

B1 MASTERY — CLASE 19 GRAMMAR — Grammar Teacher

Sesion 19/44 · 1h50min · Bloque 2 (Grammar, after Conv) FORMATO RECETA ACCIONABLE

Date: ___/___/2026 · Attending: ___/___

Module: PAST PERFECT — formalize had + past participle on paper: the EARLIER of two past events. Main event = past simple; the event already done before it = HAD + participle (HAD never changes for any subject). Signal frames: "by the time + simple, + had + participle", "...because + had + participle", "before + simple, + had + participle". Contrast: "when I arrived it started" (after/same time) vs "when I arrived it had started" (earlier). Participle comes from A2 Book M15/M16; the past-perfect structure is the B1 extension. ~86% standing.

Virtud: FORTALEZA v1 dia 4 de 5 (bloque CI 16-20)

Phrase of the Day: *"Fortitude builds the floor under the story — HAD + participle marks what was already done before the main past event. By the time it happened, I had already started. One past under another, both clean."*

=====
[VIRTUD] HOY = FORTALEZA v1 dia 4 de 5
=====

3 MOMENTOS donde la virtud se ACTIVA hoy (mayoria DE PIE):

(1) OPENER (Stand): ESCRIBES "FORTITUDE" en board
grande + DI: "Day 4 – Fortitude builds the
FLOOR under the story. After Conv this
morning you SPOKE the flashbacks; here we
write them clean – HAD + participle for
what was already done before the main
event."

(2) BLOQUE 2-3 practica (Stand at board): si alguien
escriba "had went" o aplane los eventos,
DI suave: "Fortitude. The earlier event =
HAD + participle. Which one came first?"

(3) CIERRE: PREGUNTA: "Which sentence did you write
today where HAD made the order crystal
clear?" – 2 respuestas maximo, rapido,
sin discusion.

=====
[FRASE DEL DIA] (escribela en board ANTES de empezar)
=====

"Fortitude builds the floor under the story – HAD +
participle marks what was already done before the main
past event. By the time it happened, I had already
started. One past under another, both clean."

INSERTA 4 veces hoy:

- (1) OPENER (apenas escribas el board)
- (2) BLOCK 2 (cuando cierres el mapa had + participle)
- (3) BLOCK 3 (mid-round del Two-Layer Story Sprint)
- (4) CIERRE (un estudiante la repite + la parafrasea)

=====
QUE TRAES (NADA MAS):
- Reloj
- 2-3 marcadores
- Tu cuaderno personal (errores + nombres)
- La hoja "PASE A GRAMMAR – CL 19" recibida del Conv
Teacher esta mañana (3 gaps orales + bridge) – la
lees en el opener
=====

BLOCK MAP — 4 BLOQUES (110 min) — ~86% DE PIE

| # | Min | Bloque | De pie? | Que pasa |

|---|---|---|---|---|

| 1 | ~10 | OPENER | STAND | Frase + FORTALEZA dia 4 + 3 gaps (Conv pase, mismo dia) + bridge a past perfect |

| 2 | ~50 | CONTENT HAD + PARTICIPLE + SIGNAL FRAMES | STAND ~90% | Form map + participle recall + transformacion en pares + podium
"which came first" |

| 3 | ~45 | LIVE: TWO-LAYER STORY SPRINT | STAND 100% | Collaborative board story, each pair adds a flashback (had + participle), 3 rounds |

| 4 | ~15 | CIERRE | SEATED | Error paper recap + frase close + virtud dia 4 + tarea + PASE a Conv CI 20 |

> **DE PIE:** Blocks 1-3 entera de pie en/junto al board (~100 min de pie sobre ~115 totales = 86%). Solo el cierre escrito es sentado.

BLOCK 1 — OPENER (~10 min) — STAND

1. (Stand) DI: "Welcome back. Class 19 of 44 – FORTITUDE day 4 of 5. After Conv this morning you spoke stories with a flashback layer; here we write the past perfect cleanly. One new tool today: HAD + participle for the event that was ALREADY done before the main past event. The participle you already own from Cl 15-17 – gone, done, eaten, played. Today we put HAD in front of it."

2. [VIRTUD] activation (Stand): ESCRIBE "FORTITUDE" en board grande. DI: "Day 4 – Fortitude builds the FLOOR under the story. The main action is the floor you stand on; the flashback is what was already there before. Today we write the floor and the basement, both in the past, both clean."

3. [FRASE] insertion 1 (Stand): ESCRIBE la frase en board. LEELA 2 veces. COHORTE repite 2 veces. UN estudiante la dice solo.

4. [PROMPT] (mystery – recibe Conv pase mismo día): LEE en voz alta los 3 gaps que el Conv Teacher anotó esta mañana (típico: "the meeting had start" / "she had went" / "by the time I arrived, it started"). DI: "These three came out of your mouths in Conv this morning – fresh, from this room. They are exactly what we fix standing in the next 50 minutes."

5. ESCUCHA reacciones. NO entres en discusión. Solo marca: estos son los blancos de hoy.

6. DI (bridge): "Two past events, one rule. The LATER event – the main action – stays PAST SIMPLE: 'I arrived.' The EARLIER event – already done before – becomes HAD + PARTICIPLE: 'the meeting had started.' HAD never changes: I had, she had, they had. The participle is the same one from Cl 15-16: played, gone, done, eaten. We drill it all standing."

7. DI: "Stand. Marker ready. We live at the board today – almost nobody sits until the homework."

[ALERTA] si la pase de Conv no llegó (Conv Teacher olvidó entregarla), USA gaps genericos: "the meeting had start" / "she had went" / "by the time I arrived, it started". NO esperes. NO pierdas tiempo buscando.

[OK] SEÑAL DE AVANCE: cuando la cohorte registre los 3 gaps y conecte que hoy se ANIDA un evento anterior con HAD + participle, PASA a Block 2.

BLOCK 2 — CONTENT HAD + PARTICIPLE + SIGNAL FRAMES (~50 min) — STAND ~90%

1. (Stand at board) ESCRIBE el MAPA completo (toma 6 min, vale la pena):

PAST PERFECT – THE EARLIER EVENT

STRUCTURE

HAD + past participle (HAD never changes)

"I had started." "She had gone."

"They had finished." "He had eaten."

THE PARTICIPLE (from Cl 15-16)

regular: play -> played finish -> finished

irregular: go -> gone do -> done eat -> eaten

see -> seen write -> written

TWO EVENTS – WHO CAME FIRST?

LATER event (main) -> past simple "I arrived."

EARLIER event -> had + participle

"...the meeting had started."

SIGNAL FRAMES

"By the time + [simple], + [had + participle]"

"[simple] + because + [had + participle]"

"Before + [simple], + [had + participle]"

*** Later = past simple. Earlier = HAD + participle. ***

*** HAD is the same for every subject. ***

2. (Stand) SEÑALA STRUCTURE. DI: "Past perfect = HAD + participle. HAD does not change – not has, not have-d, just HAD for everybody. The participle is the third form you learned in Cl 15-16: go, went, GONE. We use the GONE part."

3. [FRASE] insertion 2 (Stand): SEÑALA la frase. DI: "HAD + participle marks what was already done before the main past event. 'By the time it happened, I had already started.' One past under another, both clean."

4. (Stand) SEÑALA TWO EVENTS. DI: "The main action stays simple – 'I arrived'. The thing that was already done BEFORE it takes HAD – 'the meeting had started'. Decide which came first; the earlier one wears HAD."

5. (Stand) SEÑALA SIGNAL FRAMES. DI: "Three frames carry the order: 'by the time...', '...because...', and 'before...'. Each one tells the listener the HAD-clause happened earlier. Without them, the order gets lost."

6. [ERROR TIPICO #1] "The meeting had start."
-> TACHA "start", ESCRIBE "The meeting had STARTED."
DI: "After HAD = participle. Never the bare verb."
COHORTE repite 2 veces en coro.

7. [ERROR TIPICO #2] "She had went."
-> TACHA "went", ESCRIBE "She had GONE." DI: "go -> went -> GONE. The participle, not the past simple. had GONE, had DONE, had EATEN, had SEEN." COHORTE repite 2 veces.

8. [ERROR TIPICO #3] "When I arrived, it started" (cuando el sentido es que ya habia empezado). -> ESCRIBE las dos versiones y SEÑALA la diferencia:
"When I arrived, it started." (I arrived first)
"When I arrived, it HAD started." (it started first)
DI: "Same words – HAD changes the order in time."
COHORTE repite la segunda 2 veces.

9. [VIRTUD] activation (Stand): cuando alguien escriba "had went" o aplane los eventos, DI suave: "Fortitude. The earlier event = HAD + participle. Which came first?"

10. [ERROR TIPICO #4] "I had ate before he arrived."
-> TACHA "ate", ESCRIBE "I had EATEN before he arrived." DI: "eat -> ate -> EATEN. Participle after HAD." COHORTE repite 2 veces.

11. [ERROR TIPICO #5] "I was tired because I work all night." -> TACHA "work", ESCRIBE "...because I HAD WORKED all night." DI: "The earlier cause = had + participle." COHORTE repite 2 veces.

12. (Stand) PIDELES en parejas DE PIE en el board:
"Transform 8 clauses – put the EARLIER event into HAD + participle. I dictate two events; you write the earlier one with HAD and say why." 8 min.
DICTA estos 8 (el evento anterior entre parentesis):
a. "I arrived / (the train + leave)" -> "...the train HAD LEFT" (irregular)
b. "She was tired / (she + work + all night)" -> "...she HAD WORKED all night"
c. "By the time I called / (he + go)" -> "...he HAD GONE"
d. "I wasn't hungry / (I + eat)" -> "...I HAD EATEN"
e. "We knew the city / (we + visit + before)" -> "...we HAD VISITED it before"
f. "He failed / (he + not study)" -> "...he HADN'T STUDIED"
g. "Before the meeting / (I + prepare)" -> "...I HAD PREPARED"
h. "They were ready / (they + practice + for weeks)" -> "...they HAD PRACTICED for weeks"
CIRCULA. CORRIGE en board cuando un error aparezca 2 veces.

13. PODIUM – "WHICH CAME FIRST?" SPRINT (7 min). DOS volunteers al frente DE PIE. Tu lees DOS eventos pasados; ellos deciden cual fue PRIMERO y lo ponen en HAD + participle. Cohorte verifica en coro: "Confirmed – earlier event, HAD + participle!"

8 pairs de eventos para llamar:
"I opened the door / the guests already left"
-> "...the guests had already LEFT"
"She smiled / she pass the exam"
-> "...she had PASSED the exam"
"He apologized / he forget her birthday"
-> "...he had FORGOTTEN her birthday"
"We sold the house / we live there 10 years"
-> "...we had LIVED there for 10 years"
"I recognized him / we meet once before"
-> "...we had MET once before"
"They celebrated / they finish the project"
-> "...they had FINISHED the project"
"I was nervous / I never speak in public"
-> "...I had NEVER SPOKEN in public"
"The boss thanked me / I save the deal"

-> "...I had SAVED the deal"

14. Aplauso al final. CIERRA cuando 80% ponga el evento anterior en HAD + participle con el orden correcto.
DI: "Stand. Push chairs to the walls. We build a two-layer story on the board."

[ALERTA] si llegas a 35 min y aun escriben "had went" o aplanan los eventos, NO AVANCES al podium. Reduce a UN frame ("by the time + simple, + had + participle") y deja el contraste para CI 20 opener. Mejor LAND una flashback limpia que rush cinco confusas.

[OK] SEÑAL DE AVANCE: parejas + podium poniendo el evento anterior en HAD + participle, con el participio correcto, sin pedir ayuda.

1. (Stand) ESCRIBE en board grande: "TWO-LAYER STORY SPRINT – ONE STORY, EVERY PAIR ADDS A FLASHBACK – 18+ BUILDS, 3 ROUNDS"

2. DI las reglas: "We build ONE long past story together on the board, standing. I write the main line in past simple. Then each pair adds ONE clause – but at least every second clause must be a FLASHBACK: something that HAD already happened before, in HAD + participle. Say it out loud, then write it. The next pair connects with a signal word (by the time / because / before / already). If a flashback is wrong – 'had went', bare verb, or the order is backwards – the cohort calls 'Fortitude!' and the pair fixes it before we move on."

3. [FRASE] insertion 3 (Stand): DI: "This sprint IS the phrase – HAD + participle marks what was already done before the main past event. By the time it happened, I had already started. One past under another, both clean."

4. (Stand) ESCRIBE la PRIMERA linea semilla en board y el banco de signals al lado:

SEED: "Last year I walked into my first big meeting."

SIGNAL BANK (each flashback must use one):
by the time / because / before / already /
after / once / when (...had...)

ROUND 1 (15 min) – BUILD THE BACKSTORY:
pairs add, in turn, clauses 2-7. At least half are flashbacks. Target shape:
"By the time I walked in, my manager HAD already chosen me for a hard client. I was nervous because I HAD never managed an account alone. I HAD failed a smaller project before..."
Cada pareja: 1 clausula; los flashbacks en HAD + participle con un signal word.

5. CIRCULA. INTERVEN solo si un error aparece 3 veces en la misma pareja -> board -> coro 2x -> sigue la cadena.

6. [VIRTUD] activation (Stand): si una clausula diga "had went" o ponga HAD en el evento equivocado, DI suave:
"Fortitude. The earlier event = HAD + participle. Which came first?"

7. ROTA el turno. ROUND 2 (15 min) – BUILD THE MAIN STRUGGLE (past simple) WITH FLASHBACKS UNDER IT:
pairs add clauses 8-13. Target shape:
"First I panicked. I didn't know the product because I HAD not finished the training. Then I asked a colleague who HAD done it before..."
Cada par alterna: una accion principal (simple) + una flashback (had + participle).

8. [PROMPT] (translanguaging): DI: "If a pair freezes, plan in Spanish for 5 seconds: which event came FIRST? That one is HAD + participle. Then say it in English."

9. ROTA el turno otra vez. ROUND 3 (15 min) – BUILD THE RESOLUTION + a final FLASHBACK CLOSE: pairs add clauses 14-18+. Target:
"After that I practiced every night. Finally I closed the deal – and I realized I HAD grown more in one month than I HAD expected in a year."
Push: al menos 18 clausulas, con al menos 8 flashbacks en HAD + participle, orden de tiempo claro. Observer cuenta "had went / bare verb" slips.

10. CIRCULA, CORRIGE cuando un error aparezca 2 veces en parejas distintas. Anota con NOMBRE en tu cuaderno.

11. CIERRA con LECTURA CORAL: la cohorte lee la historia completa del board en voz alta, de principio a fin, todos de pie. UN voluntario reporta: "X clauses, Y flashbacks in HAD + participle, order clear." Aplauso.

[ALERTA] si una pareja se queda en silencio 15+ segundos, DROP UN PROMPT ("Add a flashback: what HAD already happened before this?" / "Connect with 'by the time'") y RETIRATE. NO expliques, NO llenes el silencio.

[OK] SEÑAL DE AVANCE: 3 rounds completos (18+ clausulas, 8+ flashbacks encadenados) + lectura coral final con el orden de tiempo claro.

BLOCK 4 — CIERRE (~15 min) — SEATED

1. ESCRIBE en board: "ERRORS HEARD TODAY"

2. ESCRIBE los 5 errores típicos (anonimos):

X "the meeting had start" -> "had STARTED"

X "she had went" -> "she had GONE"

X "I had ate before he came" -> "I had EATEN before he came"

X "because I work all night" -> "because I HAD WORKED all night"

X "when I arrived it started" (sentido: ya habia empezado) -> "...it HAD started"

3. COHORTE repite las 5 correcciones 2 veces en coro.

4. [FRASE] close: UN estudiante (al azar) dice la frase

de memoria + la PARAFRASEA con su propia historia

("Fortitude builds the floor under the story – by the

time my client called, I had already studied the

product, and I had failed one call before, so I knew

what to do – one past under another, both clean").

Aceptas cualquier parafraseo que use al menos 2 HAD +

participle con el orden correcto.

5. [VIRTUD] dia 4 cierre del dia:

PREGUNTA: "Which sentence did you write today where HAD

made the order crystal clear?" – 2 respuestas maximo,

rapido, sin discusion.

DI: "Day 4 of FORTITUDE. One more day to close the

block. Cl 20 – we master the WHOLE past machine in one

narration before the midterm."

6. ESCRIBE HOMEWORK en board (mientras la dices):

HOMEWORK CL 19 GRAMMAR – DUE BEFORE NEXT CLASS, 7:00 AM

TIME: 30-45 min (B1). NOT fragmented.

(1) WRITING – ONE complete past narrative paragraph,

10-12 sentences, about a real challenge. Label

each required element in the margin:

- the MAIN events in past simple

- 3 FLASHBACKS in HAD + participle

"By the time it happened, I had already

prepared."

"I knew the risk because I had failed before."

"I wasn't hungry because I had eaten."

- 3 SIGNAL words (by the time / because / before

/ already)

- 1 CLOSER ("...and in the end I learned...")

Hand in on paper next class.

RULE: NEVER "had went"; NEVER bare verb after

HAD. Participle every time. Earlier event = HAD.

(2) AUDIO eyes closed – 2-3 min – "A challenge and

what I had already done" – narrate the SAME

paragraph out loud, keeping the two time layers

clear. Label: B1-GRAMMAR-19.

(3) LISTENING – 10 min YouTube "past perfect English

examples". Note 8 sentences with HAD + participle

and write the participle next to each (gone /

done / seen / written...). Paper.

RULE: Not fragmented. No "I didn't have time." If

pushback: "This is what B1 requires. 30-45 min between classes is the minimum. We don't lower the bar – we raise your stamina."

7. PASE Grammar -> Conv entregada ANTES de salir del aula (ver siguiente seccion).

8. DI: "Next class Cl 20: MASTERY of the whole past system – used to, was -ing, when + past simple, and the past perfect from today – all in ONE narration. It is the final consolidation before the midterm and the LAST day of FORTITUDE. Real B1 sounds like: 'I used to work alone. One morning I was finishing a report when my manager called. By then she had already chosen me for the client – and I had never felt so ready.' Any question about evaluations goes to coordination – not to me, not to the Conv Teacher."

[ALERTA] si un estudiante no anota la tarea -> DI: "Phone out. Photo of the board now." Nadie se va sin saberla. Si alguien protesta por la longitud: "30-45 min total, not fragmented. That is the rule."

[OK] SEÑAL DE AVANCE: cohorte sale sabiendo la tarea + UN estudiante diciendo la frase de memoria + 5 errores en board + PASE a Conv Cl 20 entregada + Cl 20 anunciada.

PASE A CONV TEACHER — CL 20 — antes de salir del aula

Fill la hoja titulada **"PASE A CONV — CL 20"** y entregala fisicamente al Conv Teacher:

PASE Grammar -> Conv – Cl 19 -> Cl 20

3 fresh gaps from Grammar today (when accuracy slipped under speed):

1. [literal error] – student: [name]
2. [literal error] – student: [name]
3. [literal error] – student: [name]

Most common patterns under pressure:

- (a) Bare verb after HAD: "had start" / "had finish" – after HAD = participle.
- (b) Past simple instead of participle: "had went" / "had ate" – go->GONE, eat->EATEN.
- (c) HAD on the wrong (later) event – order reversed.
- (d) Flattening: "when I arrived it started" when the sense is it had already started.
- (e) Dropping the signal word, so the order is unclear.

Today I formalized the past perfect: HAD + participle for the earlier of two past events, the three signal frames (by the time / because / before), and the contrast past simple vs past perfect – drilled through 8 transform builds, a "which came first" podium, and an 18-clause Two-Layer Story Sprint with 8+ flashbacks.

For your Cl 20 Conv (MASTERY day – last day of FORTITUDE): open with a "Whole-Story" roundup – each person tells ONE complete past story that MUST contain all five forms: used to / was -ing / when + past simple / past perfect (had + participle) / sequencing connectors. Drill the spoken shape of the FULL integrated machine at the moment of natural speech – they own each piece now; what remains is holding all five in one paragraph without a leak. This is the final consolidation before the midterm.

FORTALEZA v1 dia 5 de 5 mañana – Cl 20 CLOSES the block.
Cl 21 opens PRUDENCIA v2.

Signed: Grammar Teacher

Hand it physically to the Conv Teacher.

DELIVERABLES A COORDINACION

- [] FOTO del board final con los 5 errores tipicos + el mapa had + participle + Frase del Dia
- [] FOTO/video del Two-Layer Story Sprint (historia de 18+ clausulas con flashbacks) + podium "which came first"
- [] ESCRIBE en tu cuaderno: 3 errores literales con NOMBRES

- [] MARCA en reporte: FORTALEZA v1 día 4 de 5
 - [] CONFIRMA: 4 inserciones de Frase del Día hechas (opener / map close / mid-round / cierre paraphrase)
 - [] CONFIRMA: PASE a Conv Teacher CI 20 entregada
 - [] CONFIRMA: PASE "A GRAMMAR — CL 19" de Conv recibida y leída en opener
 - [] CONFIRMA: NO comunicaste notas (coordinación maneja)
 - [] CONFIRMA: ~86% de la clase ejecutada DE PIE (Blocks 1-3 en/junto al board)
 - [] CUENTA: 3 rounds (18+ cláusulas, 8+ flashbacks) + lectura coral + podium con 8 pares corregidos
-

NOTAS INTERNAS (no leer en clase)

- Profe NO viene con material preparado. Todo se genera en clase con board y cuaderno. Si suplente cubre con esta sola guía puede ejecutar todo. Cero sobres, cero cards, cero grids impresos.
- Topico CI 19 = PAST PERFECT (had + past participle) — YA ANUNCIADO en CI 18 (NO supuesto). Anida un evento pasado anterior dentro de la narración ("By the time I arrived, the meeting had already started").
- Anclaje al libro: el PARTICIPIO PASADO se construye en A2 Book M15 (regulares, "I Have Visited London", p.133+) y M16 (irregulares, "I Have Gone to Paris", p.147+). El PAST PERFECT (had + participle para el evento anterior) va MAS ALLA del A2 Book — extension B1 estandar (SUPUESTO DE PLANEACIÓN — verificar fuente si Diana la pide). NUNCA inventar: el participio se cita del libro; la estructura past perfect se enseña como gramática estandar B1.
- Proximo CI 20 = MAESTRIA DEL SISTEMA PASADO (past simple + continuous + used to + past perfect en narración integrada) — consolidación, NO regla nueva, cierra FORTALEZA (SUPUESTO DE PLANEACIÓN — verificar). Mismo bloque virtud hoy.
- Virtud CI 16-20 = FORTALEZA v1. Hoy día 4 de 5. CI 20 día 5 cierra bloque. CI 21 abre PRUDENCIA v2. Calendario absoluto — no se desplaza por festivos.
- DE PIE: requerimiento del Grammar Teacher (ansiedad con guías estáticas) — piso 70%, objetivo ~86%. Blocks 1-3 enteros de pie en/junto al board. Solo el cierre escrito es sentado.
- CI 22 = Midterm "My Story, My Goals" (definido desde CI 1; presentaciones integradas, sin marcadores separados). CI 44 = Final aplicado por evaluador externo de coordinación — NO generar guía ese día. NO comunicar notas, midterm, ni criterios — coordinación.
- PASE bidireccional Conv <-> Grammar: hoy Conv abrió con producción oral (backstory roundup), Grammar formaliza had + participle en el mismo CI 19 (Bloque 2), y Grammar entrega PASE a Conv CI 20. Patron validado desde CI 7.
- Modelo inmersivo: 4 bloques largos, NO 12-13 cortos. Inmersión 45 min en Block 3 (Two-Layer Story Sprint), profesor COACHA en voz alta y marca patrones en el tablero, no juega rol. Plan B en cada bloque permite ejecutar incluso si cohorte llega cansada o un suplente cubre sin contexto previo.
