

## B1 MASTERY — CLASS 7 GRAMMAR — Grammar Teacher

Session 7/44 · 1h50min · Block 2 (after Conv) · ~85% standing

Date: \_\_\_/\_\_\_/2026 · Attending: \_\_\_/\_\_\_

**Today's focus:** formalize A1 review M5–M9 — Present Simple (affirmative + negative + question) with frequency adverbs; spelling rules for the third-person -s.

**Virtue:** TEMPERANCE day 2 of 5 (block stays open, CI 6–10)

**Phrase of the Day:** "A disciplined mind says 'he WORKS, she DOESN'T work, DO you work?' — naming the three shapes of Present Simple cleanly; on day two of temperance we hold the steady rhythm of the rule, not the dramatic exception."

### BLOCK MAP (110 min)

| # | Min | Block | Stand? |

|---|---|---|---|

| 1 | 10 | OPENER — Welcome + Phrase + 60-sec mystery (Conv pase) + board-race warm-up | YES |

| 2 | 40 | CONTENT — Present Simple full table + walking transformation + pair drilling + podium | YES |

| 3 | 45 | LIVE APPLICATION — "Office Interrogative — HR Onboarding Interview" (pairs) | YES |

| 4 | 15 | CLOSE — Error Paper + Phrase close + Tarea + PASE to Conv CI 8 | YES |

**Bring to class:** Error Paper sheet · "PASE A CONV — CL 8" blank sheet · Conv Teacher's pase from this morning (3 spoken gaps) · clock · personal notebook (errors + NAMES, never shared aloud) · **the card set described below.**

### CARDS YOU PREPARE BEFORE CLASS (one-time, reusable across all Present-Simple classes)

Make these on letter-size paper or cardstock, big enough to read across the room (~5 cm letters). Keep them in a plastic envelope after class — reuse forever.

SET A — SUBJECT cards (~6): I · he · she · it ·  
we · they

SET B — VERB BASE cards (~10): work · go · have ·  
do · finish · study · fly · play · be ·  
want

SET C — FREQUENCY ADVERB cards (~6): always ·  
usually · often · sometimes · rarely ·  
never

4 FLOOR/WALL LABELS (large, visible):

"AFFIRMATIVE (S + verb[+s if 3rd person])"

"NEGATIVE (S + DON'T / DOESN'T + base verb)"

"QUESTION (DO / DOES + S + base verb?)"

"FREQUENCY (BEFORE main verb / AFTER be)"

Total prep ~15 min before first cohort. After  
that: reuse forever.

### 1. OPENER — 10 min — STAND UP

**(1 min) Welcome + virtue named.**

> \**Welcome back. Class 7 of 44 — TEMPERANCE day 2 of 5, block stays open. After Conv this morning you came with the spoken shape in your mouth; here we write the table cleanly. Temperance: the steady rhythm of the rule — not the dramatic exception.*

**(2 min) Phrase of the Day on board, read 2× + chorus 2×.**

PHRASE OF THE DAY — CL 7 GRAMMAR

"A disciplined mind says 'he WORKS, she DOESN'T  
work, DO you work?' — naming the three shapes  
of Present Simple cleanly; on day two of  
temperance we hold the steady rhythm of the  
rule, not the dramatic exception."

Read twice slowly, cohort echoes 3×. Brief gloss:

> \**Three shapes. AFFIRMATIVE — 'he WORKS' — third-person verb-S. NEGATIVE — 'she DOESN'T work' — auxiliary takes the -s, the main verb stays BASE. QUESTION — 'DO you work?' — auxiliary first, verb stays BASE. End of phrase: 'steady rhythm of the rule, not the dramatic exception' — temperance day 2. We hold the rule even when it feels boring.*

**(2 min) 60-sec mystery — receive the Conv pase from this morning.**

Read aloud the 3 gaps the Conv Teacher wrote on the pase sheet (typical: "she work" — missed -s · "I go usually to the office" — adverb after main verb · "does she works" — double inflection · "he don't" — wrong negative auxiliary).

> \**These three came out of your mouths in Conv this morning — fresh, from this room. They are exactly what we fix in the next 40 minutes.*

**(3 min) Warm-up — stand-up board race.**

Two columns on the board: 5 students per side. Call 10 verbs one by one (work / go / have / do / study / fly / play / be / want / finish). First student of each row writes the THIRD-PERSON form (works / goes / has / does / studies / flies / plays / is / wants / finishes). Cohort verifies aloud. Rotate.

> *\*"Watch the spelling — STUDY becomes STUDIES (consonant + y → -ies). FLY becomes FLIES. GO becomes GOES (-es after o/s/sh/ch/x). HAVE becomes HAS (irregular). BE becomes IS for 3rd person."\**

### (2 min) Bridge.

> *\*"You wrote the form on the board. Now the full table. Stay standing."\**

## 2. CONTENT — PRESENT SIMPLE FULL TABLE + DRILL — 40 min — STAND UP

### Mini-talk + full table — 8 min — STAND

Write on the board (before class — full table):

PRESENT SIMPLE — A1 REVIEW M5-M9

#### AFFIRMATIVE

I / you / we / they + VERB "I work at 8."

he / she / it + VERB-S "She works at 9."

#### NEGATIVE

I / you / we / they + DON'T + BASE "I don't work on Sundays."

he / she / it + DOESN'T + BASE "She doesn't work weekends."

#### QUESTION

DO + I/you/we/they + BASE + ? "Do you work on Mondays?"

DOES + he/she/it + BASE + ? "Does she work on Mondays?"

#### SPELLING RULES — THIRD-PERSON -S:

1. Most verbs: + s (work → works, play → plays)
2. -o / -s / -sh / -ch / -x: + es (go → goes, watch → watches, finish → finishes)
3. Consonant + y: -y → -ies (study → studies, fly → flies, try → tries)
4. Irregular: HAVE → HAS · BE → IS · DO → DOES

#### FREQUENCY ADVERBS — POSITION:

BEFORE the main verb: "She ALWAYS arrives early."

AFTER the verb BE: "She IS USUALLY on time."

In QUESTION: between auxiliary and subject is RARE — adverb usually moves to

end: "Do you check email often?" / "Does she usually arrive late?"

Common adverbs: always · usually · often · sometimes · rarely · never

Say at the board:

> *\*"AFFIRMATIVE: only third-person — he, she, it — takes the -s. Everyone else uses the base verb. NEGATIVE: the auxiliary takes the inflection — DOESN'T for 3rd person. After DOESN'T, the main verb is BASE — never doubled. Common error: 'he doesn't works' — wrong, DOESN'T already carries the -s.*

*QUESTION: auxiliary first. DOES for 3rd person, DO for the rest. Verb stays BASE. Common error: 'does she works' — wrong, same reason. Spelling:*

*-o/-s/-sh/-ch/-x get -es; consonant + y becomes -ies; HAVE → HAS; BE → IS. Frequency adverbs go BEFORE the main verb, but AFTER the verb BE. We drill it all standing in the next 30 minutes."\**

### Walking transformation — 15 min — STAND, 4 zones in room

Four zones (tape labels on walls):

- **AFFIRMATIVE**
- **NEGATIVE**
- **QUESTION**
- **FREQUENCY** (adverb placement)

> *\*"Stand. I call a base sentence. I name a zone. You walk to that zone and SAY the transformed sentence out loud. Cohort verifies in chorus."\**

12 sentences (mix all 4 zones):

1. "She works at 8." → NEGATIVE zone → "She DOESN'T work at 8."
2. "I check email in the morning." → QUESTION zone → "DO I check email in the morning?" (rare — try YOU: "Do you check email in the morning?")
3. "He goes to the gym." → NEGATIVE zone → "He DOESN'T go to the gym."
4. "They close on Sundays." → QUESTION zone → "DO they close on Sundays?"
5. "She arrives early." → FREQUENCY zone → "She USUALLY arrives early." (before main verb)
6. "We have lunch at 1." → NEGATIVE zone → "We DON'T have lunch at 1."
7. "He studies English." → QUESTION zone → "DOES he study English?" (verb stays BASE)
8. "I take the bus." → FREQUENCY zone → "I ALWAYS take the bus." (before main verb)
9. "She is on time." → FREQUENCY zone → "She IS USUALLY on time." (AFTER be)
10. "They finish at 5." → NEGATIVE zone → "They DON'T finish at 5."
11. "He plays soccer on Saturdays." → QUESTION zone → "DOES he play soccer on Saturdays?" (verb stays BASE)
12. "We work from home." → FREQUENCY zone → "We RARELY work from home." (before main verb)

Each round: Grammar Teacher calls + names zone → student walks + says aloud → cohort thumbs + names the rule ("DOESN'T + base verb" / "adverb before main verb" / "DOES + base verb"). Note errors with NAMES.

**Insertion #1 of Phrase of the Day:** mid-round, after a clean answer: *"Three shapes, named cleanly — that's day 2 of temperance in the body."*

### Pair drilling — 10 min — STAND, pairs facing

Pull out **Sets A + B + C** (subject + base verb + frequency adverb cards).

> *"Pairs facing. Each pair takes 3 cards — one subject, one verb, one adverb. Build the AFFIRMATIVE, then the NEGATIVE, then the QUESTION — all three shapes in a row. Verify with your partner. Swap cards. 15 rounds across the pair."*

Example with subject=SHE / verb=WORK / adverb=USUALLY:

- Affirmative: *"She usually works at 8."* (verb-S + adverb before main verb)
- Negative: *"She doesn't usually work at 8."* (DOESN'T + base; adverb between auxiliary and verb is allowed here)
- Question: *"Does she usually work at 8?"* (DOES + base; adverb between subject and verb)

Grammar Teacher circulates, corrects on the spot — out loud, not whispered. If a pattern repeats, mark it on the board immediately so others see.

### Podium — 7 min — STAND, circle

Two volunteers up front. You give a SUBJECT + VERB + ADVERB. Each volunteer produces all THREE shapes (affirmative + negative + question) in 10 seconds. Cohort verifies in chorus: *"Confirmed — right shape!"*

A: "he / play / often" → "He often plays." / "He doesn't often play." / "Does he often play?"  
B: "we / study / never" → "We never study." / "We don't study." (NEVER already negates — no double neg) / "Do we ever study?"  
C: "she / have / usually" → "She usually has." / "She doesn't usually have." / "Does she usually have?"  
D: "they / go / sometimes" → "They sometimes go." / "They don't sometimes go." / "Do they sometimes go?"  
E: "I / finish / always" → "I always finish." / "I don't always finish." / "Do I always finish?" (more natural: "Do you always finish?")

Cover ≥3 third-person subjects (catch the -s) + ≥1 NEVER (catch the double-negation trap) + ≥1 frequency-after-BE.

Applause.

**Insertion #2 of Phrase of the Day:** *"Three shapes — affirmative, negative, question — held cleanly. That is the rule, not the exception."*

## 3. LIVE APPLICATION — "OFFICE INTERROGATIVE — HR ONBOARDING INTERVIEW" — 45 min — STAND UP

### Setup — 3 min

> *"Stand. Push chairs to the walls. An HR onboarding scene: the HR rep is asking a new hire about their typical work week so they can match them to a team. Pairs. Each of you plays HR once and new hire once. I circulate and correct on the spot — out loud, in the room — and I mark recurring patterns on the board."*

Board:

## "THE HR ONBOARDING INTERVIEW"

2 rounds · ~20 min each · PAIRS

### ROLE A – HR REP (interviewer)

Asks 8 question-form questions about the new hire's typical work week. Must use DO / DOES + subject + BASE verb (verb stays BASE).

Suggested questions:

1. "Do you usually start work at the same time every day?"
2. "How often do you check email before lunch?"
3. "Does your previous team always meet on Mondays?"
4. "Do you often take work home in the evening?"
5. "How often does your supervisor give you feedback?"
6. "Do you sometimes work on Saturdays?"
7. "Does your day usually end before 6?"
8. "How often do you take a real lunch break?"

### ROLE B – NEW HIRE (interviewee)

Answers in FULL sentences using:

- Present Simple AFFIRMATIVE (correct -s for 3rd person)
- At least 1 NEGATIVE per round (DOESN'T / DON'T + base verb – never double inflection)
- 5 different frequency adverbs across the round (always / usually / often / sometimes / never)
- 3rd-person references to former coworkers ("My old manager USUALLY arrives early") – must carry the -s

### GRAMMAR TEACHER (coach, never plays HR)

Circulates. Corrects on the spot OUT LOUD.

Marks recurring patterns on the board so the whole cohort sees:

- Missing -s: "she arrive" → "she ARRIVES"
- Double inflection: "does she works" → "does she WORK"
- Adverb position: "she arrives usually" → "she USUALLY arrives"
- Wrong negative auxiliary: "he don't" → "he DOESN'T"
- Spelling: studies / flies / has / does / finishes / watches

## Model — 2 min

Pull 2 volunteers. Demo a 60-second HR-new-hire exchange. Stop the moment a gap appears, name it, restart the line clean. Then turn it over.

## Round 1 — 20 min

Form pairs. Each pair: ONE student is HR, ONE is new hire. 20 minutes. Grammar Teacher circulates, corrects on the spot — out loud — and marks the recurring patterns visible on the board. After ~10 min, call for a quick mid-round check: *"Stop. Look at the board — three patterns we've seen most. Fix them in the next 10 minutes."*

## Round 2 — 20 min

SWITCH ROLES. New hire becomes HR; HR becomes new hire. Same 8-question script. Different specifics from their own work history.

**Insertion #3 of Phrase of the Day:** mid-round 2, during a strong exchange: *"He WORKS, she DOESN'T work, DO you work? Three shapes — and you are holding them at full speed."*

## Cohort close — 3 min — at the front

Pick ONE strong pair to demo a 90-second exchange in front of the cohort. Audience listens for 3rd-person -s + adverb position + question shape. Applause.

---

## 4. CLOSE — Error Paper + Phrase close + Tarea + PASE to Conv CI 8 — 15 min — STAND UP

### Error Paper Live — 4 min

Write on the board (anonymous; NAMES only in personal notebook):

**ERRORS HEARD TODAY:**

1. ■ "She arrive at 9 every Monday." → ■ "She ARRIVES at 9 every Monday." (third-person -s)
2. ■ "Does he goes to the gym?" → ■ "Does he GO to the gym?" (DOES already inflects)
3. ■ "He don't check email after 6." → ■ "He DOESN'T check email after 6." (3rd person → DOESN'T)
4. ■ "She arrives usually at 9." → ■ "She USUALLY arrives at 9." (adverb BEFORE main verb)

Read. Cohort corrects in chorus 2x.

**Phrase of the Day close — 3 min**

1. "Today's phrase from memory." — 1 student at random.
2. "Use it in a NEW sentence about YOUR work week — one AFFIRMATIVE with verb-S, one NEGATIVE with DOESN'T, one QUESTION with DOES." — another at random.
3. "Three shapes, held cleanly. Block stays open — temperance day 3 next class."

**Tarea — DUE BEFORE NEXT CLASS Cl 8, 7:00 AM — 4 min**

HOMEWORK CL 7 GRAMMAR — DUE: BEFORE NEXT CLASS Cl 8, 7:00 AM  
TIME: 30-45 minutes — NOT fragmented.

(1) WRITING — 15 min — 10 PAIRED sentences  
(affirmative + negative same context) using  
10 DIFFERENT verbs in 3rd person correctly:  
- 4 pairs with -s endings (works / goes /  
has / does / finishes / studies / flies /  
plays / wants / tries — pick 4)  
- 3 pairs with frequency adverb in correct  
position (BEFORE main verb)  
- 3 pairs with HE / SHE / IT — must carry  
the -s in affirmative; auxiliary takes it  
in negative  
Example pair: "She USUALLY works from home." /  
"She DOESN'T usually work from  
the office."

Hand in on paper next class.

RULE: NEVER double the inflection ("doesn't  
works" is wrong); NEVER drop the -s in  
affirmative 3rd person; NEVER put the adverb  
AFTER the main verb.

(2) AUDIO — 10 min — Record 2-3 min eyes closed  
describing a coworker's typical day — 3rd  
person + frequency adverbs. "She USUALLY  
arrives at 9. She doesn't OFTEN take a long  
lunch. Does she check email before 8? Yes,  
she ALWAYS does."  
Label: B1-GRAMMAR-7.

(3) LISTENING — 10 min — Find a short English  
YouTube clip about OFFICE LIFE or A DAY AT  
WORK. Note 5 sentences in question form  
(DO / DOES + subject + base verb). Mark the  
auxiliary and the base verb.  
Bring on paper.

RULE: Not fragmented. No "I didn't have time."

> If a student pushes back: "This is what B1 requires. 30 to 45 minutes between classes is the minimum. We don't lower the bar — we raise your stamina."

**PASE A CONV — CL 8 — 4 min**

Fill the sheet titled "PASE A CONV — CL 8" (handed to the Conv Teacher before their next class):

PASE Grammar → Conv – Cl 7 → Cl 8

3 fresh gaps from Grammar today (spoken at full speed, when accuracy slips):

1. [literal error] – student: [name]
2. [literal error] – student: [name]
3. [literal error] – student: [name]

Most common patterns when speaking fast:

(a) Dropped 3rd-person -s under speed: "she work" / "he go" / "it cost"

(b) Substituted DO for DOES in 3rd-person questions: "Do she work?"

(c) Double inflection in negatives: "doesn't works" – DOESN'T already carries the -s

(d) Adverb position drift: "she arrives always" – should be "she ALWAYS arrives"

Today I formalized the full table (affirmative / negative / question + spelling rules + adverb position). Reinforced through walking transformation (4 zones), pair drilling (Sets A+B+C), podium, and 40-min HR Onboarding Interview pairs (Office Interrogative).

For your Cl 8 Conv: ask the cohort to do a "Tuesday Standup" – each person reports IN PRESENT SIMPLE: (a) what they ALWAYS do on Tuesdays, (b) what their team USUALLY does, (c) what their boss NEVER does. Drill the spoken shape at the moment of natural speech – the table is in their hand; the oral drift is what remains.

Signed: Grammar Teacher

Hand it physically to the Conv Teacher.

### Close — under 1 min

> *"Next class Cl 8. Today: full table — affirmative + negative + question + spelling + adverb position — held standing for 110 minutes. **This was day TWO of TEMPERANCE — block stays open. Next class Cl 8 continues day 3.** Real B1 sounds like: 'He works, she doesn't work, do you work? She always arrives, she doesn't usually arrive, does she usually arrive?' That is the rule held cleanly. (Any question about evaluations goes to coordination — not to me, not to the Conv Teacher.)"*

## DELIVERABLES TO COORDINATION

- [ ] Printed report filled
- [ ] Photo of board (Phrase + full table + Error Paper recurring patterns)
- [ ] Photo/video: Walking transformation (4 zones) · Pair drilling (Sets A+B+C) · HR Onboarding Interview pairs · Podium
- [ ] Anonymous Error Paper (physical)
- [ ] List of students who did NOT bring homework (with NAMES)
- [ ] Personal notebook page: 3 literal errors + NAMES
- [ ] PASE to Conv Teacher (photo before delivery)
- [ ] Count of Phrase of the Day natural insertions + % standing

## NOTAS INTERNAS (no leer en clase)

• **Supuesto de tópico (confirmar con coordinación):** Cl 7 → A1 review M5–M9 (Present Simple — daily routines + frequency adverbs + question forms). Si Diana redirige a otro módulo (BE / there is/are / can / artículos), reajustar el bloque 2 — la estructura de 4 bloques se mantiene.

• **Próximo (Cl 8):** depende del PASE devuelto. Default: continuar Present Simple en aplicación oral más larga (Tuesday Standup en Conv) + abrir contraste con Present Continuous en Grammar si la tabla quedó sólida hoy.

• **Virtud:** Cl 6–10 = TEMPLANZA v1. Hoy día 2. Ayer Cl 6 día 1. Mañana Cl 8 día 3. Block stays open.

• **Modelo nuevo Cl 7 (Diana 18/06):** 4 bloques largos, no 9–12 cortos. ~85% de pie. Inmersión 45 min en Block 3 (HR Onboarding Interview pairs), profesor COACHA en voz alta y marca patrones en el tablero. No hay bloques separados de VATS, peer-teacher, ni shadowing — todo integrado en opener y bloque 2.

• **PASE Grammar → Conv Cl 8:** preserva el patrón bidireccional validado en Cl 33. Conv abrió esta mañana; Grammar formalizó la tabla; Conv mañana drillea el shape al hablar rápido.
