

B1 MASTERY — CLASS 30 GRAMMAR — Juan Diego

Session 30/44 · 1h50min · Block 2 (after Conv) · ~85% standing

Date: ____/____/2026 · Attending: ____/____

Module: A2 Book M41 — *This Is Interesting!* / Participle Adjectives (p.326–332)

Virtue: TEMPERANCE day 5 of 5 (close of block CI 26–30)

Phrase of the Day: *"A disciplined mind says 'The work is ENGAGING and I am ENGAGED' — not 'the work is engaged'; on the last day of temperance we close the block by naming the cause with -ING and the feeling with -ED, with quiet honest shape."*

BLOCK MAP (110 min)

| # | Min | Block | Stand? |

| ---|---|---|---|

| 1 | 4 | Mystery homework check | YES |

| 2 | 2 | Why today | sit |

| 3 | 4 | Phrase of the Day | YES |

| 4 | 5 | VATS Temperance day 5 — close of block | YES |

| 5 | 7 | Peer Teacher (from Danna's pase) | YES |

| 6 | 12 | Book M41 + Board Race | YES |

| 7 | 16 | Walking Transformation (CAUSE / FEELING zones) | YES |

| 8 | 12 | Book p.329 examples + Sorting + "Office Energy Audit" interactive story | YES |

| 9 | 12 | Human line-up + 3 stations | YES |

| 10 | 10 | Podium + Speed Drill + Reversal trap | YES |

| 11 | 12 | Error Paper + Phrase close | YES |

| 12 | 14 | Pase to Danna + Homework + Close | sit |

Bring to class: A2 Book open at p.327 · Mystery envelope · Error Paper sheet · "PASE A DANNA — CL 31 CONV" blank sheet · Danna's pase (received before this block) · clock · personal notebook (errors + NAMES, never shared aloud) · **the card set described below.**

CARDS YOU PREPARE BEFORE CLASS (one-time, reusable for future cohorts)

Make these on letter-size paper or cardstock, big enough to read from across the room (~5cm letters). Same set is used across multiple blocks. Keep them in a plastic envelope after class — reuse next cohort.

SET A — -ING ADJECTIVE cards / CAUSE (15 cards):

interesting · boring · exciting · tiring ·
confusing · frustrating · relaxing · annoying ·
amazing · surprising · embarrassing · depressing ·
disappointing · distracting · worrying
→ Used in BLOCK 8 (Sorting) and BLOCK 9 (Line-up).

SET B — -ED ADJECTIVE cards / FEELING (15 cards):

interested · bored · excited · tired · confused ·
frustrated · relaxed · annoyed · amazed ·
surprised · embarrassed · depressed · disappointed ·
distracted · worried
→ Used in BLOCK 8 (Sorting) and BLOCK 9 (Line-up).

SET C — CAUSE SUBJECT cards (8 cards):

the meeting · the project · the policy · the
report · ten hours of email · the Friday status ·
the dashboard · the new client
→ Used in BLOCK 9 (Line-up) paired with Set A.

SET D — FEELER SUBJECT cards (6 cards):

I · the team · the boss · my colleague · the
cohort · the supervisor
→ Used in BLOCK 9 (Line-up) paired with Set B.

SET E — SLIP cards for Walking Transformation

(~12 reversed-shape sentences from BLOCK 7):
one per student; one sentence per slip.
→ Used in BLOCK 7.

2 FLOOR LABELS (large, visible from anywhere):

"CAUSE → -ING (the thing/person that CREATES the
effect)"

"FEELING → -ED (the person who FEELS the effect)"

→ Tape to opposite walls or corners.

→ Used in BLOCKS 7 and 8.

Total = ~52 small cards + 2 floor labels. Prep time ~30 min before first cohort. After that: reuse forever. If the class has more than 6 students, duplicate Sets C and D subjects as needed.

1. MYSTERY HOMEWORK CHECK — 4 min — STAND UP

Open the envelope. Read aloud:

> **"In 45 seconds, give me 2 sentences from previous class's M39:**
> *— 1 with **MINE** or **OURS** as object: *'This laptop is mine. The meeting room is ours on Mondays.'**
> *— 1 with **WHOSE** + answer: *'Whose are these keys? — They're hers — the receptionist's.'**
> *— **BONUS:** 1 with **HIS** or **HERS** as object (not adjective): *'This wallet is his — not mine.'**
> ***Go!**!"*

1 min silence → 3 students at random. If any asks about Final results: *"Coordination handles results — not me. Focus on what comes next."* Note in your personal notebook who did not bring homework.

2. WHY TODAY — 2 min — SIT

> **"Mystery: visible practice from previous class's M39 — possessive pronouns as objects.**
> **Phrase of the Day carries today's module: 'The work is ENGAGING and I am ENGAGED'. -ING for the cause, -ED for the feeler. Temperance day 5: closing the block clean.**
> **Peer Teacher: errors from this morning's Conv — fresh, from Danna — reversing -ING/-ED.**
> **Module 41 'This Is Interesting!' — English splits the CAUSE adjective (-ING: boring book / exciting project / tiring meeting) from the FEELING adjective (-ED: bored student / excited team / tired worker).**
> **We work standing — board race, walking transformation, sorting, interactive story, line-up, stations, podium, speed drill.**
> **Today closes TEMPERANCE day 5. Next class CI 31 opens JUSTICE day 1 — I'll announce it cleanly at the end.**
> **Limit: any question about Final results goes to coordination — not to me.'*"*

3. PHRASE OF THE DAY — 4 min — STAND UP

Write on the board (before class):

PHRASE OF THE DAY — CL 30
"A disciplined mind says 'The work is ENGAGING and I am ENGAGED' — not 'the work is engaged'; on the last day of temperance we close the block by naming the cause with -ING and the feeling with -ED, with quiet honest shape."

1. Read twice slowly.
 2. Cohort echoes 3×.
 3. Say: *"Look at the front — 'the work is ENGAGING' — the WORK CAUSES the engagement, -ING shape. 'I am ENGAGED' — I FEEL it, -ED shape. That is M41 from page 328: present participle (-ing) for the CAUSE, past participle (-ed) for the FEELER. Reversal trap: 'the work is engaged' is wrong — work cannot FEEL. Book table p.328 is exact: 'The teacher is boring / The student is bored'; 'He is amazing / She is amazed'. End of phrase — 'on the last day of temperance we close the block' — TODAY closes day 5. Tomorrow JUSTICE opens."*
 4. *"Stay standing. Listen — I will use this phrase three more times today."*
-

4. VATS — TEMPERANCE DAY 5 — CLOSE OF BLOCK — 5 min — STAND UP

> **"Day FIVE of temperance — the LAST of this block. Pick ONE thing from your work this week. Use BOTH shapes: cause with -ING + feeler with -ED. 'The Wednesday sprint was EXCITING. I was EXCITED.' 'The Friday status meeting was TIRING. I was TIRED.' 'The new policy is CONFUSING. The team is CONFUSED.' Don't reverse — a meeting cannot FEEL, you don't normally CAUSE excitement. Right shape, right side. Close the week clean."*

Standing pairs (2 min). 2 students share at the front (3 min).

Insertion #1 of Phrase of the Day: *"Right shape on each side, cause and feeling named cleanly, block closed without dragging."*

5. PEER TEACHER — from Danna's PASE — 7 min — STAND UP

Read aloud the 2–3 errors Danna wrote in her pase (probable patterns: *"I am exciting"* instead of *"I am excited"* (reversed); *"The meeting was tired"* instead of *"tiring"*; *"I am interesting in"* instead of *"interested in"*; *"The class is bored"* when meaning *"boring"*; *"I am boring"* when meaning *"I am bored"*).

> **"Today's peer teacher is [name]. These errors are from the Conv block this morning — fresh, from Danna."*

Student: explains → corrects → cohort echoes 2× (standing). Remind the rule: -ING = the thing/person that CAUSES the effect / -ED = the person who FEELS the effect.

Applause. *"Next class: [next name]."*

6. BOOK M41 + BOARD RACE — 12 min — STAND UP

Write on the board (before class):

M41 – THIS IS INTERESTING! / PARTICIPLE ADJECTIVES
(A2 Book – module p.326+)

From the book (p.328) – verbatim:

"1. Cuando hablamos de emociones o efectos, el español usa 'ser' para la persona que produce el efecto y 'estar' para la persona que lo siente."

"2. En inglés, usamos el verbo en el participio presente (generalmente termina en '-ing') para la persona que crea el efecto..."

"3. ...y usamos el participio pasado (usualmente termina en '-ed') para la persona que siente el efecto."

"4. Recuerda que algunos participios pasados son irregulares. Ej. Perder = Lose → Lost → Have Lost. 'Somos perdidos.' → 'We are lost.'"

Book table (p.328) – verbatim:

To bore → "The teacher is BORING." (cause)

"The student is BORED." (feeling)

To amaze → "He is AMAZING." (cause)

"She is AMAZED." (feeling)

VOCABULARY (book p.327, verbatim – 15 pairs):

Aburrido → Boring / Bored

Deprimente → Depressing / Depressed

Decepcionante → Disappointing / Disappointed

Emocionante → Exciting / Excited

Interesante → Interesting / Interested

Sorprendente → Surprising / Surprised

Cansado → Tiring / Tired

Asombroso → Amazing / Amazed

Molesto → Annoying / Annoyed

Confuso → Confusing / Confused

Distractor → Distracting / Distracted

Embarazoso → Embarrassing / Embarrassed

Frustrante → Frustrating / Frustrated

Relajante → Relaxing / Relaxed

Preocupante → Worrying / Worried

RULE: -ING (CAUSE) for the thing/person that CREATES the effect. -ED (FEELING) for the person who FEELS the effect.

Say at the board: "When the SUBJECT CAUSES the emotion, use -ING: 'The book is boring' / 'The meeting is tiring'. When the SUBJECT FEELS the emotion, use -ED: 'The student is bored' / 'The team is tired'. Spanish uses ser/estar; English uses the SHAPE. M40 doesn't exist — we jumped from M39 yesterday straight to M41 today, same pattern as M18→M20, M24→M26, M30→M32, M34→M36. We follow the book. Next class CI 31 is M42 'Getting Crazy!' / Changes of State."

BOARD RACE — 2 teams — 7 min

Two columns on the board. You dictate a reversed sentence; the first student of each row runs to the board and writes it correctly. Cohort verifies. Rotate.

1. "The teacher is bored." → "The teacher is boring."
2. "The student is boring." → "The student is bored."
3. "I am interesting in the project." → "I am interested in the project."
4. "The meeting was tired." → "The meeting was tiring."
5. "The team is confusing about the new policy."
→ "The team is confused about the new policy."
6. "The match was excited!" → "The match was exciting!"
7. "I am exciting to visit New York." → "I am excited to visit New York."
8. "Mark was sleeping in class. He was really boring."
→ "Mark was sleeping in class. He was really bored." (book p.329)
9. "The movie was very confused. I didn't understand it."
→ "The movie was very confusing. I didn't understand it." (book p.329)
10. "Julio is always sad. He is very depressed." [Book p.329 cause variant: keep "depressing"]
→ "Julio is always sad. He is very depressing." (book p.329)

Insertion #2 of Phrase of the Day: "Compare with our phrase — 'The work is ENGAGING and I am ENGAGED'. The cause is engaging; I am engaged. That is M41 in one line."

7. WALKING TRANSFORMATION — 16 min — STAND UP

Two zones in the room (tape labels on opposite walls):

- **CAUSE** → **-ING** ("the meeting", "the project", "the book", "the teacher" — CREATES the effect)
- **FEELING** → **-ED** ("I", "the team", "the student", "the boss" — FEELS the effect)

Hand each student **ONE Set E slip** with a reversed-shape sentence.

Round 1 — Walk it — 8 min

Each student:

1. Reads slip aloud with the wrong form.
2. Walks to the **CORRECT** zone depending on subject role, shouting the corrected form: *"I am EXCITED about the new project!" / "The Monday meeting was TIRING!" / "I am INTERESTED in the policy!"*
3. Cohort confirms with thumbs + names the rule aloud: *"CAUSE → -ING, correct" / "FEELER → -ED, correct."*

Suggested slips:

"I am exciting about the new project." → "I am EXCITED..." (feeler)
"The Monday meeting was tired." → "The Monday meeting was TIRING." (cause)
"I am interesting in the analytics dashboard." → "I am INTERESTED in..." (feeler)
"The team is confusing about the new policy." → "The team is CONFUSED..." (feeler)
"The new policy is confused." → "The new policy is CONFUSING." (cause)
"The Friday status is drained." → "The Friday status is DRAINING." (cause)
"I am tiring after ten hours of email." → "I am TIRED..." (feeler)
"The sprint was excited!" → "The sprint was EXCITING!" (cause)
"Mark was sleeping in the meeting. He was boring." → "He was BORED." [book p.329] (feeler)
"Julio is always sad at work. He is very depressed." → "He is very DEPRESSING." [book p.329 cause variant]
"My marks were very disappointed last quarter." → "...DISAPPOINTING last quarter." (cause)
"Monica is disappointing that her father cannot visit." → "Monica is DISAPPOINTED..." (feeler)

> The "Julio is depressing" vs "depressed" trap is intentional — the SAME person can carry both forms depending on role. Temperance: think the role, don't apply template.

Round 2 — Reverse — 4 min

Swap slips. Each student starts in **RIGHT** zone and walks to **WRONG** zone saying why it was wrong: *"'I am exciting' is wrong — 'exciting' is the cause shape; I FEEL excitement, so 'I am EXCITED' — book p.328: present participle for the cause, past participle for the feeler."*

Close — 2 min

2 volunteers walk their transformation in front of the group. Cohort counts correct pairs + names the role (CAUSE→-ING or FEELING→-ED). Note errors with NAMES.

8. BOOK p.329 + SORTING + "OFFICE ENERGY AUDIT" INTERACTIVE STORY — 12 min — STAND UP

Book examples — 3 min

Write on the board (before class):

M41 — BOOK EXAMPLES (p.329 — verbatim, selection)

"This is a really boring book."
"Mark was sleeping in the class. He was really bored."
"I was very depressed after the sad movie."
"Julio is always sad. He is very depressing."
"Monica is disappointed that her father cannot visit."
"Santiago is very interested in the English class."
"My marks were very disappointing last year."
"The soccer game was very exciting!"
"I am excited to visit New York next year."
"Running the Boston Marathon is really tiring!"
"I didn't sleep last night. I am super tired."
"Henry told us an amazing story."
"My little brother is very annoying with his noisy games."
"The teacher is annoyed that Juan didn't study."
"The movie was very confusing. I didn't understand it."
"Juan didn't study last night and he is confused today."
"I arrived late in class today. It was very embarrassing!"

KEY: -ING for the thing/person CAUSING the emotion.
-ED for the person FEELING the emotion.
Some subjects can take BOTH (Julio is depressing if HE causes sadness in others; depressed if HE feels sad).

Read aloud. Cohort echoes 3 examples at random.

Sorting — 2 zones — 4 min — STAND UP

Use the two floor labels already taped. **Shuffle Sets A + B together (~30 cards)** and hand each student 2–3 cards at random. Each student walks every card to the right zone, saying it aloud: *"BORING — cause — 'The Monday status meeting is boring.'"* / *"BORED — feeling — 'The team is bored.'"*

Then in groups of 2: build one full pair per group: e.g. "The Monday status meeting is boring. The team is bored." / "The new client demo is exciting. I am excited." / "The new pricing policy is confusing. The sales team is confused."

Interactive story "THE OFFICE ENERGY AUDIT" — 5 min — STAND UP

Narrate with marked pauses. Cohort answers OUT LOUD with the right participle. No fill-in-blanks — voice in the room.

"Tuesday morning. An Energy Auditor arrives with a giant clipboard. She asks ONE question at each desk:
'Was this work ____ING or were YOU ____ED?'

First desk — a developer. He shows her last week's sprint. WAS THE SPRINT?"

[PAUSE — cohort: "EXCITING!" / "TIRING!"]

"And the developer himself — was HE?"

[PAUSE — cohort: "EXCITED!" / "TIRED!"]

"Second desk — an accountant. She shows the Friday budget review. WAS THE BUDGET REVIEW?"

[PAUSE — cohort: "BORING!" / "FRUSTRATING!"]

"And the accountant — was SHE?"

[PAUSE — cohort: "BORED!" / "FRUSTRATED!"]

"Third desk — a marketing manager. She shows the new product launch. WAS THE LAUNCH?"

[PAUSE — cohort: "EXCITING!" / "AMAZING!"]

"And the marketing manager — was SHE?"

[PAUSE — cohort: "EXCITED!" / "AMAZED!"]

"Fourth desk — a compliance officer. He shows the new 80-page regulation. WAS THE REGULATION?"

[PAUSE — cohort: "CONFUSING!" / "DEPRESSING!"]

"And the compliance officer — was HE?"

[PAUSE — cohort: "CONFUSED!" / "DEPRESSED!"]

"Last — the Energy Auditor herself. WAS THE WHOLE AUDIT?"

[PAUSE — cohort: "INTERESTING!" / "EXHAUSTING!"]

"And the auditor — was SHE?"

[PAUSE — cohort freely with -ED;

temperance: name it honestly, close the day clean]

Cohort responds OUT LOUD at each pause. Remind: "Right shape, right side. -ING for the cause, -ED for the feeler."

Insertion #3 of Phrase of the Day: *"That's our phrase, and that's our module — and that's what you just spoke into the air."*

9. HUMAN LINE-UP + 3 STATIONS — 12 min — STAND UP

Human line-up — 4 min

Use Sets C, D, A, B cards. Each student gets ONE card (subject, BE-verb form, -ING or -ED adjective, preposition + complement). You call out a target sentence; students with relevant cards walk to the front and form it physically. Cohort verifies the order.

Targets (3–4 rounds):

- *"The meeting is boring."* (CAUSE)
- *"The team is bored."* (FEELER)
- *"The new policy is confusing."* (CAUSE)
- *"The sales team is confused about the new policy."* (FEELER)
- *"Ten hours of email is tiring."* (CAUSE)
- *"I am tired after ten hours of email."* (FEELER)

After each round: cohort reads the line aloud. Reshuffle. Next round.

3 stations — 8 min — bell every ~2.5 min

STATION A – BORING / BORED (book p.327, p.329)
 Build 4 sentences alternating CAUSE and FEELER:
 "The Monday status meeting is boring. The team is bored."
 "The training video is boring. I was bored after 10 minutes."
 "Mark was sleeping in the class. He was really bored. The class was boring." (book p.329)
 "The 80-page compliance manual is boring. The auditor is bored reading it."

STATION B – EXCITING / EXCITED (book p.329)
 Build 4 sentences alternating CAUSE and FEELER:
 "The soccer game was very exciting! I was excited the whole match." (book p.329)
 "The new analytics dashboard is exciting. The leadership is excited about it."
 "The Wednesday sprint was exciting. I was excited every morning."
 "The client demo on Friday will be exciting. The whole team will be excited."

STATION C – TIRING/TIRED + CONFUSING/CONFUSED (book p.329)
 Build 4 sentences mixing both pairs:
 "Running the Boston Marathon is really tiring! I was super tired." (book p.329)
 "Ten hours of email is tiring. I am tired by 6 PM."
 "The new pricing policy is confusing. The sales team is confused."
 "The movie was very confusing. I didn't understand it. I was confused." (book p.329 adapted)

You circulate, correct softly (especially reversals), note errors with NAMES.

10. PODIUM + SPEED DRILL + REVERSAL TRAP — 10 min — STAND UP

Podium — 4 min — circle

Draw a podium on the board (1st, 2nd, 3rd). Chain: one student does a CAUSE sentence (-ING); next student does the mirror FEELER sentence (-ED); cohort confirms in chorus: *"Confirmed — right participate!"* Cover one pair per adjective (boring/bored, exciting/excited, tiring/tired, interesting/interested, confusing/confused, frustrating/frustrated).

A: "The Monday meeting is boring." → B: "I am bored at the Monday meeting." → "Confirmed!"
 C: "The new analytics project is exciting." → D: "The leadership is excited about it." → "Confirmed!"
 E: "Ten hours of email is tiring." → F: "I am tired after ten hours of email." → "Confirmed!"
 G: "The new compliance manual is confusing." → H: "The whole team is confused by it." → "Confirmed!"
 I: "The Wednesday client demo was interesting." → J: "The CEO was interested in the questions." → "Confirmed!"
 K: "The Friday status meeting is frustrating." → L: "I am frustrated by it." → "Confirmed!"

Speed drill — 4 min — circle

You say ADJECTIVE+NOUN; next student replaces with the PRONOUN in a full sentence; alternate cause/feeler.

"the project" / CAUSE → "The project is exciting."
 "the team" / FEELER → "The team is excited."
 "the meeting" / CAUSE → "The meeting is boring."
 "the student" / FEELER → "The student is bored."
 "the new policy" / CAUSE → "The new policy is confusing."
 "the sales team" / FEELER → "The sales team is confused."
 "the client demo" / CAUSE → "The client demo was exciting."
 "the boss" / FEELER → "The boss was excited."

Reversal trap chorus — 2 min

You say a reversed sentence; cohort corrects OUT LOUD:

"I am exciting." → "I am EXCITED! (feeler → -ed)"
 "The meeting is tired." → "The meeting is TIRING! (cause → -ing)"
 "I am interesting in it." → "I am INTERESTED in it! (feeler → -ed)"
 "The book is bored." → "The book is BORING! (cause → -ing)"

11. ERROR PAPER + PHRASE CLOSE — 12 min — STAND UP

Error Paper Live — 5 min

Write on the board (anonymous; NAMES go ONLY in your personal notebook for coordination):

1. ■ "I am exciting about the project." → ■ "I am excited about the project." (-ing = cause; -ed = feeler)
2. ■ "The meeting was tired." → ■ "The meeting was tiring." (meeting CAUSES tiredness)
3. ■ "I am interesting in the new project." → ■ "I am interested in the new project." (feeler → -ed)
4. ■ "The class is bored today." → ■ "The class is boring today." (if "class causes boredom")

Read. Students correct in chorus 2x.

Phrase of the Day close — 4 min

1. "Today's phrase from memory." — 1 student at random.
2. "Now use it in a NEW context — different cause, different feeler — keep -ING for the cause, -ED for the person." — another at random.
3. "Right shape, right side. Close the block clean."

Block close — 3 min

> *"Today: Mystery, Why, Phrase, M41 — present participle (-ing) for the CAUSE; past participle (-ed) for the FEELER (book p.328); 15 vocabulary pairs from p.327; book examples from p.329; board race, walking transformation, sorting, interactive 'Office Energy Audit', human line-up, stations, podium, speed drill, reversal trap. Real B1 sounds like: 'The Monday meeting is boring; the team is bored. The new project is exciting; I am excited. The compliance manual is confusing; the audit team is confused.' This was day FIVE — the LAST — of TEMPERANCE. Next class Cl 31 opens JUSTICE day 1 with M42."*

12. PASE TO DANNA + HOMEWORK + CLOSE — 14 min — SIT

PASE TO DANNA — CL 31 CONV — 3 min

Fill the sheet titled "PASE A DANNA — CL 31 CONV":

PASE Grammar → Conv — Cl 30 → Cl 31

3 fresh errors from Grammar today:

1. [literal error] — student: [name]
2. [literal error] — student: [name]
3. [literal error] — student: [name]

Note: Today I formalized M41 This Is Interesting! / Participle Adjectives (A2 Book module p.326+; Vocabulary p.327 15 pairs verbatim; Guide 1 p.328 canonical rule verbatim — present participle (-ing) for the CAUSE / past participle (-ed) for the FEELER; Examples 1 p.329 verbatim; Exercises p.330; Practice Guide p.331-332). Spanish ser/estar makes the same distinction; English makes it with the SHAPE.

Common patterns today: reversing shapes — "I am exciting" instead of "I am excited"; "The meeting was tired" instead of "tiring"; "I am interesting in" instead of "interested in"; "The class is bored" when meaning "boring"; some tried "exciteded" or "boringing". Reinforce with your physical sorting (-ING zone / -ED zone).

CONFIRMED: M40 does NOT exist in the A2 Book (line 22871). Pattern consistent with M19/M25/M31/M35.

Next class Cl 31 Grammar I move to next existing module: M42 "Getting Crazy!" / Changes of State (verified verbatim line 23529).

Your Cl 31 Conv can ask the cohort to use GET / BECOME / GO / TURN for changes of state at work — connected to JUSTICE day 1 (right verb for the right change). Schedule: Cl 44 = Final, calendar fact only (no grade, no criteria — coordination handles that).

Signed: Juan Diego

Hand it physically to Danna before her next class.

Homework — DUE BEFORE NEXT CLASS Cl 31, 7:00 AM — 4 min

HOMEWORK — DUE: BEFORE NEXT CLASS Cl 31, 7:00 AM
TIME: 30-45 minutes — NOT fragmented.

(1) WRITING — 15 min — 12 sentences about your professional life using M41 with the right shape (-ING for cause, -ED for feeler):

- 2 with BORING / BORED
- 2 with EXCITING / EXCITED
- 2 with TIRING / TIRED
- 2 with INTERESTING / INTERESTED
- 2 with CONFUSING / CONFUSED
- 2 with FRUSTRATING / FRUSTRATED

Hand in on paper next class.

RULE: never "I am exciting" when meaning "I am excited"; never "the meeting was tired" when meaning "tiring".

(2) AUDIO — 10 min — Record 2-3 min: "What engages me and what drains me at work — last week with 6+ -ING/-ED pairs correctly."

Label: B1-GRAMMAR-30.

(3) READING — 10 min — Find 5 real English sentences (article, review, social post, catalog) with participle adjectives. Copy, underline, mark cause (-ING) or feeler (-ED). Bring on paper.

(4) LISTENING — 10 min — Short TED talk on WORK ENGAGEMENT, BURNOUT, FLOW or ENERGY MANAGEMENT. Note 5 -ING/-ED adjectives + 1 full pair from the speaker + 1 stealable phrase for your project.

RULE: Not fragmented. No "I didn't have time."

Close — 2 min

> *"Next class Cl 31 — M42 'Getting Crazy!' / Changes of State (verbatim line 23529). Today: right shape, right side. **This was day FIVE — the LAST — of TEMPERANCE. Next class opens JUSTICE day 1 — a NEW virtue, a clean start.** Final presentation is on Cl 44 — calendar fact, no grade, no criteria — those go through coordination, not me. See you next class."*
