESCRIBE la frase en board. LEELA 2 veces en voz alta. COHORTE repite 2 veces. UN estudiante la dice solo.
4. [PROMPT] ("When the call came" roundup – Grammar pase Cl 15):
LEE en voz alta la hoja PASE que el Grammar Teacher dejo ayer. PIDE: "Each person, one sentence – one thing you were doing (PAST CONTINUOUS) when one short thing happened (PAST SIMPLE). 'I was driving to work when my phone rang.' Quick round, no stopping." Da la vuelta al grupo, 1 frase por persona, sin corregir todavia – solo marca patrones.
5. ESCUCHA reacciones. NO entres en discusion. Solo marca: estos son los puentes de hoy.
6. DI (bridge): "Cl 15 you learned the long action alone – 'I was working all morning'. Today we add the interruption. WHEN points to the short action in PAST SIMPLE: 'when the phone RANG'. WHILE points to the long action in PAST CONTINUOUS: 'while I WAS working'. Same story, two doorways: 'I was working WHEN the phone rang' = 'WHILE I was working, the phone rang.'"
7. DI: "If I hear 'I worked when the phone rang' with no -ing on the long action – I say FORTITUDE, and you stretch the long action back to continuous: I WAS working."
8. DI: "Sit straight. Marker ready. We go to the board."

[ALERTA] si la pase de Grammar no llego (Grammar Teacher olvido entregarla), USA el roundup directo: pide a cada quien "one thing you were doing when something interrupted you yesterday". NO esperes. NO pierdas tiempo buscando.

[OK] SEÑAL DE AVANCE: cuando la cohorte registre el contraste (accion larga continuous vs accion corta simple), PASA a Block 2.

BLOCK 2 — CONTENT WHEN/WHILE (~50 min)

1. ESCRIBE 2 columnas en board grandes:

LONG / BACKGROUND ACTION SHORT / INTERRUPTING

(PAST CONTINUOUS) (PAST SIMPLE)

I was working the phone rang

She was driving the light changed

They were having a meeting the manager walked in

We were walking in the park Jeff saw a dog

I was studying my brother arrived

*** The long action = was/were + -ing. ***

*** The short action that cuts in = past simple. ***

2. SEÑALA columna LONG. DI: "The action already in progress – the background – is PAST CONTINUOUS. was/were + verb-ing. 'I WAS working.' 'She WAS driving.' 'They WERE having a meeting.' It has length. It was already running."

3. SEÑALA columna SHORT. DI: "The action that cuts in – short, sudden – is PAST SIMPLE. 'the phone RANG.' 'the light CHANGED.' 'the manager WALKED in.' One strike. Done."

4. ESCRIBE la combinacion en board grande:

COMBINING THE TWO

WHEN + PAST SIMPLE (the interruption)

WHILE + PAST CONTINUOUS (the background)

"I was working WHEN the phone rang."

"WHILE I was working, the phone rang."

"She was driving WHEN the light changed."

"WHILE she was driving, the light changed."

*** Same meaning, two doorways. ***

*** WHEN points at the short action. ***

*** WHILE points at the long action. ***

5. [FRASE] insertion 2: SEÑALA la frase en el board.

DI: "This is what the phrase says – I was working WHEN the problem hit. The long action endures in continuous; the short one strikes in simple; courage holds the line."

6. [ERROR TIPICO #1] "I worked when the phone rang."

-> TACHA "worked", ESCRIBE "I WAS WORKING when the phone rang." DI: "The long action is the background – stretch it to continuous. WAS working." COHORTE repite 2 veces en coro.

7. [ERROR TIPICO #2] "While I worked, the phone rang."

-> TACHA "worked", ESCRIBE "WHILE I WAS WORKING, the phone rang." DI: "WHILE always points at the long action – continuous." COHORTE repite 2 veces.

8. ESCRIBE una segunda seccion grande en board:

QUESTIONS WITH WHEN / WHILE

"What were you doing WHEN I called?"
"What were you doing WHILE I was studying?"
"Where were they going WHEN you saw them?"

Short answer keeps the continuous:
"I was having lunch." / "We were leaving."

*** The question about the background = continuous. ***

9. SEÑALA questions. DI: "When you ask about the background – what was already happening – you use past continuous: 'What WERE you DOING when I called?' The answer keeps the -ing: 'I was having lunch.'"

10. PIDELES en parejas: "5 sentences each. One long action (was/were + -ing) interrupted by one short action (past simple). Use WHEN. About yesterday or last week at work. 'I was sending the report when the system crashed.'" 5 minutos.

11. CIRCULA. CORRIGE en board cuando un error aparezca en 2 parejas distintas (sin nombres). Anota errores con NOMBRE en TU cuaderno.

12. [VIRTUD] activation: si alguien ponga la accion de fondo en simple, DI suave: "Fortitude. The long action that endures goes continuous – I WAS working WHEN the phone rang."

13. ESCRIBE una tercera seccion grande en board:

TWO LONG ACTIONS AT THE SAME TIME

Both go PAST CONTINUOUS, joined by WHILE.

"WHILE I was studying, my brother was cooking."
"What were you doing WHILE I was working?"
"They were talking WHILE we were waiting."

*** No interruption – two backgrounds running together = both continuous. ***

14. SEÑALA. DI: "When TWO long actions run at the same time – no short strike – both go continuous, joined by WHILE. 'WHILE I was studying, my brother was cooking.' Two ongoing tracks, side by side."

15. [ERROR TIPICO #3] "While I was studying, my brother cooked." -> si quieres marcar dos acciones SIMULTANEAS largas: TACHA "cooked", ESCRIBE "was cooking." DI: "Two long actions together – both continuous." COHORTE repite 2 veces. (NOTA: si la intencion era interrupcion corta, 'cooked' simple esta bien – el sentido manda.)

16. [ERROR TIPICO #4] "I was work when she called." -> TACHA "was work", ESCRIBE "I WAS WORKING when she called." DI: "Continuous needs the -ing.

was + working." COHORTE repite 2 veces.

17. PIDELES en parejas: "Build 4 sentences. 2 with an interruption (long continuous + WHEN + short simple). 2 with two simultaneous long actions (WHILE + both continuous). About a normal workday." 6 minutos.

18. CIRCULA, CIERRA cuando 80% del grupo distinga la accion larga (continuous) de la corta (simple) sin titubear y use WHEN/WHILE correctamente. DI: "Stand up – we go to the interview."

[ALERTA] si llegas a 30 min y aun ponen la accion de fondo en past simple, NO AVANCES a las dos-acciones-largas. Reduce a 1 estructura hoy (long continuous + WHEN + short simple), deja WHILE-dos-largas para callback en CI 17. Mejor LAND 1 bien que rush 3 shaky.

[OK] SEÑAL DE AVANCE: parejas construyendo long-continuous + WHEN + short-simple y al menos 1 par de dos acciones largas con WHILE, sin pedir ayuda.

BLOCK 3 — LIVE: BEHAVIORAL INTERVIEW — "TELL ME ABOUT A TIME" (~45 min)

1. ESCRIBE en board grande: "BEHAVIORAL INTERVIEW – TELL ME ABOUT A TIME – 3 ROTACIONES"

2. DI las reglas: "In pairs. One is the INTERVIEWER. One is the CANDIDATE. This is a real behavioral interview question: 'Tell me about a time something interrupted your work and how you handled it.' The candidate tells a true work story: what you WERE DOING (past continuous, the long action) WHEN something happened (past simple, the interruption), and how you PUSHED THROUGH. At least 6 when/while sentences. Then you switch roles."

3. [FRASE] insertion 3: DI: "This interview IS the phrase in action – I was working WHEN the problem hit, but I kept going. The long action endures, the short one strikes, courage holds the line."

4. ESCRIBE en board los interviewer prompts (base):

1. "What were you working on WHEN it happened?"
2. "What were you doing WHEN the problem hit?"
3. "So WHILE you were handling that, what changed?"
4. "What were your colleagues doing WHEN it started?"
5. "WHEN exactly did you notice the problem?"
6. "How did you push through?"

Candidate answer model (interruption + push):

"I was preparing the monthly report WHEN the system crashed. WHILE I was calling support, the manager asked for the numbers. I stayed calm and I rebuilt the file by hand."

5. PIDELES round 1 (12 min): pareja escoge roles. Interviewer asks the prompts. Candidate tells one real story with at least 6 when/while sentences. Then SWITCH roles – different story.

6. CIRCULA. INTERVEN solo si un error aparece 3 veces en la misma pareja -> board -> coro 2x -> vuelven a parejas.

7. [PROMPT] (translanguaging): DI: "If stuck, switch to Spanish, think 5 seconds, come back to English. Don't freeze."

8. ROTA parejas. Round 2 (12 min): same format, ahora interviewer ADD 2 follow-up questions improvisadas usando "What were you doing WHEN...?" / "WHILE you were ____ing, what...?". Candidate keeps the long-vs-short distinction clean.

9. [VIRTUD] activation durante la entrevista: si alguien diga "I worked when it happened" sin -ing, DI suave: "Fortitude. The long action endures – I WAS working WHEN it happened."

10. ROTA parejas otra vez. Round 3 (12 min): mismo formato, push para que en cada interview aparezcan AL MENOS 4 WHEN-interruptions + 2 WHILE-backgrounds

+ 1 "two long actions" sentence + 1 push-through line. Observer (third person of nearby pair) counts continuous-on-the-long-action maintained.

11. CIRCULA, CORRIGE cuando un error aparezca 2 veces en parejas distintas. Anota con NOMBRE en tu cuaderno.

12. CIERRA con UNA pareja modelo: 90 segundos frente al grupo (1 mini-interview completa – 1 interruption story con 4 when/while sentences + 1 push-through). Observer voluntario reporta en voz alta: "I counted X WHEN-interruptions, Y WHILE-backgrounds – all with continuous on the long action." Aplauso.

[ALERTA] si una pareja se queda en silencio 15+ segundos, DROP UN PROMPT ("What were you doing when the client called?" / "While you were finishing, what happened?") y RETIRATE. NO expliques, NO llenes el silencio, NO tomes el rol de interviewer ni candidate.

[OK] SEÑAL DE AVANCE: 3 rotaciones + UNA demo al frente con long-continuous + WHEN/WHILE + short-simple + 1 push-through visibles.

BLOCK 4 — CIERRE (~15 min)

1. ESCRIBE en board: "ERRORS HEARD TODAY"

2. ESCRIBE los 5 errores típicos (anónimos):

X "I worked when the phone rang" -> "I WAS WORKING when the phone rang"

X "While I worked, it happened" -> "WHILE I WAS WORKING, it happened"

X "I was work when she called" -> "I WAS WORKING when she called"

X "What you were doing when I called?" -> "What WERE you doing when I called?"

X "When I was studying, my brother cooked" (si simultáneo) -> "WHILE I was studying, my brother WAS cooking"

3. COHORTE repite las 5 correcciones 2 veces en coro.

4. [FRASE] close: UN estudiante (al azar) dice la frase de memoria + la PARAFRASEA con su propio ejemplo del trabajo ("Fortitude pushes through interruption – I was leading the meeting when the power went out, but I kept going. The long action endures; the short one strikes; courage holds the line"). Aceptas cualquier parafraseo que mantenga "long action continuous + short action simple."

5. [VIRTUD] día 1 cierre del día:

PREGUNTA (VATS Fortaleza): "When was the last time you wanted to give up and you didn't? – say it with 'I was ____ing when ____.'" – 2 respuestas máximo, rápido, sin discusión.

DI: "Day 1 of FORTITUDE. Four more days. Justice is closed; courage is open."

6. ESCRIBE HOMEWORK en board (mientras la dices):

HOMEWORK CL 16 CONV – DUE BEFORE NEXT CLASS, 7:00 AM
TIME: 30-45 min (B1). NOT fragmented.

(1) WRITING – 10 sentences total:

- 6 interruption sentences (long continuous

+ WHEN + short simple):

"I was writing the email when the client called."

"She was driving to the office when it started to rain."

"We were having lunch when the manager arrived."

"They were closing the store when the alarm rang."

"I was finishing the report when the laptop died."

"He was presenting when the screen went black."

- 2 WHILE-first versions of any two above:

"While I was writing the email, the client called."

"While we were having lunch, the manager arrived."

- 2 two-long-actions sentences (WHILE + both continuous):

"While I was preparing the slides, my colleague was checking the numbers."

"They were talking while we were waiting."

Hand in on paper next class.

(2) AUDIO eyes closed – 2-3 min – "A time my work was interrupted" – tell one true work story:

what you WERE DOING (continuous) WHEN something happened (simple), and how you pushed through.

Use AT LEAST 4 when/while sentences. Label:

B1-CONV-16. Send to WhatsApp group before next class.

(3) LISTENING – 10 min YouTube – search "past

continuous vs past simple when while English".
Note 5 sentences with a long continuous action interrupted by a short simple action. Bring on paper.

RULE: not fragmented. No "I didn't have time."
If pushback: "This is what B1 requires.
30 to 45 minutes is the minimum. We don't lower the bar – we raise your stamina."

7. PASE Conv -> Grammar entregada ANTES de cambiar de bloque (ver siguiente seccion).

8. DI: "Next class Cl 17: USED TO and WOULD – past habits and states. How life USED TO be: 'I used to work nights.' 'We would meet every Friday.' Today you learned the interruption – the long action and the strike. Next class we zoom out to the habits that repeated across the past. See you next class. Any question about evaluations goes to coordination – not to me."

[ALERTA] si un estudiante no anota la tarea -> DI: "Phone out. Photo of the board now." Nadie se va sin saberla. Si alguien protesta por la longitud: "30-45 min total, not fragmented. That is the rule."

[OK] SEÑAL DE AVANCE: cohorte sale sabiendo la tarea + UN estudiante diciendo la frase de memoria + 5 errores en board + PASE a Grammar entregada antes de cambiar de bloque + Cl 17 anunciada.

PASE A GRAMMAR TEACHER — MISMO DIA — antes de cambiar de bloque

Fill la hoja titulada **"PASE A GRAMMAR — CL 16"** y entregala fisicamente al Grammar Teacher ANTES del cambio de bloque:

PASE Conv -> Grammar – Cl 16 (mismo dia)

3 fresh gaps from Conv today (orally, in the room):

1. [literal error] – student: [name]
2. [literal error] – student: [name]
3. [literal error] – student: [name]

Most common patterns today (oral):

(a) Background action left in past simple:

"I worked when the phone rang" – should be

"I WAS working when the phone rang"

(b) WHILE + past simple (should be continuous):

"While I worked, it happened" – should be

"While I WAS working, it happened"

(c) Missing -ing on continuous:

"I was work when she called" – should be

"I was WORKING"

(d) WHEN / WHILE swapped:

"While the phone rang, I was working" – WHEN

points at the short action, WHILE at the long

(e) Question word order in continuous:

"What you were doing when I called?" – should be

"What WERE you doing when I called?"

Cohort produced 3 rotations of the Behavioral Interview with interruption stories (long continuous + WHEN/WHILE + short simple) orally. They arrive at your block with the spoken shape in mouth – formalize the written table cleanly.

Focus your drills on:

- Long action = PAST CONTINUOUS (was/were + -ing)
- Short interruption = PAST SIMPLE
- WHEN + simple / WHILE + continuous
- Two long actions = both continuous (WHILE)
- Continuous question word order

Signed: Conversational Teacher

Hand it physically to the Grammar Teacher.

DELIVERABLES A COORDINACION

- [] FOTO del board final con los 5 errores típicos + Frase del Día
 - [] FOTO/Video del Behavioral Interview (3 rotaciones + demo)
 - [] ESCRIBE en tu cuaderno: 3 errores literales con NOMBRES
 - [] MARCA en reporte: FORTALEZA v1 día 1 de 5 (ABRE bloque; Justicia cerro CI 15)
 - [] CONFIRMA: 4 inserciones de Frase del Día hechas (opener / WHEN-WHILE teaching / interview / cierre paraphrase)
 - [] CONFIRMA: PASE a Grammar Teacher entregada antes del cambio de bloque
 - [] CONFIRMA: PASE de Grammar (CI 15) recibida y leída en opener
 - [] CONFIRMA: NO comunicaste notas (coordinación maneja)
 - [] CUENTA: 3 rotaciones de Behavioral Interview completas + UNA demo al frente
-

NOTAS INTERNAS (no leer en clase)

- Profe NO viene con material preparado. Todo se genera en clase con board y cuaderno. Si suplente cubre con esta sola guía puede ejecutar todo. Cero sobres, cero cards, cero grids impresos.
- Topico CI 16 = PAST SIMPLE vs PAST CONTINUOUS (WHEN/WHILE interruption). `(SUPUESTO DE PLANEACIÓN — verificar)` la secuencia CI 16 = contraste simple/continuous se asume tras CI 15 (past continuous puro); verificar con Diana. Anclaje de contenido: A2 Book **Module 12** "I Was Playing when My Mom Called — Past Simple vs. Past Continuous" (p. 99-102): "I was playing when my mom called", "My dad was working when I ate lunch", "We were walking in the park, when Jeff saw a dog", "What were you doing when I was studying?". NO inventar reglas fuera del libro. Si Diana redirige el módulo, reajustar el contenido del Bloque 2 — la estructura de 4 bloques se mantiene.
- Proximo CI 17 = USED TO / WOULD (hábitos y estados pasados) `(SUPUESTO DE PLANEACIÓN — verificar)`. Extensión natural del arco de pasado hacia hábitos recurrentes. Depende del PASE que devuelva el Grammar Teacher hoy.
- Virtud CI 16-20 = FORTALEZA v1. Hoy día 1 de 5 (ABRE el bloque). Justicia cerro en CI 15. CI 17 día 2. Calendario absoluto — no se desliza por festivos.
- CI 22 = Midterm (integrado en guía CI 1, sin presentaciones separadas). CI 44 = Final aplicado por evaluador externo de coordinación — NO generar guía pedagógica ese día. Mencionar solo como hecho de calendario si pregunta alguien. NO comunicar notas, midterm, ni criterios — coordinación.
- PASE bidireccional Conv <-> Grammar: hoy Conv abre el día con la producción oral (lee la pase de Grammar CI 15), Grammar formaliza la tabla en el mismo CI 16 (Bloque 2), y Grammar entrega PASE a Conv CI 17. Patrón validado desde CI 7.
- Modelo inmersivo: 4 bloques largos, NO 12-13 cortos. Inmersión 45 min en Block 3 (Behavioral Interview), profesor COACHA desde el lado, no juega rol de interviewer ni candidate. Plan B en cada bloque permite ejecutar incluso si cohorte llega cansada o un suplente cubre sin contexto previo.
