

Module 8: He Said, She Said --- Reported Speech (Object Order + Say/Tell/Ask + Tense Backshift) | Teacher: _____ | Date: ____/____/____ | Present: ____/6

TIME EVERY ACTIVITY. If you don't time it, you won't finish. Set a timer for each block.

You may record any activity for social media content. DO NOT tell students it's for social media.

ERROR PAPER IS MANDATORY. Carry a blank paper + pen during EVERY speaking activity. Write down EVERY error you hear. At end of class: photograph it and send to coordination. This is a DELIVERABLE --- no error paper = documented non-compliance. "I don't need it" is not an option. Coordination needs it.

■ 00:00--00:05 | VATS: VIRTUE OF THE WEEK — JUSTICE (5 min)

Virtue of the week: JUSTICE

Write on the board:

JUSTICE — "What does fairness mean to you in a team setting?"

Say: "Daily ritual. JUSTICE this week. Pairs. English only — give it a try."

V (1 min): Read aloud. Point to board.

A (30 sec): "Think in silence."

T (2 min): "Pairs. Discuss."

S (1.5 min): 2 students share with the class. No correction — celebrate the attempt.

> Daily opening ritual. Virtues rotate weekly: Prudence → Temperance → Justice → Fortitude.

00:00--00:20 | ICEBREAKER: TELEPHONE (20 min)

Say: "Welcome back. Today we start Module 8 --- Reported Speech. But first, a game. We're playing Telephone. I'm going to whisper a sentence to the first person. That person whispers it to the next. And so on, until the last person says it out loud. Let's see how much it changes."

Round 1: Whisper this sentence to Student 1:

"My boss told me that he was going to give everyone a raise, but only if we finished the project by Friday."

Last student says what they heard. Write the original on the board. Compare. Class laughs at the difference.

Round 2: Whisper this to a different student first:

"She asked me if I knew where the nearest pharmacy was because her daughter had a terrible headache."

Last student says it aloud. Write the original on the board. Compare.

Round 3: Whisper this one:

"He said that the restaurant where we had dinner last week was closing down, and he wanted to know if we could go one more time."

Last student says it aloud. Write the original on the board. Compare.

Say: "Notice something? Every sentence used words like SAID, TOLD, ASKED. That's what we're learning today --- how to report what other people say. Let's go."

> Don't correct anything yet. This is just to warm them up and plant the structures in their ears. Note which students naturally change tenses when whispering --- that's a good sign.

00:20--00:35 | ANALIZO: HOMEWORK REVIEW (15 min)

Homework from Class 12:

1. Write 10 sentences using relative clauses (who, where, when, that, why, how, what).

2. Find a YouTube video, write 3 sentences with relative clauses from it.

First 5 min: Say: "Take out your homework. Pairs. Read your 10 sentences to your partner. Partner: count how many DIFFERENT relative words they used. Did they use all 7 --- who, where, when, that, why, how, what? Or did they repeat the same ones?"

Walk around. Check that everyone has the homework. If someone didn't do it, say: "You have until the break to write it. If it's not done by the break, it goes in the report as missing."

Next 5 min: Say: "Now share the 3 sentences from your YouTube video. Read them to your partner. Partner: which relative pronoun is in each sentence?" 3 students share their best video sentence with the class.

Last 5 min: Quick board check. Say: "Give me one sentence from your homework." Pick 3 students. They say a sentence. If the relative clause is wrong, say: "No. Listen." Give the correct version. They repeat twice. If it's correct, say: "Good. Next."

> This should be fast. The goal is accountability --- did they do it? Can they use relative clauses? Move on.

00:35--00:50 | BOOK: MODULE 8 GUIDE 1 --- ORDER OF OBJECTS (15 min)

Say: "Open your book to Module 8, Guide 1 --- Order of Objects. Read the explanation and ALL examples with your partner. You have 5 minutes."

First 5 min: They read in pairs. You don't speak. Walk around checking they're reading, not chatting.

Last 10 min: Sit with each pair. THEY explain to you. Ask them:

- "What is a direct object?" (The thing that receives the action directly. "I bought A BIKE.")

- "What is an indirect object?" (The person who receives the direct object indirectly. "I bought MY SON a bike.")
- "What are the two ways to say the same thing?" (Put indirect object first with no preposition: "I bought my son a bike." OR put direct object first with to/for: "I bought a bike for my son.")
- "Give me an example with TO." (Expected: "I sent a letter to my mother." / "I gave the book to her.")
- "Give me an example with FOR." (Expected: "I made dinner for my family." / "I bought a gift for my friend.")

If they struggle, say: "Read it again. 2 more minutes." Then ask again.

Quick drill --- say these sentences and ask them to say it the OTHER way:

1. "I gave the keys to my neighbor." (Expected: "I gave my neighbor the keys.")
2. "She made her husband a cake." (Expected: "She made a cake for her husband.")
3. "He sent a message to his boss." (Expected: "He sent his boss a message.")
4. "We bought our daughter a new phone." (Expected: "We bought a new phone for our daughter.")
5. "I wrote a letter to my grandmother." (Expected: "I wrote my grandmother a letter.")
6. "They got their teacher a present." (Expected: "They got a present for their teacher.")

One sentence per student. If they freeze, say: "Try moving the person. Where does the person go?" They try again.

00:50--01:10 | BOOK: MODULE 8 GUIDE 2 --- SAY, TELL, ASK (20 min)

Say: "Now Guide 2 --- Say, Tell, Ask. These three words are DIFFERENT. Read the guide carefully. You have 7 minutes."

First 7 min: They read in pairs. Walk around silently.

Last 13 min: Sit with each pair. THEY explain to you. Ask them:

- "What is the difference between SAY and TELL?" (SAY doesn't need a person after it. TELL needs a person --- you TELL someone.)
- "Give me an example with SAY." (Expected: "He said that he was tired." / "She said it was raining.")
- "Give me an example with TELL." (Expected: "He told me that he was tired." / "She told us it was raining.")
- "Can you say 'He said me that he was tired?'" (NO. Say doesn't take an indirect object like that. It's "He said TO me" or just "He said.")
- "What about ASK --- how is it different?" (ASK is for questions. It needs a person. "He asked me if I was tired.")
- "What word do we use after ASK when it's a yes/no question?" (IF or WHETHER. "She asked me if I was coming." / "She asked me whether I was coming.")
- "Can you combine these with relative pronouns?" (Yes. "Could you tell me where the bank is?" "He asked me what time it was.")

Write on the board --- 6 situations. Students must choose SAY, TELL, or ASK:

1. "Your friend wants to know where the party is. Report it." (Expected: "She asked me where the party was.")
2. "Your mom gave you instructions: 'Clean your room.' Report it." (Expected: "She told me to clean my room.")
3. "A stranger on the street made a comment: 'Nice weather today.' Report it." (Expected: "He said it was nice weather." / "He said that the weather was nice.")
4. "Your boss wants to know if you finished the report. Report it." (Expected: "He asked me if I had finished the report.")
5. "Your teacher gave the class information: 'The exam is on Monday.' Report it." (Expected: "She told us that the exam was on Monday.")
6. "You overheard someone in a cafe: 'This coffee is terrible.' Report it." (Expected: "He said that the coffee was terrible.")

One situation per student. If they use the wrong verb (e.g., "She said me to clean my room"), say: "No. Listen. She TOLD me to clean my room." They repeat twice.

01:10--01:25 | EXERCISES (15 min)

Say: "Do the exercises for Guide 1 and Guide 2. Check your answers with the Answer Key at the back. If you and your partner disagree, discuss. If neither of you knows, raise your hand."

Walk around. Give the correct version only --- never explain rules.

Common errors to watch for:

- "He said me" instead of "He told me" or "He said to me"
- "She told that" instead of "She said that" (TELL needs a person)
- "He asked me where is the bank" instead of "He asked me where the bank was"

If 50%+ get the same thing wrong, STOP. Write it on the board. They repeat the correct version twice.

01:25--01:45 | CORRECT THE TEACHER: STORY WITH 12 ERRORS (20 min)

Say: "Now I'm going to tell you a story. This story has 12 errors --- all related to object order, say/tell/ask, and some relative clause errors from last class. When you hear an error, shout 'WRONG!' and tell me the correct version. I'll keep score on the board. Ready?"

Write on the board: Student names in a row. Add a tally mark each time someone catches an error.

Read this story SLOWLY. Pause slightly before each error to give them time to catch it. Errors are marked for YOU --- do NOT read the corrections aloud:

"Last weekend I went to a party at my friend Laura's house. When I arrived, Laura said me that the party had already started. (1 --- Laura TOLD me --- 'say' doesn't take an indirect object like that)

I walked in and saw my friend Carlos. He told that the music was too loud. (2 --- He SAID that the music was too loud --- 'tell' needs a person: 'He told ME' or use 'said')

I went to the kitchen. Laura's mom had made a beautiful cake to Laura for her birthday. (3 --- made a beautiful cake FOR Laura --- 'make' uses FOR, not TO)

Carlos asked me where was the bathroom. (4 --- where the bathroom WAS --- word order after ask)

I said him to check upstairs. (5 --- I TOLD him to check upstairs --- 'say' doesn't take a person + infinitive)

Later, a girl named Sofia arrived. She gave to me a present and said: 'This is for Laura.' (6 --- She gave ME a present --- no 'to' needed when indirect object comes first, OR 'She gave a present to me')

I asked Sofia that she wanted something to drink. (7 --- I asked Sofia IF she wanted something to drink --- 'ask' with yes/no questions uses IF/WHETHER, not THAT)

She told: 'Just water, please.' (8 --- She SAID: 'Just water, please.' --- 'tell' needs a person, use 'said' for quoting exact words)

Then the music stopped. Someone said us that the speaker was broken. (9 --- Someone TOLD us --- 'say' doesn't take an indirect object; use 'told')

Laura's brother offered fixing it. He told: 'I know how to do it.' (10 --- He SAID: 'I know how to do it.' --- 'tell' needs a person)

After he fixed it, Laura sent a message for her brother thanking him. (11 --- sent a message TO her brother --- 'send' uses TO, not FOR)

At the end of the night, everyone asked me what did I think of the party. (12 --- what I THOUGHT of the party --- word order after ask, no 'did')

I said it was the best party I'd ever been to."

After reading: review any errors the class missed. Say the wrong version first, then the correct version. They repeat the correct version twice.

Pairs (8 min): Say: "Now YOU are the teacher. Partner A: tell a short story --- 1 to 2 minutes --- with deliberate errors using say/tell/ask and object order. At least 4 errors. Partner B: catch and correct. After 4 minutes, SWITCH."

Walk around. Write down good corrections AND missed errors on your error paper.

> If the class catches fewer than 8 errors in the story, they need more practice. Note this for coordination.

01:45--02:05 | BREAK (20 min)

Students rest. Phones allowed. YOU:

- Search YouTube for a Shadowing clip. MAXIMUM 60 SECONDS. Search terms: "someone reporting what another person said English" or "short English interview telling a story" or "gossip English conversation short clip." You want someone naturally using reported speech: "She told me that..." "He said he was going to..." "I asked her if..."
- Review error paper from the first half. Identify the most common errors to address after the break.

02:05--02:25 | BOOK: MODULE 8 GUIDE 3 --- TENSE BACKSHIFT (20 min)

Say: "Open your book to Guide 3 --- Reported Speech Tense Shifts. This is the hardest part of Module 8. Read carefully. You have 8 minutes."

First 8 min: They read in pairs. Walk around silently. Do NOT help.

Last 12 min: Sit with each pair. THEY explain to you. Ask them:

- "When do we shift tenses back?" (When the reporting verb --- said, told, asked --- is in the PAST.)
- "What happens to Present Simple?" (It becomes Past Simple. "I am tired" becomes "He said he WAS tired.")
- "What happens to Past Simple?" (It becomes Past Perfect. "I went home" becomes "She said she HAD GONE home.")
- "What happens to Present Perfect?" (It becomes Past Perfect. "I have finished" becomes "He said he HAD FINISHED.")
- "What happens to Present Continuous?" (It becomes Past Continuous. "I am working" becomes "She said she WAS WORKING.")
- "What happens to 'going to'?" (It becomes "was going to." "I'm going to travel" becomes "He said he WAS GOING TO travel.")
- "What happens to WILL?" (It becomes WOULD. "I will call you" becomes "She said she WOULD call me.")
- "What happens to CAN?" (It becomes COULD. "I can help" becomes "He said he COULD help.")

Write on the board --- the complete tense shift chart:

DIRECT SPEECH --> REPORTED SPEECH

Present Simple Past Simple
 "I work here" He said he worked there

Past Simple Past Perfect
 "I went home" She said she had gone home

Present Perfect Past Perfect
 "I have seen it" He said he had seen it

Present Continuous Past Continuous
 "I am leaving" She said she was leaving

Going to Was going to
 "I'm going to study" He said he was going to study

Will Would
 "I will help" She said she would help

Can Could
 "I can swim" He said he could swim

Say: "Look at the board. This is your reference. Now let's practice."

Quick drill --- say the direct quote, student gives the reported version:

1. "Anna says: 'I love my job.'" (Expected: "Anna said she loved her job.")
2. "Tom says: 'I am studying for the exam.'" (Expected: "Tom said he was studying for the exam.")
3. "Maria says: 'I will visit you next week.'" (Expected: "Maria said she would visit me next week.")
4. "Carlos says: 'I have already eaten.'" (Expected: "Carlos said he had already eaten.")
5. "Your boss says: 'I can give you a day off.'" (Expected: "My boss said he could give me a day off.")
6. "Your friend says: 'I went to the doctor yesterday.'" (Expected: "My friend said he had gone to the doctor the day before.")

One per student. If they don't shift the tense, say: "No. Listen." Give the correct version. They repeat twice.

02:25--02:45 | SHADOWING 5 STEPS (20 min)

YouTube on your phone. Video from break. Subtitles on student phones.

STEP 1 --- LISTEN (3 min): Say: "Just listen. Don't repeat. Don't read. Just listen to the rhythm, the speed, the emotion." Play the clip 3 times.

STEP 2 --- WITH TEXT (4 min): Say: "Now pull up the subtitles on your phone. Listen and repeat WITH the text. Try to match the speaker's speed and intonation." Play 4 times. They repeat along with the audio.

STEP 3 --- WITHOUT TEXT (4 min): Say: "Screens OFF. Face down. Listen and repeat from memory. You won't get every word --- that's fine. Get the rhythm." Play 4 times.

STEP 4 --- EYES CLOSED (3 min): Say: "Close your eyes. Maximum concentration. Repeat everything you hear." Play 3 times.

STEP 5 --- PAIR ROLE PLAY (6 min): Say: "No audio. Pairs face each other. Take turns --- one person says a chunk from memory, the other continues. Try to reconstruct the whole clip from memory. Match the tone, speed, and emotion."

02:45--03:10 | THE GOSSIP CHAIN (25 min)

Step 1 --- Prepare your story (5 min).

Say: "Everyone loves gossip. Here's how this works. Each of you is going to tell a short personal story --- something that happened to you recently. It can be real or made up. Something interesting, dramatic, or funny. You have 5 minutes to prepare. Write down a few notes --- NOT full sentences. Your story should be 1 to 2 minutes long."

Write on the board:

YOUR STORY MUST INCLUDE:

- At least 3 things someone SAID to you (direct quotes)
- At least 1 question someone ASKED you
- At least 1 thing someone TOLD you to do

Example: "Last week my sister called me. She said: 'I'm getting married!' I asked her: 'When?' She told me to keep it a secret. My mom said: 'I already knew.' My dad said he couldn't believe it."

Students prepare. Walk around. If someone is writing full sentences, say: "Notes only. Keywords. You're going to TALK, not read."

Step 2 --- Tell and report (20 min).

Say: "Here's how The Gossip Chain works. Student A tells their story to Student B. Then Student B turns to Student C and REPORTS Student A's story using reported speech --- said, told, asked, with correct tense shifts. Then Student C tells THEIR OWN story to Student D. And Student D reports it. We go around the whole room."

Arrange students in a circle or line.

The chain:

- Student 1 tells their story (2 min). Direct speech.
- Student 2 REPORTS Student 1's story to Student 3 (2 min). Must use: "He/She said that...", "He/She told me that...", "He/She asked me if/whether..."
- Student 3 tells their OWN story to Student 4 (2 min). Direct speech.
- Student 4 REPORTS Student 3's story to Student 5 (2 min). Reported speech.
- Student 5 tells their OWN story to Student 6 (2 min). Direct speech.
- Student 6 REPORTS Student 5's story to the whole class (2 min). Reported speech.

After each REPORT, check:

- Did they use SAY, TELL, and ASK correctly? (Tell needs a person, say doesn't, ask uses if/whether)
- Did they shift tenses? (Present to past, will to would, can to could, etc.)
- Did they use correct object order?

If you hear an error, say: "No. Listen." Give the correct version. They repeat twice. Then continue.

Step 3 --- Class recap (10 min).

Say: "Now --- who can report the BEST story they heard? Tell us, using reported speech. You must use at least SAY, TELL, and ASK at least once each."

3 volunteers report a story they heard. Class listens. After each:

- Say: "Class --- did they shift the tenses correctly?"
- Say: "Did they use say, tell, and ask correctly?"
- If there's an error, the class corrects it. If they miss it, YOU correct it.

Write the best reported speech sentences on the board as models.

> This is the core production activity. Walk with error paper. Write EVERYTHING. Students should be speaking 90%+ of the time.

03:10--03:30 | FINAL PROJECT WORKSHOP (20 min)

THE PROJECT MATERIALS STAY AT THE ACADEMY. Students do NOT take their project notes home. Collect everything at the end of this block.

Say: "Time for your Final Project. You have 20 minutes. This is your first project session. Today: choose your topic and write your outline --- 5 key points you want to talk about. By the end of this block, I want to see your topic and at least 3 bullet points."

How this works --- you do NOT sit down and wait:

- You have 6 students. That is 3 minutes per student for individual feedback.
- Walk to each student. Read what they have so far. Ask them:
 - "What is your topic?"
 - "What is your main point?"
 - "How are you going to start?"
 - "What structures are you using?"
- Give SPECIFIC feedback: "This sentence needs a relative clause." "Use reported speech here." "Add a causative structure."
- If a student has nothing written: "Start with your first sentence. Write it NOW. I will be back in 3 minutes to check."

Final Project requirements (write on board the first time):

Say: "Your final presentation is 7 to 10 minutes. Any topic. You must speak without stopping. The class asks questions at the end. You must use structures from ALL modules we have studied. No reading from paper --- only note cards with key words. Eyes open."

> This is NOT free time. This is structured work time where the teacher actively coaches each student. If you see a student staring at a blank page for more than 2 minutes, sit with them and help them brainstorm.

■ PORTFOLIO BUILD — DAY 2: 60-SECOND VIDEO PITCH (15 min)

■■ Use `ANEXO\_PORTFOLIO\_BUILD\_B2\_PROFESOR.pdf` (Day 2 section).

Today is **Day 2 of the Portfolio Build Cycle**. Students record a 60-second video pitch on their phone, listen back, and improve.

Setup (1 min): Write the pitch structure on the board:

```
60-SECOND PITCH:
[10s] HOOK: Who am I in one phrase?
[15s] WHAT I DO + 1 RESULT
[15s] PASSION + 1 EXAMPLE
[15s] WHAT I'M LOOKING FOR
[5s] CLOSE: name + email/LinkedIn
```

Plan round (3 min): "3 minutes. Write your 5 sections in your notebook. Single bullet each. No paragraphs."

Record round 1 (4 min): "Stand up. Phone in selfie mode. 60 seconds — GO." Set timer. Walk silently. At 60 sec: "Stop. Replay it. Listen to yourself."

Improve round (5 min): "What's ONE thing to fix? Record AGAIN, 60 sec."

Submit (2 min): "Send the IMPROVED version to WhatsApp with tag: PITCH-CYCLE[N]-[YourName]." Coordination collects pitches and gives written feedback before next Day 2.

Your feedback during activity: Walk silently. If someone freezes: "Just say one true sentence. Then keep going." After replay: "What did YOU notice?"

> See ``ANEXO_PORTFOLIO_BUILD_B2_PROFESOR.pdf`` Day 2 for the full script.

■ SELF-CHECK (5 min)

Hand out self-check sheet. Students fill ALL fields. COLLECT. CHECK EVERY ONE: blank field = hand it back, fill it NOW. No incomplete sheets accepted. Send to coordination TODAY.

■ HOMEWORK + CLOSE (5 min)

Write on the board:

DAILY INVESTMENT (15-30 min today):
1. PROFESSIONAL GOLDLIST: 10 new business / academic phrases (idioms, connectors, STAR vocabulary).
Send a photo of your notebook to WhatsApp.
2. WATCH any recording from today (pitch / interview).
Write 3 things you'd improve.
3. CV / LinkedIn / Project: continue your work.
Coordination reviews on schedule.

Say: "Daily investment is non-negotiable for B2. The Goldlist now lives in your daily WhatsApp routine — not in our class. In class we use that time for your portfolio."

Notes:
