

B1 MASTERY — CI 18/44 — GRAMMAR (va SEGUNDO) — HOJA DE RUTA

Sesion 18/44 · 110 min · Bloques: B1 20' + B2 40' + B3 35' + B4 15' = 110 · 100% ingles

Modulo: Past Perfect (HAD + past participle) — **Libro B1 M9 "More About Perfect Tenses" (p.97), Guide 2 "The Past Perfect" (p.103), Examples (p.104), Exercises (p.105);** participio ya visto en A2 Book M15 (p.133) / M16 (p.147) `(ver NOTA INTERNA)`

Focus (1 line): Lock HAD + participle on paper — the earlier event under the main past event.

Virtud: FORTALEZA v1 — dia 3 de 5

Frase del Dia: "*Courage lays the floor under the story: HAD + participle marks what was already done before the main past event — one past beneath another, both clean.*"

> **DE PIE:** Bloques 1-3 completos en/junto al tablero (~95 de 110 min ≈ 86%; piso 70%). Solo el Bloque 4 es sentado. Movimiento SIEMPRE con contenido.

HOY SOLO: past perfect — had + participio como el evento ANTERIOR, con before / after / when / because. **NO TOCAR AUN:** el present perfect have/has + participio ni su contraste con el simple past — eso es de CI 21, 22 y 23.

BLOQUE 1 — APERTURA (20') — DE PIE

Objective: reactivate the story and open a slot BEFORE it.

1. **Recuperacion espaciada (10', oral, DE PIE, en cadena, sin cuaderno).** Errores al tablero anonimos; 1 min de re-produccion correcta:

- **(N-3, CI 15 — el sistema del pasado en uso):** "Account for one hour of yesterday: one line that was open, one point that closed. No rule, just say it."

- **(N-7, CI 11 — past simple regular):** "Spell it out loud: play -> played, stop -> stopped, study -> studied, need -> needed. Which -ed sound?"

2. **Chequeo de portafolio (2').** "*Who sent the daily audio?*" Pregunta y anota; no revisas contenido.

3. **Frase del Dia (3').** Board antes de empezar; 2 lecturas, coro 2x, 1 solo. Insertala 3+ veces; al cierre 1 de memoria + 1 en oracion nueva.

4. **Revision tarea CI 17 (2').** Parrafo narrativo de 10-12 lineas etiquetado por capa sobre la mesa. Recoge. No-entregas a tu cuaderno.

5. **PASE recibido de Conv (hoy) (3').** lee los 3 gaps en voz alta: "*These came out of your mouths this morning. We seal them on paper now.*"

> [VIRTUD] Board: "FORTITUDE — DAY 3". Di: *"Fortitude builds the floor under the story. HAD + participle: what you had ALREADY done before the past event."*

BLOQUE 2 — HAD + PARTICIPLE EN PAPEL (40') — DE PIE ~90%

Objective: everyone forms the past perfect and places the flashback in the right event.

1. Board — cita del libro + regla:

PAST PERFECT — HAD + past participle (Libro B1 M9, Guide 2, p.103)
Book (verbatim): "The past perfect tense uses the same participle, but the auxiliary verb 'to have' is in the past tense ('had')."
Book: "We use the past perfect together with the simple past to talk about events that happened BEFORE another past event."
Book: "The past perfect is a 'narrative tense' because it helps us explain the relationship in a story."
Book model: "When we moved to Colombia, I had learned Spanish."
HAD never changes: I/you/he/she/it/we/they + HAD + participle
Negative: "had not" -> "hadn't" Question: "Had you finished?" -> "Yes, I had."
Regular participle = -ed (finished, prepared, worked)
Irregular participle (A2 Book M16, p.147): gone, taken, seen, done, been, made
Book examples (p.104, verbatim):
"I had studied English before I went to London."
"When I ate dinner, I had already done my homework."
"Arnulfo arrived early today because he had forgotten to shower."
"I met my friend Chris after I had studied in Paris."
Contrast: "When I got there, it started" vs "When I got there, it HAD started."

2. Señala la logica: "*HAD carries the tense; the verb wears its PARTICIPLE. The book calls it a narrative tense — it is layer five of the story you built yesterday.*"

3. **Drill en circulo (10', DE PIE):** cadena — tu lanzas 2 eventos ("arrive / finish the report") -> est. 1 dice cual fue primero, 2 lo une con "before/after", 3 lo une con "because", 4 pregunta + short answer ("Had you finished? Yes, I had."); el 5 lanza el siguiente par. Velocidad creciente.

4. **Errores tipicos al board (coro 2x cada correccion):**

- "I had finish" -> "I had FINISHED" (participio, no bare)

- "I had went" -> "I had GONE" (participio irregular, no past simple)

- "I have studied before I went" -> "I HAD studied before I went" (auxiliar en pasado)

- HAD en el evento equivocado -> el flashback es lo ANTERIOR, no el principal

5. **Zone walk (12', DE PIE):** tablero `MAIN EVENT (past simple) | EARLIER EVENT (had + participle)`. Dices dos hechos; las parejas CAMINAN colocando cada uno en su zona Y producen la frase enlazada en voz alta con before / after / when / because.

6. Cierre del bloque: cada uno produce de pie 2 frases verdaderas con "had + participle" sobre un logro propio. El uso libre cierra el bloque.

BLOQUE 3 — TWO-LAYER STORY SPRINT (35') — DE PIE 100%

Objective: produce nested past under pressure — half the clauses must be flashbacks.

1. Board: `TWO-LAYER STORY SPRINT — HALF THE CLAUSES ARE FLASHBACKS — 3 ROUNDS`
2. Escenario profesional realista (solo tablero y sala): reconstruir por que un proyecto salio bien o mal, incluyendo lo que YA se habia hecho antes. **1 estudiante = guest** sostiene el hilo (5+ clausulas, al menos 2 con had + participle); los demas rotan agregando una clausula (tu pides "main" o "flashback"); el resto = **OBSERVERS ACTIVOS**: 2 errores de forma, 1 acierto, 1 flashback mal colocado. Tu = COACH desde afuera — NUNCA juegas guest.
3. 3 rondas (~8' c/u). Entre rondas, 90 seg de cadena de participios ("do -> did -> done", "take -> took -> taken", "see -> saw -> seen").
4. Debrief con lo anotado por observers (tipos, anonimicos). Intervien solo si un error aparece 3 veces: board, coro 2x, sigue.

BLOQUE 4 — CIERRE (15') — SENTADOS

1. **Ticket de salida (5')**: 3-5 frases con al menos 2 flashbacks (had + participle) + 2 palabras de enlace (before / after / because / when), nombre en el papel. Se recogen TODOS; no se evaluan ni comentan; viajan con el error paper a coordinacion.
2. **Cierre FORTALEZA**: "What had you already done, before the day you told me about?" — 2 respuestas. "Day 3 of Fortitude. Cl 19 we clean the whole past system with your own errors."
3. **Tarea (board)**:

HOMEWORK CL 18 GRAMMAR — DUE Cl 19, BEFORE 7:00 PM
 TIME: 30-45 min (B1). NOT fragmented.
 (1) WRITE 12 sentences in 4 sets of 3: before-flashback / after-flashback / because-flashback / questions with short answers. Underline HAD, circle the participle. No "had went", no "had finish".
 (2) PORTFOLIO audio (daily) — 2 min, eyes closed: two things you had already done before your last big work day. Label: B1-GRAMMAR-18. WhatsApp group.
 (3) Bring the paper to Cl 19.

4. **Error paper** fisico anonimo cerrado; nombres + citas literales en tu reporte a coordinacion.
5. **Proxima clase**: "Cl 19: a clinic — we take the real errors of these weeks and rebuild them, then we bridge forward. Questions about evaluation go to coordination, not to me."
6. **PASE a Conv Cl 19** (entregar fisicamente antes de salir):

PASE Grammar -> Conv — Cl 18 -> Cl 19
 3 gaps frescos de hoy (error literal, SIN nombre aqui):
 1. _____ 2. _____ 3. _____
 Patrones bajo presion: (a) bare tras HAD ("I had finish"); (b) past simple en vez de participio ("I had went"); (c) HAD en el evento equivocado; (d) aplanamiento (todo en simple); (e) palabra de enlace perdida. Hoy quedo lockeado had + participio como quinta forma. Manana abre con roundup
 "My worst repeated mistake" (cada uno una linea que sabe que le sale mal).
 Cl 19 = clinica de errores del pasado + puente hacia lo que sigue.

Checklist salida: ■ Reporte firmado ■ Error paper recogido ■ Tickets recogidos (TODOS) ■ Fotos/videos (board + sprint) ■ PASE entregado ■
 Conteo portafolio ■ ~86% DE PIE confirmado

ANEXO — Plan B por bloque + NOTA INTERNA (no leer en clase)

Plan B (cero material impreso):

- **B1:** sin PASE de Conv, usa gaps genericos ("I had finish", "I had went"). No pierdas tiempo buscando.
- **B2:** si a los 25' siguen poniendo bare o past simple tras HAD, corta el zone walk y trabaja SOLO "Before I went, I had + participle" hasta que salga limpio. Mejor 1 enlace solido que 4 flojos.
- **B3:** con <4 estudiantes, 2 rondas largas; el guest sostiene el hilo y tu pides main/flashback a cada aporte.
- **B4:** ticket de 3 frases si falta tiempo; la tarea NO se recorta.

NOTA INTERNA:

- **Ancla de libro VERIFICADA:** el past perfect SI esta en el libro oficial — **Libro B1, Module 9 "More About Perfect Tenses — Not So Simple, Anymore!" (p.97), Guide 2 "The Past Perfect" (p.103), Examples (p.104), Exercises (p.105).** Las citas del board estan copiadas verbatim de esas paginas. El participio ya se habia anclado en A2 Book M15 (p.133) / M16 (p.147).
- **■ ■ ■ Para coordinacion:** el Libro B1 M9 tambien contiene Guide 1 "Simple Past vs Present Perfect" (p.99-101) y Guide 3 "The Future Perfect" (p.107-108), y el mapa del Libro B1 ubica M1-M12 mas adelante en el nivel. Hoy se toma **solo la Guide 2**; el resto de M9 queda intacto para su lugar en el mapa. `(SUPUESTO DE PLANEACIÓN — verificar el solapamiento con Diana)`.
- **Puente a CI 21-23:** el mismo participio reaparece despues de HAVE/HAS (present perfect). Aqui vive bajo HAD; la conexion "solo cambia el auxiliar" se activa alla, NO hoy.
- **Recuperacion:** N-3 = CI 15 (consolidacion del sistema del pasado en uso); N-7 = CI 11 (past simple regular -ed). Sin mapa semanal de tickets — no citar tickets.
- DE PIE ≥70% (piso 86%): Bloques 1-3 de pie. Prohibido drill sin contenido.
- Virtud CI 16-20 = FORTALEZA v1, dia 3.
- **COSTURA a CI 19:** la tarea de hoy (12 frases en 4 sets + audio B1-GRAMMAR-18) es lo que CI 19 revisa; el PASE entrega a Conv el roundup que abre la clinica.
- CI 22 = presentaciones (integradas). Evaluaciones = coordinacion, nunca el profe.
