

B1 MASTERY — CLASE 19 CONV — Conversational Teacher

Sesion 19/44 · 1h50min · Bloque 1 (Conv goes FIRST) FORMATO RECETA ACCIONABLE

Date: ____/____/2026 · Attending: ____/____

Today's focus: PAST PERFECT (had + past participle) — placing one past event BEFORE another inside a story. Cl 18 wove the whole past into ONE timeline (used to / was -ing / when + simple / connectors). Today we add depth: a past UNDER the past. "By the time I arrived, the meeting had already started." The earlier event uses HAD + participle; the main past event stays in past simple. We tell a real professional story and anchor the backstory underneath it. Grammar Teacher formalizes had + participle in Block 2 same morning.

Virtud: FORTALEZA v1 dia 4 de 5 (bloque Cl 16-20)

Phrase of the Day: *"Fortitude remembers what came before — by the time the hard moment arrived, I had already prepared, I had already failed, I had already learned. The past before the past is where the courage was built."*

(2) BLOQUE 2-3 practica: si alguien ponga el evento
anterior en past simple plano y pierda el

tried before the thing that finally
worked?" – 2 respuestas maximo, en
pasado, rapido, sin discusion.

BLOCK 1 — OPENER (~10 min)

1. DI: "Welcome. Class 19 of 44. Last class you wove the whole past into ONE story — used to, was -ing, when it happened, and the connectors that hold the order. Today we add ONE layer underneath: a past that happened BEFORE the past. 'By the time I arrived, the meeting had already started.' The meeting started FIRST — that one gets HAD + participle."

2. [VIRTUD] activation: ESCRIBE "FORTITUDE" en board grande. DI: "Day 4 — Fortitude knows the courage was built EARLIER. By the time the hard moment came, you HAD already prepared, you HAD already failed once, you HAD already learned. Today every story shows the work that came before."

3. [FRASE] insertion 1: ESCRIBE la frase en board. LEELA 2 veces en voz alta. COHORTE repite 2 veces. UN estudiante la dice solo.

4. [PROMPT] (roundup — Grammar pase Cl 18): LEE en voz alta la hoja "PASE A CONV — CL 19" que el Grammar Teacher dejó al cierre de Cl 18. Dispara el "Before that..." roundup: cada persona cuenta una historia corta de 2 eventos pasados y luego AGREGA un evento ANTERIOR con "had already" o "before": "By the time I got to the office, the client HAD already left." Rapido, vuelta completa.

5. ESCUCHA. NO corrijas todavía. Solo MARCA mentalmente: quien pone el evento anterior en past simple plano, quien dice "had went", quien pierde el orden de los dos eventos. Estos son los blancos de hoy.

6. DI (bridge): "Cl 18 you held one timeline. Today you add a SECOND, earlier moment underneath it. Two past events: the LATER one — the main action — stays past simple ('I arrived'). The EARLIER one — what was already done — becomes HAD + participle ('the meeting had started'). 'By the time', 'before' and 'already' are the words that tell the listener which came first."

7. DI: "If you tell me two past events and I can't tell which one came first, I say FORTITUDE — and you put the earlier one in HAD + participle."

8. DI: "Sit straight. Marker ready. We go to the board."

[ALERTA] si la hoja PASE de Grammar no llegó, USA un mini-prompt generico: "Tell me about a time you arrived somewhere and something had already happened — a meeting, a train, a decision. Two events: which one came first?" NO esperes mas de 90 segundos.

[OK] SEÑAL DE AVANCE: cuando la cohorte produzca historias de 2 eventos y registre que UNO ocurrió antes del otro, PASA a Block 2.

BLOCK 2 — CONTENT PAST PERFECT (~50 min)

1. ESCRIBE en board grande el MAPA (2 capas de tiempo):

TWO PAST EVENTS — WHICH CAME FIRST?

(1) THE MAIN PAST EVENT (the later one)
past simple -> the action you are telling
"I arrived at the office."
"She called me."

(2) THE EARLIER EVENT (it happened BEFORE)
had + past participle -> already done
"...the meeting had already started."
"...because I had forgotten my keys."

SIGNAL WORDS that mark the earlier event:
by the time ... / before ... / already /
after ... / when (once I had ...)

*** Later event = past simple. ***
*** Earlier event = HAD + participle. ***

2. SEÑALA capa (1). DI: "The main action — the one your story is about — stays in past simple. 'I arrived.' 'I opened the door.' Nothing new here."

3. SEÑALA capa (2). DI: "Now the earlier moment. Something that was ALREADY done before the main action. That one takes HAD + the participle — the same participle you used in Cl 15-17. 'The meeting HAD started.' 'I HAD forgotten my keys.' HAD never changes — he, she, I, they: all HAD."

4. [FRASE] insertion 2: SEÑALA la frase en el board.
DI: "Listen — 'by the time the hard moment arrived, I HAD already prepared, I HAD already failed, I HAD already learned.' Three earlier events, all HAD + participle, all done BEFORE the hard moment. That is the past before the past."

5. [ERROR TIPICO #1] "By the time I arrived, the meeting had start." -> TACHA "start", ESCRIBE "...had STARTED." DI: "After HAD = participle. start -> started. The -ed (or irregular form), never the bare verb." COHORTE repite 2 veces en coro.

6. [ERROR TIPICO #2] "When I arrived, she had went." -> TACHA "had went", ESCRIBE "she had GONE." DI: "go -> went -> GONE. The participle, not the past simple. had GONE, had DONE, had SEEN, had EATEN." COHORTE repite 2 veces.

7. ESCRIBE una segunda seccion grande en board:

THE THREE SIGNAL FRAMES (use these to show order)

"By the time + [past simple], + [had + participle]"
"By the time I called, he had already left."
"[past simple] + because + [had + participle]"
"I was tired because I had worked all night."
"Before + [past simple], + [had + participle]"

"Before the test came, I had practiced for weeks."

*** The HAD-clause is the FLASHBACK. ***

*** The past-simple clause is the MAIN scene. ***

8. SEÑALA los frames. DI: "These three frames are your tools. 'By the time...', 'because...', 'before...' – each one lets you drop a flashback under the main action. The flashback is HAD + participle."

9. [ERROR TIPICO #3] "I had ate before he arrived... no, I ate before he had arrived." -> ESCRIBE las dos y PREGUNTA cual evento fue PRIMERO. CORRIGE: si comiste primero, "I HAD eaten before he arrived." DI: "Fortitude – the EARLIER event gets HAD. Decide which came first, THEN choose the form." COHORTE repite la correcta 2 veces.

10. MODELA UNA historia completa en voz alta (60 seg), apuntando a las capas del board:

"Last year I started a new job. By the time I walked in on the first morning, my manager had already chosen me for a difficult client. I was nervous because I had never managed an account alone. I had failed a smaller project before, so I knew the risk. First I asked for help. Then I practiced every night. Finally I closed the deal." DI: "Hear the flashbacks? 'had already chosen', 'had never managed', 'had failed before' – each one happened EARLIER, under the main story."

11. PIDELES en parejas: "Each person tells a 5-line past story about a real challenge. At least TWO lines must be a flashback – something that HAD already happened before the main event. Use 'by the time', 'because', or 'before'. Partner listens and says which event came FIRST." 8 minutos.

12. CIRCULA. CORRIGE en board cuando un error aparezca en 2 parejas distintas (sin nombres). Anota errores con NOMBRE en TU cuaderno.

13. [VIRTUD] activation: si alguien aplane los dos eventos o diga "had went / had ate", DI suave: "Fortitude. What had ALREADY happened before? HAD + participle."

14. ESCRIBE una tercera seccion grande en board:

PAST SIMPLE vs PAST PERFECT – THE CONTRAST

"When I arrived, the meeting started."

-> I arrived, THEN it started (same time/after)

"When I arrived, the meeting had started."

-> it started FIRST, I arrived later

*** Same words, different order in time. ***

*** HAD = it was already done. ***

15. SEÑALA el contraste. DI: "This is the power of past perfect – same sentence, but HAD tells the listener

the meeting was ALREADY going before you walked in. Without HAD, you arrived first. One word changes the whole timeline."

16. PIDELES en parejas (nueva): "Retell your story – now make sure ONE moment uses the contrast clearly: tell me something that had ALREADY happened before your main event, so I feel you arrived 'too late' or 'already prepared'. 6-8 lines. Partner counts the HAD + participle flashbacks." 7 minutos.

17. CIRCULA, CIERRA cuando 80% del grupo coloque al menos 1 flashback en HAD + participle con el orden correcto. DI: "Stand up – we go to the interview."

[ALERTA] si llegas a 30 min y la cohorte aun pone el evento anterior en past simple plano, NO agregues el contraste (paso 14). Reduce el objetivo a UN frame solo ("By the time + simple, + had + participle") y deja el contraste como callback en CI 20. Mejor UNA flashback limpia que tres confusas.

[OK] SEÑAL DE AVANCE: parejas narrando 6-8 lineas con al menos 1 flashback en HAD + participle, orden de eventos claro, sin pedir ayuda.

BLOCK 3 — LIVE: BACKSTORY INTERVIEW — "WHAT HAD YOU ALREADY DONE?" (~45 min)

1. ESCRIBE en board grande: "BACKSTORY INTERVIEW — WHAT HAD YOU ALREADY DONE BEFORE? — 3 ROTACIONES"

2. DI las reglas: "In pairs. One is the INTERVIEWER. One is the CANDIDATE. The interviewer asks about a real achievement or recovery at work: 'Tell me about a success — and what you had already done to prepare for it.' The candidate answers with a story that has TWO time layers: the main past event (past simple) AND at least two flashbacks of what HAD already happened before (had + participle). The interviewer asks 2 follow-ups that dig into the backstory: 'What had you tried before that?' 'Had you ever done it before?' Then switch roles — new story."

3. [FRASE] insertion 3: DI: "This interview IS the phrase in action — by the time the hard moment arrived, I HAD already prepared, I HAD already failed, I HAD already learned. The past before the past is where the courage was built."

4. ESCRIBE en board el ESQUELETO que el candidate sigue (no un guion — un mapa):

MAIN EVENT -> "Last year I ... (past simple)"

FLASHBACK 1 -> "By the time it happened, I had already ..."

FLASHBACK 2 -> "I knew what to do because I had ..."

FLASHBACK 3 -> "I had failed/tried ... before, so..."

RESULT -> "...and in the end I ... (past simple)"

Plus the 2 interviewer backstory follow-ups (examples):

"What had you already done to prepare?"

"Had you ever faced this before?"

"What had gone wrong the first time?"

"By the time you started, what had you decided?"

5. PIDELES round 1 (12 min): pareja escoge roles.

Candidate tells the story with main event + at least 2 flashbacks (had + participle). Interviewer asks 2 backstory follow-ups. Then SWITCH roles — different story.

6. CIRCULA. INTERVEN solo si un error aparece 3 veces en la misma pareja -> board -> coro 2x -> vuelven a parejas.

7. [PROMPT] (translanguaging): DI: "If stuck, switch to Spanish, think 5 seconds, come back to English. Decide which event came FIRST, then say 'had' + participle."

8. ROTA parejas. Round 2 (12 min): same format, pero ahora el candidate debe usar AL MENOS un frame "By the time ... had already ..." Y un frame "...because I had ..." in the SAME story. Interviewer adds 2 follow-ups.

9. [VIRTUD] activation durante la entrevista: si alguien aplane los eventos o diga "had went / had came", DI suave: "Fortitude. What had ALREADY happened before? HAD + participle."

10. ROTA parejas otra vez. Round 3 (12 min): mismo formato, push para que cada historia tenga el evento principal (past simple) + AL MENOS 2 flashbacks (had + participle) + 1 signal word (by the time / before / already). Observer (third person of nearby pair) cuenta los flashbacks y los "had went / had ate".

11. CIRCULA, CORRIGE cuando un error aparezca 2 veces en parejas distintas. Anota con NOMBRE en tu cuaderno.

12. CIERRA con UNA pareja modelo: 90 segundos frente al grupo (1 mini-interview completa – pregunta + historia con 2 flashbacks + 2 follow-ups). Observer voluntario reporta en voz alta: "I counted X flashbacks in HAD + participle, and the order was clear." Aplauso.

[ALERTA] si una pareja se queda en silencio 15+ segundos, DROP UN PROMPT ("What had you already tried before it worked?" / "What had gone wrong the first time?") y RETIRATE. NO expliques, NO llenes el silencio, NO tomes el rol de interviewer ni candidate.

[OK] SEÑAL DE AVANCE: 3 rotaciones + UNA demo al frente con main event + 2 flashbacks en HAD + participle, orden de tiempo claro.

BLOCK 4 — CIERRE (~15 min)

1. ESCRIBE en board: "ERRORS HEARD TODAY"

2. ESCRIBE los 5 errores típicos (anonimos):

X "the meeting had start" -> "had STARTED" (participle)

X "she had went" -> "she had GONE" (participle)

X "I had ate before he arrived" -> check order: "I HAD eaten before he arrived"

X "by the time I arrived, it started" -> "...it HAD already started" (earlier event)

X "I was tired because I work all night" -> "...because I HAD worked all night"

3. COHORTE repite las 5 correcciones 2 veces en coro.

4. [FRASE] close: UN estudiante (al azar) dice la frase de memoria + la PARAFRASEA con su propia historia ("Fortitude remembers what came before – by the time my first client called, I had already studied the product, I had already failed one practice call, and I had already decided not to quit"). Aceptas cualquier parafraseo que encadene al menos 2 HAD + participle con el orden de tiempo claro.

5. [VIRTUD] día 4 cierre del día:

PREGUNTA (rota): "What had you already tried before the thing that finally worked?" – 2 respuestas máximo, en pasado, rápido, sin discusión.

DI: "Day 4 of FORTITUDE. One more day to close the block – Cl 20 we master the whole past system."

6. ESCRIBE HOMEWORK en board (mientras la dices):

HOMEWORK CL 19 CONV – DUE BEFORE NEXT CLASS, 7:00 AM
TIME: 30-45 min (B1). NOT fragmented.

(1) WRITING – ONE complete past story, 8-10 sentences, about a real success or recovery at work or school. It MUST contain, underlined:

- the MAIN event in past simple

"Last year I closed my first big deal."

- 2 FLASHBACKS in HAD + participle

"By the time it happened, I had already practiced for weeks."

"I knew the risk because I had failed a smaller project before."

- 1 signal frame (by the time / before / already)

- 1 closer ("...and in the end I learned...")

Hand in on paper next class.

(2) AUDIO eyes closed – 2-3 min – "A success and what I had already done" – tell the SAME story out loud, smoothly, no reading. Keep the two time layers clear. Label: B1-CONV-19. Send to WhatsApp group before next class.

(3) LISTENING – 10 min YouTube – search "tell me about your greatest achievement interview answer". Note 5 sentences where the speaker says what they HAD already done before the achievement (had + participle). Write them on paper. Bring.

RULE: not fragmented. No "I didn't have time." If pushback: "This is what B1 requires. 30 to 45 minutes

is the minimum. We don't lower the bar – we raise your stamina."

7. PASE Conv -> Grammar entregada ANTES de cambiar de bloque (ver siguiente sección).

8. DI: "Next class Cl 20: we MASTER the whole past system – used to, was -ing, when + simple, and the past perfect we built today – all in one narration, the final consolidation before the midterm. It also closes the FORTITUDE block, day 5. See you next class. Any question about evaluations goes to coordination – not to me."

[ALERTA] si un estudiante no anota la tarea -> DI: "Phone out. Photo of the board now." Nadie se va sin saberla. Si alguien protesta por la longitud: "30-45 min total, not fragmented. That is the rule."

[OK] SEÑAL DE AVANCE: cohorte sale sabiendo la tarea + UN estudiante diciendo la frase de memoria + 5 errores en board + PASE a Grammar entregada antes de cambiar de bloque + CI 20 anunciada.

PASE A GRAMMAR TEACHER — MISMO DIA — antes de cambiar de bloque

Fill la hoja titulada **"PASE A GRAMMAR — CL 19"** y entregala fisicamente al Grammar Teacher ANTES del cambio de bloque:

PASE Conv -> Grammar — Cl 19 (mismo dia)

3 fresh gaps from Conv today (orally, in the room):

1. [literal error] — student: [name]
2. [literal error] — student: [name]
3. [literal error] — student: [name]

Most common patterns today (oral):

(a) Bare verb after HAD:
"the meeting had start" / "I had finish" —
after HAD = participle (started / finished).

(b) Past simple instead of participle:
"she had went" / "I had ate" — go->GONE,
eat->EATEN, the participle, not the past simple.

(c) Flattening the two events:
"by the time I arrived, it started" — the earlier
event should be HAD + participle ("had started").

(d) Wrong order — putting HAD on the later event:
decide which event came FIRST, that one gets HAD.

(e) Dropping the signal word — no "by the time /
before / already", so the listener can't tell
which event came first.

Cohort produced 3 rotations of the Backstory Interview —
each candidate told a past story with a main event plus
at least two flashbacks (had + participle). They arrive at
your block with the spoken shape in mouth — formalize it
on paper: HAD + participle for the earlier event, the
three signal frames, and the contrast past simple vs past
perfect ("when I arrived it started" vs "...it had
started").

FORTALEZA v1 dia 4 de 5 — Cl 20 closes the block.

NOTAS INTERNAS (no leer en clase)

- Profe NO viene con material preparado. Todo se genera en clase con board y cuaderno. Si suplente cubre con esta sola guia puede ejecutar todo. Cero sobres, cero cards, cero grids impresos.
- Topico CI 19 = PAST PERFECT (had + past participle) — YA ANUNCIADO en CI 18 (NO supuesto). Coloca un evento pasado ANTES de otro dentro de la narracion ("By the time I arrived, the meeting had already started").
- Anclaje al libro: el PARTICIPIO PASADO (played / gone / done / eaten) se construyo en A2 Book M15 (regulares "I Have Visited London") y M16 (irregulares "I Have Gone to Paris"). El PAST PERFECT como tal (had + participle para anidar un evento anterior) va MAS ALLA del A2 Book — es extension B1 estandar, igual que used to/would en CI 17-18 (SUPUESTO DE PLANEACIÓN — verificar fuente exacta si Diana la pide). NUNCA inventar reglas; el participio se cita del libro, la estructura past perfect se ensena como gramatica estandar B1.

- Proximo CI 20 = MAESTRIA DEL SISTEMA PASADO (past simple + continuous + used to + past perfect en narracion integrada) — consolidacion antes del midterm, NO regla nueva. Cierra FORTALEZA (dia 5) (SUPUESTO DE PLANEACIÓN — verificar). Depende del PASE que devuelva el Grammar Teacher hoy.
- Virtud CI 16-20 = FORTALEZA v1. Hoy dia 4 de 5. CI 20 dia 5 cierra bloque. CI 21 abre PRUDENCIA v2. Calendario absoluto — no se desplaza por festivos.
- CI 22 = Midterm "My Story, My Goals" (definido desde CI 1; presentaciones integradas, sin marcadores separados). CI 44 = Final aplicado por evaluador externo de coordinacion — NO generar guia pedagogica ese dia. Mencionar solo como hecho de calendario si pregunta alguien. NO comunicar notas, midterm, ni criterios — coordinacion.
- PASE bidireccional Conv <-> Grammar: hoy Conv abre el dia con produccion oral (backstory roundup), Grammar formaliza had + participe en el mismo CI 19 (Bloque 2), y Grammar entrega PASE a Conv CI 20. Patron validado desde CI 7.
- Modelo inmersivo: 4 bloques largos, NO 12-13 cortos. Inmersion 45 min en Block 3 (Backstory Interview), profesor COACHA desde el lado, no juega rol de interviewer ni candidate. Plan B en cada bloque permite ejecutar incluso si cohorte llega cansada o un suplente cubre sin contexto previo.
