

B1 MASTERY — CI 35/44 — CONV (va PRIMERO) — HOJA DE RUTA

Sesion 35/44 · 110 min · Bloques: B1 20' + B2 40' + B3 35' + B4 15' = 110

Focus (1 line): Judge fairly from evidence (deduction: must/might/could/can't) and own a past decision justly ("what would you have done?").

Virtud: JUSTICIA v2 — día 5 de 5 (CIERRA el bloque CI 31-35)

Frase del Día: *"Justice weighs the evidence: he must be right, she might be wrong — and if I had judged too fast, I would have been unfair, so I decide with care."*

HOY SOLO USO ORAL DE: juzgar hablando desde la evidencia (must / might / could / can't) y asumir una decision pasada con el tercer condicional recto. NO EXPLICAR LA REGLA (eso es del bloque de Grammar de hoy). NO TOCAR AÚN: los modales perfectos de arrepentimiento (could have / should have) y los conectores de causa y contraste — eso es de CI 36.

BLOQUE 1 — APERTURA (20')

Objective: reactivate two-option decisions + a recent A2-tail structure, then aim deduction + past regret.

1. **Recuperacion (10', oral, DE PIE, cadena, sin cuaderno).** Disparadores; errores anonimos al board; 1 min re-produccion:

- "Rank two options fairly: 'This one is the best, that one is not very strong.'" (CI 32 — superlatives / honest ranking)

- "Fix it: 'the most best option.'" (CI 32)

- "One phrasal verb about your workday." (CI 28 — phrasal verbs)

- "Confirm it with a tag: 'You finished, ___?'" (CI 34 bridge — question tags)

2. **Chequeo publico de portafolio (3'):** conteo en voz alta del audio de ayer; no-envios a tu cuaderno.

3. **Frase del Día (4').** Board antes; 2 lecturas + coro + 1 solo; 3+ inserciones. Señala: *"must / might / can't judge from evidence; 'would have' owns the past. Judging fairly is Justice — and today it closes."*

4. **Revision tarea (3'):** dialogo CI 34 (tags + either/neither/both) sobre la mesa; recoge. **PASE de Grammar (CI 34)** leído: hoy M3 + M4.

> [VIRTUD] Board: "JUSTICE — DAY 5, CLOSING". *"To deduce fairly is to judge on evidence, not on impulse; to say 'I would have done it differently' is to own the past justly. Justice closes here — tomorrow opens Fortitude."*

BLOQUE 2 — READING THE EVIDENCE: DEDUCTION (40')

Objective: everyone makes fair deductions about real work situations using must / might / could / can't.

1. Meta en 1 linea: *"By the end of this block, everyone has read 4 real situations and judged them fairly with a modal of deduction."*

2. **Avance MY STORY (2'):** una linea — *"Looking back, I might have quit — but I must have wanted this more."*

3. Board — el molde oral (Grammar formaliza M3 hoy; verbatim en anexo):

JUDGING FROM EVIDENCE (B1 Book M3, p.23)
very sure -> MUST "His car is here. He must be inside."
partially -> MIGHT/MAY/COULD "She might know the client."
sure opposite -> CAN'T "I have the ball. They can't be playing."
(often with 'be' + -ing, or with 'have' + participle)

4. Modela 30 seg leyendo una pista real de tu trabajo y deduciendo justo.

5. Preparacion en parejas (7'): cada uno trae 3 "pistas" reales de su trabajo (un dato observable) para que la pareja deduzca.

6. Ejecucion (15'): A da la pista, B deduce con must/might/can't + justifica; luego invierten. Se busca la deducccion JUSTA (proporcional a la evidencia), no la exagerada. Cambio de pareja a mitad.

7. Producto verificable (10'): vuelta completa — cada estudiante lee 1 pista y da 1 deducccion fundada (20 seg). Cuentas moldes limpios en el board.

8. Feedback: logro primero (¿la deducccion es justa?), forma despues. Errores 2+ parejas -> board anonimo. Nombres a tu cuaderno.

BLOQUE 3 — "WHAT WOULD YOU HAVE DONE?" (35')

Objective: hold a realistic decision-review where the team judges a past call fairly with the third conditional.

1. Board: `POST-MORTEM MEETING — "WHAT WOULD YOU HAVE DONE?" — 3 ROTATIONS`

2. Escenario profesional realista (solo tablero y sala): el equipo revisa una decision pasada que salio mal y juzga con justicia, sin culpar. **1 guest = quien reporta el caso**; otro estudiante rota como quien pregunta con el molde (*"If you had known the risk, what would you have done? If we had called the client, would they have stayed?"*); el guest responde justo (*"If I had checked the data, I wouldn't have shipped it."*); el resto = **OBSERVERS ACTIVOS** (2 errores, 1 acierto, 1 pregunta). Tu = COACH afuera — NUNCA juegas guest.

3. 3 rotaciones (~9'). Debrief por TIPOS (anonimo): moldes limpios vs "if I would have known" / "if I had knew" / "I would have went".

4. **Cierre JUSTICIA (3'):** *"Justice day five, closing — name one past decision you now judge more fairly, without blaming."* — 2 respuestas maximo. *"Justice closes. Tomorrow: Fortitude."*

BLOQUE 4 — CIERRE (15')

1. **Ticket de salida (5', sentados):** 3-5 frases sobre SU trabajo: minimo 2 de deducccion (must/might/can't) + 1 tercer condicional (*"If I had ___, I would have ___"*). Nombre en el papel. Se recogen TODOS; sin evaluar; viajan con el error paper.

2. **Tarea (board):**

HOMEWORK CL 35 CONV – DUE CL 36, BEFORE 7:00 PM
TIME: 30-45 min (B1). NOT fragmented.
(1) WRITE "The fair judgment" – 8 lines: 4 deductions about real work clues (must / might / could / can't) + 4 third-conditional lines owning a past decision ("If I had ____, I would have ____").
(2) PORTFOLIO audio (daily) – 2 min, eyes closed: judge 3 work situations fairly + review one past decision with "would have". Label: B1-CONV-35. WhatsApp group.
(3) Bring the paper and YOUR B1 book to next class.

3. **Error paper** anonimo cerrado; nombres/citas al reporte.

4. **Proxima clase:** "Cl 36: B1 book M5 Perfect Modals + M6 Connectors. New virtue opens — Fortitude, day 1. Evaluation questions go to coordination."

5. **PASE a Grammar HOY** (fisico, antes del cambio de bloque):

PASE Conv -> Grammar – Cl 35 (mismo dia)
3 gaps frescos de hoy (literal, sin nombre aqui):
1. _____ 2. _____ 3. _____
Patrones orales de hoy: (a) "if I would have known" (would en la clausula con if); (b) "if I had knew" (participio); (c) deduccion exagerada / modal cambiado ("he must" cuando la evidencia solo da "might"). Hoy dedujeron con evidencia y revisaron decisiones pasadas. Tu bloque cierra M4 COMPLETO: recto (G1 p.29-31), mixto (G2 p.33-35) y la tabla comparada 0/1/2/3 (G3 p.37-39). M3 va comprimido – ya lo produjeron aqui.

Checklist salida: ■ Reporte firmado ■ Error paper recogido ■ Tickets recogidos (TODOS) ■ Fotos/videos (board deductions + post-mortem) ■ PASE entregado ■ Conteo portafolio anotado

ANEXO — VERBATIM DEL LIBRO + PLAN B + NOTA INTERNA

M3 — Deduction (Guide 1 p.23; Examples p.24; Exercises p.25)

Cita p.23: "we use verbs of deduction to express a supposition... The verb depends on the certainty the speaker feels: Very certain -> Must; Partially certain -> Might / May / Could; Very certain of the opposite -> Can't / Must not." + "It is very common to use deduction with the verb 'to be'... 'He must be playing soccer.' / 'He must have arrived already.'"

Ejemplos verbatim p.24: "Horst is late. He must be sick." · "Mike is here. He can't be sick." · "Sam must have arrived last night. His car is here." · "The boys can't be playing soccer. I have their ball."

M4 — The Third Conditional (Straight) (Guide 1 p.29; Examples p.30; Exercises p.31)

Cita p.29: "refers to something that did (or did not) happen in the past... Clause with 'if': HAD + PARTICIPLE / Conditional clause: WOULD HAVE + PARTICIPLE. 'If I had studied... I would have passed the exam.'... The probability of studying is now 0%, because past events cannot be changed."

Ejemplos verbatim p.30: "If you had woken up on time, we wouldn't have been late." · "If Sarah had said good morning, I would have talked to her." · "If you had found your brother, what would you have said?" · "If we had asked the teacher, would he have told us the answer?"

> NOTA: el libro trae también M4 mixto (Guía 2, p.33-35) y la comparación de condicionales (Guía 3, p.37-39). **Grammar HOY cierra M4 COMPLETO** (G1 + G2 + G3). Conv se queda en el molde RECTO en producción oral: es el que sostiene el post-mortem. No lo formalices aquí.

PLAN B (sin material)

- Sin board: profe dicta el molde de deducción y el del tercer condicional; se practica de memoria en cadena.
- Grupo chico (<4): en el post-mortem el profe hace de QUIEN PREGUNTA y un guest fijo reporta el caso; el resto observa.
- Sin pistas propias: usa una pista neutra del board ("The lights are on but nobody answers").

NOTA INTERNA (no leer en clase)

- Módulos HOY = M3 Deduction (p.23-25) + M4 Third Conditional straight (p.29-31), verbatim en anexo. **Grammar hoy cierra M4 COMPLETO** (G1 recto p.29-31 + G2 mixto p.33-35 + G3 comparada p.37-39); Conv aporta la producción oral del RECTO y el bloque completo de deducción — por eso Grammar comprime M3 hoy.
- Recuperación N-3 = CI 32 (superlativos / ranking honesto); N-7 = CI 28 (phrasal verbs). (**SUPUESTO DE PLANEACIÓN — verificar: cierre A2 CI 27-33 en re-mapeo paralelo; estructuras reales del tramo final A2, número de clase ajustable.**)
- Virtud: JUSTICIA v2 día 5 CIERRA hoy (calendario absoluto). CI 36 abre FORTALEZA v2 día 1.
- MY STORY vivo rumbo al Final CI 44 (evaluador externo).
- Profe sin material preparado: todo en tablero + libro + papel del estudiante.
