

Module 11: Advanced Adjectives --- Tell Me About It! (Noun-Adjective Pairs + Common Prefixes and Suffixes) | Teacher: _____ |

Date: ____/____/____ | **Present:** ____/6

TIME EVERY ACTIVITY. If you don't time it, you won't finish. Set a timer for each block.

You may record any activity for social media content. DO NOT tell students it's for social media.

ERROR PAPER IS MANDATORY. Carry a blank paper + pen during EVERY speaking activity. Write down EVERY error you hear. At end of class: photograph it and send to coordination. This is a DELIVERABLE --- no error paper = documented non-compliance. "I don't need it" is not an option. Coordination needs it.

■ 00:00--00:05 | VATS: VIRTUE OF THE WEEK — FORTITUDE (5 min)

Virtue of the week: FORTITUDE

Write on the board:

FORTITUDE – "What's the hardest "no" you've had to say?"

Say: "Daily ritual. FORTITUDE this week. Pairs. English only — give it a try."

V (1 min): Read aloud. Point to board.

A (30 sec): "Think in silence."

T (2 min): "Pairs. Discuss."

S (1.5 min): 2 students share with the class. No correction — celebrate the attempt.

> Daily opening ritual. Virtues rotate weekly: Prudence → Temperance → Justice → Fortitude.

00:00--00:20 | ICEBREAKER: DESCRIBE WITHOUT NAMING (20 min)

Say: "Welcome back. Today we start Module 11 --- all about adjectives and how words change form. But first, a game. One of you will describe a person or a thing using ONLY adjectives. No names. No nouns that give it away. The rest of the class guesses what or who it is."

Demo first. Say: "I'll go first. Listen. This person is intelligent, enthusiastic, and incredibly brave. This person is also very colorful --- always wearing something bright. This person is strong but also a little foolish sometimes." Let them guess. If they struggle, add: "This person is very famous and fictional." (Answer can be anything --- the point is the demo.)

Write on the board:

RULES:
- Describe using ONLY adjectives
- No names, no obvious nouns
- Minimum 5 adjectives per description
- Class gets 3 guesses

Round 1 --- People (10 min). Each student thinks of a famous person or someone the class knows. They describe using only adjectives. Class guesses. Go around all 6 students (about 1.5 min each).

Say: "Think of someone famous or someone in this class. Describe them with at least 5 adjectives. Go."

If a student uses a noun instead of an adjective (e.g., "This person has beauty" instead of "This person is beautiful"), don't correct yet --- just note it on your error paper. This is diagnostic. You'll come back to noun vs. adjective forms in the book section.

Round 2 --- Things (5 min). 3 students describe an object or place using only adjectives. Class guesses.

Say: "Now describe a THING or a PLACE. Only adjectives. Make it hard."

> Pay attention to which students naturally use adjective forms vs. noun forms. Note who says "beauty" when they mean "beautiful" or "intelligence" when they mean "intelligent." This tells you who needs more work in the book section.

00:20--00:35 | ANALIZO: HOMEWORK REVIEW (15 min)

Homework from Class 16:

1. Watch GRABO Selfie #3, compare to Selfie #1 and Selfie #2. Write what improved and what still needs work (specific modules and examples).
2. Write a paragraph (8-10 sentences) blending 4 modules: causative, relative clauses, reported speech, and perfect tenses.

First 5 min: Say: "Take out your Selfie #3 self-assessment. Pairs. Read your comparison to your partner. Partner listens and says: 'I agree' or 'I disagree' and WHY. Be specific --- name modules."

Walk around. Check that everyone has the written self-assessment. If someone didn't do it, say: "You have until the break to write it. If it's not done by the break, it goes in the report as missing."

Next 5 min: Say: "Now take out your blending paragraph. Read it to your partner. Partner: count the structures. Did they use all 4 --- causative, relative clause, reported speech, and perfect tense? If something is missing, tell them."

Walk around. Check that everyone has the paragraph. If someone didn't do it: "Write 4 sentences RIGHT NOW --- one with each structure. No excuses."

Last 5 min: 3 students share their strongest sentence from the blending paragraph. After each, say: "Class --- which structures did you hear?" Class identifies the structures used. If there's an error, say: "No. Listen." Give the correct version. They repeat twice.

> This should be fast. The goal is accountability --- did they do it? Can they blend structures? Move on.

00:35--00:55 | BOOK: MODULE 11 GUIDE 1 --- NOUN-ADJECTIVE PAIRS (20 min)

Say: "Open your book to Module 11, Guide 1 --- Noun-Adjective Pairs. Read the explanation and ALL 15 pairs with their examples. You have 8 minutes. Read everything --- the pairs, the notes, the examples. Don't skip anything."

First 8 min: They read in pairs. You don't speak. Walk around checking they're reading, not chatting.

Last 12 min: Sit with each pair. THEY explain to you. Ask them:

- "What is the difference between a noun form and an adjective form?" (Expected: The noun is the THING --- health, bravery, happiness. The adjective DESCRIBES --- healthy, brave, happy.)
- "Give me the adjective for BRAVERY." (brave)
- "Give me the noun for BEAUTIFUL." (beauty)
- "Give me the adjective for FOOLISHNESS." (foolish)
- "Give me the noun for ENTHUSIASTIC." (enthusiasm)
- "Give me the adjective for WISDOM." (wise)
- "Give me the noun for CARELESS." (carelessness)

If they get one wrong, say: "No. Listen." Give the correct answer. They repeat twice.

Fill-in-the-blank test. Say each sentence aloud. Students give you the correct form (noun or adjective):

1. "She has great _____. She is very _____." (beauty / beautiful)
2. "His _____ is admirable. He is extremely _____." (bravery / brave)
3. "I can see her _____. She is so _____." (sadness / sad)
4. "He has no _____. He is completely _____." (talent / talented) --- TRICK: "talented" is the adjective, but some may say "talentless." Accept both but confirm "talented" is the target.
5. "Your _____ could get you in trouble. Don't be so _____." (carelessness / careless)
6. "She has the _____ of a leader. She is truly _____." (strength / strong)
7. "His _____ about the project was contagious. He is incredibly _____." (enthusiasm / enthusiastic)
8. "The _____ of the painting was undeniable. It was truly _____." (beauty / beautiful)
9. "Her _____ saved the team. She made a very _____ decision." (wisdom / wise)
10. "His _____ was obvious to everyone. He is simply _____." (intelligence / intelligent)

One sentence per student. Go around. If they freeze, say: "Is it the THING or does it DESCRIBE? If it describes, it's the adjective. If it's the thing itself, it's the noun." They try again.

00:55--01:10 | EXERCISES: NOUN VS. ADJECTIVE FORM (15 min)

Say: "Do the exercises for Guide 1. Check your answers with the Answer Key at the back. If you and your partner disagree, discuss. If neither of you knows, raise your hand."

Walk around. Give the correct version only --- never explain rules.

Common errors to watch for:

- Using the noun where the adjective belongs: "She is beauty" instead of "She is beautiful"
- Using the adjective where the noun belongs: "His brave is admirable" instead of "His bravery is admirable"
- Confusing similar pairs: "strong/strength" --- students may say "strongness"

If 50%+ get the same thing wrong, STOP. Write both forms on the board. Point to the noun, say "NOUN." Point to the adjective, say "ADJECTIVE." Give a sentence for each. They repeat.

01:10--01:35 | PRODUCTION: THE CHARACTER CREATOR (25 min)

Say: "Now you are going to create a fictional character. This character can be a superhero, a villain, a cartoon, a person from another planet --- anything you want. But you MUST describe this character using at least 8 noun-adjective pairs from Guide 1. You will use BOTH forms --- the noun AND the adjective --- in your description."

Write on the board:

YOUR CHARACTER MUST INCLUDE:

- A name
- At least 8 noun-adjective pairs (use BOTH forms)
- At least 2 sentences from previous modules

EXAMPLE:

"My character's name is Captain Solaris. She is incredibly brave --- her bravery has saved entire cities. She is not beautiful in the traditional sense, but her beauty comes from her strength. She is strong enough to lift a building. Her intelligence is legendary --- she is the most intelligent person on Earth. She is wise beyond her years, and her wisdom guides her team. She is never lazy --- laziness is her enemy. But she can be careless sometimes, and her carelessness has caused problems. The city where she lives has had its bridges rebuilt by her three times."

Say: "You have 10 minutes to write. Use the 15 pairs from the book. Go."

Writing (10 min). Walk around. If someone is only using adjectives without the noun forms, point at the board example. Say: "Both forms. Noun AND adjective." If someone writes "She has much brave," say: "No. Listen. She has great bravery." They write the correct version.

Present (15 min). Say: "Stand up. Present your character to the class. Don't just read --- TALK about them. Look at us. Tell us about your character."

Each student presents (about 2 min each). After each presentation:

- Say: "Class --- how many noun-adjective pairs did you count?"
- Say: "Which pair was used best?"
- If the presenter used a form incorrectly, say: "No. Listen." Give the correct version. They repeat twice.

> Error paper. Write down every incorrect noun-adjective swap. This is diagnostic gold.

01:35--01:55 | BREAK (20 min)

Students rest. Phones allowed. YOU:

- Search YouTube for a Shadowing clip. MAXIMUM 60 SECONDS. Search terms: "TED talk describing personality short clip" or "English adjectives description monologue 1 minute" or "English vocabulary adjectives advanced short." You want someone using natural adjective-rich language: "She was incredibly creative..." "His enthusiasm was contagious..." "The most beautiful thing about it was..."
- Review error paper from the first half. Identify the most common noun-adjective errors to watch for in the second half.

01:55--02:15 | BOOK: MODULE 11 GUIDE 2 --- COMMON PREFIXES AND SUFFIXES (20 min)

Say: "Open your book to Guide 2 --- Common Prefixes and Suffixes. Read the explanation and ALL the examples. You have 8 minutes."

First 8 min: They read in pairs. Walk around silently.

Last 12 min: Sit with each pair. THEY explain to you. Ask them:

- "What does the prefix UN- mean?" (Not. Countable becomes uncountable.)
- "What does IN- mean?" (Not. Exact becomes inexact.)
- "What is the difference between IN- and IM-?" (Same meaning --- 'not' --- but IM- is used before words starting with P, B, M. Possible becomes impossible. Patient becomes impatient.)
- "What does DIS- mean?" (Opposite or reversal. Agree becomes disagree.)
- "What does RE- mean?" (Again. Do becomes redo. Write becomes rewrite.)
- "What does OVER- mean?" (Too much. Work becomes overwork.)
- "What does UNDER- mean?" (Not enough. Estimate becomes underestimate.)
- "What does MIS- mean?" (Wrongly. Understand becomes misunderstand.)

Now suffixes:

- "What does -FUL mean?" (Full of. Beauty becomes beautiful. Care becomes careful.)
- "What does -LESS mean?" (Without. Care becomes careless. Hope becomes hopeless.)
- "What does -NESS mean?" (Turns adjective into noun. Happy becomes happiness. Sad becomes sadness.)
- "What does -MENT mean?" (Turns verb into noun. Enjoy becomes enjoyment.)
- "What does -TION or -SION mean?" (Turns verb into noun. Educate becomes education. Decide becomes decision.)
- "What does -ABLE or -IBLE mean?" (Can be done. Enjoy becomes enjoyable. Access becomes accessible.)
- "What does -OUS mean?" (Full of / having quality. Danger becomes dangerous.)
- "What does -IVE mean?" (Having tendency. Create becomes creative.)

Root word drill. Say the root word. Students add the correct prefix or suffix:

1. "Happy --- make it a noun." (happiness)
2. "Care --- make it mean 'without care.'" (careless)
3. "Care --- make it mean 'full of care.'" (careful)
4. "Possible --- make it negative." (impossible)
5. "Agree --- make it negative." (disagree)
6. "Understand --- make it mean 'understand wrongly.'" (misunderstand)
7. "Work --- make it mean 'work too much.'" (overwork)
8. "Estimate --- make it mean 'estimate too little.'" (underestimate)
9. "Enjoy --- make it a noun." (enjoyment)
10. "Enjoy --- make it an adjective meaning 'can be enjoyed.'" (enjoyable)
11. "Educate --- make it a noun." (education)
12. "Create --- make it an adjective." (creative)
13. "Danger --- make it an adjective." (dangerous)
14. "Do --- make it mean 'do again.'" (redo)
15. "Count --- make it mean 'cannot be counted.'" (uncountable)

One per student. Go around. If they freeze, say: "What does the prefix or suffix do? Think about the meaning." They try again. If wrong, say: "No. Listen." Give the correct answer. They repeat twice.

02:15--02:35 | SHADOWING 5 STEPS (20 min)

YouTube on your phone. Video from break. Subtitles on student phones.

STEP 1 --- LISTEN (3 min): Say: "Just listen. Don't repeat. Don't read. Just listen to the rhythm, the speed, the emotion." Play the clip 3 times.

STEP 2 --- WITH TEXT (4 min): Say: "Now pull up the subtitles on your phone. Listen and repeat WITH the text. Try to match the speaker's speed and intonation." Play 4 times. They repeat along with the audio.

STEP 3 --- WITHOUT TEXT (4 min): Say: "Screens OFF. Face down. Listen and repeat from memory. You won't get every word --- that's fine. Get the rhythm." Play 4 times.

STEP 4 --- EYES CLOSED (3 min): Say: "Close your eyes. Maximum concentration. Repeat everything you hear." Play 3 times.

STEP 5 --- PAIR ROLE PLAY (6 min): Say: "No audio. Pairs face each other. Take turns --- one person says a chunk from memory, the other continues. Try to reconstruct the whole clip from memory. Match the tone, speed, and emotion."

02:35--02:55 | CORRECT THE TEACHER: STORY WITH 12 ERRORS (20 min)

Say: "Now I'm going to tell you a story. This story has 12 errors --- all related to noun-adjective forms and wrong prefixes or suffixes. When you hear an error, shout 'WRONG!' and tell me the correct version. I'll keep score on the board. Ready?"

Write on the board: Student names in a row. Add a tally mark each time someone catches an error.

Read this story SLOWLY. Pause slightly before each error to give them time to catch it. Errors are marked for YOU --- do NOT read the corrections aloud:

"My friend Daniel is one of the most intelligence people I know. (1 --- INTELLIGENT --- need the adjective form, not the noun 'intelligence')

He has always been full of enthusiastic about science. (2 --- full of ENTHUSIASM --- after 'full of' you need the noun, not the adjective 'enthusiastic')

When we were kids, Daniel was very care with his experiments. (3 --- very CAREFUL --- need -FUL suffix to mean 'full of care,' not the root word 'care')

One time, he tried to build a rocket. He was impatient and a little careless. His careless almost burned down the garage. (4 --- his CARELESSNESS --- need the noun form with -NESS, not the adjective 'careless')

His parents were not happy. They said his behavior was impossible to control. (5 --- IMPOSSIBLE --- the prefix for 'possible' is IM-, not UN-)

Daniel felt a lot of sad after that. (6 --- a lot of SADNESS --- need the noun form, not the adjective 'sad')

But his brave never disappeared. He kept experimenting. (7 --- his BRAVERY --- need the noun form, not the adjective 'brave')

In high school, Daniel was so talent that he won a science fair. (8 --- so TALENTED --- need the adjective form, not the noun 'talent')

The judges said his project was very educative and showed great create. (9 --- great CREATIVITY --- need the noun form; and 'educative' should be EDUCATIONAL --- the -TION/-AL form, not -IVE)

After high school, he went to university. He overunderestimated how hard it would be. (10 --- UNDERESTIMATED --- you can't combine 'over' and 'under'; he thought it would be easy, so he underestimated it)

He almost failed because he was too lazy. His lazy cost him an entire semester. (11 --- his LAZINESS --- need the noun form with -NESS, not the adjective 'lazy')

But Daniel redid his courses, worked harder, and today he is a very success scientist. His strong and wise have inspired many young people. (12 --- his STRENGTH and WISDOM --- need the noun forms, not the adjective forms 'strong' and 'wise')

Daniel always says: 'Fail beautifully --- ugly failures teach you nothing.'"

After reading (5 min): Review any errors the class missed. Say the wrong version first, then the correct version. They repeat the correct version twice.

Pairs (8 min): Say: "Now YOU are the teacher. Partner A: tell a short story --- 1 to 2 minutes --- with deliberate errors using noun-adjective swaps and wrong prefixes or suffixes. At least 4 errors. Partner B: catch and correct. After 4 minutes, SWITCH."

Walk around. Write down good corrections AND missed errors on your error paper.

> If the class catches fewer than 8 errors in the story, they need more practice. Note this for coordination.

02:55--03:10 | DEBATE: IS INTELLIGENCE MORE IMPORTANT THAN WISDOM? (15 min)

Say: "We're going to have a debate. The question is:" Write on the board:

DEBATE: Is intelligence more important than wisdom?

TEAM A: INTELLIGENCE (3 students)

TEAM B: WISDOM (3 students)

RULES:

- You MUST use both the NOUN and ADJECTIVE forms in your arguments (intelligence/intelligent, wisdom/wise)
- You MUST use at least 2 other noun-adjective pairs from today
- You MUST use at least 1 prefix or suffix word from Guide 2

Step 1 --- Assign teams (1 min). Count off: 1, 2, 1, 2, 1, 2. Ones = INTELLIGENCE. Twos = WISDOM. If someone disagrees with their team, say: "That's the point. Argue the position you're given."

Step 2 --- Prepare (3 min). Teams huddle. Each person prepares 2 arguments.

Write example arguments on the board:

INTELLIGENCE: "An intelligent person can solve problems that a wise person cannot. Intelligence has led to every major invention. Without intelligent scientists, we would still be living in caves. Wisdom is overrated --- it is just laziness disguised as patience."

WISDOM: "A wise person knows when NOT to act. Wisdom is more valuable than intelligence because intelligent people can be careless with their power. History is full of intelligent people whose foolishness destroyed everything. Wisdom brings happiness --- intelligence brings stress."

Step 3 --- Debate (8 min). Format:

- Team A: Student 1 gives argument (1 min). Team B: Student 1 responds (1 min).
- Team A: Student 2 gives argument (1 min). Team B: Student 2 responds (1 min).
- Open floor: Anyone can jump in with a final point (2 min).
- Each response MUST use both noun AND adjective forms.

If someone gives an argument using only adjective forms, say: "Use the NOUN form too. Don't just say 'intelligent' --- say 'intelligence' in a sentence." They rephrase.

Step 4 --- Vote (2 min). Say: "Which team had the strongest arguments? Vote." Quick hand vote. Announce winner. Say: "Now --- what do YOU personally believe? One sentence. Use both forms." Go around. 6 students, ~15 seconds each.

> Error paper. This is free production --- errors will appear. Write them ALL down.

03:10--03:30 | FINAL PROJECT WORKSHOP (20 min)

THE PROJECT MATERIALS STAY AT THE ACADEMY. Students do NOT take their project notes home. Collect everything at the end of this block.

Say: "Time for your Final Project. You have 20 minutes. Today: review what you have so far and add language from Module 11. Find places in your presentation where you can use noun-adjective pairs, prefixes, and suffixes. Make your descriptions richer. Also --- practice your timing. Is it between 7 and 10 minutes? If it's too short, add more. If it's too long, cut."

How this works --- you do NOT sit down and wait:

- You have 6 students. That is 3 minutes per student for individual feedback.
- Walk to each student. Read what they have so far. Ask them:
 - "What is your topic?"
 - "Show me where you're using adjective-noun pairs."
 - "Can you add a sentence with a prefix or suffix word here?"
 - "What structures from previous modules are you using?"
- Give SPECIFIC feedback: "Use the noun form here, not the adjective." "Add 'enthusiasm' or 'enthusiastic' to describe this part." "This section could use a causative structure." "Blend a relative clause into this paragraph."
- If a student has nothing written: "Start with your first sentence. Write it NOW. I will be back in 3 minutes to check."

Final Project requirements (remind them):

Say: "Your final presentation is 7 to 10 minutes. Any topic. You must speak without stopping. The class asks questions at the end. You must use structures from ALL modules we have studied --- including today's noun-adjective pairs and prefixes/suffixes. No reading from paper --- only note cards with key words."

> This is NOT free time. This is structured work time where the teacher actively coaches each student. If you see a student staring at a blank page for more than 2 minutes, sit with them and help them brainstorm.

■ PORTFOLIO BUILD — DAY 1: MOCK INTERVIEW ROUND (15 min)

■ Use `ANEXO\_PORTFOLIO\_BUILD\_B2\_PROFESOR.pdf` (Day 1 section) and `ANEXO\_BANCO\_PREGUNTAS\_STAR.pdf`.

Today is **Day 1 of Portfolio Build Cycle 4**. Students practice STAR-format interview answers.

Setup (1 min): Today's questions (Cycle 4):

- **Pairs question:** #14 "Give me an example of a successful team you were part of."
- **Volunteer recording question:** #18 "Tell me about a time you had to give difficult feedback to a colleague."

Write the STAR reminder on the board:

S – Situation: When? Where? What was happening?
T – Task: What was your specific responsibility?
A – Action: What did YOU specifically do?
R – Result: Outcome (numbers / change if possible)

Pairs round (8 min): "Pairs. Person A answers using STAR. 90 sec. Person B times. Switch." 2 rounds of 90 sec each per person → 6 min speaking + 2 min switching.

Volunteer recording (4 min): "Who wants to record their answer for coordination feedback?" Pick 1. 60 seconds. Press record on YOUR phone. Send to coordination via WhatsApp same day.

Group reflection (2 min): "What was hardest about using STAR?" 2 students share.

Your feedback during activity: Pronunciation only. Filler words ("like", "you know") signaled by hand gesture. **Don't critique content.**

> See `ANEXO\_PORTFOLIO\_BUILD\_B2\_PROFESOR.pdf` Day 1 for the full script.

■ SELF-CHECK (5 min)

Hand out self-check sheet. Students fill ALL fields. COLLECT. CHECK EVERY ONE: blank field = hand it back, fill it NOW. No incomplete sheets accepted. Send to coordination TODAY.

■ HOMEWORK + CLOSE (5 min)

Write on the board:

DAILY INVESTMENT (15-30 min today):
1. PROFESSIONAL GOLDLIST: 10 new business / academic phrases (idioms, connectors, STAR vocabulary).
Send a photo of your notebook to WhatsApp.
2. WATCH any recording from today (pitch / interview).
Write 3 things you'd improve.
3. CV / LinkedIn / Project: continue your work.
Coordination reviews on schedule.

Say: "Daily investment is non-negotiable for B2. The Goldlist now lives in your daily WhatsApp routine — not in our class. In class we use that time for your portfolio."

Notes:
