

TIME EVERY ACTIVITY. If you don't time it, you won't finish. Set a timer for each block.

You may record any activity for social media content. DO NOT tell students it's for social media.

ERROR PAPER IS MANDATORY. Carry a blank paper + pen during EVERY speaking activity. Write down EVERY error you hear. At end of class: photograph it and send to coordination. This is a DELIVERABLE --- no error paper = documented non-compliance. "I don't need it" is not an option. Coordination needs it.

■ 00:00–00:05 | VATS: VIRTUE OF THE WEEK — FORTITUDE (5 min)

Virtue of the week: FORTITUDE

Write on the board:

FORTITUDE – "Tell me about a time you almost gave up – but didn't."

Say: "Daily ritual. FORTITUDE this week. Pairs. English only — give it a try."

V (1 min): Read aloud. Point to board.

A (30 sec): "Think in silence."

T (2 min): "Pairs. Discuss."

S (1.5 min): 2 students share with the class. No correction — celebrate the attempt.

> Daily opening ritual. Virtues rotate weekly: Prudence → Temperance → Justice → Fortitude.

■ ERROR PAPER REVIEW — DAY 6 (20 min)

■■ Use 'ANEXO_ERROR_PAPER_REVIEW.pdf' for the full protocol.

Today is **Day 6** — this block runs every 5 classes to review the accumulated errors from previous classes.

Before class: coordination or the teacher fills in the table below with the **Top 10 recurring errors** from the last 5 classes (based on error papers). If not filled in, the teacher does it from memory at the start of the block.

TODAY'S 10 ERRORS (fill in before / at the start of class):

| # | ■ Error heard | → | ■ Correct version |

|---|-----|---|-----|

| 1 | | → | |

| 2 | | → | |

| 3 | | → | |

| 4 | | → | |

| 5 | | → | |

| 6 | | → | |

| 7 | | → | |

| 8 | | → | |

| 9 | | → | |

| 10 | | → | |

Setup (1 min): Copy the 10 errors from the table onto the classroom board.

Group modeling (8 min): For each error, say the WRONG version aloud without judgment. The class identifies what's wrong. You model the correct version. The class repeats **2 times**. No-Listen-Repeat technique. Do NOT explain the grammar rule — only model.

Pair drill (8 min): "Pairs. Person A says the wrong version. Person B corrects with the right one. Then switch. Go through all 10 errors."

Close + commitment (3 min): Each student picks ONE error they most want to eliminate. They write in their notebook:

I will stop saying: _____
I will say instead: _____

"In 5 classes I'll ask you about this. If you eliminated it: 5 English Points."

> **No names. No shame.** These are errors of language meeting the mouth, not personal failures. If your error paper was weak this week: report to coordination.

00:00--00:20 | ICEBREAKER: MODULE ROULETTE (20 min)

Before class: Write numbers 7, 8, 9, 10 on separate small papers (make 2 copies of each so you have 8 papers). Fold them. Put them in a cup or bag.

Write on the board (leave it up ALL class):

MODULE KEY
7 = Relative Pronouns (who, where, when, that, why, how, what + restrictive clauses)
8 = Reported Speech (say/tell + tense shifts + reporting verbs)
9 = Perfect Tenses (present perfect, past perfect, future perfect)
10 = Causative (have/get something done)

Write these 6 topics on the board too:

1. Your phone
2. A restaurant experience
3. Your hair
4. A car problem
5. A rumor you heard
6. Something you've never done

How it works:

- Student picks a folded number from the cup. Say they get "9" = Perfect Tenses.
- Teacher assigns them a topic (go in order: first student gets topic 1, second gets topic 2, etc.).
- Student speaks for 60 seconds about that topic using structures from THAT module. You time it. If they stop before 60 seconds, say: "Keep going. You still have [X] seconds."
- After they finish, ANY other student adds ONE sentence to the same topic using a DIFFERENT module from the board. Example: Student spoke about "Your phone" using perfect tenses --> classmate adds a sentence using causative about the same topic.
- Go around all 6 students. If a student picks the same number as a previous student, they refold it and pick another.

Example round (say this to demo): "My phone --- I've had this phone for two years. I've never dropped it, but I've scratched the screen. If I had been more careful, it wouldn't have happened." (Module 9 --- Perfect Tenses). Then classmate adds: "I had my screen replaced last month." (Module 10 --- Causative).

> This warms up ALL four modules. Pay attention to which modules students struggle with --- you'll need this to guide the rest of the class.

00:20--00:35 | ANALIZO: HOMEWORK REVIEW (15 min)

Homework from Class 15:

1. Write 8 sentences using causative structures (have/get something done) about real services you've used.
2. GRABO Home video: 2-minute recording about a personal experience --- must include at least 1 relative clause, 1 reported speech sentence, 1 perfect tense, and 1 causative structure.

First 5 min: Check who submitted the GRABO Home video. Write names on the board: SUBMITTED / NOT SUBMITTED. If someone didn't submit, say: "You have until the break to send it. If it's not sent by the break, it goes in the report as missing."

Next 5 min: Pairs. Share your 8 causative sentences. Partner checks: Did you use both HAVE and GET? Did you use different tenses? Mark errors. If someone didn't do it: "Write 4 causative sentences RIGHT NOW. No excuses."

Last 5 min: 3 students share their best sentence from the GRABO Home video with the class. Class listens for: Did they blend all 4 modules? Which module was missing or weak? Class gives specific feedback: "You forgot the causative" or "Your reported speech tense shift was wrong."

> If someone didn't do the written homework: they write 4 causative sentences RIGHT NOW about things they've had done recently. No excuses.

00:35--01:15 | STATION ROTATION (40 min)

Before this activity: Write each station's instructions on a separate piece of paper. Place each paper at a different table/area of the room. Split students into pairs (3 pairs). Each pair starts at a station and rotates every 10 minutes. You call "ROTATE" at 10, 20, and 30 minutes. After all 4 stations (40 min), collect the written work.

STATION 1 --- RELATIVE PRONOUNS WRITING (write on paper, place at station):

RELATIVE PRONOUNS --- WRITING CHALLENGE

Write 6 sentences about your partner using relative clauses.
You MUST use ALL of these at least once: who, where, when, that

Rules:

- Interview your partner for 3 minutes FIRST (ask about places, people, moments)
- Then write 6 sentences about them
- Read your sentences to your partner --- they confirm if the information is correct

Examples:

"Carlos is the person WHO always arrives late."
"The city WHERE he grew up is very small."
"The day WHEN he started learning English was 3 years ago."
"The thing THAT he likes most about English is movies."

You have 10 minutes. Write on paper. Keep it --- you'll need it later.

STATION 2 --- REPORTED SPEECH ROLE-PLAY (write on paper, place at station):

REPORTED SPEECH --- GOSSIP OFFICE

Scenario: You work in the same office. You just came from a meeting where the boss said SHOCKING things.

Step 1 (3 min): Partner A was IN the meeting.
Tell Partner B what the boss said. Use DIRECT speech:
"The boss said: 'Everyone will work Saturdays.'"
"She told us: 'Two people will be fired next month.'"
"She announced: 'No more coffee in the office.'"
Make up 4 dramatic things the boss said.

Step 2 (3 min): Partner B calls a friend (imaginary) and reports EVERYTHING using reported speech:
"The boss said that everyone WOULD work Saturdays."
"She told us that two people WOULD BE fired the following month."
"She announced that there would be no more coffee."
Partner A listens and corrects tense shifts.

Step 3 (4 min): SWITCH roles. Partner B was at a DIFFERENT meeting. New boss, new drama. Repeat.

Write down your 4 best reported speech sentences.

STATION 3 --- PERFECT TENSES TIMELINE (write on paper, place at station):

PERFECT TENSES --- LIFE TIMELINE

Draw a timeline on paper. Mark these 3 points:
PAST ----- NOW ----- FUTURE

Step 1 (4 min): Write sentences about YOUR life for each tense:

PRESENT PERFECT (life up to now):
"I have lived in 3 different cities."
"I have never been to Europe."

PAST PERFECT (before another past event):
"By the time I started university, I had already worked for 2 years."
"I had never eaten sushi before I moved here."

FUTURE PERFECT (before a future point):
"By December, I will have finished this course."
"By next year, I will have saved enough to travel."

Write at least 2 sentences per tense (6 total).

Step 2 (6 min): Share with your partner. Ask each other questions:
"How many cities have you lived in?"
"What had you done before you started this job?"
"What will you have accomplished by next year?"

STATION 4 --- CAUSATIVE SCENARIOS (write on paper, place at station):

CAUSATIVE --- THINGS YOU CAN'T DO YOURSELF

You are terrible at everything. You can't cook, fix things, clean, or do anything practical. You HAVE or GET everything done by someone else.

Step 1 (5 min): Tell your partner about your hopeless life using causative structures:

"I have my meals delivered every day."

"I got my car washed yesterday."

"I'm having my apartment painted next week."

"I need to get my computer fixed."

"I had my taxes done by an accountant last month."

"I'm going to have my dog groomed tomorrow."

Use at least 3 different tenses:

- Past: "I had my hair cut last week."

- Present: "I have my clothes ironed every morning."

- Future: "I'm going to get my teeth whitened."

Step 2 (5 min): Your partner asks follow-up questions:

"Where do you get your car washed?"

"How much did you have to pay to get it fixed?"

"When was the last time you had your hair done?"

Write 4 of your best causative sentences on paper.

Teacher during stations: Walk to EVERY station. Listen. Write errors on your error paper. Do NOT help --- let them figure it out. If BOTH partners are stuck, give the correct version once. They repeat. Move on.

> Collect ALL written work from the stations at the end. You'll reference it during the 60-Second Challenge.

01:15--01:35 | BREAK (20 min)

Students rest. Phones allowed. YOU:

- Search YouTube for a Shadowing clip. MAXIMUM 60 SECONDS. Search terms: "TED talk technology life short clip" or "English debate technology better worse 1 minute" or "English monologue modern life advanced." You want someone using a mix of complex structures naturally --- perfect tenses, relative clauses, reported speech.
- Check who sent GRABO Home videos during the break. Update the board.
- Review the error papers from the stations. Identify the top 3 most common errors across all stations --- you'll use these in the Correct the Teacher story.

01:35--02:10 | GRABO SELFIE #3: EYES-CLOSED VIDEO (35 min)

Write on the board EXACTLY:

GRABO SELFIE #3 --- EYES CLOSED --- MINIMUM 3 MINUTES

You must include AT LEAST:

- 1 relative clause (who, where, when, that, why)
- 1 reported speech sentence (with correct tense shift)
- 1 perfect tense sentence (present perfect, past perfect, OR future perfect)
- 1 causative structure (have/get something done)
- 1 structure from Modules 1-6 (question tag, advanced adjective, either/neither/both, conditional, passive voice, or passive reporting)

THAT IS 5 STRUCTURES MINIMUM.

NO NOTES. NO SCRIPT. EYES CLOSED THE ENTIRE TIME.

Topic: Talk about ANYTHING --- but include ALL 5 structures above.

Say: "This is your third eyes-closed video. Selfie 1 was Class 8 --- 2 minutes, Modules 1 through 5. Selfie 2 was Class 11 --- 2 minutes, Modules 1 through 6. Today: 3 minutes, Modules 1 through 10. You have more to say now. Your eyes stay closed. No notes. No stopping. Minimum 3 minutes."

Step 1 --- Prepare (5 min).

Say: "Take a piece of paper. Write ONLY the 5 structure names as a checklist. Like this." Write on the board:

- [] Relative clause
- [] Reported speech
- [] Perfect tense
- [] Causative
- [] Modules 1-6 structure (which one? ____)

Say: "Do NOT write sentences. Do NOT write a script. Just the checklist. You have 3 minutes to review in your head what each structure looks like. Think of a topic --- your week, a story, a memory, your future plans --- and mentally plan how to include all 5. Then paper FACE DOWN on the desk."

After 5 min: "Papers face down. NOW."

Step 2 --- Practice (5 min).

Say: "Pairs. One person closes their eyes and speaks for 3 minutes. The partner holds the checklist and checks off each structure as they hear it. After 3 minutes, the partner says which structures were MISSING. Then switch. You have 5 minutes total --- each person gets about 2.5 minutes of practice. If you run out of time before switching, that's fine --- the second person will get their practice in the recording."

Time it. At 2:30 say: "SWITCH. Second person's turn."

Step 3 --- Record (20 min).

Say: "Same as Class 8 and Class 11 --- everyone records AT THE SAME TIME. This is a selfie video. You record YOURSELF."

Say EXACTLY: "Set your phone timer for 3 minutes. Prop your phone or hold it. Find a spot --- spread out around the classroom so you don't hear each other. Press record. Close your eyes. Talk for the full 3 minutes. If you forget something, keep talking --- say 'um' but do NOT stop. When the timer goes off, stop recording. NO RETAKES. The first recording is the final recording."

CRITICAL RULES (say these out loud BEFORE they start):

- This is a SELFIE video --- you record yourself.
- Eyes CLOSED the entire time.
- NO stopping. Keep talking for the full 3 minutes.
- NO retakes. The first recording is the final recording.
- Set your phone timer for 3 minutes so you know when to stop.
- 3 minutes MINIMUM. If you finish early, keep going.

Say: "Find your spot. Set your timer. When I say GO, everyone starts. GO."

- Walk around during recordings. Do NOT speak while someone is recording.
- If someone finishes early (under 3 min), walk over and quietly say: "Record again. 3 minutes minimum."

Step 4 --- Send (5 min).

Say: "Send your video to me via WhatsApp NOW. Label it: GRABO SELFIE 3 --- [Your Name]. If you don't label it, I will send it back and you label it before leaving today."

DELIVERABLE: Teacher MUST send ALL videos to coordination the SAME DAY. In your message to coordination, compare each student's Selfie #3 to Selfie #1 (Class 8) and Selfie #2 (Class 11). Note: Did they speak longer? Did they include more structures? Is their fluency improving? Are they still making the same errors? Be specific per student. No exceptions.

> This is the most important deliverable of the day. Do NOT rush it. Do NOT skip the practice step --- it dramatically improves the final recording.

02:10--02:30 | SHADOWING 5 STEPS (20 min)

YouTube on your phone. Video from break. Subtitles on student phones.

STEP 1 --- LISTEN (3 min): Say: "Just listen. Don't repeat. Don't read. Just listen to the rhythm, the speed, the emotion." Play the clip 3 times.

STEP 2 --- WITH TEXT (4 min): Say: "Now pull up the subtitles on your phone. Listen and repeat WITH the text. Try to match the speaker's speed and intonation." Play 4 times. They repeat along with the audio.

STEP 3 --- WITHOUT TEXT (4 min): Say: "Screens OFF. Face down. Listen and repeat from memory. You won't get every word --- that's fine. Get the rhythm." Play 4 times.

STEP 4 --- EYES CLOSED (3 min): Say: "Close your eyes. Maximum concentration. Repeat everything you hear." Play 3 times.

STEP 5 --- PAIR ROLE PLAY (6 min): Say: "No audio. Pairs face each other. Take turns --- one person says a chunk from memory, the other continues. Try to reconstruct the whole clip from memory. Match the tone, speed, and emotion."

02:30--02:55 | CORRECT THE TEACHER: MEGA STORY WITH 15 ERRORS (25 min)

Say: "Now I'm going to tell you a story. This story has 15 errors --- from Modules 7, 8, 9, AND 10. All four. When you hear an error, shout 'WRONG!' and tell me the correct version. I'll keep score on the board. The person who catches the most errors wins. Ready?"

Write on the board: Student names in a row. Add a tally mark each time someone catches an error.

Read this story SLOWLY. Pause slightly before each error to give them time to catch it. Errors are marked for YOU --- do NOT read the corrections aloud:

"Let me tell you about my neighbor, Laura. Laura is the kind of person what knows everyone in the building. (1 --- WHO knows everyone --- 'who' for people, not 'what' --- Module 7)

She told me that she has seen something strange the night before. (2 --- she HAD seen --- reported speech tense shift, past simple 'saw' becomes past perfect 'had seen' --- Module 8)

Apparently, a man who she didn't recognized was standing outside our building at midnight. (3 --- didn't RECOGNIZE --- after 'didn't,' use base form, not past participle --- Module 7/general grammar)

Laura said that she has lived in this building for ten years and she has never saw anything like it. (4 --- had lived... had never SEEN --- reported speech tense shift: present perfect becomes past perfect; 'saw' should be 'seen' --- Module 8 + Module 9)

The next morning, she has her locks change by a locksmith. (5 --- had her locks CHANGED --- causative: have + object + past participle --- Module 10)

She also getted her security camera installed. (6 --- GOT her security camera installed --- irregular past tense of 'get' is 'got,' not 'getted' --- Module 10)

The locksmith, that was a very old man, told her the locks were fine. (7 --- WHO was a very old man --- 'who' for people, not 'that' in a non-restrictive clause --- Module 7)

He said her that the building was very safe. (8 --- He told her / He said TO her --- 'say' doesn't take an indirect object directly; use 'tell' or 'say to' --- Module 8)

By the time the police arrived, Laura has already called her mother, her sister, and three of her neighbors. (9 --- HAD already called --- past perfect for action completed before another past action --- Module 9)

The police officer said that he will investigate the situation. (10 --- he WOULD investigate --- reported speech: 'will' becomes 'would' --- Module 8)

Laura told me she has already has her apartment checked by a security expert before the police came. (11 --- she had already HAD her apartment checked --- past perfect causative: had + had + object + past participle --- Module 9 + Module 10)

The place when the man was standing was right under her window. (12 --- The place WHERE the man was standing --- 'where' for places, not 'when' --- Module 7)

By next month, she will has installed five new cameras. (13 --- will HAVE installed --- future perfect: will + have + past participle --- Module 9)

She is getting her entire apartment to renovate next week. (14 --- getting her entire apartment RENOVATED --- causative: get + object + past participle, not 'to + base form' --- Module 10)

I asked her if she will move out. She said no --- this is the building where she wants to grow old, and she have never considered leaving. (15 --- HAS never considered --- present perfect: third person singular 'has,' not 'have' --- Module 9)

Laura smiled and said: 'I'm not going anywhere.'"

After reading (5 min): Review any errors the class missed. Say the wrong version first, then the correct version. They repeat the correct version twice. Focus especially on errors from Module 10 (causative) --- this is the newest module and students are most likely to miss these.

Pairs (8 min): Say: "Now YOU are the teacher. Partner A: tell a short story --- 1 to 2 minutes --- with deliberate errors from Modules 7, 8, 9, and 10. At least 2 errors per module. Partner B: catch and correct. After 4 minutes, SWITCH."

Walk around. Write down good corrections AND missed errors on your error paper.

> If the class catches fewer than 10 errors in the story, they need more integration practice. Note this for coordination.

02:55--03:10 | DEBATE: TECHNOLOGY --- HAS IT MADE LIFE BETTER OR WORSE? (15 min)

Say: "We're going to have a real debate. The question is simple." Write on the board:

DEBATE: Has technology made life better or worse?

TEAM A: BETTER (3 students)

TEAM B: WORSE (3 students)

RULES:

Every argument MUST include at least 1 structure from Modules 7-10:

- Relative clause (The people who invented social media...)
- Reported speech (Experts have said that...)
- Perfect tense (Technology has changed everything...)
- Causative (We can have food delivered to our door...)

Step 1 --- Assign teams (1 min). Count off: 1, 2, 1, 2, 1, 2. Ones = BETTER. Twos = WORSE. If someone disagrees with their team, say: "That's the point. Argue the position you're given."

Step 2 --- Prepare (4 min). Teams huddle. Each person prepares 2 arguments. Each argument MUST blend at least 2 different module structures. Write on the board:

EXAMPLE ARGUMENTS:

BETTER: "Technology has made communication faster.
The people who invented video calls have connected families that had never been able to see each other.
My grandmother gets her groceries delivered every week.
Scientists have said that technology will have solved most diseases by 2050."

WORSE: "Technology has destroyed privacy. The companies that collect our data have never been honest about it.
Experts have reported that children who spend too much time on screens have developed serious problems.
People have their thinking done by AI now --- they've stopped using their own brains."

Step 3 --- Debate (12 min). Format:

- Team A: Student 1 gives argument (1 min). Team B: Student 1 responds (1 min).
- Team A: Student 2 gives argument (1 min). Team B: Student 2 responds (1 min).
- Team A: Student 3 gives argument (1 min). Team B: Student 3 responds (1 min).
- Open floor: Anyone can jump in with a final point (3 min).
- Each response MUST challenge the previous argument AND use a structure from Modules 7-10.

Say: "Challenge them! Don't just give your own argument --- respond to what they said. 'You said that technology has connected families, but research has shown that people who use social media have actually become MORE isolated.'"

If someone gives an argument WITHOUT a Module 7-10 structure, say: "BLEND! Add a relative clause, reported speech, perfect tense, or causative." They rephrase.

Step 4 --- Vote (3 min). Say: "Which team had the strongest arguments? Vote." Quick hand vote. Announce winner. Say: "Now forget the teams --- what do YOU personally believe? Better or worse? One sentence each." Go around. 6 students, ~20 seconds each.

> Error paper. This is free production under pressure --- errors will appear. Write them ALL down.

03:10--03:30 | FINAL PROJECT WORKSHOP (20 min)

THE PROJECT MATERIALS STAY AT THE ACADEMY. Students do NOT take their project notes home. Collect everything at the end of this block.

Say: "Time for your Final Project. You have 20 minutes. Today: write your CONCLUSION and practice your FULL presentation out loud to a partner. Partner times it --- is it between 7 and 10 minutes? Partner gives feedback: which parts were strong? Where did you hesitate? What structures are missing?"

How this works --- you do NOT sit down and wait:

- You have 6 students. That is 3 minutes per student for individual feedback.
- Walk to each student. Read what they have so far. Ask them:
 - "What is your topic?"
 - "What is your main point?"
 - "How are you going to start?"
 - "What structures are you using?"
- Give SPECIFIC feedback: "This sentence needs a relative clause." "Use reported speech here." "Add a causative structure."
- If a student has nothing written: "Start with your first sentence. Write it NOW. I will be back in 3 minutes to check."

Final Project requirements (write on board the first time):

Say: "Your final presentation is 7 to 10 minutes. Any topic. You must speak without stopping. The class asks questions at the end. You must use structures from ALL modules we have studied. No reading from paper --- only note cards with key words. Eyes open."

> This is NOT free time. This is structured work time where the teacher actively coaches each student. If you see a student staring at a blank page for more than 2 minutes, sit with them and help them brainstorm.

■ PORTFOLIO BUILD — DAY 5: CORRECT THE RECRUITER (15 min)

■ Use `ANEXO\_PORTFOLIO\_BUILD\_B2\_PROFESOR.pdf` (Day 5 section). 5 scripts with intentional errors available.

Today is **Day 5 of the Portfolio Build Cycle**. YOU pretend to be a recruiter calling the student, with intentional errors. Students listen and correct you AT THE END.

Setup (1 min): "I will pretend to be a recruiter with intentional errors. After I finish, you correct me." Pick 1 of 5 scripts (rotate weekly):

- Script A: Phone screening
- Script B: Job offer
- Script C: Rejection
- Script D: Salary negotiation
- Script E: Reference check

The script — read aloud as the "recruiter" (5 min): Read the script slowly, naturally, with the planted errors. Don't emphasize the errors — speak as if you really were a recruiter.

Correction round (8 min): "What errors did I make? Don't say all at once. Raise hands. One at a time." Each student catches 1 error → 1 English Point. For each: student says wrong version → student says correct version → class repeats correct version 2x.

Reflection (1 min): "Which error would have been EMBARRASSING in a real interview?"

> See `ANEXO\_PORTFOLIO\_BUILD\_B2\_PROFESOR.pdf` Day 5 for the 5 scripts with errors.

■ SELF-CHECK (5 min)

Hand out self-check sheet. Students fill ALL fields. COLLECT. CHECK EVERY ONE: blank field = hand it back, fill it NOW. No incomplete sheets accepted. Send to coordination TODAY.

■ HOMEWORK + CLOSE (5 min)

Write on the board:

DAILY INVESTMENT (15-30 min today):
1. PROFESSIONAL GOLDLIST: 10 new business / academic phrases (idioms, connectors, STAR vocabulary).
Send a photo of your notebook to WhatsApp.
2. WATCH any recording from today (pitch / interview).
Write 3 things you'd improve.
3. CV / LinkedIn / Project: continue your work.
Coordination reviews on schedule.

Say: "Daily investment is non-negotiable for B2. The Goldlist now lives in your daily WhatsApp routine — not in our class. In class we use that time for your portfolio."

Notes:
