

■ 00:00–00:05 | VATS: VIRTUE OF THE WEEK — PRUDENCE (5 min)

Virtue of the week: PRUDENCE

Write on the board:

PRUDENCE – "When did you choose discipline over impulse this month?"

Say: "Daily ritual. PRUDENCE this week. Pairs. English only — give it a try."

V (1 min): Read aloud. Point to board.

A (30 sec): "Think in silence."

T (2 min): "Pairs. Discuss."

S (1.5 min): 2 students share with the class. No correction — celebrate the attempt.

> Daily opening ritual. Virtues rotate weekly: Prudence → Temperance → Justice → Fortitude.

■ 00:00–00:15 | ICEBREAKER: HOT SEAT (15 min)

One student sits facing the class. Teacher writes a word on the board BEHIND them. The class describes the word WITHOUT saying it. The student guesses. Rotate every 90 seconds. ENGLISH ONLY. Guessed in under 30 sec = 2 points. Under 60 sec = 1 point. Over 60 sec = 0. Everyone gets at least 1 turn.

Words: 1. Hospital 2. Beach 3. Grandmother 4. Prison 5. Wedding 6. Earthquake 7. Dentist 8. Carnival 9. Airport 10. Nightmare

> This warms them up for today's module: describing things. Keep it fast and loud.

■ 00:15–00:30 | ANALIZO: VIDEO REVIEW (15 min)

Homework from last class: watch your GRABO video and write 3 errors you heard.

First 5 min: In pairs, share your 3 errors. Help each other correct them.

Last 10 min: Each student shares 1 error with the class. Class corrects together using the correction technique: Student says the wrong sentence → you say "No. Listen." → you say the correct version slowly → the student repeats it twice. Example: Student: "She don't like coffee, does she?" → You: "No. Listen. She doesn't like coffee, does she? Say it." → Student repeats 2x. You don't explain WHY it's wrong. You just model what's right.

> If someone didn't do the homework: they watch a classmate's video RIGHT NOW on their phone and find 3 errors. No excuses.

■ 00:30–00:45 | BOOK: MODULE 2 — ADVANCED ADJECTIVES (15 min)

What it's about: When using multiple adjectives, they follow a specific order: Opinion → Size → Age → Shape → Color → Origin → Material → Purpose. Example: "a beautiful small old round red French silk decorative cushion." The module also introduces advanced adjectives: Breathtaking, Exquisite, Radiant, Magnificent (positive) / Decrepit, Desolate, Menacing, Gaunt (negative) / Intricate, Meticulous, Robust, Luminous (neutral).

Say: "Open your B1 book to Module 2. Read the explanation and ALL examples. You have 7 minutes."

First 7 min: They read in pairs. You don't speak. Walk around checking they're reading.

Last 8 min: Sit with each pair. THEY explain the adjective order to you. They give you examples using advanced adjectives. If wrong: "No. Listen." + correct version. They repeat. Next pair.

> You don't explain. They explain to you.

■ 00:45–01:05 | EXERCISES + ANSWER KEYS (20 min)

Say: "Do the exercises. Check answers with the Answer Key. Ask your partner first. If neither knows, raise your hand." WALK AROUND — give the correct version only (never explain rules). If 50%+ get the same thing wrong: STOP, write on the board, they repeat.

■ 01:05–01:40 | TBLT: BLIND ARTIST (35 min)

How it works: You give ONE student a paper with a scene written on it. Their partner CANNOT see it. The one with the paper describes the scene out loud, and the partner draws what they hear. They can talk back and forth — "Where is the house?" "On top of the hill." "How big?" — but the artist NEVER sees the original. At the end, they compare the drawing with the description and see how close it got. The student HAS to use advanced adjectives and correct order, otherwise the drawing won't match. That's the point: they NEED to communicate well to succeed.

3 pairs. Write both scenes on separate papers BEFORE class.

Discover Scene 1 (3-4 min): Show Scene 1 to the whole class. Students read it and point out words they DON'T understand. For each unknown word: ONE student looks it up on their phone, but CANNOT say the translation — they must explain it in English or with gestures so the others understand. Next word, a different student looks it up. Rotate.

Round 1 (10 min): Give Scene 1 to Student A in each pair. Student B draws. They talk, ask questions, describe details. Student A cannot show the paper.

Discover Scene 2 (3-4 min): Same process — show Scene 2, students discover unknown words in English. One phone at a time, explain in English only.

Round 2 (10 min): Give Scene 2 to Student B. Now Student A draws. Roles reversed.

Compare & Vote (5 min): All 6 students see every drawing next to the original description. Class votes: which drawing is the most accurate? Which pair communicated best?

Scene 1 (print or write on a paper — give to Student A):

"A magnificent old Victorian wooden house on top of a desolate grey hill. In front of the house there is a decrepit rusty metal fence. The sky is a breathtaking orange and purple sunset. A gaunt black cat sits on the intricate stone steps."

Scene 2 (print or write on a paper — give to Student B):

"A radiant young woman wearing an exquisite long red silk dress stands in front of a luminous round golden mirror. The room has meticulous small white marble tiles on the floor. Through the window you can see a menacing dark grey storm cloud."

01:27–01:47 | BREAK (20 min)

Students use phones. YOU:

- Search YouTube for a Shadowing clip (60-90 sec, someone describing something in English — travel vlog, room tour, or product review works great).
- Write Scene 1 and Scene 2 on separate papers if you haven't yet.

■ 01:47–02:07 | CORRECT THE TEACHER (20 min)

Story with 15 errors (10 min). Mix of WRONG adjective order and WRONG adjective meaning. Read slowly. Students shout "WRONG!" and say the correct version. Points per catch.

"Last weekend I visited my friend Maria. She lives in a wooden old beautiful house. **(1 — beautiful old wooden)** The garden has red big roses everywhere. **(2 — big red roses)** I brought her a silk French long scarf as a gift. **(3 — long French silk scarf)**

Her kitchen has a round small marble table. **(4 — small round marble)** She served coffee in ceramic tiny cups. **(5 — tiny ceramic cups)** The coffee was malodorous — it smelled amazing! **(6 — malodorous means bad-smelling)**

Her cat is very gaunt and healthy-looking. **(7 — gaunt means extremely thin/bony, contradicts healthy)** It was sleeping on a cotton old comfortable couch. **(8 — comfortable old cotton couch)**

We went for a walk. The sunset was absolutely decrepit. **(9 — decrepit means worn out/ruined, should be breathtaking)** We saw a stone ancient Italian bridge. **(10 — ancient Italian stone bridge)** There was a luminous dark alley nearby. **(11 — luminous means bright/shining, contradicts dark)**

She showed me her painting on a rectangular big white canvas. **(12 — big rectangular white canvas)** The frame was a plastic golden cheap thing. **(13 — cheap golden plastic)** She's a very meticulous artist — her work is messy and random. **(14 — meticulous means careful/precise, contradicts messy)** I drove home in my red new German car. **(15 — new red German car)"**

Pairs (10 min): 5 min each. One describes things with deliberate adjective errors (order or meaning), the other corrects. Switch roles.

■ 02:07–02:27 | SHADOWING 5 STEPS (20 min)

YouTube on your phone. Video from break. Subtitles on student phones.

STEP 1 — LISTEN (3 min): Just listen.

STEP 2 — WITH TEXT (4 min): Repeat with subtitles.

STEP 3 — WITHOUT TEXT (4 min): Screens OFF.

STEP 4 — EYES CLOSED (3 min): Max concentration.

STEP 5 — PAIR ROLE PLAY (6 min): No audio, pairs imitate from memory.

■ 02:27–02:42 | DOGME: HOT TOPIC (15 min)

What is this? There is no plan for this activity. YOU start a conversation and let it flow. Your only job is to make sure they use advanced adjectives while they talk. This is about REAL conversation — not exercises, not scripts. Just talking.

How to do it: Write ONE question on the board. Read it out loud. Then SHUT UP and let them talk. If the conversation dies, ask a follow-up. If someone says "big" or "nice" or "bad", stop them: "Don't say 'nice.' Use an advanced adjective. Which one fits?" They correct themselves. That's it.

Pick ONE question from this list (whichever fits the group's energy):

1. "Describe the most breathtaking place you've ever been to. Why?"
2. "What's the most decrepit building in Bucaramanga? What should they do with it?"
3. "Describe your dream house in detail — I want to SEE it."
4. "What's the most exquisite meal you've ever had? Describe everything."
5. "Describe a person you admire without saying their name. We guess."

> You don't control where the conversation goes. You only make sure they speak English and use advanced adjectives. If they go off topic but they're talking in English — LET THEM.

■ 02:42–03:02 | DESIGN THINKING MINI (20 min)

What is this? Students solve a real problem in 5 steps. Everything they say must use advanced adjectives to describe the problem and the solution. It sounds complicated but it's just 5 simple questions answered one at a time.

The problem (write on board): "The park near your house is ugly and nobody uses it. Redesign it."

Step by step — the teacher reads each step out loud, gives them time, then moves to the next:

Step 1 — UNDERSTAND (3 min): "Describe the park right now. What does it look like? Use adjectives." They describe: "It's desolate, the benches are decrepit, the grass is..." You write key adjectives on the board as they say them.

Step 2 — DEFINE (2 min): "In ONE sentence: what is the main problem?" Each pair writes one sentence. Example: "The park is desolate because there's nothing for young people to do."

Step 3 — IDEAS (5 min): "In pairs: write 5 ideas to fix it. Use adjectives to describe what the park WILL look like." Example: "We could add an exquisite garden with intricate pathways..." No idea is bad. Write everything.

Step 4 — PICK ONE (2 min): Each pair picks their best idea.

Step 5 — PRESENT (8 min): Each pair presents their solution to the class (2 min each). They MUST describe the new park using at least 5 advanced adjectives. Class votes: which redesign would you visit?

> This is the first time doing Design Thinking. Keep it simple. Read each step, give them time, move on. Don't overthink it.

■ 03:02–03:22 | LEGO DESCRIBE & BUILD (20 min)

What is this? Students build something using whatever is on their desk — pens, erasers, paper, books, phone cases, water bottles, anything. It doesn't need to look real. It's a metaphor. Then they describe it to the class using advanced adjectives. The point is: everyone builds, everyone speaks. No spectators.

Build (5 min): Say: "Build your dream vacation destination using the objects on your desk. It doesn't have to look real — it's a metaphor. A pen can be a mountain, an eraser can be a beach. Be creative. You have 5 minutes. Go."

Describe (12 min): Each student stands up and describes their creation to the class. They MUST use at least 5 advanced adjectives. Example: "This pen represents a breathtaking mountain. These erasers are the exquisite white sand beach. This crumpled paper is the desolate desert nearby..." Class asks questions: "Why is this part luminous?" "What's the intricate thing in the corner?"

Vote (3 min): Class votes most creative description.

> 6 students = 2 min each. Everyone participates.

■ 03:22–03:42 | VOCAB BATTLE (20 min)

Write these 7 adjectives on the board: breathtaking / exquisite / decrepit / desolate / intricate / meticulous / radiant

ROUND 1 (5 min): Pairs. Teacher points at an adjective → first to use it correctly in a sentence wins.

ROUND 2 (5 min): Pairs. Use 2 adjectives in 1 sentence.

ROUND 3 (10 min): Each student gets 60 sec. Most adjectives in a mini-story wins. Teacher reads example first, showing each adjective with fingers:

"I visited a breathtaking island last summer. The beach was exquisite — white sand everywhere. But the hotel was decrepit, the walls were falling apart. The streets were desolate at night, nobody around. The local jewelry was intricate, every piece handmade. The chef was meticulous, every plate was perfect. And every morning, the radiant sunrise woke me up."

> Everyone STANDING. Points on the board.

■ PORTFOLIO BUILD — DAY 2: 60-SECOND VIDEO PITCH (15 min)

■■ Use `ANEXO\_PORTFOLIO\_BUILD\_B2\_PROFESOR.pdf` (Day 2 section).

Today is **Day 2 of the Portfolio Build Cycle**. Students record a 60-second video pitch on their phone, listen back, and improve.

Setup (1 min): Write the pitch structure on the board:

```
60-SECOND PITCH:
[10s] HOOK: Who am I in one phrase?
[15s] WHAT I DO + 1 RESULT
[15s] PASSION + 1 EXAMPLE
[15s] WHAT I'M LOOKING FOR
[5s] CLOSE: name + email/LinkedIn
```

Plan round (3 min): "3 minutes. Write your 5 sections in your notebook. Single bullet each. No paragraphs."

Record round 1 (4 min): "Stand up. Phone in selfie mode. 60 seconds — GO." Set timer. Walk silently. At 60 sec: "Stop. Replay it. Listen to yourself."

Improve round (5 min): "What's ONE thing to fix? Record AGAIN, 60 sec."

Submit (2 min): "Send the IMPROVED version to WhatsApp with tag: PITCH-CYCLE[N]-[YourName]." Coordination collects pitches and gives written feedback before next Day 2.

Your feedback during activity: Walk silently. If someone freezes: "Just say one true sentence. Then keep going." After replay: "What did YOU notice?"

> See `ANEXO\_PORTFOLIO\_BUILD\_B2\_PROFESOR.pdf` Day 2 for the full script.

■ 03:42–03:52 | SELF-CHECK (10 min)

Hand out self-check sheet. Students fill ALL fields. COLLECT. CHECK EVERY ONE: blank field = hand it back, fill it NOW. No incomplete sheets accepted. Send to coordination TODAY.

■ HOMEWORK + CLOSE (5 min)

Write on the board:

DAILY INVESTMENT (15-30 min today):

1. PROFESSIONAL GOLDLIST: 10 new business / academic phrases (idioms, connectors, STAR vocabulary).
Send a photo of your notebook to WhatsApp.
2. WATCH any recording from today (pitch / interview).
Write 3 things you'd improve.
3. CV / LinkedIn / Project: continue your work.
Coordination reviews on schedule.

Say: "Daily investment is non-negotiable for B2. The Goldlist now lives in your daily WhatsApp routine — not in our class. In class we use that time for your portfolio."

Notes:

REPORT | Submit to Coordination

Class: ____ | Absent: _____

DELIVERABLES

| Deliverable | Sent? | Notes |

|-----|-----|-----|

| Completed self-check sheets | Yes / No | |

| Error paper (photo) | Yes / No | |

| Social media content (if recorded) | Yes / No | |

ACTIVITIES NOT COMPLETED

If any activity does not have ☒ checked, justify here (mandatory):

TEACHER SELF-EVALUATION

| # | Criteria | Y/N | Evidence |

|---|-----|-----|-----|

| 1 | Students spoke 80%+ of the time | | 3 activities where they spoke more than you: |

| 2 | I spoke less than 20 min total | | Moments where you spoke >5 min straight: |

| 3 | I was a guide, not a lecturer | | Did you explain grammar? If yes, when?: |

| 4 | I walked with error paper | | # errors written during class: ____ (min 5) |

| 5 | My phone was face-down | | Did you use it outside Shadowing? Why?: |

| 6 | Used Answer Keys for self-correction | | Did you give answers or did they self-correct?: |

| 7 | I recorded content for social media | | Type: _____ Duration: _____ |

| 8 | I sent deliverables to coordination | | Time sent: _____ |

Student at risk: _____ Note:

Notes:

Teacher signature: _____ Coord signature: _____ Date: ____/____/____

> Incomplete reports or missing justifications for skipped activities = documented non-compliance. 3 non-compliances = contract review.
