

■ 00:00–00:05 | VATS: VIRTUE OF THE WEEK — PRUDENCE (5 min)

Virtue of the week: PRUDENCE

Write on the board:

PRUDENCE — "A decision your past self made that your present self thanks them for?"

Say: "Daily ritual. PRUDENCE this week. Pairs. English only — give it a try."

V (1 min): Read aloud. Point to board.

A (30 sec): "Think in silence."

T (2 min): "Pairs. Discuss."

S (1.5 min): 2 students share with the class. No correction — celebrate the attempt.

> Daily opening ritual. Virtues rotate weekly: Prudence → Temperance → Justice → Fortitude.

■ 00:00–00:15 | ICEBREAKER: IF I WERE PRESIDENT (15 min)

Students stand in a circle. One student says: "If I were president, I would ____." Next student repeats AND adds their own: "If I were president, I would ____ and I would ____." Chain keeps growing. If someone forgets one, they sit down. Last one standing wins. Go around at least twice.

> They'll naturally use the 2nd conditional without realizing it. Don't correct structure yet — just let them talk.

■ 00:15–00:30 | ANALIZO: VIDEO REVIEW (15 min)

Homework from last class: watch your GRABO video and write 3 errors you heard.

First 5 min: In pairs, share your 3 errors. Help each other correct them.

Last 10 min: Each student shares 1 error with the class. Class corrects together using the correction technique: Student says the wrong sentence → you say "No. Listen." → you say the correct version slowly → student repeats it twice. You don't explain WHY it's wrong. You just model what's right.

> If someone didn't do the homework: they watch a classmate's video RIGHT NOW and find 3 errors. No excuses.

■ 00:30–00:45 | BOOK: MODULE 4 — CONDITIONALS (15 min)

What it's about: 2nd Conditional = unreal/hypothetical present or future ("If I had a million dollars, I would travel the world" — I don't have it, but imagine). 3rd Conditional = unreal past, regrets ("If I had studied harder, I would have passed" — I didn't study, so I failed). Formula: 2nd = If + past simple, would + base verb. 3rd = If + past perfect, would have + past participle.

Say: "Open your B1 book to Module 4. Read the explanation and ALL examples. You have 7 minutes."

First 7 min: They read in pairs. You don't speak. Walk around checking they're reading.

Last 8 min: Sit with each pair. THEY explain 2nd and 3rd conditional to you. They give you examples. If wrong: "No. Listen." + correct version. They repeat. Next pair.

> You don't explain. They explain to you.

■ 00:45–01:05 | EXERCISES + ANSWER KEYS (20 min)

Say: "Do the exercises. Check answers with the Answer Key. Ask your partner first. If neither knows, raise your hand." WALK AROUND — give the correct version only (never explain rules). If 50%+ get the same thing wrong: STOP, write on the board, they repeat.

■ 01:05–01:45 | TBLT: LIFE SWAP (40 min)

How it works: Each student gets a character card with a life situation completely different from theirs. They must "become" that person and have conversations using 2nd and 3rd conditionals to talk about their real vs. imaginary life.

Character cards (write on paper before class):

1. "You are a 65-year-old retired astronaut who regrets never having a family."
2. "You are a 19-year-old billionaire who inherited everything but has no real friends."
3. "You are a famous chef who is secretly allergic to most foods."
4. "You are a doctor in a small village who dreams of being a rock star."
5. "You are a taxi driver who speaks 8 languages but never left your city."
6. "You are a professional athlete who just lost the ability to walk."

Read cards (3 min). Each student reads their card silently. They can ask vocabulary questions.

Prepare (5 min). Each student writes 5 sentences about their character using 2nd and 3rd conditional. Ex: "If I hadn't become an astronaut, I would have had more time for a family." "If I could go back, I would choose differently."

Mingle (20 min). Students walk around as their characters. They meet each other, introduce themselves, share regrets (3rd conditional) and wishes (2nd conditional). Every 4 min, clap — they find a new partner. 5 rotations.

Debrief (12 min). Each student tells the class about the most interesting person they met. "I met a taxi driver who said if he had traveled more, he would have..." Class corrects errors together.

> Walk around WITH error paper. WRITE DOWN every error you hear.

01:45–02:05 | BREAK (20 min)

Students use phones. YOU:

• Search YouTube for a Shadowing clip (60-90 sec, someone talking about regrets, wishes, or hypothetical situations — interview, TED talk intro, or movie scene works great).

■ 02:05–02:25 | CORRECT THE TEACHER (20 min)

Story with 15 errors (10 min). Mix of WRONG conditional usage — wrong tense in the if-clause, wrong form after would, mixing 2nd and 3rd incorrectly. Read slowly. Students shout "WRONG!" and say the correct version. Points per catch.

"Yesterday I was thinking about my life. If I am taller, I would play basketball professionally. (1 — **If I were taller / was taller**) When I was young, if I would study harder, I would have passed my exams. (2 — **if I had studied harder**)

My friend Laura is a doctor. She always says, 'If I didn't study medicine, I would have become an artist.' (3 — **If I hadn't studied — it's past, so 3rd conditional**) But honestly, if she would be an artist, she wouldn't make any money. (4 — **if she were an artist**)

Last summer I almost went to Japan. If I would have saved more money, I would have gone. (5 — **If I had saved**) My brother went instead. He said, 'If I didn't go, I would have regretted it forever.' (6 — **If I hadn't gone**)

If I will win the lottery tomorrow, I would buy a house. (7 — **If I won**) I told my boss, 'If you would give me a raise, I would work harder.' (8 — **If you gave me**) He said, 'If you worked harder last year, I would give you one now.' (9 — **If you had worked harder last year, I would have given**)

My sister moved to Canada. If she wouldn't have moved, she would still be unemployed. (10 — **If she hadn't moved**) She told me, 'If I would know how cold it is, I would have brought more clothes.' (11 — **If I had known**)

If I could travel anywhere, I would have gone to Mars. (12 — **I would go — it's hypothetical present, not past**) If I met a time traveler, I will ask about the future. (13 — **I would ask**) If I hadn't eaten that sushi yesterday, I didn't get sick. (14 — **I wouldn't have gotten sick**) And if I was feeling better right now, I will go to the party tonight. (15 — **I would go**)"

Pairs (10 min): 5 min each. One makes deliberate conditional errors, the other corrects. Switch roles.

■ 02:25–02:45 | SHADOWING 5 STEPS (20 min)

YouTube on your phone. Video from break. Subtitles on student phones.

STEP 1 — LISTEN (3 min): Just listen. **STEP 2 — WITH TEXT (4 min):** Repeat with subtitles. **STEP 3 — WITHOUT TEXT (4 min):** Screens OFF.

STEP 4 — EYES CLOSED (3 min): Max concentration. **STEP 5 — PAIR ROLE PLAY (6 min):** No audio, pairs imitate from memory.

■ 02:45–03:05 | TRANSLANGUAGING: REGRET CONFESSIONS (20 min)

What is this? This is the ONLY activity where students can briefly use Spanish — as a BRIDGE, not a crutch. Students get 30 seconds of Spanish to understand/brainstorm, then they MUST switch to English and present their answer using 2nd and 3rd conditionals.

How to do it: Read one prompt. Pairs get 30 sec in Spanish to process. Then 3-4 min in English to discuss and present. Each pair shares their answer with the class. They MUST use conditionals. If they don't, stop them: "Use a conditional." 3 prompts total.

Prompt 1: "Think of something you regret from your school years. What would you change? What would have happened differently?"

Prompt 2: "If you could have any superpower, what would it be? What would you do with it? What wouldn't you do?"

Prompt 3: "If you had been born in a different country, how would your life be different? What would you have missed?"

> *The Spanish is only to unblock understanding. The moment they have the idea, it's English only.*

■ 03:05–03:25 | STEAM: CAUSE & EFFECT CHAIN (20 min)

What is this? Students build a chain of hypothetical consequences using conditionals. One scenario leads to another, creating a butterfly effect. This combines logical thinking with grammar practice.

How to do it: Write the starting scenario on the board. Student 1 says a consequence using a conditional. Student 2 takes that consequence and builds another one. The chain keeps going. 3 chains total.

Chain 1: "If all phones disappeared tomorrow..."

Example: Student 1: "If all phones disappeared, people would talk to each other more." Student 2: "If people talked to each other more, they would make more friends." Student 3: "If they made more friends, they would be happier." Keep going until it gets absurd — that's the fun part.

Chain 2: "If humans could breathe underwater..."

Chain 3: "If nobody had to sleep..."

Each chain: 1 min to think, then go around 2-3 times. After all 3 chains, class votes: which chain had the most creative ending?

■ 03:25–03:42 | SPEED DATING: WHAT IF? (17 min)

2 rows of chairs facing each other (or standing). Teacher gives a scenario. Students have 2 min to discuss using conditionals. Then one row shifts. 6 rounds.

1. "If you could live in any century, which would you choose and why?"

2. "If you hadn't learned English, how would your life be different?"

3. "If you could have dinner with anyone dead or alive, who would it be?"

4. "If you had been born the opposite gender, what would have been different?"

5. "If you could change one decision from your past, what would it be?"

6. "If money didn't exist, how would the world work?"

> *WALK AROUND writing errors. Everyone standing = more energy.*

■ PORTFOLIO BUILD — DAY 4: MOCK PHONE CALL (15 min)

■ Use `ANEXO\_PORTFOLIO\_BUILD\_B2\_PROFESOR.pdf` (Day 4 section). 5 BPO scenarios available.

Today is **Day 4 of the Portfolio Build Cycle**. Pairs simulate a customer service phone call in English.

Setup (1 min): Pick 1 scenario from the annex (rotate weekly):

- Scenario 1: Internet customer (irritated)
- Scenario 2: Hotel booking issue
- Scenario 3: Product return
- Scenario 4: Healthcare appointment
- Scenario 5: Tech support B2B

Run the simulation (10 min): Read the scenario aloud. Pairs choose roles. 4 minutes per call. At minute 4: "Switch roles. New call."

Group debrief (4 min): "What phrases worked best? What was hard?" Write the BEST phrases on board: "I understand your frustration." / "Let me see what I can do." / "I'll personally follow up by [time]."

Your feedback during activity: Pronunciation immediate correction. Filler words signaled.

> See `ANEXO\_PORTFOLIO\_BUILD\_B2\_PROFESOR.pdf` Day 4 for full scenario scripts.

■ 03:42–03:52 | SELF-CHECK (10 min)

Hand out self-check sheet. Students fill ALL fields. COLLECT. CHECK EVERY ONE: blank field = hand it back, fill it NOW. No incomplete sheets accepted. Send to coordination TODAY.

■ HOMEWORK + CLOSE (5 min)

Write on the board:

DAILY INVESTMENT (15-30 min today):
1. PROFESSIONAL GOLDLIST: 10 new business / academic phrases (idioms, connectors, STAR vocabulary).
Send a photo of your notebook to WhatsApp.
2. WATCH any recording from today (pitch / interview).
Write 3 things you'd improve.
3. CV / LinkedIn / Project: continue your work.
Coordination reviews on schedule.

Say: "Daily investment is non-negotiable for B2. The Goldlist now lives in your daily WhatsApp routine — not in our class. In class we use that time for your portfolio."

Notes:

REPORT | Submit to Coordination

Class: ____ | Absent: _____

DELIVERABLES

| Deliverable | Sent? | Notes |

|-----|-----|-----|

| Completed self-check sheets | Yes / No | |

| Error paper (photo) | Yes / No | |

| Social media content (if recorded) | Yes / No | |

ACTIVITIES NOT COMPLETED

If any activity does not have ■ checked, justify here (mandatory):

TEACHER SELF-EVALUATION

| # | Criteria | Y/N | Evidence |

|---|-----|-----|-----|

| 1 | Students spoke 80%+ of the time | | 3 activities where they spoke more than you: |

| 2 | I spoke less than 20 min total | | Moments where you spoke >5 min straight: |

| 3 | I was a guide, not a lecturer | | Did you explain grammar? If yes, when?: |

| 4 | I walked with error paper | | # errors written during class: ____ (min 5) |

| 5 | My phone was face-down | | Did you use it outside Shadowing? Why?: |

| 6 | Used Answer Keys for self-correction | | Did you give answers or did they self-correct?: |

| 7 | I recorded content for social media | | Type: _____ Duration: _____ |

| 8 | I sent deliverables to coordination | | Time sent: _____ |

Student at risk: _____ Note:

Notes:

Teacher signature: _____ Coord signature: _____ Date: ____/____/____

> *Incomplete reports or missing justifications for skipped activities = documented non-compliance. 3 non-compliances = contract review.*
